Heisey Collectors of America, Inc., a non-profit corporation (tax-exempt status), owns and operates the National Heisey Glass Museum. Message from the President

If you attended the Fall Auction on October 11, you noticed the splendor of fall is taking place in Newark. The leaves have turned and are falling along with the temperatures. The auction was a great success. I want to thank the many consignors, volunteers - under the direction of Dave Spahr, and especially the bidders who made it such a great auction. See Dave's full report of the auction on page 6.

Our next Museum event is the Holiday Open House on December 6, 2014. The galleries and halls will be decked in holiday splendor thanks to our helpful elves from the Dayton and Buckeye Heisey Collectors Clubs. If you have not attended a Holiday Open House I highly recommend it. It is breathtaking to see the Museum decorated and lit for the holiday season. See the Open House events on page 18.

At the Percy & Vivian Moore Weekend in Colonial Williamsburg, I announced the 2015 National Convention theme of "Gifts of Heisey." You can start the year off in the full spirit of our theme by giving the gift of Heisey this holiday season. See page 19. for wonderful ideas and top selling gifts from the Museum Shop.

Our #1 selling item in the Museum Shop - - - the Heisey glass beads. We have released and stocked almost all Heisey glass production colors. At the Holiday Open House we will release the NEW Victorian Series: Emerald, Custard and Vaseline. We are anticipating the Regal Series: Cobalt, Alexandrite, and Tangerine, but we have no Tangerine and one small piece of Alexandrite to use so far; with that said we are running low on *all* glass to use for the beads. If you have any Heisey pieces that are damaged beyond repair and could be repurposed as a bead to help raise money and awareness for your Museum, please send it to the Museum labeled "Bead Glass."

Wishing you and yours a very Happy Thanksgiving, and may Heisey glass adorn your table !

Michael

Happy Thanksgiving

Where in the World is Sparky ?

On September 28, 2014, Sparky  enjoyed center table honors at the wedding of Aundrea & Augustus Henry Heisey IV, held at the Loeb Boathouse in Central Park, New York City, NY. Congratulations and best wishes to the new couple.

Words From Your Curator

I have had the privilege and pleasure of being part of your staff here for almost one and ½ years now and am still continuously amazed by the countless hours of work and commitment that you the members put in to benefit our Museum! Dave Spahr and a big group of hard working individuals have just completed a very successful fall auction and are already unpacking and cleaning spring auction items. Walter Ludwig with the assistance of Marilyn Smith and others has installed a most interesting and stunning display of nappies in Gallery 3. Sales in the Museum Shop are only increasing due to your generous donations of Heisey. I wish you all could see the interest and excitement (to say nothing of the income) that is generated by your donated glass. Many of your officers and staff spent a very productive day in a long range planning session skillfully put together and run by our president Michael. There are so many ways to contribute to the success of our Museum. You are there and here doing just that time and time again and I just want to express how much it is appreciated.

Thanksgiving is approaching and I hope like me, you are planning your Heisey laden table for the big dinner. For many of us, those very special holiday tables are some of our earliest memories and impressions of Heisey. I use items on my table due to the pleasant associations that they hold for me of family members and that I hope they will hold for others in the current time and future. There is always room for more in many ways but please give it a thought as you plan your Thanksgiving table this year, we do not know what memories we make. When you have set your table please take some photos of it and send them to me. I am always happy to share with our guests that Heisey is as beautiful and useful today as it has always been!

As we go to press I am very much looking forward to my trip to visit the Great Plains Study Club over the weekend of November 7th, more on that in our next issue. I also anticipate with joy our Holiday Open House and want all to note that the Annandale all Heisey show dates will be March 21 - 22, 2015.

We all have so much to be thankful for and my wish for all of us is that we can know it and feel it this year! Enjoy and use that Heisey for the finest tables anywhere.

A NEW FIND FROM MINNESOTA

Walter Ludwig

A few Saturdays ago Marvin & Jo Ann Christenson from Minnesota dropped by the Museum for a visit. They brought a few items that they had not been able to identify and were hoping for some assistance. Among the items was what I believe to be a mayonnaise set that I had never seen before. As a matter of fact, if both pieces had not been marked with the Diamond H I would not have taken them for Heisey at all. We did take some pictures but did not do any exact measurements on the pieces so you will have to take my approximations for now.

There is no doubt that both pieces come from the same mold with

one made into a bowl and the other a plate/saucer/under plate. There is no ring on the plate so the bowl would just sit on it. The bowl is about 6" across and the plate maybe 7". What sets these pieces apart is how thick the glass is including a bottom foot on both pieces. Both pieces have a plain 1/2" rim but below that going all the way to the foot is a very unusual stippling. This stippling reminds me

of the experimental screen optic pieces we have in the Museum but a comparison shows that this is much finer. I am not sure how the stippling effect was achieved but the most likely scenario is that it actually is in the original mold.

Given that as far as I know these pieces have never been seen before, it is possible that they were feasibility items that were tried out but never reached full production. They certainly are something very different in the way of Heisey.

2014 FALL AUCTION WRAP UP

Dave Spahr, Auction Manager

All who came to our 10th annual Fall Select Auction on October 11 at the BMP Local 244 Union Hall on Hudson Avenue had a chance to buy some wonderful Heisey glass and had fun too!

Our bright and sunny Saturday in Newark started off with our volunteers coming to the Union Hall at 9 A.M. to arrange the room for the auction and to unfurl the 306 lots of glass from our 18 consignors and 2 donors. We were finished in time for the preview

which started at 12:00 P.M. and lasted till 1:00 P.M. The glass as always looked wonderful on the tables. Doesn't Heisey glass display well!

The Union Hall was a really good place to have the auction. We have had our Spring Benefit Auction there for the last several years. Craig Connelly and cohort Jeff Baird were our auctioneers and we had the "Pie Man" Gerry Dush and family provide the concessions. Wonderful food again!

Our auction began promptly at 1:00 P.M. The turnout for the auction was good with a crowd of approximately 100 and with 67 individuals picking up bid cards and an

additional 18 absentee bidders. The auction was completed around 4:30 P.M. Our 47 buyers picked up their glass and we held glass for 15 successful absentee bidders.

We had total revenues of \$29,335.60 with glass sales of \$29,246 for the 306 lots. Our payments to consignors and other estimated expenses totaled \$20,785.68 so we have an estimated net profit for the Museum of \$8,549.82. We came in well over our 2014 budget projection of \$4,000 for a couple of reasons. First, we had some really fine pieces in this auction, perhaps our best variety of Heisey glass ever! Secondly, and likely the main reason, is that we had 22 lots donated totaling \$3,794.00, with 19 of them donated by the Rarey family. Please note that 100% of the proceeds from donated glass goes to support the Museum. We hope others will also consider donating glass as we begin preparing for the upcoming spring auction! This has been our second best fall auction in terms of net profit for HCA. Our highest

total was last year when we netted \$10,957.50 with donated glass totaling \$7,575. The auction prices per lot are shown on pages 7 & 8.

Putting on an auction is a team effort and HCA has some great volunteers! I want to thank the 25 volunteers who helped to make this a successful venture. Their names are listed in this Newsletter and my apologies if I missed anyone. I want to give special thanks to two individuals. Karen Taylo who has always clerked for us and did another great job with the able assistance of Roy Eggert. Second, Walter Ludwig who volunteered his time to help us catalog and properly list the glass and who also wrote a wonderful preparatory article highlighting the glass.

Thanks again for all of you who consigned and donated glass for this auction and for those of you who purchased this wonderful Heisey glass. Hope to see you all at the Museum Holiday Open House on December 6, 2014 and at the 2015 Spring Benefit Auction on April 17-18, 2015. Please continue to support your Museum!

ANNOUNCING THE HEISEY CREAM & SUGAR PROJECT – 2015

Walter Ludwig

After the success of our Heisey candlestick display at Convention this year we wondered what we could do to follow that up for Convention 2015. The impetus for that display was the republication of the Felt and O'Grady book Heisey Candlesticks. The display came together very quickly because between the Museum collection and those of a few members we were able to do a very comprehensive display.

We have decided to highlight Heisey creams and sugars at Convention 2015. Given more lead time we have decided to be very ambitious and mount a display in May of 2015 and run it through August 2015. The display will include all Heisey creams and sugars, dice sugars, sugar sifters, as well as full table sets from the earlier patterns. Since table sets – cream, sugar, spooner, and covered butter – were sold together as a unit it was felt that the full set should be included in the display. Color variations will be shown but not variations in decoration (etchings and cuttings).

To go with the display we hope to have available at Convention time a new book which will feature all production creams and sugars of A. H. Heisey & Company. We have already begun the project by creating a thorough list of all known creams and

sugars done by the company. Our next step is to reach out to the membership to try to locate as many of the items on our list as possible. We will be touching base with a few known cream and sugar specialists, but we know that there are some sets that will be elusive. We need sets for measurement, photography, and for the display. If you have any that you consider rare sets, we ask that you contact the Museum or you can send me a message at WalterRL@windstream.net. Let us know what you have and how you can participate (even if it is only to provide measurements and/or photographs that will be important). As we start filling in the blanks in our database, I will let you know our progress and will be publishing lists of those sets which we have not been able to locate.

This project is headed by myself, Walter Ludwig, with the able assistance of Mike Morgan for book production and Eric Tankesley-Clarke, Dennis Headrick, and Tom Files as researchers. We could use someone to coordinate photography.

This is an exciting project that is going to take a lot of work to complete. With the help of the membership I know we can produce a great display as well as an exciting new book for your Heisey library.

Great Plains Heisey Club News Article

Submitted by Kathy Files, Secretary

Saturday, September 13, 2014, was a crisp pre-Fall day in Nebraska, a great day to go to the lake, Beaver Lake to be exact. Our wonderful hosts were Rich and Karen Gregerson who have a delightful home with many collections to be enjoyed. Antiques of all sorts moved us from room to room to garage; from beautiful furniture to classy classic cars. Thank you Rich and Karen for hosting the twenty-five Great Plains members who were in attendance

After President John Mock called the meeting to order, Gregg Cameron was spotlighted for his scanning project for HCA, about 9,500 pages to date. Trudy's "Martha's Moment" featured a photo of the chandelier in the church where the funeral service was held for our late member, Marilyn Sampson. No wonder Marilyn was drawn to our elegant Heisey glass since she saw that sparkling glass chandelier above her every Sunday.

Program Director Eric Tankesley-Clarke presented "Two patterns joined at the hip - 1401 Empress and 1509 Queen Ann", along with great information and a full table of examples. We were so sorry that all HCA members didn't get to enjoy Eric's comprehensive and educational program. Thank you Eric, you hit another home run.

An auction was held to replenish our depleted treasury. Thanks to all who donated glass for sale and all successful bidders. A big thanks to Jean Will who donated her famous jams. Show and Tell didn't have as many items as usual since many attendees brought pieces for the program but it wasn't lacking in quality. Items included: Puritan compote with Tuthill cutting, 7053 Beaded Line cream, Rococo 2 handled nappy, Cathedral vase in Sahara, Priscilla condiment tray, 1589 Rye bottle with stopper, both with vertical line cutting, and two 490 Karen colognes with a 4301 puff box, all with the same special engraving.

Here is a post-meeting update: 17 GPHC members were able to attend the Percy & Vivian Moore event in Colonial Williamsburg, Virginia. Like the movie they went by planes, trains, and automobiles. The scenery along the way was beautiful with tree covered mountains that tested ones driving skills on both two and four lane highways.

There is so much to see and do in Williamsburg and the weather was nearly perfect. It was great to see 'The Lucke Room' in the Folk Art Museum and the St. George Tucker house that inspired Sid and Mary Edwards to build one like it. The tour of an HCA member's home and Heisey collection was an added treat. The Thomas Jefferson and Patrick Henry presentations, sponsored by Pat & Rex Lucke, provided great entertainment and presented history in a fashion we won't

forget. The good times with Heisey friends is always the high point of these events. Kudos to Sid and Mary Edwards for single handedly organizing this fun time in Virginia and donating the majority of the items for the fund-raising auctions, their hard work was enjoyed by about 70 HCA members.

Our next club meeting will be November 8 in Omaha. Our special guest will be Jack Burriss, Curator/Director of our spectacular Museum. We are looking for a good turnout so we can treat Jack in 'Great Plains Style'.

2015 ALL HEISEY SPRING BENEFIT AUCTION

Dave Spahr, Auction Manager

Last month we announced the dates for the 42th Annual All Heisey Spring Benefit Auction. For those of you who didn't put it on your calendar please do so now- it is **April 17-18, 2015**. It will be held at the GMP Local 244 Union Hall on 350 Hudson Avenue in Newark, OH. Auctioneer Craig Connelly and his crew will again auction off all of our wonderful glass!

Please review your glass collection NOW and decide which pieces you intend to put in and make your consignment/donation list! It is not too early to get us your glass! Fortunately we have already received several consignments at the Museum.

Remember, the **deadline** for sending in your consignment and/or donation for us to sell for the benefit of the Museum is **January 15, 2015**, which is about ten weeks from the time you read this! Remember, each member can consign 40 lots with no limit on donated lots. If you or someone you know is coming to the Museum or the general Columbus-Newark area, you might have them bring your glass to the Museum so you will know it gets there safely and also eliminate shipping costs. Speaking of visiting the Museum, I would encourage you and your family to visit the Museum and see it decorated for the Holiday Season in all its splendor on **December 6**, at the **Holiday Open House** or just any time you are in the area. What a sight!

If you need a packing sheet or contract, please copy them from this Heisey News or from our website at www.HeiseyMuseum.org. Remember, please send TWO contacts with your glass and I'll return a signed copy to you. Please also remember to put a spare packing list in each box of glass – make our volunteer catalogers happy!

The success of this event is dependent on you and other members consigning or donating good clean problem-free glass. We are constantly working to improve the quality of the items sold in the auction. With you consigning or donating good glass, the values obtained for the glass should be higher which benefits you and the Museum.

If you have questions about the auction or you wish to volunteer to help, please contact me at 937-372-7166 or by e-mail at masdgs@aol.com. Our major efforts for the auction begin in Mid-January when we begin our cataloging of the glass! See you at the Museum on December 6 for the **Holiday Open House!**

Happy Heisey Hunting!

and **Heisey Collectors of America, Inc.**, hereafter referred to as **HCA**, for glassware items consigned or donated for sale for the benefit of the National Heisey Glass Museum.

Auction Dates: **April 17-18, 2015**

Auction Location: **GMP #244 Union Hall, 350 Hudson Ave. Newark OH 43055**

Consignments:

All items consigned for sale or donated are to be made by A. H. Heisey and Company or by other manufacturers using Heisey molds. The owner/ consignor / member, hereafter referred to as the owner, agrees to accept all responsibility for providing merchantable title for all glass sold.

Each owner may consign a maximum of forty (40) lots to the auction. A list of glass being consigned or donated and prepared by the owner is attached as an integral part of this contract. There is no limit on the number of items in each lot, but HCA retains the right to increase / decrease size / make up of each lot. Each owner may donate an unlimited number of lots to HCA for sale at the auction. HCA, however, at its discretion, will consign donated items for auction, add donated items to the museum collection, and/or sell donated items in the museum shop.

The HCA Auction Committee is authorized to reject any glass not deemed acceptable for this auction. These items may be returned to the consignor if they desire, at their expense. Otherwise, these items become the property of HCA.

Commission:

Owners of glassware to this sale will be charged on the following sliding scale of commission per lot: \$5.00-\$50.00= 40%; \$50.01-\$200.00= 30%; \$200.01-\$400.00= 20%; \$400.01-\$750.00= 15%; \$750.01 and over= 10%.

Settlement:

Payments (settlement) to the owner for glass sold will be made in full not later than fifteen days after the completed auction from the HCA Auction Trust Account. Said account is set up and operated consistent with ORC Section 4707.024. The owner and HCA agree that no other payments will be required to be made in less than fifteen days. HCA will pay expenses including auction site rental, advertising fees related to this auction from its commission from this account. Collection of funds, bad checks, debts, and unpaid auction lots is the responsibility of HCA.

Responsibility:

It is the responsibility of the owner to deliver the glassware to the National Heisey Glass Museum on or by January 15, 2015. HCA accepts responsibility for the glass after it is received at the Museum and until it is sold except that any glass damaged in shipment to the Museum will be referred to the shipper and owner. All glass damaged or lost while in the possession of HCA prior to sale will be valued by a qualified appraiser or appraisers and the owner will be paid on this basis, less commission.

Auction and Bidding:

The auction will be a reserve auction. A reserve auction means an auction in which the owner or agent of the owner reserves the right to establish a minimum opening bid, the right to accept or reject any or all bids, or the right to withdraw the real or personal property (lot) at any time prior to the completion of the auction by the auctioneer.

HCA and the owner agree that:

- 1) the items will be sold to the highest bidder without reserve,
- 2) HCA and/or its auctioneer, has the right to accept or reject any or all bids,
- 3) HCA has the right to establish a minimum opening bid,
- 4) the owner may not withdraw the lot(s) at any time prior to the completion of the auction,
- 5) in the event no bids are received on a lot, that lot becomes a donation to HCA.

The minimum opening bid per lot is \$5.00 with a minimum bidding increment at the discretion of the auctioneer.

The owner and HCA both agree that absentee bids will be accepted by HCA. The minimum absentee bid on a lot will be \$15.00 with a minimum opening bid of \$5.00. Absentee bids are bids left by buyers prior to the auction and are executed in a competitive manner. Per HCA policy, HCA does not use the full bid amount as a starting bid. Bidding is initiated in the audience and then offered on behalf of the absentee bidder at the next increment continuously until bidding has stopped. (Example: Absentee bidder leaves a bid with a maximum amount of \$500.00. After item is sold through competitive bidding, the absentee bidder is successful for \$325.00). HCA reserves the right to accept or reject any and all absentee bids. HCA is not responsible for misfiled bids that are not executed.

The owner or a person on behalf of the owner may make a bid on a lot the owner consigns or has donated if the auction is a reserve auction and the auctioneer provides full disclosure before bidding that the owner retains the right to bid. Absent this disclosure, owners cannot bid or have others bid on their behalf on their own consigned or donated items. Said bidding would constitute bid rigging and be in violation of ORC 4707.023.

General Auction Terms and Conditions:

- 1) All lots sold in numerical cataloged order.
- 2) Payment: Cash, traveler's check, certified check or personal check or money order with proper ID. Visa, MasterCard and Discover cards are accepted. 5% buyers premium. Buyers premium deleted for cash or check payment. Cash only payment may be specified for individual bidders at HCA's request.
- 3) HCA has endeavored to describe all items to the best of their ability; however this is not a warranty.
- 4) All items are sold as is and where is. The auctioneer has the right to make any verbal corrections at the time of sale and to provide additional information. Inspection is welcomed during preview and before the item is sold.
- 5) In the case of a disputed bid the auctioneers have the authority to settle disputes to the best of their ability and their decision(s) is/are final. Resale of items will be handled at the auctioneer's discretion.
- 6) The auctioneer has the right to set opening bids and reject any bid raise not in line with established bid increments. Items are sold without reserve, unless advertised otherwise.
- 7) All sales are final and all items must be paid for each day of sale. A moving and storage fee may be assessed for items not picked up within seven (7) calendar days after the last day of sale of the auction.
- 8) Buyers assume full responsibility for items once they are sold unless otherwise specified by HCA or the auctioneer. Buyer must have receipt in hand to pick up items.
- 9) HCA (an auction firm) and all auctioneers used by HCA are licensed by the Ohio Department of Agriculture and bonded in favor of the state.
- 10) Bidding on any item indicates acceptance of these Terms and Conditions of Auction.
