Message from the President

I must say it was a spectacular week!

Everything was perfect. Everything came off without a hitch, and all that glass! There are so many people I need to thank for making our Convention a success: Gordon Cochran, the Convention Chair, and team Isa Nelson, Sandy Dyer, Michael and Kate Maher, Jack Burriss, and Emie Heisey; Charlene Bowman the Show Chair; the staff at the Museum, everyone who has donated

glass for the auctions, everyone who donated food and snacks to the hospitality room, The Buckeye Study Club, the Dayton Study Club, all the study clubs donating funds, Robert Loch, Brent and Mitchell for helping clean up the glass show site... I could go on and on. I know there are some I have not mentioned, please don't feel left out, but we have all come together as a wonderful team to make this a great event, and we did! We could not have done it without everyone's help. Thank you to a great team! I think we have the best Museum (and staff) EVER!!

With all the traveling done in June, there is still more to come. The Percy and Vivian Moore Weekend at the end of September. I am going and have made my reservations. Then, in October is the Fall Auction. I am sure there will be something in it you just have to have! December is time for the Holiday Open House. The Museum will be decorated for the holidays and ready to show its splendor to all the guests, including Santa! For those of you who went on the Heisey Factory Tour, I know you had a great time. The tour took 2 ½ hours and was very detailed. There were many old pictures and ephemera (old checks and paperwork) from the Heisey office. It was a wonderful time with lots of history. I would highly recommend this tour (if they offer it again) to everyone!

HCA is in need of a special volunteer to work with Charlene Bowman on the 2017 Elegant Glass Show. Charlene has agreed to stay on for one more year, but that is it! This volunteer will work with Charlene to learn how it all comes together and take over for the 2018 Show. Please let me know if you would be interested. We have a new study club in Kentucky! If there is anyone else who would like to join please contact Susan Bruah at the Museum to see who to call. After all the formalities are complete, the club will receive their charter at the 2017 convention. Welcome!

We have three board members who's terms have ended: Mary Ann Spahr, Gordon Cochran and Sid Edwards. Thank you for all your

terrific help and dedication to HCA. And now we have two new board members, Dave Dusenberry and Gregg Cameron. Mary Ann Spahr is back for another term. She is the glue that holds the BOD together. Welcome!

This month's "glass tip": I always keep a pack of Chux under pads and a box in the car to wrap any glass I find when I am out and about. I have found that the dog training pads work very well also and are less expensive. As I was wrapping glass at an HCA auction, an old friend (Dick Marsh) told me that if you wrap with the plastic side to the glass you won't get a bunch of fuzzes all over the glass. Good idea!

Happy Heisey Hunting

Sneak Peak at the Heisey Factory Tour

Keep your eyes open in the August Heisey News for the full article on the Heisey Factory Tour adventure, shared by some of our lucky members.

Words From Your Curator – Director

We had **joy**, we had **fun**, we had a **banquet** in the sun, and it is so hard to believe that our 45th National Heisey Glass Show and Convention is over ! Again this year I state that I think it is a good sign when your staff enjoyed themselves and my hope is that everyone of you who attended did as well ! I am confident that this issue will help those of you who were unable to join us (and you were missed) share in what was a fine Heisey Homecoming and for the rest of you may it be a happy reminder !

There are so many individuals and groups to **Thank !** To name just a few; Gordon and Darlene Cochran came early and stayed late working to ensure that all of you enjoyed a successful Convention, what a fine way to finish off 4 years of service on the board. Sid and Mary Edwards were their positive and gracious selves as always and Sid we shall miss you on the board after eight years to say nothing of your socks ! Mary Ann Spahr is the only HCA board secretary that I have worked with however all of you need to know just how GOOD she is and how grateful many of us are that she was re-elected ! To Dave Dusenberry and Gregg Cameron Welcome and Thanks ahead of time for your service. There is this wonderful sound of a ticking and chiming antique Mission clock in our Louise Ream Library thanks to the North Carolina Heisey Study Group and Ned and Sibyl Lavengood, also to Dan Kilgore for getting it hung.

Walter and I are celebrating Christmas in July for the many boxes of kindly donated glass to the Museum. There will be additions to the Collection as well as many exciting items to be offered for sale thanks to the generosity of you our members. Other items donated to the Collection include a #433 Greek Key 9 oz. goblet in memory of Jean Walter given by The Bay State Heisey Collectors, a #4157 Steele Rose Bowl-experimental- in Tangerine, a #3397 Gascony 7 “ vase- in Tangerine w/ Crystal foot, and a #1488 Kohinoor Floral Bowl- in Sahara all given in honor and memory of Loren Yeakley by his wife Virginia. We now have a Tudor punch bowl, base and cups to display in honor of Dick Marsh, two Rose Stem goblets w/ #1004 Rose cutting in honor of Loren Yeakley, and an individual blown Crystolite salad bowl in honor of Mac Otten, all graciously donated by Gordon and Darlene Cochran. We have a Victorian punch bowl thanks to Charles Wade, a Puritan punch bowl thanks to Patsy Knotts, a Plaid vase and special Seahorse cocktail form Phyllis Deal, a Heron 7” ball vase #4045, with Mermaid etch given by Gary & Chris Chaconas, and a Yeoman parfait with the Wigwam decoration given in memory of Jay Martin, by Susan and Steve Pescatore, Karen O’Hare, Richard Nicholson, and Walter Ludwig.

There are so many expressions of gratitude that I need to make for all of you that helped to make this years “Heisey Homecoming” so much fun and such a big success. You will hear more next issue. Also in a future issue, look for information regarding the 100+ year old, factory built, Heisey family dog house, that I helped move after Convention. In the meantime I trust that all of you have enjoyment in your Heisey and continue to share it, and had a very good Fourth of July !

Yours in THANKS !!!

Jack

DISPLAY TABLES

Thanks to Convention Table Display Participants

Having been more involved with our Conventions these past few years, I sit writing this in such calmness after an amazing whirlwind since Spring. I so enjoy all the preparations and organizing another spectacular display. Many convention attendees exclaimed it was the best ever. Of course they're referring to the tablescapes prepared by you, the members who come forward with time, talent and lots of effort to conceive, pack, travel, unpack, set up, repack, travel again and unpack again! So now have I discouraged anyone who ever thought of doing a display from ever doing so? Hopefully not because I'll be calling you next year!

Seriously, I thank this year's participants for all their efforts to allow us to view part of their collections. It is truly an opportunity to see rare and one of a kind pieces sometimes not even seen in our Museum such as "Side Show" presented by Marilyn Smith or "Show Stoppers" (just as you'd think, every piece had a stopper) organized by the Buckeye Club, as well as seeing "Heisey Goes Art Deco" by Walter Ludwig. Also educational as well as beautifully displayed was Will and Jeri Kennard's "Different Time Different World" showing six patterns all with Minuet etch.

There were lots of tablescapes depicting the "before, during and after" the circus starting with the Dusenberry's Lariat "Rounding Up the Fun" – then an exciting time at "Dinner Before the Show," put on by Darlene Cochran with spectacular Cobalt. There was "Heisey Lights Up the Big Top" as you enter any Big Top with flags, balloons and banners and oh, yes Heisey candlesticks organized by the Dayton Club. The excitement continues as we see a Zircon set table with Kohinoor, Saturn and Whirlpool set around a circus train with our favorite giraffe – thanks to Pat Lucke. We feel a fun time about to happen at Trudy Mocks' "Martha's Merry-Go-Round Moment," Normandy etch with a merry-go round consisting of several pieces of Heisey glass complete with animals. Thank you Glen Gall for assembling it in Trudy's absence. We're sure a very fun lunch was served at Kate and Michael Maher's "A Circus Sandwich Setting" all painted with bright colored dots. (I hope it was water based paint!) After a good time at the circus, dinner was prepared for "Dinner With the Ringmaster" a New Era setting complete with parade canes by (my grandson) Mitch Stahl. Don't forget the "Retired Circus Workers Dinner," a tribute by our curator Jack Burriss. Thank you for taking the time during your busy Convention schedule! Also, thank you to Mary Olsen for the anniversary dinner setting "Orchid Brought Them Together," combining Noritake china with Heisey Crystal; a love story in the making! There was also a very special "My 1st Birthday" party for Thompson Maher, always a delight to be around.

As you departed the displayed tables there was the opportunity to vote for your favorite. As I say, every Heisey event is a fundraiser that we might support our Museum in every way we can. One dollar equals one vote and is placed in the designated box for the display of your choice. The total votes this year were in the amount of \$354.00. The money goes to the Museum operating fund.

The display receiving the most votes this year went to "From the Land of Ten Thousand Lakes" presented by Bob and Bev Heise from Minnesota. The setting consisted of Stanhope, New Era, Saturn and Ridgeleigh in Zircon/Limelight combined with White Silk Mikasa dinner plates and Heisey crystal Angel Fish. See a photo of this display on the back page of this Heisey News. Thank you Bob and Bev for participating another year and congratulations on your winning table.

Thank you all again to all the participants. The display is certainly a favorite part of the Convention. You always hear about all the problems, but I must say that many people came up to me to tell me how much they enjoy the display each year. I can hardly wait to hear about a theme for 2017 and especially to see you all there if not before.

Welcome

We are excited to announce the addition of a new Heisey study club...

The Kentucky Heisey Collectors Group

Founded by Vicki Ensor, this new Heisey Collectors Group met for the first time on May 21, 2016. Vicki hosted the group's first meeting at her home and enjoyed sharing her Heisey glass collection, and educating everyone on Heisey history. The group has brought 10 NEW members to the HCA family and all are excited to begin their Heisey journey. The group voted to file for their Charter and their By-Laws have been completed. The group is well on their way, and we will keep you posted as they progress through the process.

Vicki & Donald Ensor enjoyed sharing their Sponsor Table at the 2016 Convention Banquet with Susan Bruah and other members. They enjoyed a Champaign toast to celebrate the new Kentucky Collectors Group in Heisey Orchid etch Champaign glasses.

Congratulations!

Heisey Collectors Club of Michigan

Our second meeting of 2016 was held on May 21 at the home of Dan Peterson and David Malick in Saginaw. The study topic was Flamingo and 15 members sat down to a luncheon of beef brisket, chicken tenders, barbecue beans, coleslaw and corn muffins all served on Heisey Flamingo. The table settings included Yeoman, Twist, Coarse Rib, Empress, Hexagon Six, Ridge & Star, McGrady Syrup, Wide Flat Panel, Pleat & Panel, Swirl and Raindrop and #15 Floral Block with Mercury Candlestick, proving that you can easily use a combination of Heisey patterns to set a beautiful table.

Under old business, we discussed the Spring Auction book sales which only raised \$37. Unsold books were donated to the HCA gift shop and the amount raised will be added to our general fund. We also discussed the proposed club project of updating the *Index of Heisey Glassware* that was last published in 1976. We sent an email to HCA last month but the project has not yet been approved. We had hoped to complete this project and have the books ready by convention, but now that will not be possible.

Under new business we welcomed a new member, Debbie Apt, who is a friend of Irene. We noted the members that will be attending convention this year. Diana and Chuck and Larry and Ruth will set up at the mini show at Apple Tree. For our convention donation this year we voted to donate \$1000 to the HCA Endowment Fund and \$500 to adopt a pattern to be named "Jeannie" in honor our long-time member Jean Parrett. A list of available patterns to be named was last published in Heisey News in August 2013, but that list was not up-to-date and included items already taken. We sent an email to Jack Burris to obtain a new list. We also decided who the club would be voting for to fill the open slots on the HCA Board of Directors and discussed possibilities for a summer club trip.

This meeting included one of our bi-annual fund-raising auctions. In the last meeting we decided to limit the lots to no more than two per household. Even so, we were able to raise \$251 to add to our club funds.

With all business taken care of we adjourned to enjoy our desert of a wonderful orange chiffon cake provided by Irene in honor of the Ernest's 44th year anniversary and a birthday celebration for Rick.

Flamingo items brought for the study topic included a Charter Oak compote, Fogg flower box, Greek Key punch set, Narrow Flute with Rim pickle dishes, Oak Leaf coasters, Pleat & Panel compotiers, Tricorn candlesticks, a Pinwheel & Fan large nappy, King Arthur wine, Twist vinegar, and a Yeoman relish.
