National Heisey Glass Museum

Heisey Collectors of America, Inc., a non-profit corporation (tax-exempt status), owns and operates the National Heisey Glass Museum. Open year round, current **Winter hours:** Wednesday through Saturday, 10 a.m. to 4 p.m. and Sunday, 1 p.m. to 4 p.m., closed holidays. Other hours by appointment. Members admitted free. Regular admission \$4.

Spring weather has made its way to Newark, Ohio and our tulip and daffodil bulbs are finally beginning to sprout at your Museum. The warmer temperatures are a great sign of Spring's arrival and the beginning of some important and upcoming events.

Recently our Museum Shop went on the road. The mobile museum shop traveled to the All-Heisey Glass Show/Sale in Annandale, Virginia. This show provided opportunities for collectors and visitors to purchase items from the Museum Shop as well as from Heisey dealers. The stories from the show prove its success. Thank you to all who organized, supported and sold at the Heisey Glass Show in Annandale.

Back in Newark, the 4th Annual Heisey Easter Egg Hunt was held at the Museum on Saturday, March 28. The Museum was "hopping" with activity of children ages 3-12, hunting eggs, making Heisey punch cup crafts and entering their talents in the Heisey Easter Basket coloring contest. The Heisey Egg Hunt is a great local event that gives an opportunity to families and young children to visit the Museum and leave with the knowledge of Heisey history and a real piece of Heisey, also known as a Peter Rabbit Punch Cup Egg Holder! Thanks to the Buckeye Club members who helped make this event a great success.

Another very limited item will be the next series of Heisey Beads. We will be releasing the Spring Edition Bead: Opal (milk glass). This one bead edition will be offered in two choices. A plain Opal bead or an Opal bead with painted pink/red flowers to mimic the original Heisey Opal pieces that were sold and decorated with hand painted flowers. These will be released for sale on April 17th during the Benefit Auction... Another reason to plan to attend!

The HCA annual Convention will be here before we know it - June 17-20. Please make your reservations with the Museum. This is one NOT to miss! There is so much going on this year, from Heisey Hamburgers to receiving real "Gifts of Heisey" See the Convention details on page 18.

As you start your spring cleaning and make your travel plans, for Benefit Auction and Convention, please think of your Heisey Museum. The Museum Shop will thankfully accept any Heisey and give it a new home. While adding to and weeding out your collections and china cabinets, plan to donate your unwanted Heisey to the Museum Shop. The Shop has a wall display offering all original Heisey glass. The sales from the original glass are 100% donation to help with our operation fund. The donations are tax deductible and are a great way to trade up your Heisey and help Your Museum. If while cleaning your glass you break a piece, please do not throw it away, we can use it for upcoming projects, such as Heisey beads, marbles, and maybe even a stained glass window or entry door.

I have heard it time and time again, "Our members are the Best". I truly believe this and see it daily. Our love, support and passion for Heisey glass, and the Museum is amazing. We do truly have the "best" members. Thanks for all your support and dedication!

Michael Maher

Words From Your Curator – Director

As we go to press there is much happening and being planned here at our Museum. The day started with fresh snow on the ground and temperatures in the mid-teens. I was in fear that our fourth annual Easter egg hunt might not go well. Me of little faith, we had over sixty happy and excited youths gathering candy filled eggs and making Heisey punch craft cups as well as coloring drawings of Heisey Easter baskets. Our ever hard working group of volunteers had warmth, cookies, punch, and all matters of fun waiting in the lower level. I am not sure where there were more smiles on the youth or on our Heisey club members. It was gratifying to hear so many say that they had been here in years past and hoped that we do it again next year. I feel any time that someone, no matter what age, leaves the Museum with a positive impression that is a good thing!

All the excitement that one could feel despite the cold as the Easter egg hunt was about to start, began to make me a little sad and then a very happy though occurred. I was reminded of the feeling I and others must have had just the week-end before as we waited in line for the Annandale All-Heisey Glass Show and Sale to open. The same joy and anticipation was there as show by those little children. The equivalent rush to get into the show and find treasures was evident. See yet another example of how collecting Heisey keeps us all young and joyful at heart any way! Congratulations to all those who worked so hard to present such a fine show in Annandale. We know a thing or two about what it takes to put on a good “SHOW” here at the Museum and your efforts were in evidence and we thank-you. After all I carried away my Sahara “finds” just as carefully as the children held their candy.

Easter is almost here or just passed for some of you, as your newsletter is enjoyed so it may seem like a funny time for the mention of Christmas boxes however here goes. A couple of boxes from Texas arrived not too long ago. We were both pleased and very thankful to find inside the scale schematic representation of the Heisey factory that Mike Sweeney had worked so hard to build. We look forward to using this as a tool to better help form an understanding of the story of Heisey and are very appreciative of Mike’s efforts. The form other gifts to the Museum took were in boxes of Heisey. There were so many items in March from local members to items shipped from Florida and we are most grateful for all of them. Heisey items are looked over very carefully and researched, some are added to the collection, and some are set aside for special fund raising, and most go to the Museum Shop. All benefit the activities of your Museum and are both needed and appreciated please continue to think about all the good that your gifts do.

Looking forward to seeing many of you soon and a very good auction

Happy springtime, in thanks,

Jack

2015 HCA ABSENTEE VOTING INSTRUCTIONS

for Electing HCA Board of Directors

Mary Ann Spahr, HCA Secretary

All HCA Voting Members in good standing are eligible to cast votes at the Annual Meeting in June. We will be electing three people to serve on the HCA Board of Directors. Candidate information will be published in the May 2015 Heisey News. As your HCA Secretary, one of my duties is to oversee this election.

As a Voting Member, you may vote in person at the June Annual Meeting or by Absentee Ballot. The current HCA Voting Members list is published on pages 8-9 of the March 2015 issue of the Heisey News. Check your status on the list to be sure we have it correct. If you have any questions, please contact the Membership Clerk at the Museum.

You may request an Absentee Ballot any time after the beginning of the calendar year, however the Absentee Ballots will not be prepared until after the slate of candidates has been closed at the quarterly meeting held at the Benefit Auction in April. Absentee Ballots will be available after May 1, 2015. You may pick up a ballot at the Museum *or* mail your request to:

Absentee Ballot
HCA - National Heisey Glass Museum
169 W Church St
Newark OH 43055

Along with your written request, be sure to include a self-addressed envelope. If you affix a stamp too, it would help to defray expenses. As your request arrives at the Museum, it will be assigned a voting number. When the Absentee Ballots are available, a blank corresponding-numbered Absentee Ballot will be placed in a new envelope, with your name and voting number written on the outside. This new envelope will be put into the self-addressed envelope you provided and mailed back to you.

When you receive your Absentee Ballot, remove it from the envelope, cast your vote, place the Absentee Ballot back into the envelope, and seal it. Put this envelope into a new envelope, addressing it back to the address above. To be included in the election, your Absentee Ballot must be received by the Membership Clerk by noon on Wednesday, June 17, 2015.

After the polls are closed, the absentee votes are combined with votes cast by the voting members present and the ballot tallying begins.

Please note that according to HCA By-Laws, Article VII, Section (f), as approved in June 2011:

“If the number of nominees equals the number of Director vacancies, the ballot voting shall be deemed unnecessary if approved by the majority of voting members present.”

Revere, Yeoman, and Friends, Part 8

#1023 Carol and #1184 Yeoman

Eric Tankesley-Clarke

“Louis, I think this is the beginning of a beautiful friendship.” So said Rick Blaine to Capt. Renault in *Casablanca*. After cagey dueling throughout the movie, they come to realize they can do more together than apart. Heisey came to the same conclusion about some of its patterns.

Somewhere around 1923 or so, Heisey introduced a small series of sugars and creams numbered from 1020-1025. Most of this half-dozen now bear the names of women, all assigned later by researchers. The one that is relevant to our Revere-Yeoman story is #1023 Carol. Did someone say “Carol”? Yes, the #1023 sugar and cream set which we usually think of as Yeoman started out life on its own, and researchers recognized that by giving it its own name. Sadly, “Carol” as a name for the set has rarely been published and was in near danger of being forgotten. The name might have been totally lost but for the fact that it was used in the recently published Bredehoff and Ream book, *Encyclopedia of Heisey Glassware, Volume II, Cuttings and Engravings*.

The #1023 Carol hotel sugar and cream set is first mentioned in Price List 206. Even though PL206 nearly corresponds with Cat. 100, here is one place it differs. Cat. 100 does not illustrate any of the #1020-1025 sets. PL205 relied on the old Cat. 75 for most of its illustrations, and PL206 relied on Cat. 100. PL205 does not mention any of the #1020-1025 sugars and creams, but PL206 does. It appears likely that there was more than one version of either Cat. 100 or PL206 or both. If there is more than one edition of Cat. 100, the one that survives is probably an early one, but the known copy of PL206 is a later one. It's these multiple editions that make it difficult to precisely date when #1023

Carol actually hit the market.

By the time Cat. 102 came out (somewhere around 1924) Carol, along with Phyllis, Sharon, and the rest of the gang (women do come in gangs, don't they?), were all illustrated (Fig. 1). They were all listed in PL208, the list that apparently accompanies that catalog.

When Cat. 109 came out (1929), along with its price list 209, a funny thing happened. The general list of hotel creams and sugars included #1020, #1021, #1022, #1024, and #1025. What happened to #1023? It turns out Carol had made the leap to become Yeoman. The #1184 Yeoman line suddenly gained another set, as though it needed any more, probably since #1184 had never had a proper hotel cream and sugar set. Star bottoms were usually not used in Yeoman, since they detracted from the simplicity of the design. And sure enough, once the #1023 cream and sugar were absorbed into Yeoman, they exchanged their star bottoms for plain ones (Fig. 2). A Carol sugar or cream is marked on the inside bottom, as you'd expect for a star-bottomed piece. The #1184 Yeoman plain-bottomed creams and sugars are also marked on the inside bottom.

Revere, Yeoman, and Friends, Continued.

Fig. 2: #1184 Yeoman hotel cream and sugar with #447 Empress etch. Note plain bottom.

#1023 was a slightly odd fit in the #1184 line. Why did Heisey select this particular one for moving to Yeoman? Why not one of the others from the 1020-1025 lines? For that matter, why wasn't a hotel set freshly conceived for Yeoman, a cream and sugar to truly call its own? We can only guess. Whether it was design considerations, production issues, sales figures, or some combination of those that drove the choice, we can probably never know. The #1023 set has a pot-bellied profile that doesn't really complement anything else in the more sleekly modeled Yeoman. In comparison with other Yeoman pieces, the hotel cream and sugar look rather dumpy.

Perhaps this is why the numbering for this set is treated differently in the Heisey price lists and catalogs from many other pieces. As I've discussed before (January 2014), there were quite a few pieces numbered from 1182 to 1186 that moved around from number to number. In this mid-1920's shuffling, some pieces were dropped. Most of the survivors settled into #1184, regardless of their original number, and Heisey seemed glad to forget whatever they had been called at first. Going forward into the 1930's, they were #1184 and that was the end of it as far as Heisey was concerned.

When it comes to the hotel sugar and cream set, things were different. At first, there was no acknowledgment of the original pattern number for the #1184 hotel set when it first made the move away from #1023. However, in most catalogs and price lists after Cat. 109, this set was listed as #1184 (#1023), the old number relegated to parentheses and meekly following behind. The Yeoman hotel sugar and cream set makes its last appearance in PL217, about 1944, with its 1023 number still tagging along. (True to form, there are at least two editions of PL217, both dated Jan. 1, 1944, but one clearly comes after the other, so precise dating escapes us yet again.)

Despite Heisey's unwillingness to let go of the 1023 number, nearly everyone ignores #1023 when considering this set and calls it #1184. Overall, that isn't too bad, since most sets are Yeoman, anyway. But it does shortchange the original set. To be absolutely proper, the crystal sets with star bottoms and no optic are the only ones that are #1023 Carol. All the rest are #1184 Yeoman. Colored? Yeoman. Diamond optic? Yeoman. Plain bottom? Yeoman.

The #1184 (#1023) cream and sugar both are basically flattened spheres with small, simple, loop handles moulded onto them. Each has a small flange or collar at the top. On the cream, the collar is lightly curved on top, ending in a spout that is pulled up and out. Both sugar and cream sit on a slight suggestion of a foot, really nothing more than a thin disk that is an integral part of the body, rather than a well-articulated low foot.

Because of the rim inside the mouth of the sugar, it looks incomplete without a cover. In fact, Heisey never sold the sugar without cover except as a replacement piece. While Carol was only made in crystal, once she made the transition to Yeoman, colors came into her wardrobe. Since the #1184 sets were made throughout the second color era, you can find them in a wide range—Moongleam, Flamingo, Hawthorne, Marigold, and Sahara. As with many patterns, Hawthorne and Marigold are the difficult sets to complete. The Moongleam runs the gamut of shades, so it's best to find them as complete sets to lessen the risk of mismatched tints.

Revere, Yeoman, and Friends, Continued.

The Bredehoft and Ream cuttings book mentions only one cutting for #1023 Carol, and that is #745 Media (Fig. 3). In that book, Media is also said to occur on #1184 Yeoman. However, the Yeoman entry was added later after the book was originally composed. I suspect that Media was never used on the plain-bottomed Yeoman sets, since the cutting was discontinued by the time #1023 was absorbed into Yeoman. I've only seen the cutting on two sets, and both of those were star-bottomed Carol.

Fig. 3: #1023 Carol with #745 Media cut.

Once the set was absorbed into #1184, it doesn't seem to have been used for Heisey cuttings. Both #440 Frontenac and #447 Empress etchings were used on this set, both crystal and colors.

An odd fit or not, when #1023 Carol transformed into #1184 Yeoman, she was assured a prominent place in the world of Heisey creams and sugars. So, here's looking at you, kid.

Vital Statistics

#1184 Yeoman (#1023 Carol) hotel set

Sugar: Height without cover, 2½"; height with cover, 3¾". Diameter at widest point, 4"; diam. of mouth, 3⅜"; diam. of base, 2⅝". Length, handle to handle, 5½".

Cream: Height at side, 2⅝"; height at highest point, 3⅛". Diameter at widest point, 3½"; diam. of mouth, 2¾"; diam. of base, 2⅛". Length, handle to spout, 4½".

#1023 bottoms are starred and fully ground. #1184 bottoms are concave with ground rims. #1023 is crystal only, no optic. #1184 is crystal or colors, plain or diamond optic.

Heisey has made for a lot of good friends. Even if we don't get to see one another as often as we'd like, we'll always have Yeoman. In the meantime, there's e-mail, at heiseyglass@gmail.com, of course.

42nd ANNUAL 2015 ALL HEISEY SPRING BENEFIT AUCTION

Dave Spahr

Our 42nd Annual Spring Benefit Auction will be held **April 17 & 18, 2015** at the GMP Local #244 Union Hall at 350 Hudson Ave. in Newark, Ohio.

We have received 1457 lots of some wonderful glass for this auction. This will be our largest auction in several years. Walter Ludwig, in last month's edition of Heisey News and also on our website, has highlighted some of the wonderful glass we are auctioning off.

The auction catalog, absentee bid instructions, absentee bid form, bidding information, and most importantly the list of sale items are on our website- www.HeiseyMuseum.org . You have time to look and evaluate items and prepare for this great auction! There are also pictures of some of the special pieces you will be bidding on! You will want to arrive in time to attend the 1 ½ hour preview on Friday April 17, 2014 which is from 10:30 AM to 12:00 PM. The auction will begin promptly at 12:00 PM. Please note the early starting time!

On Saturday April 18, 2015, the doors will open at 8:30 AM, the annual membership meeting will be held at 9:00 AM with HCA President Michael Maher presiding and with the auction beginning after the completion of the membership meeting at approximately 9:30 AM.

Again this year we did not mail to all members, which is a cost cutting measure. We mailed catalogs to members who consigned or bought glass in the past two years and to any member who asked for one. We will have copies available at the auction for a minimal fee of \$3.

If you can't make it to Newark for the auction this year; I encourage you to put in an absentee bid. Again, forms and instructions are available on our website. This is a way for every member to support **your** Association!

Finally, a special note to absentee bidders. All absentee bids **must** be received at the museum by Tuesday April 14, 2015, 4:00 PM EST. **NO EXCEPTIONS**. Our volunteers must have adequate time to compile the bids.

We are again having absentee bidders make their own arrangements to have their glass shipped and included in the absentee bid instructions the area shippers and their telephone numbers. They will pick up the glass on Tuesday April 21, 2015 after 10:00 AM at the museum, package, and send your glass to you. Absentee bidders will have to pay their shippers directly. We will cooperate with your shipper and assist where we can.

As you read this newsletter I will be looking for help at the auction- for "Vannas" to hold up the glass, for folks to help move glass during the auction, and to clean up after the auction. If you would like to help, please contact me or see me or another volunteer at the auction. It is a great way to learn about the glass and meet some great volunteers.

If you have questions or concerns or want to help, please contact me at masdgs@aol.com or give me a call at 937-372-7166. I'll see you at the auction!

2015 Heisey Spring Benefit Auction

Absentee Bid Instructions

As absentee bidders, we will bid competitively for you at the HCA Spring Benefit Auction, April 17-18, 2015. In case of duplicate bids, the earliest postmark wins. Bids must reflect the listing in the catalog as to lot number, pattern, description, and condition. The minimum absentee bid per lot is \$15.

You set the maximum amount you are willing to pay on each lot. If successful, the remainder will be refunded. Please use good judgment in arriving at your maximum bid figure. Remember, there are minimum limits to raises that the auctioneer will accept (smaller items \$2.50, larger items \$5, \$10 or as much as \$25). Lots containing multiple items will be as one lot to the successful bidder. Normally, these are not split up, however, there may be some exceptions.

Please indicate on your bid the desired condition of the item on which you are bidding. We have endeavored to describe all items to the best of our ability and a bid on an item reflects your acceptance of the condition as listed. (As you know, if no flaws are noted, that means the glass is in generally good condition.) If you mark your bid "near mint only," we will use no discretion in your bid. If there is a variance on a lot not called in the catalog (such as unlisted damage or a difference in the number of items in a lot), we will not bid on that lot for you. Please use the form (or a copy) available in the *Heisey News*, or from this catalog, or from our website www.HeiseyMuseum.org to submit your bid. Absentee bids can be submitted by e-mail, fax, or postal service.

PAYMENT Cash, check, cashier's check, or money order payable to HCA Auction, and Visa/MasterCard/Discover Card accepted. A 5% buyer's premium will be added. Buyer's premium is deleted for cash, cashier's check, money order, or approved check payments. You may send a separate check for each lot or you may send one check covering the maximum amount of all bids. Absentee Bidders must make their own shipping arrangements. See Shipping section below for further information.

In addition, if you would like to pay by check, **Please** consider leaving the amount blank. Designate in the memo blank of your check an amount not to exceed the total amount of your bids. The Auction Manager or HCA Treasurer will fill in the exact amount of your purchase, thus greatly cutting back on refunds. Surplus bid money will be refunded. Send in a self-addressed, stamped envelope to return your checks. HCA reserves the right to reject any bid.

SHIPPING Buyers must make their own shipping arrangements including payments for shipping directly to the shipper. Glass is available to be picked up by your shipper on Tuesday, April 21, 2015, after 10:00 AM at the National Heisey Glass Museum, 169 W. Church St., Newark, OH 43055. HCA is aware of the following area shippers: Express Pack and Ship: 740-366-1325, Pakmail: 740-522-2564, and UPS Store 3910: 614-939-5195. HCA is not responsible for any services provided by these vendors. HCA will work with these vendors to make sure your glass is available.

BID SUBMISSION Absentee bids must be **received** no later than Tuesday April 14, 2015, at 4:00 p.m. Eastern Standard Time. When using a credit card number, bids must be faxed to (740) 345-9638 using the absentee bidding form. When your Fax is complete, please contact the Museum to ensure it has arrived and is removed from the Museum Fax machine as soon as it arrives. OTHER The prices realized from this Auction on all lots will be printed in a future issue of the Heisey News. If you are not an HCA member but want to receive the results list, send \$2 and a long SASE.

2015 ANNUAL HEISEY FALL AUCTION

Dave Spahr

We are announcing our Eleventh Annual Heisey Fall Auction! Thanks to the great support you all have given in the past for this event for HCA. We have also just set the date for the auction as well- **October 3, 2015**. It will be held in Newark approximately three weeks after the Annual Percy & Vivian Moore Dinner which will be held in Bellevue WA this year on Sept 11-13. There will be articles about that event in future newsletters.

The first thing you can do to participate in this auction is to prepare a **list** of glass you would like us to select for this auction. A blank list for you to use is on pages 16-17, of this newsletter. Please note the blank list contains space for twenty lots-each member is allowed to submit **forty lots** for the committee to select from. Remember, this auction benefits **your** association. Consider making a donation of a piece-100% goes to support HCA and the Museum. Donations don't count towards your 40 lot limit. We hope Study Clubs will donate glass for the auction- a great project for them!

This year, as has been the case for each fall auction, the consignment fee for each lot will be 20% with a minimum consignment fee of \$5. This means the consignment fee will be \$5. for anything that sells for under \$25. As you prepare your lists, please make them as descriptive as possible since the committee will be using your lists to select glass for the auction. It is very important that you carefully check for damage-we are selecting only undamaged glass for this special auction. The **deadline** for submitting your completed lists to us is **May 12, 2015**. Remember- send in the list- NO GLASS- of up to forty lots.

The committees target is to have an auction of 200-300 lots. How can you get your glass selected? Here are some clues. Consideration will be given to include diversity in color, etchings, cuttings, and patterns. A main goal in the selection will be not to have any duplication of lots. We would like glass for the experienced collector who wants that exotic piece of Heisey and also some glass available for the fledgling collector just starting out. As mentioned earlier, **we will not select damaged glass.**

The Select Committee will be busy after May 12th and contact you on or about June 1 to let you know the glass it has selected. Hopefully, you will be able to bring your glass to Newark and drop it off at the Museum when you come to the Convention being held June 17-20. Please look over your glass and begin your lists soon. May 12th will be here before you know it!

This event has been a success for consignors and buyers of wonderful Heisey glass. Please plan on attending and participating in this auction for the benefit of your Museum.

If you have any questions, please e-mail or call Dave Spahr, masdgs@aol.com or (937)-372-7166. Happy Heisey Hunting!

2015 National Heisey Convention

By Kate Maher and Janine Conrad: Co-Chairs

As I review my to do lists, and calendar, I only have two more opportunities to share with you why this year's 2015 National Heisey Convention, "Gifts of Heisey" is the Convention to attend! I am very excited to share some of the recent additions and confirmations of events you will have the opportunity participate in. The Glass Show and Sale has several new dealers, one of which is our Heisey bead artist Theresa Sharp. Theresa will be selling her own beads and jewelry, as well as offering demonstrations on producing Heisey beads. This will be very interactive, informative and a different type of glass exposure for both our collectors and shoppers who attend the show.

The beautiful, highly desired Cobalt and Alexandrite Heisey glass beads are set to be released at Convention too! These will be released on Wednesday evening during Convention, after the Welcome Dinner, available at the Museum Shop. Offered exclusively to our convention guests ensuring them the best chance to purchase our rarest colors of Heisey glass beads.

I am honored to announce that the New 2015 Heisey Ornament will be a crystal ornament with Heisey's #825 Sea Glade cutting. The delicate ornament will be available for sale for the first time at the Convention in the Museum Shop and at our Museum Shop at the Glass Show. The Heisey family cookbook is coming along very well and we have had a lot of interest in this unique, Heisey book production. The cookbooks will be available along with many recipe samplings at our events to stimulate your taste buds. While I am on the subject of books, be sure to "book" your hotel reservations in Newark for the June Convention. See page 18 for the hotels list.

As you read, there are so many fun events to attend and items available to take home at this year's Convention. We even have a special gift for all convention registrants who attend the banquet dinner at the historic Granville Inn. These souvenirs will be presented at the dinner and you are sure to enjoy your personal "Gift of Heisey". Sponsorship tables are also available at levels noted on the registration. The sponsorship cost includes the meals of those seated at the table. Don't miss out on all the fun – register now for a fun-filled Convention. See page 19 for your registration form.

Now a note from your Banquet planner Janine Conrad:

We are not holding a banquet this year... We are creating a treasured memory!

First arrive at 5:30 on Saturday, June 20th at the Historic Granville Inn, located in Granville Ohio. View the Heisey table service that was original to the Granville Inn, as you enjoy the appetizers and bar in the newly renovated dining room.

As you enter the Banquet room for dinner you will see the "limited edition" Heisey souvenir (only 140) created just for you to take home as a memento of the evening. A display of "Premier Heisey Glass" will be auctioned off following the dinner. Besides our open seating, we will be offering reserved tables. These tables are available for you and Licking County business and community leaders to purchase. As this will be a must attend event, we are offering sponsor tables (seating of 6 per table) for purchase and will include the following benefits:

Tangerine Level \$2500.00 Premier Location at event, name recognition/advertising thanks in the dinner program & national Newsletter, 2 bottles of wine, box of Goumas chocolates, and a breathtaking center piece display filled with flowers, fruits and candy to indulge on all evening.

Heisey Club of California

HCC has been busy spreading the love of Heisey across Southern California! Two presentations have been given to a Southern California group of individuals known as The Elegant Glass Collectors.

In November of 2014, HCC Member Gene Moenning highlighted Heisey's distinctive carvings, while co-presenting an educational social gathering on "Sand-Carved Glass" along with HCC member Michael Krumme, in La Palma.

In February of 2015, HCC Members Rich & Lynn Borino invited The Elegant Glass Collectors to their Dana Point home to view a presentation on "An Introduction to the Colors of Heisey." HCC Member Gene Moenning brought extensive selections from his rare colored glass collection and co-presented the program with Rich Borino. HCC Member Martha McGill also brought examples from her collection to make it possible to have all colors, except Gold Ruby, shown. The presentation was well-received!

Great Plains Heisey Club

Submitted by Kathy Files, Secretary

On March 14, 2015, we had multi 'firsts' at Glen Gall's home in the Des Moines, IA area:

...First Great Plains study club meeting in 2015

...First Great Plains meeting for our newest members, Chris and Lehi German

...First 2015 vintage jams and jellies made by Jean Will

AND one more first noted later. AND, we hope, the last of winter weather for awhile.

Glen's Heisey collection sparkled and we enjoyed seeing his new acquisitions, an Alexandrite Cathedral vase with Calcutta cutting to name a great one.

Lunch was beyond delicious! Glen's family and friends made tasty contributions. Marian, Tim, Peg and Jim laid out a spread of stuffed chicken breasts, pasta, veggies, and salads and Peg's homemade yeast rolls that was savored by everyone.

President Mock convened the meeting, minutes were approved, and the treasury report given. Tom Files asked that a commendation be entered into the minutes for all the work by Gregg Cameron to complete the Joe Lokay Initiative of making available and searchable HCA newsletters on the HCA website. A tremendous effort to scan and upload over 30 years of News by month and a great resource for Heisey research.

Bucky Will is working with the National Depression Glass Show coordinator to add HCA's presence at their national convention to be held in Kansas City this year on July 11 & 12.

...The GPHC will hold our regular July meeting there during this time

...Member Eric Tankesley-Clarke will conduct two seminars on Heisey

...Tom and Kathy Files will set up an informational HCA table

...Bucky Will plans a display table of her Heisey

We're trying to spread the Heisey story and attract new members.

Requests from HCA regarding display tables at the convention this year and possible silent auction donations were discussed. Specific plans will be finalized at our May meeting.

"Martha's Moment" by Trudy Mock showed how to use a Heisey fruit basket with decorated eggs and ribbon to make a centerpiece for Easter. She reminded us to use curly ribbon instead of a commercial "grass" that can be harmful to pets.

Discussions about fund raising and meeting formats were lively—final decisions reserved until May.

Eric presented an unusual program titled, "Heisey Made One of Those?" A large table was filled with Heisey special purpose items, oddities, and 'onesies'. Some of the items on display were Puntty and Diamond Point mucilage bottle and electric lamp shade, 352 Flat Panel knife rest, Winged Scroll ring tree, #1 caviar liner, complete Hood sterilizer jar, #1 tea drip with handled tea basket, #3 ice tea spoon, #6 shoe holder, #21 hat pin holder, Banded Flute match box, Peerless 3 handled 'Loving Cup', Quator conserve and ash tray with striker center, complete Narrow Flute with Rim griddle set, #1116 twin salt, #1118 Indian Hill grapefruit with liner, #1120 sponge holder, #1516 mirror handle, Shaw jug with Union Pacific silver base, handle and cover, 3 Visible Cooking Ware pieces, Medium Flat Panel soap dish with cover, #8133 urinal, and other rarely seen unique items. It showed Heisey's propensity to be market-sensitive to its buyers regardless of the seemingly limited use of some of the items.

Show and Tell of winter finds came next. Kohinoor 14" floral bowl in a custom metal stand; Cut Block table sugar w/ cover/cut; #1466 Star relish with Chevy Chase carving; 2 Kimberly wines/Barcelona cutting; Beaded Panel & Sunburst ind. salt; Flame candlestick/gold flash—Dorothy Thorpe mark; Albemarle goblet/Chateau cutting; New Era goblet, champagne, & plate—all Sea Glade cutting; Kalonyal flared/shallow punch bowl & stand; Yorktown champagne/Field Artillery School etching; #7098 Cut Daisy plate; #3477 Isaly's footed ice tea/Monticello etching; Olympia 10" vase with Moongleam foot/Bachelor's Button cutting; Saturn violet vase/Zircon. Whew!! You had to be there.....

We concluded our meeting with an auction of Heisey, cracked pecans, and Jean's jams and jellies to raise money for the treasury. President Mock adjourned our meeting (maybe another official first) so we could eat dessert. Desserts covered the kitchen counters and made us all very happy as we departed.

Our May 9 meeting will be in Omaha, NE at the home of President John and "Martha" Mock – visitors always welcomed. In the meantime, get out there and hunt for Heisey!

Heisey Collectors Club of Michigan

Our first meeting of 2015 was held in the State Room on the MSU campus in Lansing. Rick and Bonnie Van Meer hosted the meeting and welcomed a full house of all club members with St. Patrick's Day themed favors, decorations and a large cake in honor of several members' birthdays.

Our secretary, Irene Fritz, provided copies of the notes from our last meeting on October 18. No notes were taken from our Holiday gathering on December 13, as we were all too busy enjoying the festivities and bidding on the items in our annual holiday benefit auction which set a club record for proceeds. Our treasurer, Diana Rose, presented her report and we then moved on to discussing old and new business.

We discussed the meeting schedule for the rest of the year and confirmed the purchase of two chairs for the Louise Ream Library. We also noted which members would be attending the Spring Auction and Convention. Mary Parrett set up a beautiful Winchester themed table at the convention last year and is planning on another great showing this year.

Under new business we discussed a fund raising project for the club. A limited quantity of new Heisey related books will be donated to the club. The proposal is that we sell these books at the Spring Auction and possibly the Convention and use the proceeds to purchase Heisey glass from Heisey dealers at the Convention Show and on the Square to donate to the Museum gift shop. The proposal was approved and we are looking into getting a table to sell the books at the Spring Auction. The books include:

- **Gifts of Glassware** (reprint of the 1930 edition)
- **Choosing Your Crystal Pattern** (reprint of the circa 1947 edition, including 29 pattern brochures)
- **Encyclopaedia of Heisey Advertising—Volume I: Newspaper Advertising** (new book)

New finds included a Fancy Loop vase in crystal; a Puritan or Medium Flat Panel Beverage Bowl with a stunning cutting in crystal; a Sunburst compote in crystal; a Zodiac covered candy dish in crystal; Toujours candlesticks in crystal; a Fancy loop footed punch cups in crystal; Grape Cluster 2-light candlesticks in crystal; a Fogg floral box in Moongleam; Petal cream and sugar in Hawthorne; a Narrow Flute handled lemon tray in Flamingo; an Old Sandwich compote in Sahara; Pineapple and Fan cream and sugar in Emerald; a Gascony wine in Tangerine; #1000 Marmalade in Alexandrite; Beehive plates in Moongleam; a Waverly cake salver with orchid etch in Crystal and an Aristocrat desk candlestick in Hawthorne flash

The study theme of the meeting was Color and Rick and Bonnie came up with a fun game to make it more enjoyable. Special gift bags of candy were placed in between members at regular intervals on the table. The first person to answer one of thirteen quiz questions won the bag in front of them. Since we were seated at a long table facing each other sometimes the bag was won and lost several times before the game was over.
