National Heisey Glass Museum

Heisey Collectors of America, Inc., a non-profit corporation (tax-exempt status), owns and operates the National Heisey Glass Museum. Open year round, Tuesday through Saturday, 10 a.m. to 4 p.m. and Sunday, 1 p.m. to 4 p.m., closed holidays. Other hours by appointment. Members admitted free. Regular admission \$4.

Message from the President

We had another wonderful Auction last month. Dave "Mr. Auction" Spahr and his team did a great job inventorying, cleaning, cataloging and displaying all the beautiful glass. There was a large turn out and everyone there (even some absentee folks) had a good time bidding. For those who missed it don't worry, there is another auction coming up in the spring! April 15 and 16 at the BMP Union Hall in Newark. Dave is looking for folks to consign glass. More information to follow

in this Heisey News.

Our next event will be the Museum Holiday Open House on December 5. the Museum will be all decked out for the holidays to greet visitors and Santa will be there to visit all the girls and boys!

The Museum has a new employee! Nickie Crowe will be the new Member Guest Service Associate. I want to extend a warm welcome to her.

The 2016 Percy Moore Weekend will be in Grapevine, Texas next year. The plans are coming together for a fantastic time. There will be more information to follow the next couple of months. I am planning to go and I hope everyone else does also!

The National Capitol Heisey Collectors Club will have the Annual All Heisey Show and Sale in Annandale, Virginia next March 19 and 20. This is the only "all Heisey" sale in the country and I am sure it will be like past sales with lots of beautiful Heisey.

As I am sure most of you know we have been having some problems with our web site. Some unscrupulous character has hacked into it and has been causing problems. Please rest assured everything that can be done to rectify the issues is being done. I have been in contact with our hosting company and feel confident they have everything under control.

On a sad note a couple HCA members have passed away. Jean R. Walter, from Peabody, MA died on 29 August. She and her husband were members since 1986. Also Marge Urbonas of Lombard, IL died on 15 October. Marge was very active in many glass clubs and a past president of the 20s- 30s- 40s- Club of Illinois. She was an HCA member since 1998. We will miss them both.

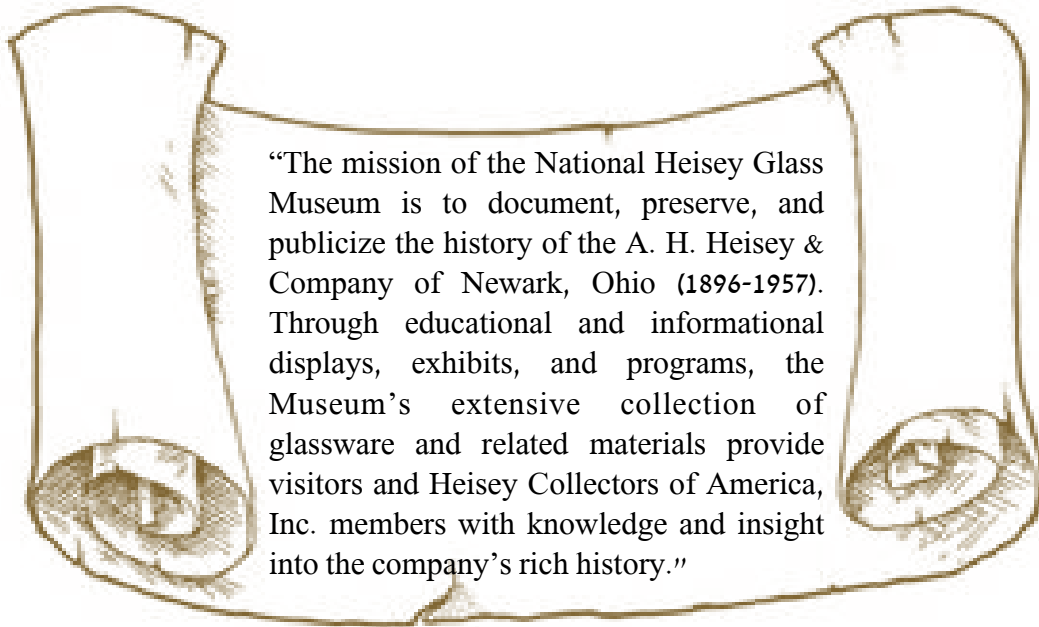

Please keep in mind there is real Heisey and new beads in the museum shop available for gifts (birthday or Christmas).

Happy Heisey Hunting!

Roy Eggert

Our exciting new Mission Statement!

“The mission of the National Heisey Glass Museum is to document, preserve, and publicize the history of the A. H. Heisey & Company of Newark, Ohio (1896-1957). Through educational and informational displays, exhibits, and programs, the Museum’s extensive collection of glassware and related materials provide visitors and Heisey Collectors of America, Inc. members with knowledge and insight into the company’s rich history.”

Is there a plan for the future of your Heisey?

Submitted by Greg Henne

It’s Fall! Time to enjoy football and holidays. And, it’s time to pull out last year’s tax return, make an appointment with your tax advisor, and do some year-end planning. If you don’t normally itemize deductions, discuss with your advisor “bunching” deductions. Perhaps a timely gift of cash or Heisey glass to HCA would result in some tax savings.

It’s also time to consider long range planning. Do your children or other heirs understand the value of your Heisey collection? Do they understand your glass doesn’t just go to a garage sale when you are gone? For those treasured pieces of Heisey that you have no intention of parting with in your lifetime, discuss with your tax advisor, and your heirs, how your Heisey glass should be handled by your estate/trust when you are gone.

We hope you will consider a donation to HCA to help strengthen the long-term health of the Museum that we all enjoy. Perhaps as you go through this planning process you will find that some of your heirs would rather keep a particular piece, or even an entire pattern, of Heisey. Perhaps they will end up continuing your legacy as HCA members

Words From Your Curator – Director

How did it get to be November already? There is a different, somewhat faster, pace that gets started this time of year and goes through New Year's no matter what. I have started to think about what Heisey will be used for my Christmas table, it's looking like a Plantation Ivy etch year, however not much else has been done in preparedness I fear. How are your plans progressing and how will you utilize and, let's face it, show off some of your Heisey for Holiday enjoyment this year? Please know that images of your ideas are always welcome and we look forward to sharing them with others!

Thanksgiving is a big part of November for most of us and do we ever have a bounty to be grateful for around our Museum and HCA! Nicole (Nickie) R. Crowe has joined the staff as a new Member Guest Service Associate. (This is the new title for our clerks that it is felt does a better job of describing what they do). I know all of you will offer the warm and friendly "Heisey" welcome to Nickie. Beth Sperry's husband Bill continues on his road of recovery after successful hip replacement surgery. Our own Susan is due back from her well-deserved and it is hoped very restful cruise of the Aruba area and we will be happy to have her return for many reasons.

The new library shelving and display units were delivered by the Kilgore's and put into place with much effort and able assistance by Jon Heron and others. They look terrific! We are enjoying four new Windsor arm chairs in Gallery two and a handsome round pedestal table in the King House. The Kilgore's also arranged for the donation and delivery of these very much welcomed and useful items. Let us not forget to include on our list the great successes of both the Pacific Northwest's Percy & Vivian Moore Weekend and the Fall Auction. The sensation and enjoyment of the Heisey bead program continues as well as the increased Museum Shop sales, both due in part to the Heisey you so generously donate to our Museum. Indeed a cornucopia of things to be thankful for !

Gallery 3 is the host to the now completed display of Heisey etches and carvings and I hope many of you have a chance to enjoy this latest offering from your Museum. The cover of this Heisey News is a depiction of some of the items on display. The back cover is a photo of the etching Department in 1934. The Dayton Area Heisey Collectors' Club will be joining members of The Buckeye Heisey Collectors' Club on November 23 to bedeck the halls of our Museum for the holidays and that is always a fun time of fellowship and stories to be looked forward to.

A blessing filled Thanksgiving to all and let us continue the celebration of Heisey !

Jack

2015 FALL SELECT AUCTION WRAP-UP

Dave Spahr

All who came to our 11th annual Select Auction on October 3rd at the BMP Local 244 Union Hall on Hudson Ave. had an opportunity to buy some wonderful Heisey glass and had fun too!

On a rainy Fall Saturday morning in Newark started off with our volunteers coming to the Union Hall at 10 AM to arrange the room for the auction and to unfurl the 223 lots of glass from our 18 consignors and 3 donors. We were finished in time for the Preview which started at 12:00 PM and lasted till 1:00 PM. The glass, as always looked wonderful on the tables- it just sparkled!

The Union Hall was a really good place to hold our auction . This is also where we have been using for our Spring Benefit Auction and we had plenty of elbow room for all our guests. Craig Connelly and cohort Jeff Baird were again our auctioneers and we had the “Pie Man” Gary Dush and family provide the concessions. Wonderful food again!

Our auction began promptly at 1:00 PM. The turnout for the auction was good- we had a crowd of approximately 90 with 54 individuals picking up bid cards and 10 absentee bidders. The auction was completed around 4:30 PM and our 38 buyers picked up their glass and we held glass for 6 successful absentee bidders.

We had total revenues of \$19,861.0 with glass sales of \$19,755.00 for the 223 lots. Our payments to consignors and other estimated expenses totaled \$14,820.65 so we have an estimated net profit for the Museum of \$5,040.. We came in over our 2015 budget projection of \$4,000 which is always nice. Comparing our auction to last year when we netted \$8,549.82, there were several significant differences. Our auction last year was larger- 306 lots vs 223. We had receipts from 19 lots of donated glass totaling \$3,344 and this year we had 24 donated lots producing \$1,735. Please note that 100% of the proceeds from donated glass goes to support the Museum. We hope you and others will also consider donating glass to us! This has been one of our better select auctions in terms of net profit for HCA. The auction prices per lot are shown elsewhere in this newsletter.

Putting on an auction is a team effort and HCA has some great volunteers! I want to thank the 30 volunteers who helped to make this a successful venture. They are listed in this newsletter- sorry if I missed anyone. I want to give special thanks to two individuals. First, Karen Taylo who has clerked every Select auction for us (11 now!) and did another great job with the able assistance of Roy Eggert, our HCA President. Second, thanks again to Walter Ludwig who volunteered his time to help us catalog and properly list the glass and wrote a wonderful preparatory article highlighting the glass.

Thanks again for all of you who consigned and donated glass for this auction and for those of you who purchased this wonderful Heisey glass. Hope to see you all at the Museum Open House on December 5, 2015 and the 2016 Spring Benefit Auction on April 15-16, 2015. Please continue to support your Museum!

Donated amount of damaged beyond repair Heisey glass.

For use in upcoming projects (Heisey beads, Marbles, stained glass window or doors)

We need 800 LBS to make a run of marbles, all colors including crystal. The glass will be used accordingly to each project as needed.

2016 ALL HEISEY SPRING BENEFIT AUCTION

Dave Spahr

Last month we announced the dates for the 43th Annual All Heisey Spring Benefit Auction. For those of you who didn't put it on your calendar please do it now- it is **April 15-16, 2016**. It will be held at the GMP Local 244 Union Hall on 350 Hudson Ave in Newark, OH. Auctioneer Craig Connelly and his crew will again auction off all of our wonderful glass!

Please review your glass collection NOW and decide which pieces you intend to put in and make your consignment/donation list! It is not too early to get us your glass! Fortunately we have already received several consignments at the museum.

Remember, the **deadline** for sending in your consignment and/or donation for us to sell for the benefit of the Museum is **January 15, 2016**, which is about ten weeks from the time you read this! Remember, each member can consign 40 lots with no limit on donated lots. If you or someone you know is coming to the Museum or the general Columbus-Newark area, you might have them bring your glass to the Museum so you will know it gets there safely and also eliminate shipping costs. Speaking of visiting the museum, I would encourage you and your family to visit the Museum and see it decorated for the Holiday season in its entire splendor on **December 5th** at the **Open House** or just any time you are in the area. What a sight!

If you need a packing sheet or contract, please copy them from this Heisey News or from our website at www.HeiseyMuseum.org. Remember, please send **TWO** signed contracts with two packing lists with your glass and I'll return a signed copy to you. Please also remember to put a spare packing list in each box of glass – make our volunteer catalogers happy!

The success of this event is dependent on you and other members consigning or donating good clean problem-free glass. We are constantly working to improve the quality of the items sold in the auction. With you consigning or donating good glass, the values obtained for the glass should be higher which benefits you and the Museum.

If you have questions about the auction or you wish to volunteer to help, please contact me at 937.372.7166 or by e-mail at masdgs@aol.com. Our major efforts for the auction begin in Mid-January when we begin our cataloging of the glass! See you at the Museum on December 5th for the Christmas Open House! Happy Heisey Hunting! ©

and Heisey Collectors of America, Inc., hereafter referred to as HCA, for glassware items consigned or donated for sale for the benefit of the National Heisey Glass Museum.

Auction Dates: April 15-16, 2016 _____

Auction Location: GMP Local #244 Union Hall, 350 Hudson Ave, Newark OH 43055 _____

Consignments:

All items consigned for sale or donated are to be made by A. H. Heisey and Company or by other manufacturers using Heisey moulds. The owner/ consignor / member, hereafter referred to as the owner, agrees to accept all responsibility for providing merchantable title for all glass sold.

Each owner may consign a maximum of forty (40) lots to the auction. A list of glass being consigned or donated and prepared by the owner is attached as an integral part of this contract. There is no limit on the number of items in each lot, but HCA retains the right to increase / decrease size / make up of each lot. Each owner may donate an unlimited number of lots to HCA for sale at the auction. HCA, however, at its discretion, will consign donated items for auction, add donated items to the museum collection, and/or sell donated items in the museum shop.

The HCA Auction Committee is authorized to reject any glass not deemed acceptable for this auction. These items may be returned to the consignor if they desire, at their expense. Otherwise, these items become the property of HCA.

Commission:

Owners of glassware to this sale will be charged on the following sliding scale of commission per lot: \$5.00-\$50.00= 40%; \$50.01-\$200.00= 30%; \$200.01-\$400.00= 20%; \$400.01-\$750.00= 15%; \$750.01 and over= 10%.

Settlement:

Payments (settlement) to the owner for glass sold will be made in full not later than fifteen days after the completed auction from the HCA Auction Trust Account. Said account is set up and operated consistent with ORC Section 4707.024. The owner and HCA agree that no other payments will be required to be made in less than fifteen days. HCA will pay expenses including auction site rental, advertising fees related to this auction from its commission from this account. Collection of funds, bad checks, debts, and unpaid auction lots is the responsibility of HCA.

Responsibility:

It is the responsibility of the owner to deliver the glassware to the National Heisey Glass Museum on or by January 15, 2016. HCA accepts responsibility for the glass after it is received at the Museum and until it is sold except that any glass damaged in shipment to the Museum will be referred to the shipper and owner. All glass damaged or lost while in the possession of HCA prior to sale will be valued by a qualified appraiser or appraisers and the owner will be paid on this basis, less commission.

Auction and Bidding:

The auction will be a reserve auction. A reserve auction means an auction in which the owner or agent of the owner reserves the right to establish a minimum opening bid, the right to accept or reject any or all bids, or the right to withdraw the real or personal property (lot) at any time prior to the completion of the auction by the auctioneer.

HCA and the owner agree that:

- 1) the items will be sold to the highest bidder without reserve,
- 2) HCA and/or its auctioneer, has the right to accept or reject any or all bids,
- 3) HCA has the right to establish a minimum opening bid,
- 4) the owner may not withdraw the lot(s) at any time prior to the completion of the auction,
- 5) in the event no bids are received on a lot, that lot becomes a donation to HCA.

The minimum opening bid per lot is \$5.00 with a minimum bidding increment at the discretion of the auctioneer.

The owner and HCA both agree that absentee bids will be accepted by HCA. The minimum absentee bid on a lot will be \$15.00 with a minimum opening bid of \$5.00. Absentee bids are bids left by buyers prior to the auction and are executed in a competitive manner. Per HCA policy, HCA does not use the full bid amount as a starting bid. Bidding is initiated in the audience and then offered on behalf of the absentee bidder at the next increment continuously until bidding has stopped. (Example: Absentee bidder leaves a bid with a maximum amount of \$500.00. After item is sold through competitive bidding, the absentee bidder is successful for \$325.00.) HCA reserves the right to accept or reject any and all absentee bids. HCA is not responsible for misfiled bids that are not executed.

The owner or a person on behalf of the owner may make a bid on a lot the owner consigns or has donated if the auction is a reserve auction and the auctioneer provides full disclosure before bidding that the owner retains the right to bid. Absent this disclosure, owners cannot bid or have others bid on their behalf on their own consigned or donated items. Said bidding would constitute bid rigging and be in violation of ORC 4707.023.

General Auction Terms and Conditions:

- 1) All lots are sold in numerical cataloged order.
- 2) Payment: Cash, travelers check, certified check or personal check or money order with proper ID. Visa, MasterCard, and Discover Cards are accepted. 5% buyers premium. Buyers premium deleted for cash or check payment. Cash only payment may be specified for individual bidders at HCA’s request.
- 3) HCA has endeavored to describe all items to the best of their ability; however this is not a warranty.
- 4) All items are sold as is and where is. The auctioneer has the right to make any verbal corrections at the time of sale and to provide additional information. Inspection is welcomed during preview and before the item is sold.
- 5) In the case of a disputed bid the auctioneers have the authority to settle disputes to the best of their ability and their decision(s) is/are final. Resale of items will be handled at the auctioneer’s discretion.
- 6) The auctioneer has the right to set opening bids and reject any bid raise not in line with established bid increments. Items are sold without reserve, unless advertised otherwise.
- 7) All sales are final and all items must be paid for each day of sale. A moving and storage fee may be assessed for items not picked up within seven (7) calendar days after the last day of sale of the auction.
- 8) Buyers assume full responsibility for items once they are sold unless otherwise specified by HCA or the auctioneer. Buyer must have receipt in hand to pick up items.
- 9) HCA (an auction firm) and all auctioneers used by HCA are licensed by the Ohio Department of Agriculture and bonded in favor of the state.
- 10) Bidding on any item indicates acceptance of these Terms and Conditions of Auction.

Great Plains Heisey Club News Article

Submitted by Kathy Files, Secretary

Nebraska's new slogan is "Nebraska Nice". We had more than a taste of "nice" on September 26, 2015, for our Great Plains Heisey Club meeting at the lovely home of Marcie and Eric Bergquist.

Our first activity was a delicious lunch of Eric's pulled pork and Marcie's salads and fixings. So tasty! Thank you Bergquists for setting the bar so high for the rest of the afternoon.

President John Mock called our 24 members in attendance to a semblance of order to begin the meeting. The large Waverly bowl was passed for lunch donations which our hosts graciously donated to the GPHC treasury – thank you again.

Previous meeting minutes were approved and Treasurer Tom Files reported on our treasury balance. Jean Will reported on a Heisey scam and reminded us to be aware of unsolicited contacts to sell Heisey.

President Mock summarized the activities of our 9 members who attended the Percy & Vivian Moore event in Seattle. Congratulations to the Northwest club for an exciting, well-organized, and fun-filled weekend. Home tours, good food, great auction items, and very nice raffle winnings (right Mr. Curator?) made the time pass too quickly. We hope the Northwest Club was as pleased to host as we were to attend. (Our President John Mock served as auctioneer and coerced many attendees into higher bids to show we are all in this together to benefit HCA and have fun). We're now looking forward to being at the 2016 PVM in Texas.

Trudy's "Martha Moment" showed pictures of display ideas to showcase your Heisey collection. Bucky Will presented our program – Heisey salt and pepper shakers. She credited Eric Tankesley-Clarke for his input about the subject but allowed Eric to rest his vocal cords for the most part this time. The GPHC thanks both of you for the great display of many patterns and the excellent handout of salt and pepper information. None of us realized how many different salt and pepper patterns Heisey produced.

There may not be any Heisey left in shops from the Midwest and points east to the Northwest after PVM attendees shopped their way to Seattle. Some of their finds and other recent acquisitions made it to the Show and Tell table: Cecilia vase with orchid etch/10.5"; #135 Empress candlesticks/Flamingo/Empress etch; Nail vase/8"; Narrow Flute with Rim puff boxes, 4" & 5"; Revere puff box with spider & bee on web cutting on cover; Hairpin jug/3 pt.; Plain Band whimsey miniature spittoon; Twist Jack-in-the-Pulpit whimsey made from soda; Winged Scroll puff box w/ cover/Ivorina Verde and Jefferson hair receiver to show scroll design differences; Dancer's Leg cocktail; Raised Loop cream; Pillows toothpick; Kalonyal toothpick and covered butter; and Ridgeleigh sandwich plate with applied metal hangers holding lucite handles to provide a partial list.

A 50/50 auction of donated Heisey and Jean Will's jams and jellies was held. Thanks to those donating and those buying to help increase our Treasury – and eventually HCA.

Our next meeting will be November 14 at Pat and Rex Lucke's home all decked out for Christmas. Visitors are always welcomed if you let us know in advance. The program will be on Heisey candy containers with specifics to follow later. View our excellent website maintained by Gregg Cameron at www.HeiseyMuseum.org
