

Heisey News Index

This reference document is intended to provide a data base of information contained in "Heisey News" volumes from January, 1972 through December, 2016. The information was compiled by several sources including; Norma Schweighoefer of the Southern Illinois Diamond "H" Seekers Club, Martha McGill of the Heisey Club Of California and Tom Files, of the Great Plains Heisey Club.

The document contains page references to articles or pictures on specific Heisey patterns, items, and colors. It does not include editorials, commentaries, reports, or other general news stories contained in editions of the "Heisey News". The document is continually being updated and suggestions are welcomed.

The document is saved as a PDF file and is searchable using search function in Adobe Reader.
