Message from the President

The Spring Benefit Auction was spectacular! Lots of folks went home with some beautiful and rare Heisey glass. The union hall was packed and the bidding was fast and furious. I am told this is the best auction we have had, ever! I want to thank all the hard working volunteers who helped make this a success. We could not have done it without you! Thanks again!

The 2016 Heisey Convention is only a few short weeks away. The Registration Form is on Page 17 of this issue of Heisey News. I think the Convention Souvenir, the Elephant Handled Mug, will sell quickly. I saw one at the Museum and they are really nice. I'm getting 4, and I have heard other folks are getting as many as 12! They will make nice gifts.

I have been President for almost a year and I am still learning all the details of the duties. I do appreciate the support from the Executive Committee, the Board of Directors, the staff at the Museum and all the volunteers. We have an excellent team and I am very proud to be a part of it.

I am putting in my column "glass tips", little tidbits of useful information for people handling glassware. This month's tip is: do you have a large under plate for a punch bowl and have trouble transporting or storing it? I saw a lady a few months ago that put it in a plastic wreath container (the one without the holder inside) wrapped in a blanket! This way it is safe and easy to carry and store. If anyone has any other good ideas I would be happy to share them with everyone!

Happy Hunting!!

Next Heisey Museum Special Display – Blown Vases

Walter Ludwig

I hope you have had a chance to view our display of Heisey Etchings which has been in Gallery 3 since last fall. Once the Spring Auction is over we will be dismantling that display and installing the next display. This will kick off a series of three displays that will focus on the wide varieties of vases that A. H. Heisey & Company produced. Our first display will feature only the blown vases. The summer 2017 display will feature pressed vases made before 1920 while the 2018 display will feature the pressed vases made after 1920.

I have finished the preliminary work on the blown vase display and already have 270 vases located for the display, but there are a few that I would like to include. We are well represented with Moongleam and Hawthorne but are short on Flamingo examples.

Vases that we do not have any examples of are in patterns 4193, 4195, and 4198 (these are pictured on pages 26 and 34 of “Encyclopedia of Heisey Glassware: Etchings and Carvings”) as well as a 4004 Impromptu ball vase. Flamingo vases I would like to have for the display include 516/1, 516/2, 2517 Teardrop, 4160/1 Ellen, 4162/3, 4162/4, 4207 Moderne, 4211 Lilac, 4215 Dorothy, 4217 Frances (both sizes), 4218 Marilyn, 4220 Janice (7” only), and 4222 Horseshoe. In Moongleam I am looking for 3485 Irene, 4196 Rhoda, and 4219 Lucille. In Hawthorne we do not have a 4162/4. The one Sahara vase we are looking for is a 3485 Irene.

If you can provide any of these vases for our display please contact the Museum. If you have an unusual blown vase that is uncommonly seen also feel free to contact us. The full display will be viewable from the beginning of June through mid-August. If you can only provide the example during the Convention that would also be acceptable. Thank you for considering this project.

Words From Your Curator – Director

Three years have gone by very fast indeed as I celebrate my anniversary here on the 15th of May. I remember Mary Ann Spahr asking me in my first interview if I was up for an adventure. That it has been, and I am sure it will continue to be! I am still learning and am sorry for a very slow learning curve in some areas, the newsletter for example. However I still come to work with joy and look forward to my learning and improvement. I can assure you that we have a very good and dedicated team in place. Thank You all for my opportunity here and may we all continue to celebrate **HEISEY!**

Our Spring Auction is certainly an activity over which to rejoice. I continue to be amazed, thankful and impressed by all the dedicated work and fun, to say nothing of the funds raised that have been my experience of this event. Dave Spahr and many others put in countless hours of hard work to assure that this auction is the huge success that it has come to be! We all need to realize this and be very grateful. Dave reminds me that he could sure use an understudy to help carry on his work! Another group of fine individuals willing to work very hard for HCA appear on pages six and seven of this issue. They are your 2016 H.C.A. Board of Director nominees. We ask a great deal of our Board members and they have a chance to work hard in maintaining and shaping the future of our H.C.A. So I would ask you to carefully consider your votes.

I spoke of the adventurous time around here and if Michael Maher and I are together, there is usually an exciting activity of some kind involved. Earlier in April was a voyage that was even more encompassing and (in the end) fun, more rewarding than many. We went up the very narrow staircase to the original second floor Heisey showroom at the factory, (which is almost a religious experience). To see what could be done about a very special historical table. The current owners of the Factory had repeated the very generous offer of one of the four by eight foot plate glass mirror topped showroom tables, and we were going to make it happen. Long story short with the additional help of Jay Goletz, (a newer member who has already built a very impressive collection by the way), the table now resides at our Museum. We look forward to many of you being able to view this exciting new (very old) addition to the collection at Convention or sometime soon.

June will be here very soon and things are all well underway for Convention. Walter and I are very excited about the **Blown Vase Display** and much else is happening. Apple Tree Auction Center will be hosting a **two day sale** starting on Tuesday and ending on Wednesday in plenty of time for you to attend the Convention kick off dinner. The always popular **Mini Show** will occur on Wednesday from 8:00 am to 11:30am and the **Flea Market** on Saturday will be moving to a very nice new space at Canal Market Plaza just off the Square. There will be a **Car Show** at the Museum on the Sunday after Convention in memory of Dick Marsh, HCA founder. The Beer mugs are selling very well, with a number of one dozen orders having been placed, so please be sure to order yours today with your registration forms. Also I understand that we have some new dealers signed up for the convention show this year!

Looking Forward,

2016 H.C.A. Board of Director Nominees

Gregg Cameron

Gregg has been a member of HCA since 1999, he and his wife Mary are founding members of the Great Plains Heisey Club of Nebraska, Kansas, Missouri, and Iowa. He enjoys collecting all things Heisey, especially animals, toothpicks, cordials, goblets and water bottles. A wonderful side benefit of his collecting has been the opportunity to meet new friends from all over the country. Gregg enjoys maintaining web sites for the Great Plains Heisey Club and the National Heisey Collectors of America. He has also chaired the 2012 Percy & Vivian Moore Dinner held in Omaha, organized auctions for the 41st Annual National Convention, scanned newsletters for the Joe Lokay Initiative, and provided clerical/accounting support for the *Cochran Endowment Challenge*. You may have also seen him taking pictures at HCA events.

Gregg and Mary live in Ankeny, Iowa and have two sons and six grandchildren. He is a graduate of Iowa State University with a *bachelor of science in history*. Retired now, his work experience includes high school teacher/coach, hotel sales manager and 30 years of administrative leadership and management of continuing education programs for Iowa State University. Gregg has volunteered for community groups, including providing transportation services and performing energy audits for seniors through Retired & Senior Volunteer Program (RSVP), delivering meals to residential homes and serving meals at congregate meal site, and serving as an Iowa Special Olympics volunteer. Also, he volunteered as a faculty/staff advisor for a college fraternity, Little League coach, scout leader, and church council member.

Gregg believes serving on the Board is a wonderful way for a Heisey collector to support the National Heisey Glass Museum. He is committed to working with other Board members to ensure the fulfillment of HCA's priorities through its mission and vision.

Suzanne Parker

Having collected Heisey for most of my adult life, I have admired those who had the vision to preserve the Heisey Company's legacy by starting a collector's group and museum. Many of those "founders" were instrumental in my education of Heisey glass. It would be a privilege to continue their mission.

Having previously served on another historic museum board for 12 years, the experience I gained concerning long range business plan development, financial stability, education, exhibits and collections would be beneficial if elected to HCA Board of Directors. Increasing nationwide visibility and membership of our organization should be a priority and one that would be of utmost importance to me.

I am a retired educator having graduated from Shepherd University, Shepherdstown, WVA and VPI&SU, Blacksburg, VA. Presently I own and operate Chez Suzanne Cooking School in Manassas, VA. Currently I serve as president of the Northern Virginia Heisey Study Club.

Collecting Heisey is one of my most rewarding hobbies, but also frustrating looking for the illusive piece to complete a collection! Fandango biscuit jar where are you?

David Dusenberry

Our family's history with the A.H. Heisey Company dates back to the 1890's when my Great Great Grandfather and his family moved to Newark, Ohio to work for the company. My Great Grandfather and two Great Great Uncles also worked for the A.H. Heisey Company, one of which worked there until they closed in 1957. I also had a Great Great Aunt who sold Heisey at Mohlenpah's, a store that used to be in downtown Newark.

As we see all too often, when someone has to enter a nursing home or passes away their Heisey Glass is sent to auction. In the early 2000's my Grandmother's Heisey met that very same fate and was sent to auction. A few years passed by and I asked my mother for a list of my Grandmother's Heisey that was sold at auction. That auction list, mostly Orchid Etch items, sparked what has blossomed into an ever growing collection and a love of all things Heisey Glass. My wife and I have since replaced everything on that list except one pair of elusive candlesticks. We also like Heisey's 1540 Lariat pattern which comprises a large portion of our collection.

I reside in Mount Vernon, Ohio with my wife, Traci, and two children, Addyson and Brayden. You may know my children better than me. They are the little ones who help sell the raffle tickets at the HCA Select and Benefit Auctions. I am an active member of the Buckeye Heisey Collectors Club. I have served on the collections and convention committees. I have also volunteered cataloging glass for HCA auctions, helped with the Flea Market on the square, and helped with other various club events at the Museum. I received my Bachelors Degree in Business administration from The Ohio State University in 2006 and my MBA from Mount Vernon Nazarene University in 2010. I am currently employed as the Certified Store Operator at PakMail in Mount Vernon, Ohio. I have eighteen years in the Customer Service industry, half of which have been spent in management positions. I also previously served in a management position for the Ohio Department of Taxation. In addition to my Heisey addiction, I also enjoy bowling as a hobby and have served as league treasurer and president several times along with a term served as a member of the Board of Directors for the Knox County USBC Bowling Association.

Mary Ann Spahr

I am seeking election to my second 4-year term on the HCA Board of Directors. In 2010 I was appointed to the Board to fill an unexpired term and in 2013 I was elected to my first term on the Board. I have served on the Executive Board as HCA Secretary for the past 6 years, and am currently HCA Publicity Committee Chair.

I am a member of the Dayton Area Heisey Collectors study club. Other HCA activities include chairing the Annual Convention, assisting with the Spring Benefit Auction, Fall Select Auction, and Christmas Open House.

My husband Dave and I live in Xenia Ohio and this year are celebrating our 50th wedding anniversary. Since 2005, when I retired following a 25 year career as an elementary school secretary, I have MORE time to devote to my "H" passions: Heisey,

Harping, and Hand Bells!

My Heisey collection began with my mother's Crystolite and has evolved to take over our house! Currently I'm working on a collection of dessert place settings consisting of a cup, saucer, plate, and goblet in each pattern.

My goals for HCA are focused on growing the membership, broadening community awareness, sharing the legacy and knowledge of Heisey Glass, and preserving the museum. I am eager and excited to continue serving on your Board of Directors. Thank you for your support!

2016 SPRING ALL HEISEY BENEFIT AUCTION WRAP-UP

Dave Spahr, Auction Chair

The 43rd Annual Spring All Heisey Benefit Auction was really a great HCA Event! Our two-day auction was held again at the GMP Local #244 Union Hall on 350 Hudson Ave in Newark on Friday-Saturday, April 15-16, 2016. Our auction was well attended with well over 100 guests and members each day and we had 16 absentee bidders. We had 1,315 lots of glass available from 54 consignors. The last two years our auction has been larger-around 1,450 lots. We made it smaller this year and attendees and volunteers seemed to like it-we finished late in the afternoon each day. We had the preview on Friday from 10:30 PM to 12:00 PM with the auction starting at 12:00 PM. On Saturday, doors opened at 8:30 AM, had our HCA Membership Meeting chaired by President Roy Eggert at 9:00 AM, and we started our auction at 9:30 AM.

How did we do financially? One never knows what to expect- it is always nice to meet or exceed the budget! We grossed \$75,905 and after consignors and expenses are paid, we will net \$20,445. We had a 2016 budget estimated amount of \$14,500. Last year we grossed \$65,959, netted \$18,210 with our 2015 budget estimate of \$14,250. Main difference between this year and last year was this year that while we had less lots, we had more "high end" glass for auction. Our average price per lot was \$57.39 while last year it was \$45.12. We also had 46 lots of donated glass which brought in \$3,425 while last year we had 21 lots generating \$1,147. So although we had a smaller auction, we had better glass and more donations.

I want to publicly thank, on behalf of the HCA Board of Directors and Staff, the fifty volunteers who worked with us starting in January unpacking, identifying, cataloging, and repacking the glass and then working for three straight days until the auction was concluded. You make this event a success and HCA's largest fundraiser. I have listed those who helped in a separate block. If you helped and are not listed, I apologize.

I would like to give special thanks: to Walter Ludwig who helped from start to finish lending his time and Heisey expertise whenever asked: to long time clerk Karen Taylo who ran the office and auction software program with helper Roy Eggert; and lastly to the Dayton and Buckeye Study Club members who worked tirelessly from January to April to make this a success. We would not have an auction without their help.

A "THANK YOU" must also go to Craig Connelly, Auctioneer and his cohorts. They sold our glass and kept us in stitches! Concessionaire extraordinaire Gerry Dush and his gang again served the world's best pies and other food. GMP Local #244's own Jimmy Gill did everything he could to provide us great facilities.

Finally, I would like to thank all the consignors who consigned and donated glass to HCA and to all the auction attendees and absentee bidders who purchased that wonderful Heisey Glass. Hope to see all of you at the Convention in June. Happy Heisey Hunting!!

SO, HOW ARE THE FRONT DOOR PANELS COMING ALONG?

The first upper panel is assembled and soldered. It now needs lots of cleaning. The Heisey Rose pattern is included as well as two beads. Both can be seen in the detail photos. There are also open spaces in the work to allow for a certain amount of “air” movement within the panels. The second upper panel is well underway with both the layout and the assembly progressing nicely. The lower panels, containing the dates and dedication information, have much of the pieces organized and set aside. The basic layout is also drawn. These two panels will have the official data sandblasted into cobalt blue (to match the upper panels’ cobalt blue) pieces of non-Heisey glass.

The main concept for these panels continues to be to include as much variety of Heisey glass as possible, including the colors and etchings as well as patterns. Most of the glass is coming from broken and damaged pieces. However, members have been very generous in also donating undamaged glass, which are being used as whole pieces as much as possible. All the scrap glass not useable in the panels will be returned to the museum to be melted down for further use in museum projects. A full photographic and written record of this project is also being created for possible use as a booklet/fund raiser.

Caroline Jensen

P. S. I still do not have any Dawn or Ivorina Verde for the panels

2016 ALL HEISEY FALL AUCTION

Dave Spahr

Last month we announced our twelfth Annual All Heisey Fall Auction. It is scheduled for **Saturday, October 15, 2016**, and will be held at the BMP Union Hall, 350 Hudson Avenue in Newark. This is the location where we hold our Spring Benefit Auction. Thanks for all the past support you all have given for this Fall fundraiser for the National Heisey Glass Museum. As a reminder please place this date on your calendar- **October 15, 2016**.

This article is a reminder to get your list of the glass ready to submit for consideration by the committee. As you read this, you will have approximately one week left to get your list to us! The deadline for submitting your glass list is **May 10, 2016**. A blank list for you to use is on page 21-22 of this newsletter. It can also be downloaded from the museum website. Please note the two sided blank list contains space for forty lots. Each member is allowed to submit **forty lots** for the committee to select from. Remember, this auction benefits your association. Please consider selecting a special piece of Heisey for a donation to be auctioned off- 100% of the sale price goes to support HCA and the museum. Donations don't count towards your 40 lot limit and you don't have to consign glass to make a donation! To continue our tradition for this event, we are maintaining our low consignment fee of 20% with a minimum consignment fee of \$5. This means anything that sells for \$25 or less the consignment fee will still be \$5.

As you prepare your lists, please make them as descriptive as possible since the committee will be using them to select glass for the auction. In particular, please check for damage-we are **selecting only undamaged glass** for this special Fall auction. The committee's goal this year is to have a larger auction than in past years which had been targeted at two hundred (200) lots-perhaps between 250-300 lots or more! How can you get your glass selected? Here are some clues. Consideration will be given to include diversity in color, etchings, cuttings, and patterns. We want no duplicates and glass for both the novice and experienced collector. Please make sure you size each lot so it is worth at least \$25-and I know it is a guess! The minimum opening bid will be \$15.00. As mentioned earlier, **we will not select damaged glass**.

The selection committee will be busy after May 10th and will contact you on or about June 1st to let you know which lots of glass from your list have been selected. Hopefully, you will be able to bring your glass to Newark and drop it off at the museum when you come to the Convention on June 15-18, 2016. Your deadline for getting glass to the museum is July 9, 2016.

This event has been a successful Fall moneymaker for HCA and benefit to those who consign and those who buy Heisey glass. Plan on attending and participating in the auction. You will see old and make new Heisey friends and get some wonderful Heisey! If you have any questions or would like to volunteer to help at this auction, please contact Dave Spahr, masdgs@aol.com or (937)-372-7166. Happy Heisey Hunting!

Heisey News Article March, 2016

The North Carolina Heisey Study Group met at Replacements, Ltd. in March with 19 members present. What is it about Heisey serving pieces that makes all the food taste better?

Meetings are so much fun when you leave with more than you came in with. Such was the case again, at this meeting – last time it was the Thran versus Whaley mug. This time it's 'new' #1509 Queen Ann versus Crystal #1401 Empress. We all left knowing #1401 Empress did indeed come in crystal. The inside surface of Empress is smooth. The inside surface of Queen Ann has a prominent vertical optic which can be felt. This writer has been led down the wrong road by a renown glass book writer for oh so many years.

Show 'n' Tell was wonderful as usual: #3481 Glenford d/o, Moongleam ftd, bar glass, # 1541 Athena candy dish, #1250 Groove & Slash pitcher, #8025 Diamond Footed comport, #1201 Fandango salver (cake Stand), #325 Pillows 9" rose bowl, #1540 Lariat 9" basket, #305 Punt & Diamond Point celery, #1401 Empress footed pitcher, #393 Narrow Flute jug, and a #1404 Old Sandwich Moongleam salt shaker.

North Carolina has been known for tobacco production for years and a collecting category called Tobacciana has now emerged. Bob & Pat Moreno presented a program on Heisey tobacco related items and brought in several pieces from their collection. They showed: #1469 Ridgeleigh, #5012 Urn and #3390 Carcassonne cigarette holders; #1503 Crystolite and #1186 Yeoman Cupid ashtrays; #1184 Yeoman Bridge Smoking Set, #361 Irwin cigarette holder ashtray, #439 Fatima and Old Gold ashtrays; #1488 Kohinoor zircon and #1404 Old Sandwich ash trays, #1401 Empress and #357 Duck ash trays, Verlys blue butterfly ash tray, #1540 Lariat ash tray, #1567 Plantation cigarette box, #1533 Wampum Cigarette box & ash tray, #1536 Military Cap ashtray, #600 and #360 Winston Match Stand ashtrays. There were also an amber and a crystal 4 Horsehead ashtray made by Viking.

The 30th Anniversary celebration of the NC Heisey Study Group will be held Saturday, July 9th in Greensboro. Activities will be held at Replacements, Ltd. and Charlotte Hawkins Brown State Historic Site. A block of rooms have been reserved at Comfort Inn of Whitsett, NC. Several nice pieces of Heisey will also be raffled off on Saturday. Y'all are all invited. I dare say this will be the largest gathering in one place of Heisey ever in NC.

Heisey Collectors Club of Michigan

Our first meeting of 2016 was held in the State Room on the MSU campus in Lansing. Rick and Bonnie Van Meer hosted the meeting and welcomed an almost full house of club members with many Moongleam pieces of Heisey in honor of St. Patrick's Day, Easter favor bags, and a large cake in honor of several members' birthdays. After a wonderful variety of menu entrees were enjoyed by members, our first business meeting of 2016 commenced.

Our secretary, Irene Fritz, requested a passing of the Secretary baton. After a short discussion and vote, the honor was accepted by a new member of the club, Daniel Peterson. Our treasurer, Diana Rose, presented her report, and we then moved on to discussing old and new business.

We discussed the meeting schedule for the rest of the year. We also noted which members would be attending the Spring Auction and Convention. Mary Parrett again set up a beautiful themed table at the convention last year, but informed us that she would not be able to participate at this year's convention

Under new business, we discussed David Malik's suggestion to again sell books at the Spring Auction and Convention to fund glass purchases for the Museum Gift Shop this year. This was supported by all members present.

David and Mary brought up the idea that we could update the *Index of Heisey Glassware* that was last published in 1976 as a new club project. We plan to convert the existing hard copy to an excel file that we can use to make corrections and updates. We have proposed this project to HCA and are waiting for a reply. David also suggested adopting a pattern in honor of a living person. More discussion to follow.

The idea of other Study Groups having websites was discussed. It was suggested that maybe HCA amend it's national site to include a section for each clubs activities during the year. It was agreed that a website run by our club would be too difficult and/or cost prohibitive.

The study theme of the meeting was Moongleam. Items brought in were a Petticoat Dolphin candlestick, Concave Circle candlestick, Little Squatter candlestick, Old Sandwich ice tea, soda, toddy and 7.5" plate, Hi-Lo vase, Emerald winged scroll tankard, Empress or Constellation champagne/dessert. Tudor mayo, McGrady sanitary syrup, and a #1210 confection tray. An unknown brilliant green wine was thought to be Morgantown or Fostoria.
