MESSAGE FROM THE PRESIDENT

MIKE MAXWELL

A very wise man once told me that the older you get the quicker time goes by. Being a young buck at the time, I did not believe my father but he was absolutely correct. I am coming up to the end of my first year on HCA's Board of Directors. I sat here for several minutes wondering what I was going to write in my last discourse as your 2002-2003 President.

It has been a year filled with uncertainty. At the beginning of this year, we had no special projects in the works to provide income for HCA. I asked all of you to put your thinking caps on and give us suggestions. Thanks to you we have reissued the #2 Madonna with very good success. We are getting requests from the local Catholic Diocese for our Madonna, also. We are reissuing the Tiger paperweight for Newark High School. We are still working with area veterans groups on the General's Cap. Longaberger has also placed an order with us for colts in red. All of this is a tribute to you, the members and employees of HCA

I preached endlessly about volunteerism within HCA until you were sick of hearing it. The bottom line is when HCA needed you the most, you stepped forward, rolled up your sleeves and did what was asked of you and then some. I have seen a new spark of interest in this club over the last year and that is the most important thing to keep going. I would love to give credit for this to the Board of Directors and the Executive Committee, but the truth is it was 100% you, the membership and employees of HCA. As we move ahead into the 2003-2004 year with the addition of new board members and a new Executive Committee, we need to nurture the spark that was created and keep building it up. Since the articles are written a month in advance, it is unknown at this time if I will be returning next year as your president. Either way, it has been a pleasure to have served during the previous year

Fortunately, things have been running pretty smoothly at the Museum. Bill Douglas tells me the computer updates are moving along, and they seem to be

operating quicker and more efficiently. The new telephone system has been in place for a few months and has been operating very well. Our Business Manager's new office beside the gift shop is coming along nicely and should be finished after convention. The #2 Madonna is still selling well in the gift shop. Our employees continue to update current computer programs to make them operate more efficiently.

The Heisey advertising sign will be available by convention time. As I have said in past articles, this was never produced by Heisey. The problems Mosser was having making it has been resolved and should prove to be a nice addition to your collection. Since the sign was never made before, we chose to make it in crystal for the first run. It will be marked on the back with HCA, M and 2003. We chose to use the whole year as to not be confused with 1903.

HCA has lost Ralph Hickman. Ralph was a long time member of HCA as well as Heisey Collectors of California (HCC). He has had a shop on Antique Row in Pomona, CA, for many years and in the early years of HCC, he hosted many of their meetings. He began collecting Heisey in 1970 and was most interested in the old patterns and toothpicks. A celebration of his life was held May 10 near his shop.

We have also learned that Evan Morris passed away on March 5. Evan had a prolonged bout with cancer. His wife, Mary, shared with us that they would have been married 57 years this June 28.

Sadly, we were just notified of the death of Marjorie Rodgers in November of 2002.

My prayers go out to all these families and friends in their times of loss.

Happy Heisey Hunting,

Mike

FROM THE CLUB/MUSEUM DIRECTOR

Bill Douglas

HEISEY PULLING FOR THE CHILDREN

The National Heisey Glass Museum participated in the 2003 Par Excellence Cake Auction. This annual event raises money for underprivileged children who are trying to better themselves. Over 175 groups participated raising over \$37,000 for the cause. In addition to the cake, each group includes "incentives" with their entry.

The theme of our cake was "The Heisey Glass Museum Pulling for the Children". (See photo below). Our incentive was a Red Sparky pulling a little red wagon and 4-admissions to the Museum. Our cake brought \$50 for the charity. In addition to helping the kids, we received publicity in all of the promotional material and were mentioned numerous times on the live radio broadcast as our cake was auctioned.

MARCI SAYS GOODBYE

The Museum is losing one of its valued volunteers. Marci Wasserstrom has been a volunteer at the Museum for several years. Marci volunteered every Tuesday and Wednesday. Due to a schedule change at her "paying" job at the Center of Science and Industry in Columbus, Marci could only work on Tuesday. Marci was a big help answering the door,

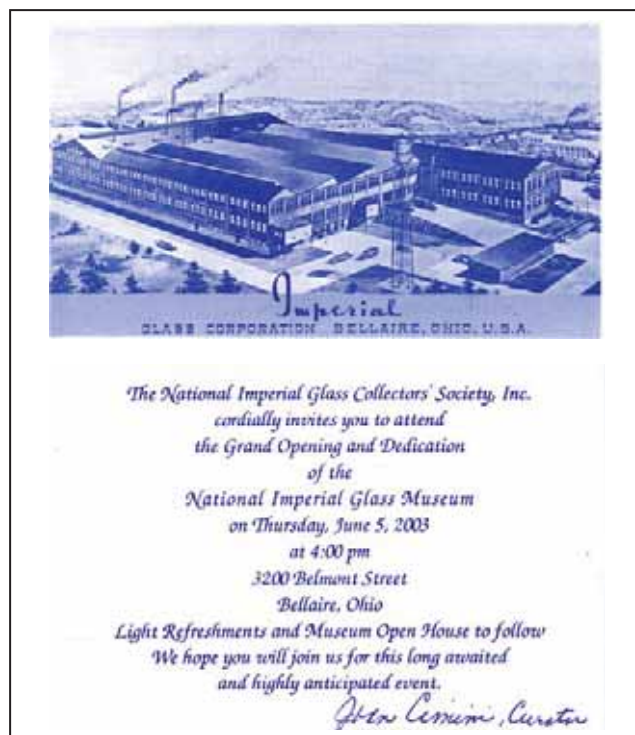

working on mailings, internet searches and anything else that needed done. One of Marci's favorite things was seeing how full she could make Bill's "In-basket". In addition to volunteering at the Museum, Marci also volunteers at events for the Red Cross as a First Aid Coordinator. One of Marci's favorite events is the Ohio State Football games.

An opportunity came up and Marci has started school to become a paralegal. Marci will be missed, and we wish her much success in her new career!

We'll miss you Marci; best of luck!

Are You a Painter?

No, we're not looking for Pablo Picasso or Vincent Van Gogh. We are looking for a few people who are good with a roller and brush. We need to paint the office Shelly will be moving into in the King House. It was the old Editor Office. We did some repair to the walls after the electric panels were moved and now the room needs a fresh coat of paint.

We'll provide the supplies. We need help getting the paint on the walls. Please call Shelly at 740.345.2932, ext. 2, if you can help us out.

Calling all HCA "Celebrations" theme convention goers to a free, fun event!

Gloria Moore

Please register for and plan to attend the Meet the Board and Candidates Event at the Museum Thursday morning at 10:00 a.m. We're hoping to conjure the pleasant homecoming and gratitude feelings of a Thanksgiving Celebration by offering free coffee, juice and breakfast rolls to make warm, happy tummies for convention goers inspired by this year's convention theme of Celebrations.

Start your day with Heisey pals: festivities include greeting of old and new Heisey Friends and Fans; introduction to the slate of candidates for the HCA Board to be elected on Friday evening; and meeting the current Board of Directors, Museum staff and volunteers. All HCA members are invited to share an hour or so to meet, smile, and exchange thanks with one another for being HCA Members, coming to convention, and those Heisey Fans who have given their time to keep our National Club strong the last year.

As added incentive to attend, there will be "fabulous door prizes" for attendees to claim, including a turkey, promoting the Thanksgiving theme, a certified limited edition print depicting the courtship of a tom and hen turkeys in the wild, entitled Struttin' and Drummin' by Jack DeLoney valued at \$165. Be sure to let Bill Douglas know if this is your first HCA Convention. We'll have a drawing for a special door prize for first timers!

Convention attendees-Please bring your pictures for the Heisey snapshot/photograph contest with you to the Meet the Board and Candidates Event. There are details for The Celebrate with Class by Using Your Heisey Glass Photo Contest in this issue and the last issue of Heisey News.

Ballots for "Peoples Choice of Favorite Photo" will be handed out for your voting preference and convenience. Come and take advantage of a great opportunity to view members' (and your) photos contest of decorating with and fun use of Heisey.

Let's convene for Heisey free fun at 10 o'clock Thursday at our Museum. See you there!

2003 CANDIDATES FOR THE HCA BOARD OF DIRECTORS

Following is the slate of candidates as presented at the HCA general membership meeting Saturday, March 29. **Absentee ballots should be requested from the Museum by June 1, 2003 to ensure enough time for the June election.** Send a SASE for a ballot to: HCA Ballot, 169 W. Church St., Newark, OH 43055. **We will be selecting "4" members to the Board from these candidates.**

Linda Bischoff, Incumbent

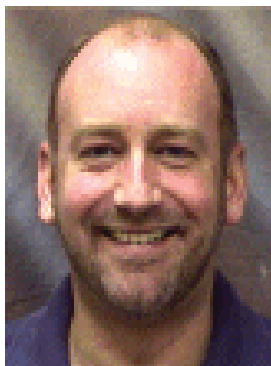

Linda is running for her second term on the Board. Linda currently serves as Secretary.

Linda first became aware of Heisey in the early seventies while dating her husband, Tom. Before long they were both hooked on collecting all of the beautiful animals.

Currently her Heisey passion has shifted to collecting candlesticks in Sahara, Moongleam and Cobalt.

Although Linda lived in Central Ohio while attending Otterbein College and teaching in the New Albany, Ohio schools, she calls Holland (Ohio) home. After teaching, Linda worked part time as a librarian for the Toledo Lucas County Library and as a bookkeeper for her father-in-law. She worked in the Sylvania, Ohio income tax office for twenty-four years becoming the tax commissioner in 1985. After 31-years of service, she retired last April.

Linda feels her diverse job background will continue to be an asset to the Board of Directors.

Bryan K. Baker

Bryan K. Baker began collecting Heisey in the early 1980's after inheriting a small collection of Orchid from his grandmother. Collecting Orchid soon

turned into collecting everything Heisey, and Bryan is now the owner of an extensive collection. He is also the proprietor of Piece by Piece Antiques specializing in Heisey glassware. Bryan is a native of Virginia, and has been an active member of the National Capital Heisey Collectors Club (NCHCC). He was recently elected to the office of secretary for the club and also the co-chair of the Annual All-Heisey Glass Show sponsored by the NCHCC. Bryan has been a member of the Heisey Collectors of America (HCA) for a number of years and is currently a member of the HCA Technology Committee. Bryan volunteers his time helping with the HCA Benefit Auction.

Bryan is a Senior Program Analyst for Mitretek Systems, Inc., a non-profit scientific research and system engineering company outside Washington D.C., that works in the public interest to solve complex technology problems. Currently, he is responsible for Mitretek's business continuity and data recovery plans. Prior to his work at Mitretek, Bryan was a seasoned manager for a large nationwide retailer.

Bryan brings to HCA his years of management experience along with his sense of teamwork and dedication. Using tried and true methods in addition to new technology, Bryan is dedicated to reaching out to new and existing HCA members to foster and expand the knowledge of Heisey glassware. Building on his existing knowledge, Bryan hopes to assist in increasing and strengthening HCA members' relationships to the National Heisey Glass Museum using the *Heisey News*, the HCA and Museum Web Site as well as new technologies such as CD-ROM and internet-based applications (e.g., newsgroups, interactive chat, online data access). Bryan's goal is to increase the membership base while increasing informational resources available to members.

James S. Clark

I am a retiree from Ameritech, (1995) where I worked in the Central office and an Assistant Manager of 6 offices for 26 years. After retiring I have run my own company doing telephone and computer system

networking and management. I also worked on the Census 2000 as the assistant manager for field operations where I was directly responsible for the correctness and completeness of the Census. When the Census was complete, my district was rated third in a three state area out of approximately 40 districts. Presently I am employed at Springhill Nurseries.

My association with Heisey began 19 years ago with a couple of pieces that my wife Karen and I had and wanted to find out more about. This led to a trip to the museum where we were directed to contact Bob Ryan. Over time he has become my Heisey mentor. After meeting Bob we became members of the Dayton Area Heisey Study Club.

Bob introduced us to the annual Heisey benefit auction which I have co-chaired and chaired or been involved with it in some fashion for most of the years I have been associated with HCA.

I have also served as Project Chairman for a couple years. Several years ago I also served as president of the Dayton Area Heisey Study Club.

My wife, Karen, and I serve as docents at the Museum on a regular monthly schedule and as needed. We started as docents early in our collecting experience under the guidance of Louise Ream who educated us well.

Our collection of Heisey includes anything we like with favorites being Old Sandwich, Hawthorne and vases. As Bob Ryan has said there is "no bad Heisey."

We have two daughters. Kelly lives in Richmond, VA and works as a neonatal respiratory therapist at MCV Hospital. Rochelle (Shelly), along with her husband, Steve, lives in Hilliard, OH, has given us two fantastic granddaughters, Keely (4 years) and Ryleigh (2 years).

Should I become an HCA board member I hope to assist in any way I can to ensure that we continue to offer education of the glass and to fulfill the long term security of the museum.

Carolyn Felger

I have been a member of the Heisey Club of California for 10 years and served on the Board of Directors for Heisey Collectors of America for four years, from 1997 to 2001. My husband, Dan, and I have four adult kids

and nine grandchildren, ages two to 20. Dan is an avid fisherman and I'm addicted to Heisey and golf. We own and operate a Real Estate Investment firm close to our home in Thousand Oaks, California, with most of our properties located in Arizona and Oregon.

I look forward to serving on the Board again. I will strive to make a positive contribution to the National organization and to work with the Board to increase the National membership, increase donations to our beautiful Museum and to continue the Heisey tradition of excellence and dedication.

Ron Keener

I was born and raised in West Virginia. Served in the Air Force from 1959 to 1964. I now reside in Heath, Oh. I retired from Newark Air Force Base in 1997 after 37 years of federal service where I worked as a Program Manager for support equipment for various weapon systems.

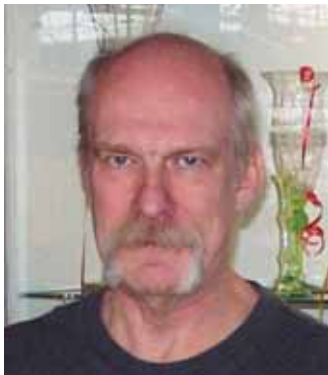

I moved to the Newark area in 1966. Being an avid auction fan at the time, I soon became acquainted with Heisey Glass. After a few years of observing the sale of Heisey I began to buy a few pieces. That soon lead to the start of a collection, concentrating on the dolphin footed pieces. Soon after that I became a part-time Heisey dealer. I have been a part-time

dealer for over 30 years and always look forward to June and seeing all the Heisey collectors.

My goal, as a board member, would be to get the younger generation involved, and to increase membership in HCA.

Walter Ludwig

Walter Ludwig has been a resident of Philadelphia, Pennsylvania for over 30 years. He attended Hobart College graduating with honors, with majors in mathematics and economics. Walter worked for over 27 years for the WEFA

Group, a major economic consulting firm, attaining the position of Vice President – Systems and Technology.

Walter first began collecting Heisey in the early 1970s when he was going to flea markets and was attracted to the beauty of a green glass with a peculiar mark in the middle of each piece. He would buy practical pieces he could use that had this mark on them. It was several years before he learned that these pieces were Heisey Moongleam with the famous Diamond H mark. He joined HCA and attended his first convention in 1982. His collection has grown to the point that he is known as “Mr. Moongleam” within the Heisey family of collectors. His constant search for Heisey resulted in his becoming a dealer in Heisey and other glass of the depression era. He still considers himself a collector first and a dealer second. His Heisey collection has expanded beyond just Moongleam to include Aqua Calientes, Hartman, and Art Deco inspired patterns.

Walter has served two previous terms on the board and has held many positions in the organization. He has been chairman of the Education Committee, the Technology Committee, and served on the Acquisition Committee. He has been Show Chairman for seven years and has chaired the identification panel at convention for over eight years. He has presented seminars at convention in the past, written

articles for the Heisey News and done presentations to outside groups about Heisey. He is anxious to continue contributing to the organization by serving again as a director for HCA.

Dick Smith

Dick is a lifelong resident of Newark, Ohio. He and wife, Marilyn, are the parents of two children.

Dick has been an HCA member since 1978, serving on the board of Directors for 16 years and also serving as the Immediate Past-President for two years. Dick has also served on various

committees including: Convention Chair, Convention Co-Chair, Display, Auction, Museum, Special Projects, Building, Warehouse, and By Laws. Dick has served as National President twice for a total of four years and Vice President two years.

Hobbies include: baseball cards; drag racing; Newark, Ohio collectibles; and of course “Heisey glass”.

Dick believes a strong Board of Directors is needed to further the purpose and goals of HCA, preserve the Museum and preserve the History of Heisey Glass. Dick believes sometimes you have to set aside your personal views and do what is best for HCA and the Museum. ♦

AUGUST HOLDBACK AUCTION ITEMS NOW ON DISPLAY IN THE GIFT SHOP

Twenty-three items have been selected for the August Holdback Auction. These unusual and unique items are on display in the gift shop. Stop by and see them during Convention. A complete list and bid form will appear in the July Heisey News. Just a few of the rare pieces are: Flying Mare in Frosted Amber, Black Kicking Colt that was a Longaberger “sample”, and Crystal Filly Head back. Don’t miss the August 18th deadline!♥

2003 CONVENTION HOSPITALITY ROOM

The Tri-State Heisey Collectors Club is again sponsoring the Hospitality Room located in the lower level of the Museum during this year's Convention. We have done this for several years now and it always proves to be a good time for all. We are planning to bring our usual fare of assorted meats and chicken salad on croissants. We also decided to try something new this year with the addition of hot barbecue beef sandwiches. With a couple of our members not attending this year and the added responsibilities of Mike Maxwell during Convention time, we are asking for your help. We will have a sign up sheet at the table where you pick up your Convention packets. It will be divided into two-hour time frames. We are looking for up to three individuals for each period. If you are willing to help us out for just a couple hours during Convention, it would be greatly appreciated. It is a great way to meet new people and spend some time with old friends.

Thanking you in advance for your help,
Tri-State Heisey Collectors Study Club

MEET THE FORMER EMPLOYEES

Judy Rhoads

On Friday afternoon of Convention, at 3:30 in the Hospitality Room, you can meet folks who can make the history of Heisey glassmaking come alive for you! These are the folks who worked in the Heisey factory and who gather every year to visit and share their stories with anyone who will listen. This event is not an exclusive party just for them. It is for all of us to get together and enjoy!

You can talk to a lady who worked in the Etching Department on Orchid etch. There is a man who worked in the Blow Department and remembers making #5025 Tyrolean. One gentleman worked in the Carpenters Shop and remembers doing work in the Heisey home. There is one lady who pinned bobeches! You can talk to a foot finisher, a mould maker, and a polisher. One lady marked patterns on

glass before they were cut; and another lady warmed-in in the factory!

You may never have a chance to hear stories like these again! You'll want to meet these delightful people! Be sure to plan your time so you can visit with these folks! ♦

SHOW YOUR HEISEY PHOTOS AND WIN A PRIZE AT CONVENTION

Gloria Moore

Do you love to look at Heisey -- pictures of Heisey -- naked Heisey in a case -- your Heisey on the dining table with food, candles or flowers? It's all so beautiful and compact in photos! Please bring five photos of Heisey to convention for the "Celebrate with Class by Using Your Heisey Glass" Photo Contest and Wall of Fame for fun and prizes.

We'll place our photos in the hospitality room of the Museum on poster board, and then we'll vote by numbered (anonymous) pictures on which we like most. The Meet the Board and Candidates Event is the perfect time to bring your photos and enjoy other Heisey fans' photos, too. Ballots for "Peoples Choice" will be distributed at the event. Your voting must be completed by Friday noon at the latest for tabulation. Prizes will be announced at the banquet. You need not be present at the banquet to win any prize in the contest!

Looking through my Heisey Fan Photo Album, there are several favorites of candleholders and candy dishes plus Orchid Etch. Any piece on black that is so striking, its hard to choose from among them of which to enter into the contest. I'm hoping to see as many peoples' Heisey usage and photos as possible. We're offering art, Heisey and fun other prizes for convention goers to participate this year. Making this game up as we go along, hopefully you'll help me expand or contract the "rules", and not hold me too sorely if we need to adjust along the way.

Wall of Fame Convention Photo Contest.

1. All Convention registrants are encouraged to bring up to five standard size photos of Heisey in

use or display in homes or offices to the HCA Museum by noon on Thursday. (Pictures may be reclaimed on Saturday at the Museum, or HCA may use them for further Wall of Fame displays or Heisey News).

2. Contest voting will be numerical for category choices. Put your name on the back of your photos so we'll know that photo #54, for example, is yours. You may use captions, or a short note below the photo, to help us recognize the pattern/piece to choose yours as "People's Choice". Some examples for photo display will be provided.
3. Then we'll all vote on our favorite snapshot for "Peoples Choice" through a ballot obtained at the Meet the Board and Candidates Event; one vote per HCA Member Convention Registrant. Qualified ballots to be deposited in the ballot box in the hospitality room at the Museum by noon Friday. This year's People's Choice prize is a beautiful Terry Redlin print that is framed and matted; valued at \$175.
4. A yet to be volunteered group of members will choose five additional photos (for recognition and for prizes) that will be awarded in the categories of:
 - A. Creative use of Heisey in the home or office
 - B. Celebration/Holiday use of Heisey
 - C. Family use of Heisey (imagine a snapshot of our Puritan large nappy filled with mashed potatoes with a large dollop of melting butter in the middle)
 - D. Unique use of Heisey (What on earth is naked Heisey, laff, is that colored glass? You tell us.) This is five photos/chances to win per person, plus One...
 - E. First time Convention Registrants: If you haven't been to Convention ever before, or for the past five years, welcome. Here's an extra chance to take home a great prize-reminder of three fun days with Heisey fans.
5. Winning photos will be featured during the Friday evening banquet, and prizes will be awarded. If you cannot attend the banquet, prizes and pictures may be claimed at the Museum on Saturday.

Please help our Club "Celebrate" with class by enthusiastically showing how you use your Heisey Glass in bringing five photos with you to Convention this year. Thank you in advance for your participation. See you at Convention!♥

HALLOWEEN IN JUNE

Connie Dall

No excuses, No delays. If you haven't already registered for the Blind Auction and Swap at this year's convention, **DO IT NOW**. Wear your Halloween costume, compete for prizes, eat great food, bid on great glass, swap great glass, laugh, talk and generally just have a fantastic time.

DO NOT MISS THIS EVENT!!!!

Thank you to all the wonderful people/study clubs who donated glass for the Blind Auction and prizes. This would not be possible without you. Now it is time for everyone to come and show them how much we appreciate them by bidding on these treasures and looking stunning/goofy in our costumes while we bid.

Our guest auctioneer this year will be Stuart Holman from Cincinnati. Thank you to Stuart for filling in while our veteran auctioneer, Tom Bischoff, takes a well-deserved break this year.

We are working on a few more surprises. You never know what this group will do.♥

Take care and see you in June.

Identification Panel at Convention

Walter Ludwig

The Identification Panel event during convention will be at 9:30 AM Friday morning. This is always one of the most popular and well-attended events of each convention. It is successful because of the knowledgeable panel of experts we have assembled to identify pieces brought in by those who attend this session. The purpose of this event is threefold:

1. To answer any particular question on a piece of Heisey glass that is brought to the panel. Typical questions are: Is it Heisey? What pattern does this belong to? What is the decoration?
2. To share with others unusual and rare pieces of Heisey that others would not get to see. Here we are looking for undocumented pieces, whimsies, pieces in colors that are not supposed to have been made in.
3. The panel is composed mostly of people whose area of expertise is Heisey – but we are willing to take a limited number of general items for identification. Here we are especially interested in items that could be mistaken for Heisey glass.

If you have an item to bring to the panel be there early, bring the item to the table in the front of the room and if you have a particular question write it down and leave it with the item.

Come and join us. You will find it both entertaining and educational.

HEISEY SIGNS AVAILABLE FOR THE FIRST TIME

This is the first time HCA has produced this Sign. To our knowledge, the A.H. Heisey & Company never put this Sign into production. When this piece was sampled, the mold was inoperable. The mold was re-worked, vents were added in order to produce this piece. The Sign is produced in crystal. The Sign is in a triangular shape that is 4.5-inches wide, 1-inch tall, and 1.75-inches deep. This will make a perfect label Sign for your Heisey display either at home, in your store, or at a show. All Signs will be marked, "HCA/2003/M." Remember, these are all **hand-made** and no two will be exactly alike. This Sign is now available through the Gift Shop. This Sale is open to all! ♦

HEISEY NEWS BINDING

Bob Rarey

Every two years I have offered to have the Heisey News bound for those members who wish to have that service performed. It is now time for the 2001-2002 issues to be bound. Binding is of library quality, with a hard cover in royal blue with gold lettering, as has been done in past years. The price for binding is \$31.00 per volume, plus \$5.00 per volume for return shipping if required. No binding of back issues is available at this time.

If you are missing any issues of the years 2001-2002, contact the HCA office, as these are available from HCA at a cost of \$3.00 each. They are also available online by visiting the Shop page of the Museum web site. **(Note:)** When ordering online, you must specify in the "comments" box which issue(s) you want.

PLEASE - you must remove all staples! They must be removed for binding. The final cut-off date for binding is the last day of the 2003 HCA Convention, June 21, 2003. You may send your newsletters to me at the Museum or directly to my home address. Make checks payable to me, as this is not a club function! Thank you.

CLUB NOTES

Northern Illinois Heisey Club *Paula Fabbri-Morrow*

Our first quarter meeting was held at the home of Paula and Jeff Morrow on March 2, 2003. Eleven members and two guests were in attendance. The business portion of our meeting focused on the Benefit Auction, NI Heisey's contributions for Convention 2003, and building HCA awareness utilizing the museum video. It was unanimously agreed that we would donate a centerpiece for the annual meeting and dinner in addition to another basket for the Swap and Blind Auction, and club officers will remain the same for 2003. Our guests, Marie and Mike Compton, are avid #339 Continental collectors owning approximately 300 pieces. They apparently were not scared away since they decided to join the club!

Our topic for this meeting was Ivorina and Ivorina Verde. There was a good representation of Winged Scroll: pitcher set with four tumblers, 8" and 4" nappies, butter dish, creamer and spooner. Also displayed was a Pineapple & Fan ¼ pint tankard; a Ring Band footed jelly; and a Cut Block sugar. This was followed by our finds: Crystolite 14" round divided relish; Plaid 11" pulled vase; a 1914 Heisey confirming order to Peoria, IL; dual-sided, framed Heisey stock certificate; Puntty & Diamond Point ruby stained electric shade; moongleam Jack Be Nimble sticks; Provincial cruet; and Half Circle sahara sugar.

Sub sandwiches and a variety of delicious salads and desserts finished off the meeting. Our 2003 second quarter meeting when the Northern Illinois Club takes over Wisconsin, will be the week-end after Convention at the Thompson's summer home. See you all there!

Dayton Area Heisey Collectors *Judy Rhoads*

The monthly meeting of the Dayton Area Heisey Collectors was held on Tuesday, April 15 at 6:30 P.M. at the Huber Heights Public Library. President Karen Clark presided and eighteen members and one guest were present.

During our business meeting, we discussed money making projects, selling our Cordial Books, planning our summer picnic, and the Benefit Auction. Bob Ryan returned the individual results of our Benefit Auction Price

Is Right Game that we played last month. In that game, we were given a list of a sampling of pieces that were to be sold in the Benefit Auction. We were each to guess for how much we thought that item would sell. After the Benefit Auction, Bob and Hilda tallied all of our guesses to see who came closest to the actual prices. It was apparent from the results that some of us were much better guessers than others.

Election of officers was held for next year. President will be Karen Clark; Vice President will be Mac Otten; Secretary will be Judy Rhoads; and Treasurer will be Jane Brooks.

Show and Tell: #310 Custard Ring Band Half Gallon Jug; #1454 Diamond Point Top Hat; #305 Puntty and Diamond Point Toothpick; #393 Narrow Flute Puff Box and Cover; #1567 Plantation two-handled Jelly with cutting; #4057 Cecelia Vase with tiger lily cutting; #6060 Country Club Double Old Fashioned with Winchester etch; #6060 Country Club Cocktail with Winchester etch; #3368 Albemarle Goblet with #867 Chateau cutting; #3365 Ramshorn 8 oz. footed Soda; #3365 Ramshorn 6 oz. Champagne with Sea Nymph etch; #1509 Queen Ann dolphin-footed Mayonnaise with Underplate and Spoon with cutting; #379 Urn Individual Salt; #1205 Fancy Loop Individual Salt; #1951 Cabochon two-part Covered Candy with #1083 Jungle Flower etch on Lid; #1469 Ridgeleigh Individual Cream and Sugar on Tray; #401 Convex Circle 4 1/2" Nappy; #350 Pinwheel and Fan 4 1/2" Nappy; #1225 Plain Band Salt and Pepper.

Program: The Committee planning the Percy Moore Dinner and Quarterly Meeting event in October led a planning and organizing session. A handout detailed the schedule and the plans for the glass display. Various responsibilities for the event were taken on by volunteers. We are excited about what we have planned for the weekend.

Next meeting: We will hold a Silent Auction to raise money to cover costs of the Percy Moore Event. Everyone is to bring Heisey glass to donate for the auction and encouraged to bid and buy.

Heisey Club of California *Betty Wanser*

FROM THE DESERT TO THE SEA HEISEY CLUB OF CALIFORNIA HOLDS ITS ANNUAL APRIL FUND-RAISING AUCTION.

THANK YOU to Gordon and Norval for providing their home in Northridge for our Annual April Fund Raising Auction. I know that it takes a lot of time and work to get ready for this event. Gordon and Norval collected and stored all the glass, and then, with help from Penny and Bud from Palm Desert, set it up in their garage for the auction. Martha prepared all the auction lists. Thanks to Bud, our auctioneer, for the live part of the auction. Thanks to all who helped to make this a success. We had a lot of good Heisey glass up for bids. I believe everything was sold except for four items. Our potluck was great! Norval cooked a turkey and it was delicious. We had lots of salads and desserts. I am sure no one went away hungry. If you want to see some of the items that were auctioned off, go to our web site at www.heiseyclubca.org and look at the HCC Happenings pages.

We had a brief business meeting and the things we discussed are in the minutes. Check them out as we are getting involved in a number of interesting things. Our club is in the planning stages of having a joint meeting with the Fostoria Collectors Club. We voted to put together a centerpiece for the Friday night dinner in Newark and to donate an item for the Blind Auction. We have a nice group of at least ten people who are planning to attend the Heisey Convention in Newark. Herb and I have already made our plans and are looking forward to seeing some old friends and making some new ones.

April Meeting Minutes:

A beautiful Saturday found twenty-five of our members traveling to Bellingham. They were greeted at the Nelsons' home with the promise of a deep fried turkey. What a treat! Of course, the food at our meetings is always great, but we really go to see the Heisey collections. These months had the most pieces brought for show & tell that I have ever seen. The candy dishes had to be refilled a couple of times; the nut dishes didn't fare any better. Thanks, Luvonne for all the goodies.

Old Business:

Centerpiece for HCA Convention: It has been completed and sent to the Museum with Glenna and Don Wehmeyer. They went back for the Auction and transported it for us. Glenna reported the auction had many of Louise Reams' pieces and went for great prices because they had been Louise's.

Paperweights Sale:

We have sold 34 or 35 of the original 45 egg-shaped. There are reservations for only 20 of the round, so it was agreed the round will not make the minimum order

number. The monies sent in for the round will be returned. There is an ad in the April HCA newsletter. We will wait until May to decide when to send the Museum Shop the remaining paperweights.

New Business:

National Convention Delegate: Jim Cooke is the only one known to be going. He will be contacted to see if he will take our annual check back to Convention. Bob Thomas, our out-going President, requested that we have an audit of the books as a regular function. We have an Audit Committee consisting of Chris Witzke, Gordon Cochran, and Teri Fox-Wishert. This committee will be meeting with Treasurer, Sally Thomas, and going over the books. Glenna Wehmeyer, the in-coming President, suggested we do a Heisey display at the Star Mall in Snohomish. She had some information about it and a new committee was formed to explore it. The members of this committee are Karl de Jong, Don Wehmeyer, and Maureen Coleman. They will be reporting back at the next meeting.

Nominating Committee:

The Committee presented the nominees and our new officers are: Glenna Wehmeyer, President; Larry Hefti, Vice President; Sally Thomas, Treasurer; Deborah de Jong, Secretary. Thanks to our new officers for their commitment to our club.

Raffle:

There were three prizes to be had this month. The regular one, one from Luvonne & Don, and one from Glenna & Don. Many thanks to the Nelsons and Wehmeyers for their donations. The winner of the goodies were: Don Nelson-#5012 Urn cigarette holder; Gordon Cochran-#1503 Crystolite punch cup with Easter Candy, a Museum fund-raiser; and Jim Curtiss-#411 Tudor cheese plate with cutting.

Show & Tell:

The program was divided dishes: I didn't realize how many Heisey had made! After dinner the show & tells were brought out and filled each table!! The list is a page and a half long so the printed list will be abbreviated. Some of the items displayed were: #393 Narrow Flute Combination relish; #1401 Empress triplex, Sahara & Alexandrite; #397 Colonial 5-part tray; #1425 Victorian triplex bowl flared; #1184 Yeoman 3-part relish etched Moongleam; #1425 Victorian footed comport; #1184 Yeoman centerpiece to buffet set; #1541 Athena 3-part relish; #1401 Empress hors d'oeuvre 7 compartment; #1567 Plantation 4-part relish.

Meeting Adjourned:

Thanks to Don Nelson for the dangerous job of deep frying the bird. It turned out delicious!! We had great fun talking, meeting our new member, Robert Loch, and checking out all of Luvonne & Don's finds. Hope to see all of you at Powells'.

Great Plains Heisey Club
Mary Cameron

The Great Plains Heisey Club had its first meeting of 2003 on March 29 in Kansas City. Fourteen members and seven guests were present. (Four of the guests later joined the club for 2003.)

President Kathy Files called the meeting to order late because of the large amount of "winter"-purchased Heisey that was brought for sharing. It is hard to control this group of Heisey buyers. The minutes of the November meeting were approved as they were sent out to members. John Mock reported the treasury status.

Officers for 2003 were elected: John Mock, President; Mary Cameron, Secretary; Tom Files, Treasurer. Dues were collected from those members present, and Mary Cameron will contact the members who were not at the meeting.

Pat and Rex Lucke have graciously offered to donate an item in the name of our club to the Silent Auction at the HCA Convention. This gift offer was accepted and the club (and I'm sure HCA) greatly appreciates the generosity of the Luckes.

The Club also decided to donate \$200.00 to the Centerpiece Fundraising Project. Because of the distance between our club's membership and the difficulty in determining a theme representing club members from four states, a donation seemed a better choice.

The Club will also donate \$50.00 for hospitality room refreshments at the HCA Convention. Treasurer Files was asked to take care of sending the checks.

Mary Cameron will send in the Clubs' annual report.

Tom Files gave a wonderful program on etchings, cuttings and carvings. He had an excellent handout and brought many pieces with various Heisey cuttings and etchings.

There were so many Show and Tell items that not all will be mentioned in the minutes. (The secretary was not lazy, but just too engrossed in the glass displayed.) Items shared included: #353 Medium Flat Panel cream and sugar with #679 Windsor cutting; #517 Circle Pair jug; #1252 Twist candlestick in Marigold; #325 Pillows footed comport; #7013 Thumbprint and Angle puff jar; #394 Narrow Flute footed fruit; #1403 Dowager grapefruit; #480 Daisy and Leaves basket; #1503 Crystolite shell combination salad and mayo; #394 Narrow Flute covered mustard; # 305 Punt and Diamond Point Spooner; #1489 1/2 Candleblock (full cut); #1550 Fish Bowl; #351 Pricilla

10 oz. pilsner; and #1205 Fancy Loop footed compote with gold.

The next meeting will be at Rex and Pat Luckes' in Elkhorn, NE, on May 10, 2003 at 1:30 p.m.
