Back Issues

The following volumes are available as complete sets: VII, VIII, IX, X, XI, XII, XIII, XIV, XV, XVI, XVII, XVIII, XIX, XX, XXI, XXIII, XXIV, XXV, XXVI, XXVII, XXVIII, XXIX and XXX for \$15.00 each volume (12 issues, plus auction list if available).

Advertising

Ads may be mailed to: HCA Advertising, 169 W. Church St., Newark, OH 43055; faxed to (740) 345-9638; or e-mailed to director@heiseymuseum.org. **Whenever possible, please e-mail your ad.** Always include your MasterCard or Visa number and expiration date. When mailed or faxed, ads should be typed or printed on white paper with dark ink. Camera ready ads are accepted, but must follow line specifications outlined at the beginning of the advertising section. Ads containing reproductions will not knowingly be accepted unless clearly stated (e.g. Heisey by Imperial, etc.). HEISEY NEWS accepts no further liability. In the event of a typographical error, the incorrect portion of the ad will be run in the following issue, but HEISEY NEWS assumes no further liability. See advertising section for rates and deadlines.

Museum

Heisey Collectors of America, Inc., a non-profit corporation (tax-exempt status), owns and operates The National Heisey Glass Museum in Veterans Park, 6th and Church Streets, Newark, Ohio. Open year round, Tuesday through Saturday 10:00 a.m. - 4:00 p.m., Sunday 1:00 - 4:00 p.m., closed holidays. Other hours by appointment. Members admitted free.

Identification

HCA will attempt to identify unknown glass items. Send a color photograph, measurements, and a self-addressed, stamped envelope to the attention of the Curator. Other arrangements should be made in advance with the Museum staff. **Please keep in mind that the Museum cannot appraise items.**

Membership

To join Heisey Collectors of America or to renew your membership, contact the HCA Administrative Office Monday through Friday 8:00 a.m. - 4:30 p.m. Associate dues are \$25.00 plus \$5.00 for each additional household member. Voting members pay an additional one-time fee of \$25.00. Please consider supporting the Endowment Fund by joining at one of the levels listed on the back page.

Museum Shop

There is always someone in the Shop during the Museum's hours of operation to help answer questions or take orders. When ordering by phone, please have a credit card ready. When ordering by mail, please be sure to include appropriate charges such as shipping and sales tax. Please note that the HCA member discount does not apply to original Heisey or special project items.

Shipping and Receiving

Delivery is made much easier when we have a complete street address, not a PO Box. We prefer to use UPS. If you have not received a package, please call the Administrative Office to confirm it was sent. We will assist you in tracing it. If your package arrives damaged, please contact your local UPS representative. We insure everything.

Donations and Loans to the Museum

If you would like to make a donation to the Museum or have questions regarding items on loan, contact the Curator. HCA reserves the right to accept or refuse items based on current holdings.

About the Cover: The A.H. Heisey Company was well known for its excellent magazine advertising. This original design shows Santa holding a #5077 Legionnaire 10-oz. goblet. On the table is a #5077 Legionnaire 12 oz. footed ice tea. The Legionnaire pattern was designed by Horace King and was produced from 1950-1957.

MESSAGE FROM THE PRESIDENT

MIKE MAXWELL

One of my favorite times of the year is coming up very soon. Christmas is when families and friends that we haven't seen all year come together again. And of course Santa brings us those fabulous Heisey finds wrapped in ribbons and bows. The King house will be decorated for the season by our great volunteers. How can you not like it? On behalf of Terry and myself I want to wish everyone a happy and healthy holiday season.

It has been said that the more things change the more that really stay the same. This is no different for HCA. We bid our new Curator, Lynn Weidner, a fond farewell. She was offered another position and unfortunately accepted. The HCA family wishes Lynn and her family all the best in this new endeavor. This has offered HCA a rare opportunity. A group of members, headed up by Bob Ryan, has graciously offered to be guest Curators in the interim. He has had several people volunteer for this chance to be Curator for a day or two. The Executive Committee and Board of Directors want to take this time to thank each and every one of them for participating. The volunteering spirit is what has made HCA great. The Board has decided to wait until after the first of the year sometime to start the process of hiring another Curator. This will give us a chance to evaluate exactly what we are looking for in a Curator. In most cases a hasty decision is not always the best one and this is what we are trying to avoid.

Bob Maxwell has also offered to help out in the Archiving Department. He will be working with Vicki, who still volunteers for HCA, in cataloging and searching out new information into the lives of the Heisey's and their glass company. He has been volunteering at the Auburn, Cord, Duesenberg Museum in Auburn Indiana since he retired several years ago. I know he will enjoy the opportunity and be an asset to HCA. And if any of you are wondering about the name, yes he is my Father. They say a good Presidents job is to delegate so thanks Dad!

I have written in past articles about the state of our computer systems at HCA. I have some great news in that area. Bill looked into the idea of getting some systems donated to us. In his diligent efforts he found

that State Farm Insurance Company in Newark replaced their systems every couple of years. They in turn donate these to not for profit organizations. Bill filled out all of the necessary requests asking for six systems and they were granted to us. Not only did they donate the computer itself, but they also gave us monitors, keyboards and mice. Great work Bill!

I am very proud to see some of the changes taking place at HCA. We have a Board and Executive Committee that works together very well. We have seen people come forward in a time when we needed them the most to volunteer. Even with the loss of two Curators and Louise I think 2002 has shaped up to be a pretty good year for HCA, and the thanks goes to our Board, our Staff, and most of all you the members. All I can say to that is THANKS!

Happy Heisey Hunting ♦

Mike

Many thanks to these fine volunteers who helped decorate the Museum for the Holidays. *Also helping, but not shown, Jim Clark and Emogene Shomaker.*

FROM THE CLUB/ MUSEUM DIRECTOR BILL DOUGLAS

One of my former bosses always said, "When you're through changing, you're through." Using that as a barometer, HCA is a long way from being through! I'm not saying things are smooth and all is well, but you can never say working for HCA is boring! People have also told me, what doesn't kill us makes us stronger. I agree with that, I feel HCA is stronger than it was and it will continue to get stronger as long as we have people who are willing to step forward, take responsibility, and do what is best for HCA. It's one thing to notice there is a hole in the boat, but if someone is not willing to stick their finger in the hole, all could be lost.

HCA got where it is because of volunteers. Walk down the hall of the King House or look at the plaques in Gallery One, or look at the notes on pieces of glass in the cases. Its people like those and hundreds of others whose names are not on a wall, who work in the background that make things work. This has become very evident with the current vacancy in the curator position. Bob Ryan has mobilized a group of volunteers that are answering E-mails on identification, planning to update cases, and decorating the Museum for the Holidays.

There will be many opportunities to "give something back" or "give ahead." Will you be willing to put your finger in the hole? When you get asked to help will you get off the fence? It can be as simple as sending in a suggestion for something you'd like to see in the Newsletter. Would you talk to someone about joining HCA? We have a beautiful facility. It never ceases to amaze me the number of times I've heard "I did not know this was here" or "I've got to tell my friends about this place." Would you tell a friend or a group about the Museum and have them consider stopping on their next trip through Newark? Could you spend some time at the Museum? You don't have to commit to every week or month. Just give us a little notice and we can find a worthwhile project for you to help with.

Just so you know, there are many positive things happening. There are several short articles in this Newsletter that will illustrate some of those areas. One bright spot I would like to share with you is

Museum attendance. If we only duplicate November and December attendance figures from last year, we will see an 11% growth in Museum attendance in 2002. Mike mentioned the computers. We have a lot of work to do, but I'm getting excellent help from Bryan Baker and Russ Roeppl and the Technology Committee. We are also looking at ways to improve the web site and make it a better member benefit. I feel very strongly that the seeds we are sowing with the Licking/Guernsey Tourism Alliance, The Licking County Convention and Visitors Bureau, the Greater Columbus Convention and Visitors Bureau, The Works, and other tourism partners in the area will produce quality and abundant fruit.

Many of us have suffered setbacks and difficulties this past year. As we approach the up coming holiday season and the New Year, may we make a fresh start and re-kindle the fire of hope for better things to come? ♦

MILLER ELEMENTARY VISITS THE HEISEY MUSEUM

Over 90 Fourth Grade Students from Miller Elementary and chaperones visited the Heisey Museum on Tuesday, October 29th as part of a block of instruction on natural resources. Linda Woolard, lead teacher for the field trip, organized the students into 4 groups. In order to allow the students more time to tour the Museum, HCA loaned a copy of the video, "A Legacy of American Craftsmanship" to Ms. Woolard. Each group was shown the video prior to their arrival. The staffs at the Museum also created a word find game with a key that was given to each group's teacher for a classroom exercise. The word search contained words about Heisey glass and the Heisey family that were explained to the students as they toured the Museum. Many students said they or their grandparents had pieces of Heisey glass. One student, who was a horse lover, returned with their mother to buy a Sparky! ♦

Has anyone seen my mummy?

HEISEY HALLOWEEN OPEN HOUSE FUN FOR ALL

CONNIE DALL

The Heisey Halloween was a real fun for all event. Connie Dall planned and supervised the Heisey Punch Cup Craft program. Georgia Otten, Karen Clark and Hilda Ryan helped with the punch cups. Ginny & Dick Marsh, Jim Clark and Bob Ryan answered the door and helped out with "curator" duties by answering the many, many email requests for information received by the museum on a daily basis. Thank you to all the volunteers for their help. A special thanks to Ginny Marsh for loaning her vintage Halloween decorations for display and to Pat & Don Moore and Phyllis McClain for creating the displays.

HCA member, Tanner Temnick was the proud winner of a Tangerine Sparky in the drawing held for folks 12 and under who came in costume. Tanner came dressed as a mummy with no pattern or etching. He made everyone's day coming in such a great costume. It took Terry, his Mom, half an hour to wrap him up in his costume.

Honorable mention for best sport goes to Jen Pryor, one of our Membership Clerks who came dressed as an HCA Cheerleader.

We are looking forward to our next Holiday Open House at Christmas. It will be December 14th and Tom Heisey will be coming for more signings, Angels and Christmas Trees will be made with punch cups. Stay tuned for more information. ♦

THE WORKS SPONSORS "MEET Mr. HEISEY"

The Works, formerly known as IIT, is sponsoring a "First Saturday" program on the first Saturday of each month. The November program was dedicated to "Meet Mr. Heisey" learning opportunities about glass. Participants learned about the history of Heisey glass and its association with Newark thanks to HCA member Dick Marsh. In addition, The Works organized several activities dealing with the science and properties of the timeless art of glass. Participants learned about the exciting world of glass production and how it has colored and changed their world.

HCA was given space to put several pieces of glass, available in the Heisey Gift Shop, on display. Information on the Museum and Membership in HCA was also available. A big thank you to Tanner Temnick and Paula Good for manning the display and answering questions. HCA donated two pieces of HCA reproduction glass to The Works that were given away to two lucky participants as door prizes. Coupons for admission to the Museum, and bags for information were given to all participants

HCA will again offer glass classes at The Works during the Annual HCA Convention in June. Watch your Newsletter for further details, as they become available.

Located in downtown Newark, Ohio, The Works offers a wide variety of history, art and technology programming from professionally led digital classes to industry lectures and children's programming. The Works is for the whole family. For further information on The Works, go to their web site at www.attheworks.org. ♦

STATE FARM DONATES COMPUTERS

The State Farm Insurance Newark Operations Center, has granted a request from the Heisey Museum for computer equipment. State Farm systematically upgrades their computer equipment and makes that equipment available to local non-profit groups. The Museum submitted a request to State Farm to replace six of the seven computers in the office. Ms. Kim Lust, a public affairs specialist with State Farm informed the Museum their request had been granted and the Museum picked up the computers on November 7th.

The computers are complete desktop units with processor, monitor, keyboard and mouse. The monitors are already in use, replacing smaller monitors with lower resolution now in use in the Business Office. New software will need to be purchased since all the units have been wiped clean. One Central Processing Unit may be modified to act as a new server. The Staff is working in concert with the Technology Committee to determine the best way to utilize the equipment and obtain software that will allow for greater efficiency and productivity. Thank you State Farm for being a good neighbor. ♦

LICKING/GUERNSEY TOURISM ALLIANCE UPDATE

The quarterly meeting of the Licking/ Guernsey Tourism Alliance was held at the National Heisey Glass Museum on Monday, November 11th. The group started to finalize plans for the proposed "Glass Pass." The pass will be sold by each county's visitors bureaus and promoted especially to bus and tour operators. Representatives from each county's visitors bureaus will be attending a major travel show in Chicago this coming February. The group feels this will be an excellent opportunity to draw attention to all of our facilities and increase attendance. Current venues participating in the "Glass Pass" are: The National Heisey Glass Museum, The Works, The National Museum of Cambridge Glass, Cambridge Glass Museum, Degenhart Glass Museum, and Mosser Glass.

Each venue will receive a portion of the sale of the "Glass Pass" whether the group visits the venue or

not. The Bureaus are also working on a major mail campaign to announce the pass to bus and tour operators. A suggested itinerary has been developed to show how the area could become an excellent two or three day tour destination.

As the program grows and gains recognition, other venues may be added. Each venue will have a distinctive way of canceling their portion of the pass. It is thought, the pass itself may become somewhat of a collector's item. Once the "Glass Pass" is finalized each group will carry info on the pass in their publication and on their web site. The group will meet again on March 13, 2003 in Cambridge. ♦

HOLIDAY OPEN HOUSE TO BENEFIT LICKING COUNTY FOOD BANK

The Annual Heisey Holiday Open House will be held December 14th & 15th. The Museum will be all decked out in its holiday splendor and punch cup crafts will be made in the Multi Purpose Room. Tom Heisey will be doing a "Signing" in the gift shop from 5:00-8:00 p.m. on the 14th. Since admission to the Museum is "Free" during Open Houses, the Executive Committee has approved the collection of non perishable food items to be donated to the Food Pantry Network of Licking County

On the 14th the Museum will be joined by our neighbors the Sherwood Davidson House and the Buckingham House to celebrate a Civil War Christmas in the Park from 5:00-9:00 p.m. Civil War rein actors will set up an encampment in the Park. A Civil War era band and dancers in period costumes will be performing in the main hall in the Buckingham House. The Sherwood Davidson House will have special displays and a string ensemble. Local choirs will be performing and various food vendors will be available. Both Houses will also be collecting food for the Food Pantry. This event is fast becoming a local family tradition. ♦

VIVIAN & PERCY MOORE BENEFIT DINNER

Carole Stepinski

And the winner is.....

The Rochester NY Chapter #19 was pleased to host the annual Percy & Vivian Moore Dinner on September 21st. Some 44 Heisey collectors gathered in the lovely new Bausch & Lomb/Rundel Library for a deliciously catered dinner following cocktails in the outdoor reading garden.

Rochester HCA member Donovan Schilling gave an entertaining walk down memory lane with his amusing time capsule nostalgia. Don is the author of three published books of early Rochester and a frequent speaker at local events.

The winning ticket for the blue and white Diamond H quilt was drawn, and local Ann Guntrum of Henrietta, NY was announced as the winner. Thanks to all of you who supported our event with your raffle ticket purchases.

Connie Dall displayed some feasibility items made from Heisey molds by other glass companies for HCA for silent auction to further support our efforts.

Thanks to all of you who attended and supported this event and the Rochester annual Depression Glass Show while visiting our fair city. Come back anytime!

Curator's Corner

Bob Ryan

Really this is a pseudo curator's corner. When it was announced that the Museum would be without a curator for some time it was suggested that some volunteers might be able to handle some of the curator's duties in the interim and several people have stepped forward. There are local people working at the curator's duties and of course living only two and half hours away, an easy commute, I thought that I could add that to my resume if I ever needed to look for job so I said count me in. Bill, Dick Marsh, Jim Clark and I have handled some of the identification questions from emails and snail mail. There are others waiting their turns. We find a good many of sameness to the requests for I.D., "My mother had these glasses and said she thought they were 'Hickey', or knew they were Heisey as they came from Newark, Ohio, ad infinitum". The accompanying photos are barely discernible or great, they run the gamut of expertise. Inquiries come mainly from non-Heisey people, some Heisey members identify themselves most do not. Please tell us up front that you are Heisey Club members. It saves us from inserting the info on club membership, etc. The answers will contain the same concise info but will save us some time not detailing Heisey history etc.

We do get a lot of requests for I.D. from dealers who expect answers by return email. One wrote three times before we had time to answer her request which incidentally was not a Heisey item. Her third request was less than cordial, free info too, but she expected more and quick service to boot without an offer to reimburse the club for researching her request. Something is wrong with this arrangement..

I did discover how many people are interested in the Crystolite pattern and have renewed my efforts on editing the Crystolite book, no promises, just renewing my efforts among the many other projects I am involved in at the moment.

Most people inherited the items they are seeking information on and these people are really potential members. They were interested enough to seek out the information and looked up Heisey on the Internet. We do our very best to give them the complete information they are seeking and of course,

info on membership. Once a salesman always a salesman. I guess, never overlook a chance to sell the HCA. Over half of the items submitted are not Heisey and we identify those correctly if we know their origin. More attention will be paid to the requests in the future for interesting questions asked that we think may be pertinent to you all and relay them to you. A fun job, sometimes frustrating by items that are obviously not Heisey but then, we recognize that there are a lot of wannabes out there that we need to reach. One person answered our response to her request with another email requesting a list of books on Heisey for sale. The listing was sent to her as I was leaving last Wednesday and I am anxious to see which books she ordered when I report in this Wednesday. HCA members, we welcome your requests and please identify that you are a member to us when you email or write.

Next month we promise a better report from the Curator's Corner shared by a group of volunteers. We may have pictures and some good stories on the decorating of the museum for the holidays which will occur tomorrow. I am bringing my First Aid Kit and survivors manual; a scout is always prepared. ♦

Letter to the Editor:

Phyllis Hess

As everyone knows Heisey was Mom's life. She would be so pleased at all the acts of kindness shown during her passing.

We especially appreciate the wonderful tribute to Mom in the "Heisey News" and having her Fandango pitcher at the service.

Thank you for everything. Phyllis & family

ALL HEISEY BENEFIT AUCTION- March 28 & 29, 2003

Dave Spahr

2003 BENEFIT AUCTION UPDATE

The Benefit Auction will be held on March 28 & 29, 2003, at the Appletree Auction Center in Newark, OH. Be sure and mark your calendars and plan on attending, spending your money on wonderful Heisey items, and having a great time! This auction is the HCA's largest fundraiser and your support is critically needed to pay the bills and keep the lights on at the museum! Seriously, 2003 is going to be a financially challenging year for the association and you can help by supporting this auction effort with your glass and participation at the auction. Your support is really needed and will be greatly appreciated.

Although it is still early, there have been very few consignments or donations received for the auction. Remember the deadline for sending items is January 15, 2003. The earlier items are received the better it is for volunteers to check in, sort through and check for damages, and list for the catalog. Be sure and send us good, clean glass. The better the glass, the higher the prices, and you and the association will reap the benefits.

Remember that each member can consign up to twenty lots. There is no limit on the number of items

in each lot. There is no limit on lots or items donated to HCA for the auction! The packing sheet and contract are back to back in this newsletter and are for you to use. Please remember to sign the contract. The shipping address is on the packing sheet. There are copies of both the sheet and contract on the website, which can be downloaded and used.

The success of this wonderful event is totally dependent on members donating or consigning glass. Without the glass we don't have an event! You collectors-please look over your collection and send us your duplicates or other pieces outside your current wants. You dealers-please use the auction to move items you have had for a while. Collectors can find items they covet at the auction and dealers can freshen their stock for future sale! I've been told the prices at the benefit auction are generally higher than those on E. Bay so help yourself and HCA! For more information or if you need answers to questions, please contact Dave Spahr by telephone (937) 372-7166 or email masdgs@aol.com. ♦

FAX: 740.345.9638

This agreement is hereby entered into between (Please Print)

Owner/Consignor _____

Address _____

City _____ State _____ Zip _____

Daytime Phone _____ Fax or E-mail: _____

And Heisey Collectors of America, Inc., hereafter referred to as HCA, for glassware items consigned or donated for sale for the benefit of the National Heisey Glass Museum.

All items consigned for sale or donated are to be made by A. H. Heisey and Company, no reproductions by Imperial or others will be accepted, except as consigned by HCA. Owner (consignor) agrees to accept all responsibility for providing merchantable title for all glass sold. Each member may donate an unlimited number of lots to HCA. HCA, however, at its discretion, will consign items for auction, add items to the museum collection, and/or sell items in the museum shop.

Each member may consign a maximum of (20) twenty lots to the sale. There is no limit of number in each lot, but HCA retains the right to increase/decrease size/make up of each lot.

Consignors of glassware to this sale will be charged on the following sliding scale of commission: \$5.00-\$49.99 = 30%; \$50.00-\$199.99 = 25%; \$200.00-\$399.99 = 20%; \$400.00-\$749.99 = 15%; \$800 and over = 10%. Settlement for glass sold will be made in full within (10) business days of completed auction, together with a donation slip for commissions charged. All monies received from the sale are held and paid from the HCA Trust Account.

Glassware for the Benefit Auction will be accepted at any time with a cut-off date for the 2003 Auction being January 15, 2003. Glassware will be catalogued in the order it is received.

It is the responsibility of the consignor to deliver the glassware to the National Heisey Glass Museum. HCA accepts responsibility when glass is received at the Museum except that any glass damaged in shipment will be referred to the shipper and consignor. Any glass damaged or lost while in the possession of HCA prior to sale will be valued by a qualified appraiser or appraisers and consignor will be paid on this basis, less commission.

In the event no bid is received on a lot, that lot becomes a donation to HCA. Minimum opening bid will be at least \$5.00.

The auction committee is authorized to reject any glass not deemed acceptable to HCA standards for this auction, plus glass not made by A. H. Heisey and Company. These items may be returned to the consignor if they desire, at their expense. Otherwise, these items become the property of HCA.

HEISEY DOMINATES PRIZE WINNERS

Thomas Manley

One of the highlights of the annual meeting of the National Toothpick Holder Collector's Society is its display competition on Sunday. Members compete in a variety of classes, with Heisey toothpick holders a popular one. Two particularly outstanding Heisey displays were presented at the Asheville, North Carolina Convention in August 2002.

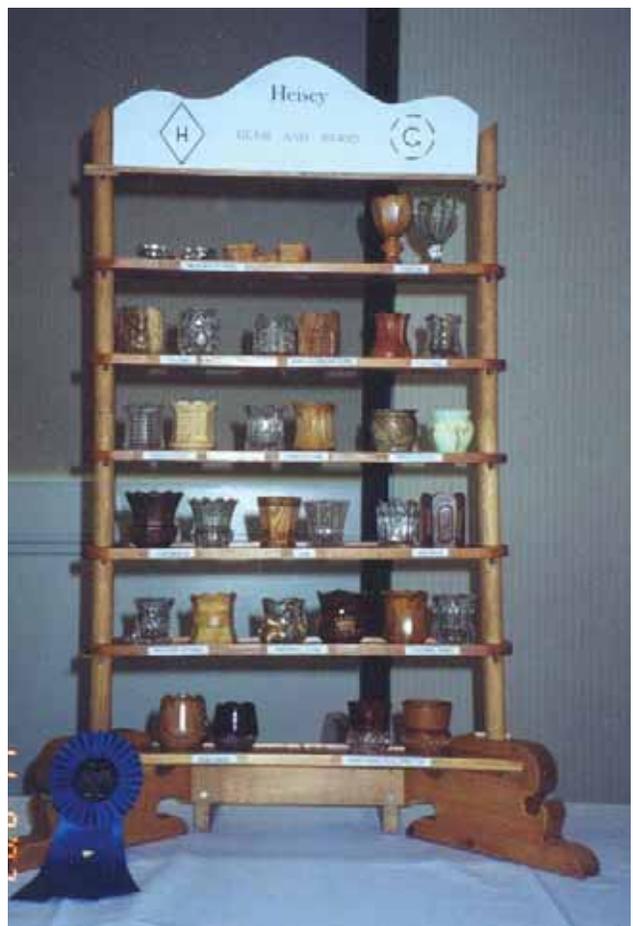

The most unique was the display of Heisey toothpick holders carved from many kinds of wood by wood carver, Leon Grovel, of Archer City, Texas. He won the first award in the most unique class. Imagine the time it took to carve these toothpick holders. We challenged him to do Locket on Chain. "I'll give it a try" was his reply. Exhibits such as these attract a lot of attention by visitors to the show. They are a great advertisement for all Heisey glass.

Heisey toothpick holders are one of the most sought after by collectors. I would assume that most of the Heisey toothpick holders are in the collections of the 800 members of the society. Due to the variety of finishes found in Heisey glass, collections of Heisey are large. Few are complete with all the patterns but it is the desire of every member to have a good collection of Heisey toothpick holders.

The champion of the show 2002 was a collection containing all Heisey patterns by Pauline Soderholm of Ames, Iowa. Note she has all the color patterns of Locket on Chain, a collecting triumph in its self.

CLUB NOTES

Northwoods Heisey Club of Minnesota *Ann M. Moll*

While several members were unable to attend, we had a lively and informative meeting at the home of Mollie Campbell, on the 14th of September, 2002. Allan Beers, a new member, introduced himself as a recent retiree, having worked 33 years as a nurse practitioner, with the Veterans Organization. Some friends presented him with a Heisey piece, as a retirement gift, which he brought for identification. Group members were able to share that it is a sugar cube holder, probably used in a hotel restaurant.

Mary Cameron, of the Great Plains Heisey Club (includes members from Iowa, Kansas and Nebraska) invited us to have a joint meeting in Des Moines, Iowa on November 9th, 2002. A bonus, in addition to meeting these members, is an opportunity to visit Walt Johnson's Collector's Extravaganza. Eighty to one hundred dealers will be present. A motion was passed to attend the meeting. As a result, our regularly scheduled meeting will be held at the home of Doug Horton and Jim Langer on the following Saturday, November 16th at one o'clock.

Our president, Virginia Johnson, will be investigating the design and construction of a button, that represents the Northwoods Heisey Club of Minnesota, to wear on appropriate occasions. Information will be shared at the next meeting.

Larry Jacoway presented a program, sharing orchid colored reproductions of a rooster, hen and three chicks. His surprise piece was an original electric clock made of pot metal, that featured the Heisey emblem on the face. It probably was an incentive reward for a West Coast Market salesman of Heisey Merchandise, during the 1950's.

We concluded the meeting with shared pieces of Heisey. Odell presented a Fancy Loop emerald drinking glass and sugar bowl, Ann brought a Colonial nut cup, Doug had a Bantam cocktail glass and a Moongleam dolphin candlestick, Bev shared an Old Dominion champagne glass and Chuck

concluded the event with an orchid tropical fish piece.

Members should look for directions to the Horton/Langer home to arrive in time for the next meeting. If any one has needed information, please call 952-996-0784 or e-mail me at budandannmoll@aol.com. ♦

Northwest Heisey Collectors *Deborah DeJong*

October MEETING MINUTES:

What a beautiful fall day we had! Our meeting days have been falling on the prettiest days of the year, the sunshine led us to Edmonds and Chris & Bill's most hospitable home. They have so many antiques to look at you might be tempted to miss the Heisey (not likely). We had seventeen members and one guest, Denise Baker-Jim Curtiss' friend attending. Chris had just returned from their annual cabin weekend and made a wonderful chicken dish with her freshly picked chanterelle mushrooms. What a delicious meal we had. There must be something that connects good cooking and the love of Heisey glass!

Correspondence:

¶ The Secretary was notified of the passing of Louise Ream. She passed away on Oct. 3, 2002 and a celebration of life will be on Oct. 18. We had a motion to donate \$100.00 to the Louise & Russell Ream Endowment Fund, which was passed. The Treasurer will send the check to HCA.¶ Isa Nelson sent us a copy of the California Club's newsletter that had a page on cuttings. It is very informative so Luvonne will make copies of it and have them at the next meeting. It is great reference material and the California group does a great job presenting it.

Old Business:

¶ Paperweight Sales project has sold 30 of the 45 produced and we have reservations for 18 out of the 30 needed for the large round one.¶ Glenna Wehmeyer and Deborah de Jong decorated the page for Don & Marilyn Pederson's 50th Anniversary album. Glenna had brought some pictures and cut outs and Deborah had decorated the page with a Heisey Rose etching. All members

attending were asked to sign the page with their best wishes for the couple. Luvonne Nelson will get it to the Pederson's daughter for inclusion in the album. One of our Charter members has returned to us, Bette Nichols is our newest member. She has ordered our paperweights and was pleased to be sent a newsletter with a membership application. It was promptly returned and she is back with us. Bette resides in Arizona where she is busy with stained glass and fruitless Heisey hunting. Her daughter still resides in the Seattle area so we hope that she will be able to visit us sometime in the future. Welcome back Bette!

Raffle:

Our lucky winner this month was Elizabeth Wight. She found a #1469 Ridgeleigh mayo in the prize package. I wonder what she will serve in it at the next meeting. Congrats, Elizabeth!

Show & Tell:

The table was covered with very many examples of Heisey Flamingo. Chris gave us a short lecture on the production time and examples of the various shades of Flamingo. She has a Pleat & Panel pitcher that is a great example of the brownish shade that happens when the selenium gets a little burned out. We had quite a tableful and the list will be shortened for publication. All of these pieces are in Flamingo:

#31 Jack Be Nimble #1184 Yeoman cup & saucer
#3324 Delaware champagne & goblet #110
Sandwich Dolphin candlestick
#4163 Whaley mugs with Sportmen, Fisherman, and Equestrian etchs
#48 Koors salt & pepper #4215 Diamond Optic vase
#1170 Pleat & Panel water pitcher #354 Stacking set
#515 Taper 1 oz. Cologne w/#69 stopper

Meeting Adjourned:

It is always a treat to see someone else's collection, but it is even better when served a fantastic meal. Our thanks to Chris and Bill again for their lovely chanterelles, you don't get those everyday! It was something to see the big bag of them in the refrigerator-WOW! ♦

Buckeye Heisey Study Club *Karen Colwell*

The October meeting was held in the home of Marilyn and Dick Smith. Wonderful Halloween decorations greeted all in attendance. Of interest was the Halloween village table set up with sound effects, lighting, and great imagination. We are on our way to having a colorful assortment of club raffle prizes. At least we have a very good start.

We are sad to report that long time study club member and friend Leotta Friel has passed away. We all will surely miss her. Our condolences to her family.

Of interest at the meeting were two variations of mayo ladles, and Pineapple and Fan emerald ball vases brought by Ginny and Dick Marsh.

Marilyn and Dick Smith gave a program on Verlys using slides and actual Verlys glass pieces.

The November meeting will be held at the museum hosted by Jack Metcalf. ♦

Dayton Area Heisey Collectors *Judy Rhoads*

The meeting of the Dayton Area Heisey Collectors was held at the Huber Heights Public Library on Tuesday, October 15, 2002, at 6:30 PM. The meeting was chaired by President Karen Clark, and sixteen members were present.

During our business meeting we discussed the sale of our Cordial Books, plans for the October 2003 Quarterly Meeting that our Study Club is hosting, our Christmas Party, a report on the Quarterly Meeting recently held in Rochester, NY, and the need for volunteers to help at the Museum during both the Halloween and Christmas Open Houses.

Show and Tell: #315 Paneled Cane Spooner; #1225 4 oz. Plain Band Cruet; #236 Sahara Bar Tumbler, diamond optic; #140 Crocus Candlestick; #1469 Ridgeleigh 5 oz. footed Soda; #1469 Ridgeleigh Goblet; #1280 Custard Winged Scroll 13" Tray.

Program: Our program for the evening was on Heisey Spoons, led by Dave Spahr. Dave began collecting Pattern Glass Spoons, and his Heisey Spoons collection is an outgrowth of that. He has all but four

of the forty-two patterns of Heisey Spooners. Spooners make a good item to collect because they show the pattern distinctly and completely, they display well, they don't take up too much space, and they are relatively inexpensive. A wonderfully detailed and informative handout accompanied Dave's presentation.

Next meeting: November 19 - Program: Vases, led by Jim Clark. ♦

Dixieland Heisey Club
Craig German

The September meeting of the Dixieland Heisey Club was held on September 14, 2002 at the home of Mike and Betty Jorgensen. The meeting was called to order by President Loleta Hammontree.

Old Business

It was mentioned that we should have the HCA web site link to our web site.

The amendment to the by-laws was discussed. The president would be elected in even years and the secretary/treasurer would be elected in the odd years. Terms of office would be two years. It was moved and seconded to amend the by-laws. The motion passed unanimously.

New Business

A program suggestion was to have people bring Heisey fakes and look-a-likes for a show and tell.

Sid reported on the glass show. There 11 booths reserved. Nine are glass dealers, 1 glass repair and 1 is the Cambridge glass representative. Advertising has been extensive. Ads have been placed in Cotton & Quail, Antique Trader and Southeast Antiquing and Collecting. Sid said there was still a need for someone to coordinate ticket sales. If there are no more dealers we may give each dealer an extra table to fill space and have more glass displayed.

Set up for the show is October 11 and the actual show is October 12 & 13.

November 9 is the next meeting. Sid & Mary Edwards will host the meeting. A time has not been set.

The January meeting will be hosted by Helen and Olen Freeman.

For the program, Loleta showed all the reference books, personal Heisey inventory and other items she always carries when looking for Heisey. These help to determine exact pattern and ounce capacity for stemware items. A small portable backlight is also useful.

Show & Tell

Joey had a Carcassone vase, Peerless Rose vase, Ipswich 6" candle, An Optic vase in 9", and 7" Kohinoor vase I Heisey bake ware item. ♦

Advertising Guidelines:

Advertising: Ads may be mailed to: HCA Advertising, 169 W. Church St., Newark, OH 43055; faxed to (740) 345-9638; or e-mailed to director@heiseymuseum.org. *Whenever possible, please e-mail your ad.* Include your MasterCard or VISA number and expiration date for billing purposes, or send a check. **All ads must be prepaid.** When mailed or faxed, ads should be typed or printed on white paper with dark ink. Please double space. Do not abbreviate Heisey pattern names or colors. Ads that are entered in a vertical column format may contain a **maximum of 65 characters per line, including spaces & punctuation.**

Classified: 20 cents per word (members), 30 cents per word (non-members), \$1.50 min., 1/8 page limit. Personal ads 1/8 page limit. Abbreviations & initials count as words.

Display Ads:	member	non

When Renewing Your Membership

Help ensure the future of your Museum. When you renew your membership at one of the levels below, any amount beyond the regular Associate dues—\$25.00 plus \$5.00 for each additional household member—goes into the Endowment Fund.

<i>Individual Contributing, one person in household</i>	\$30
<i>Joint Contributing, two people in one household</i>	\$40
<i>Family Contributing, parents and children under 18</i>	\$50
<i>Patron</i>	\$100
<i>Sponsor</i>	\$250
<i>Benefactor</i>	\$500

Contact the HCA Administrative Office at (740) 345-2932 for more information. The Endowment Committee wishes to thank those who have become Endowment Members and all of the individuals and study clubs that have so generously supported the HCA Endowment Fund. All members who have supported the fund are recognized each year in the February issue of the newsletter. Your support will make the Museum self-sustaining in the years to come. Thank you all! ♦
