HEISEY NEWS is published and printed monthly (twice in March), by Heisey Collectors of America, Inc. (HCA). Periodicals postage paid at Newark. Subscription is limited to HCA members. First class mailing is available for an extra \$15.00, due with payment of membership. If you are having difficulty receiving your newsletter, please contact the HCA Administrative Office Monday through Friday 8:00 a.m. - 4:30 p.m.

The opinions expressed in articles in HEISEY NEWS are those of the authors and not necessarily those of the organization. The Editorial Staff reserves the right to edit, with or without the consent of the author, or to refuse any material submitted for publication.

Back Issues

Back Issues available from files are \$3.00 per issue plus shipping and handling

Advertising

Ads may be mailed to: HCA Advertising, 169 W. Church St., Newark, OH 43055; faxed to (740) 345-9638; or e-mailed to director@heiseymuseum.org. Whenever possible, please e-mail your ad. Always include your MasterCard or Visa number and expiration date. When mailed or faxed, ads should be typed or printed on white paper with dark ink. Camera ready ads are accepted, but must follow line specifications outlined at the beginning of the advertising section. Ads containing reproductions will not knowingly be accepted unless clearly stated (e.g. Heisey by Imperial, etc.). HEISEY NEWS accepts no further liability. In the event of a typographical error, the incorrect portion of the ad will be run in the following issue, but HEISEY NEWS assumes no further liability. See advertising section for rates and deadlines.

Museum

Heisey Collectors of America, Inc., a non-profit corporation (tax-exempt status), owns and operates The National Heisey Glass Museum in Veterans Park, 6th and Church Streets, Newark, Ohio. Open year round, Tuesday through Saturday 10:00 a.m. - 4:00 p.m., Sunday 1:00 - 4:00 p.m., closed holidays. Other hours by appointment. Members admitted free.

Identification

HCA will attempt to identify unknown glass items. Send a color photograph, measurements, and a self-addressed, stamped envelope to the attention of the Curator. Other arrangements should be made in advance with the Museum staff. Please keep in mind that the Museum cannot appraise items. Identification is free to members, non-members \$5.00 per item.

Membership

To join Heisey Collectors of America or to renew your membership, contact the HCA Administrative Office Monday through Friday 8:00 a.m. - 4:30 p.m. Associate dues are \$25.00 plus \$5.00 for each additional household member. Voting members pay an additional one-time fee of \$25.00. Please consider supporting the Endowment Fund by joining at one of the levels listed on the back page.

Museum Shop

There is always someone in the Shop during the Museum's hours of operation to help answer questions or take orders. When ordering by phone, please have a credit card ready. When ordering by mail, please be sure to include appropriate charges such as shipping and sales tax. Please note that the HCA member discount does not apply to original Heisey or special project items.

Shipping and Receiving

Delivery is made much easier when we have a complete street address, not a PO Box. We prefer to use UPS. If you have not received a package, please call the Administrative Office to confirm it was sent. We will assist you in tracing it. If your package arrives damaged, please contact your local UPS representative. We insure everything.

Donations and Loans to the Museum

If you would like to make a donation to the Museum or have questions regarding items on loan, contact the Curator. HCA reserves the right to accept or refuse items based on current holdings.

MESSAGE FROM THE PRESIDENT

MIKE MAXWELL

Summer is finally returning to the midwest and I for one am ready. This will be a busy month for your Board of Directors as well as the staff and volunteers of HCA. As we put the final touches on this year's convention in Newark, many of us are looking forward to the big sigh of relief when it is over. This is a big task to put on, but I have enjoyed working with the Executive Committee and our other Chairpersons making it all happen. It will prove to be a fun time for all of us, so make your plans early. June will also bring us four new board members. If you are not planning to attend the convention, please get your absentee ballots in, so your vote will be counted. This is your time to make a difference for HCA by voting your mind in this election. It is the great membership of this organization that molds HCA's future, so do your part. We have seen several changes in the past year and I feel that HCA has continued to grow and become stronger. I look very forward to installing our new board members to their directorships. We have a strong group of candidates and I know they will all do a great job for HCA.

We will have some new additions to the Museum gift shop during Convention. A book dedicated solely to the *Greek Key* pattern will be added. This is a completely new book authored by Peter Mantarakis. The Dayton Area Club has also put together a book on *Heisey Bar Glasses*, which will prove to be a valuable asset for you to have. HCA appreciates both authors for sharing their knowledge with us.

The Museum has also created a new brochure highlighting HCA, Heisey & our wonderful Museum. Sharon Orienter has done a great job of laying this out and we appreciate her talents. The brochure will be printed on a heavier stock paper in four colors. The brochures have a much more professional look to them and I am sure they will be in high demand. The printing cost for this project is offset by a \$4,000 grant Bill Douglas secured for us from the Licking County Convention and Visitors Bureau.

We are hoping that the two new display cases will be delivered in time for convention. These will be located in the Multi-Purpose room in the lower level. As Bill has explained in his article, both of them have

been donated to us. This will allow us to expand our display and give the first time visitor even more to see. I'd like to thank both benefactors for their donations. It is important for us to always remember that we are charged with educating the newcomer to Heisey and its rich heritage. This is just another way we are fulfilling that commitment by expanding our display. The Study Club Meeting will again be held on Thursday afternoon of the Convention. This is your chance to voice your concerns or just pass along your ideas for HCA's continued growth. This club belongs to each of its members. You all have a voice in the direction this club is moving. I look forward to meeting with any of you that wish to attend.

As I look back on my second term on HCA's Board of Directors, as well as the second term of my Presidency, I realize what a rich experience it has been. I look ahead to the next year with the hope that we will continue to improve. The pay isn't very good, but it is one of the most fruitful jobs I have had. Next time you are asked to serve, I would certainly recommend you do so. The best way for this organization to continue to grow and become stronger is for fresh blood and new ideas to be present in the administration end of this club. It has been a true pleasure to serve as your President for the 2003 – 2004 term.

Happy Heisey Hunting & Think Spring! ♥

MIKE

FROM THE CLUB/MUSEUM DIRECTOR

Bill Douglas

To say that there is a lot going on at the Museum would be an understatement! With wrapping up the details from the auction, to visitors, to convention planning, to brochure production, to book production, to acquiring new tables for shipping, to ordering new display cases, there is not a lack of things to do!!

Visitors: Even with the high gas prices we had two very enthusiastic groups the past few weeks. We had 15 students and chaperones from the Welsh Hills Elementary School. They were studying recycling and

wanted to know more about recycling of glass, so we did some research and gave them a short class on how glass is made and recycled. We also made a scavenger hunt for them to find certain pieces in the different galleries.

Last week we had 30 members of the Ohio State University Retired Alumni visit the Museum and they enjoyed shopping in the gift shop!

Convention Planning: The planning for Convention continues. All the little details are coming together and with the help of many volunteers, it looks like it will be a fun and educational time. In addition to the billboards and ads in key trade magazines, we are sending out 260 press releases and an article on Convention. The article was a collaborative effort of Karen & Jim Clark, Phyllis Deal, and myself. It is a great overall view of the Convention and other attractions to draw people to Convention.

Museum Brochure: Thanks to Sharon Orienter, we now have a first class, four-color rack brochure for the Museum. The brochure is approximately four inches by nine inches and printed on both sides. The cost of printing is covered by the grant from the Licking County Convention and Visitors Bureau we received earlier this year. After doing a competitive bid, we should be able to have over 150,000 copies printed by Convention!

Greek Key Book: Thanks to Palmer Haffner and Carolyn Felger of the Publications Committee, The Greek Key Book by Peter Mantarakris will be available by Convention. Peter is giving the seminar on Greek Key on Friday of Convention at 11:00 a.m. The order form for the book can be found on page 24.

New Tables: Thanks to the North Carolina Heisey Study Group, we now have eight new six-foot, lightweight tables to use in the Museum. You'll get a chance to see two of them at registration! Thanks for this needed donation!!

New Display Cases: Two new display cases have been generously donated to the Museum. One case has been donated by the North Carolina Heisey Study Group in honor of Karen Taylo. The other has been donated by Joe Noll in memory of his wife Peggy. The cases should be installed by Convention. ♥

NOW THIS TAKES THE CAKE! Georgia G. Otten

Most people reading the Heisey News will fall into the category of *collector* and already collect Heisey glass! Many of you who have Heisey glass also enjoy entertaining in your home. Using your glass can bring great satisfaction. Not only is it a chance to show off premier pieces, but also, since food is something we all need/want, having it prepared using various recipes and presented in different settings is an absolute delight!

From an article written by Debra Muller Price, "Three hundred years after they first appeared on American tables, footed serving plates show no sign of stepping out of the spotlight. In 18th-century America, dining *à la française* was all the rage, and accomplished hostesses were expected to present their guests with a feast for the eye as well as the palate." The article continued "While dining in America has evolved into a much more casual affair, the practice of placing desserts on salvers -- better known today as cake stands -- has passed from generation to generation. From the ironstone and pressed-glass stands churned out by Victorian factories to the "Elegant Glass" serving pieces marketed by companies like Fostoria and Heisey during the Depression era, cake stands remain appreciated as much for their graceful form as for their utility."

Starting with a table covering, and perhaps a theme for a meal, is an excellent first step. Is this a sit-down meal or a buffet? Regardless, now that the table is covered, it is time to select the serving pieces and plan your presentation. Some of you are gardeners also, right? Think about your garden landscape for a minute.....not all plants are the same height are they? Okay, now consider your tablescape; your food, and may I add your decorations as well, will make a wonderful statement if they are presented on different levels. Enter the Heisey cake salver!

Ever notice how food on a footed server seems so much more enticing; raised above the other foods as if it had a status all its own? Don't guests at a wedding reception always marvel at the tiered wedding cake? The same can be true at your table.

Heisey Glass Company offered a variety of cake salvers beginning in the late 1890's with patterns such as Fandango and Fancy Loop and continued into the 1950's with Plantation and Cabochon. I have looked through many references searching for Heisey salvers. What I have recorded may not be all-inclusive but is what I was able to find. And, these salvers I have listed are either high or low footed. None sit flat on a table. So, as you look at the listing and some of the pictures, think about your

next table setting and how you will place your food and/or decorations on a Heisey footed salver. Now doesn't that do more than *just take the cake?* ♥

On the Cover: Georgia Otten's photo depicts a table using #1503 Crystolite for the setting.

HCA NEEDS YOUR HELP!!!

We have lost our usual Volunteers to staff the HCA Booth at the Show during Convention. If you can work a few hours or more, please contact Shelly Hoberg at the Museum at 740.345-2932 Ext. 2 or business@heiseymuseum.org

2004 HEISEY "FAMILY REUNION" HOSPITALITY ROOM

Karen Clark

Yes, you probably read this in a previous newsletter, but I just wanted to remind Convention attendees that the Hospitality Room (in the lower level of the Museum) will be open during this year's Convention from 10AM to 4PM on Thursday, Friday and Saturday. It is not too late to sign up for bringing some goodies to be shared by all or to schedule a time to help oversee the room, and make sure that there are plenty of goodies set out for everyone to enjoy. The goodies can be donated by individuals or a study club, and the time spent overseeing the room can also be done by individuals or a study club. The Hospitality Room is meant to be a place to just come to "sit a spell" and relax and talk with other folks who have come from all over this fine country of ours to partake in the many activities that this year's convention has to offer. Remember the theme is "family reunion," and you know that family reunions always offer plenty of good things to eat and plenty of time to catch up on the happenings since the last time you saw some of your friends and family. And for your viewing pleasure the lower level has a beautiful display of glass and a display of glass making tools.

This year we would like to have several study clubs host the Hospitality Room on a day to day basis – not just one club hosting the whole three days. It would be great if one club could host on Thursday from 10 AM to 1PM and another club host on Thursday from 1 PM to closing at 4PM. Then on Friday, another two clubs could host and the same thing for Saturday. This way it will not tie anyone down for a long time or keep them away from the convention activities. It would also be fine if just a couple or two would volunteer to oversee the room during those times. So please check your schedules and let me know when would be the best time for you to oversee the room for just 3 hours at a time – of course you can do a longer shift if you choose.

Also, as in the past, we would like club and, or individual donations such as cheese, pecans, dates, cookies, brownies, fresh fruit, etc., be brought to the

hospitality room that can be set out, and the light snacks can be enjoyed by all who are taking a break from activities and just wanting to cool down from the outside weather and chat for a while. I hope you will all take time to visit the room and enjoy the company and snacks provided by fellow Convention attendees.

I am thanking each of you in advance for your help and participation. Please let me hear from you by June 11, so we can plan accordingly. I can be contacted by phone – 937-845-9132 or email at karenc9132@prodigy.net. ♥

CAN IT BE? WE CAN'T WAIT!

Pam Haffner

It is time to send my Blind Auction donation to the Museum, iron my costume for the Blind Auction Dinner and pack the car for the 2004 Heisey Convention. A pair of little birds told us that you don't count the day you leave or the day you arrive, and WOW it really is almost here.

Because we know there are a few procrastinators out there (who told on me), we are hoping you will pick up the phone or email us to add to the donations for the Blind Auction. As of this writing, we currently have only ten donations in the \$150 or greater category. Last year we had twenty and are hoping to meet that goal again this year. I am surprised to add there are no donations in the \$50 (minimum value) category.

IF YOU HAVE NOT ALREADY MADE YOUR DONATION---either as a Study Club or a generous donor, we encourage you to stop reading and let us know by phone or email ASAP.

The format will be as it was last year. Because everyone seemed to enjoy the chance to view the \$150 items before the auction, we will continue the open display of this category. They will be numbered and the highest bidder will draw a number, and only then will the bidder know which of the displayed items will be going home with them.

The \$50 donations will continue to be hidden in wrapped boxes and opened by the successful bidder. We will alternate the bidding on the \$50 and \$150 items to keep things exciting.

There will definitely be a costume contest. This should be a little easier than past years, as we can ask a family member to loan us something from their closet. The prizes are for the best-dressed couple, the best-dressed man, the best-dressed woman, the best dressed youngster, (14 years or younger) and the best-dressed group.

There will be lots of contests-games, fun and prizes in keeping with the Family Reunion theme. Honestly---no sack races!

The committee is counting on you to continue the tradition of making this one of the best fund raising events of the year through your fabulous donations. We thank you in advance and ask that you contact Elaine Husted with your donations and/or your questions, 1classycat@comcast.net. ♥

MEET THE FOLKS WHO MADE OUR GLASS!

Judy Rhoads

Once again this year at Convention, the folks who worked at A.H. Heisey and made our beautiful glass will gather for the Former Employees Reunion. It will be on Friday, June 18, at 3:30 p.m., in the Museum Hospitality Room.

Attendance at this event has been growing every year, as we find more former employees and as more HCA members join us to hear the wonderful stories these folks have to tell about their time working at the Heisey factory. Reserve this time in your convention planning so that you can come visit with these wonderful people and listen to their stories! ♥

THERE IS MORE TO THE WEEK THAN CONVENTION

The old adage that all work and no playwell, there are a lot of things you may want to include on your trip to Newark before, during, or after convention week. Newark, Ohio is nestled out of the hustle and bustle, in the rolling countryside, just 45 minutes east of Columbus and is easily accessible from many parts of the country either by plane or car. Using Newark as your base of operation, there are multitudes of things to do only a few minutes away.

Just south east of the beautiful Licking County Court House, enjoy browsing through The Works. This artistic center of discovery inspires an appreciation for the creative process. While there, you can see demonstrations of how glass is blown, see the first fiberglass car, and see exhibits on the history of manufacturing in Newark.

If you like ice cream, then a stop at the Ye Olde Mill in Utica, just 10 miles north of Newark, is a must. The home of the Velvet Ice Cream Company, features factory tours where you can see the world famous Velvet Ice Cream being made. Stop by the Ye Olde Mill, built in 1817, and see the Museum of Milling and the History of Ice Cream, as well as try some of the sweet treats made at the ice cream capital of Ohio.

If you like trees and the outdoors, then a stop at The Dawes Arboretum is a must. Located just south of Newark on State Route 13, this spectacular arboretum features 3,000 species on 1,149 acres. It is also home to the world's largest hedge lettering. Guided tours are available or you can drive through the rolling countryside in your own vehicle.

There are over a dozen natural excursions in Licking County. One of the most famous of these is The Newark Earthworks, home to the Great Circle Earthworks. The Earthworks is known for its prehistoric geometric enclosures that once spanned four miles before urban development destroyed much of it.

Should you be a basket collector as well, you will have time to see the Longaberger Headquarters and

make a trip to the Homestead where the Longaberger baskets are made. In the charming town of Dresden, Ohio you can browse the many little shops and antique stores.

Within a short drive east of Newark in Cambridge, you can visit the beautiful Cambridge Glass Museum or see glass being made at the Mosser Glass Company. Mosser is doing the special reissue pieces from the original Heisey molds for HCA.

The Chihuly exhibit has been held over at the Franklin Park Conservatory in Columbus, Ohio and only 55 minutes from Newark. Franklin Park Conservatory proudly presents the breathtaking blown glass art glass of Dale Chihuly displayed within the lush surroundings of their indoor gardens. Many of the pieces in this display were made especially for this exhibit. The butterfly habitat within the Conservatory is a special added attraction!

If golf is your bag, there are eighteen golf courses in Licking County. There is a course for players of all levels from the scratch golfer to the par-challenged enthusiast!

Time and space do not allow us to list all of the fine attractions in the area. For a complete listing of events and information, go to the Licking County Convention and Visitors website at www.lccvb.com or call them at 1/800/589-8224 and they will help you find just the place you are looking for! ♥

A HEISEY SIGHTING – AT LAST!

Carl Sparacio

You may have deduced from the scarcity of this department on these pages that our “sightings” have been rather slim. Oh, I have excuses of course, the main one being that I haven’t been anywhere to sight anything. I haven’t been completely idle, though, but I don’t think you want to hear about time spent in a hospital - talk about slim sightings! There were a couple of nurses who were easy on the eyes but I couldn’t find a Diamond H on either of them.

This month’s sighting is a beauty and comes to us through the kindness of Frank and Elaine Husted (she’s the pretty one and he’s – well, he’s Frank). Their sighting comes out of the March 2002 issue of the Architectural Digest. The Architectural Digest is to Better Homes and Gardens what Radio City Music Hall is to your local movie multiplex. You won’t find the Architectural Digest at our house – we don’t travel in the same circle as the Husteds.

If the picture reproduced well from the magazine you’ve already discovered that this wonderful sighting is of not one but two pair of No. 17 Classic Candlesticks (circa 1906 – 1935.) They are shown in a rather elegant setting. The decorator is quoted in the piece as saying, “we wanted the dining room to be simple but colorful and alive” (if he loves simple, he’d be beside himself if he ever came to our house).

The Classic Candlesticks with the C prisms and No. 7 bobeches are arguably the most elegant of the many candlesticks Heisey produced. If you can avail yourself of the Heisey candlestick book by Felt and O’Grady, you’ll learn everything you ever wanted to know about Classic and its variation of sticks.

Meanwhile, keep those cards and letters coming and perhaps we might come back in a couple of months.

♥

2004 Candidates for the HCA Board of Directors

Following is the slate of candidates as presented at the HCA general membership meeting Saturday, April 17. A total of four will be elected. **Absentee ballots should be requested from the Museum by June 1, 2004 to ensure enough time for the June election.** Ballots can be requested **NOW**. Send a SASE for a ballot to: HCA Ballot, 169 W. Church St., Newark, OH 43055.

Candidate Bios appear in alphabetical order

Phil Abrams

Phil has served on the board for the past four years. Phil is a resident of Charlotte, N.C. He currently serves as treasurer for the North Carolina Heisey Study Group. He holds a Bachelors of Science degree in accounting from the University of South Carolina. Phil served on the board of Sharonview

Federal Credit Union in Charlotte for 28 years.

Interest in Heisey glass became renewed 20 years ago when it was learned that he and wife Sally's wedding crystal, Heisey Rose, was available. Collecting candlesticks, candy jars, animals, pitchers and nutcups has been a challenge.

My interest in serving another term would be using the knowledge that I have gained over the last four years and applying that knowledge to continue to enhance HCA. ♥

Bryan K. Baker

Bryan K. Baker began collecting Heisey in the early 1980's after receiving a small collection of Orchid from his mother. Collecting Orchid soon turned into collecting everything Heisey, and Bryan is now the owner of an extensive

collection of Heisey as well as "Piece by Piece Antiques," specializing in Heisey glassware. Bryan is a native of Virginia, and has been an active member of the National Capital Heisey Study Club (NCHSC), where he currently serves as secretary for the club, as well as co-chair for the annual All-Heisey Glass Show in Gaithersburg, Maryland, sponsored by the NCHCC. 100% of the proceeds from this event are donated to HCA. Bryan has also been an active member of HCA for a number of years, supporting the Benefit Auction and taking the yearly trip to convention. Bryan currently serves on the HCA Technology Committee.

Bryan is a Senior Program Analyst for Mitretek Systems, Inc., a non-profit scientific research and system engineering company in the suburbs of Washington D.C., which works in the public interest to solve complex technological problems. Currently, he is responsible for Mitretek's business continuity and data storage/recovery plans, as well as providing project management. In addition, Bryan has over 6 years of management experience for a large nationwide retailer, and served as co-president of his local Homeowners Civic Association.

Bryan brings to HCA his years of management experience along with his sense of teamwork and dedication. Using tried and true methods in addition to new technology, Bryan is dedicated to reaching out to new and existing HCA members to foster and expand the knowledge of Heisey glassware. Building on his existing knowledge, Bryan hopes to assist in increasing and strengthening HCA members' relationships to the National Heisey Glass Museum using the *Heisey News*, the Museum and HCA Web Site, as well as new technologies

such as CD-ROM and Internet based applications (e.g., newsgroups, interactive chat, online data access). He hopes to foster new interest in Heisey and build the membership by reaching out to old and young alike interested in learning about, or expanding their knowledge of Heisey's glassware.

♥

James S. Clark

I am a retiree from Ameritech, (1995) where I worked in the Central Office and as Assistant Manager. After retiring I have run my own company doing telephone and computer system networking and management. Also, during Census 2000 I worked as the assistant manager for field

operations, where I was directly responsible for the completion of the Census.

My association with Heisey began 20 years ago, with a couple of pieces that we had and wanted to find out more about, that led to my meeting my mentor, Bob Ryan. Through Bob, I was introduced to the Annual Benefit Auction, where I have co-chaired, chaired or been involved with in some fashion for most of the years I have been associated with HCA. I have served as HCA Project Chairman for a number of years. My wife & I have served as docents at the Museum, on a monthly basis and when needed. We started under Louise Ream who taught us well.

We collect any Heisey that we like, but my favorites are Old Sandwich and Spanish, and as Bob Ryan says, "There is no bad Heisey." ♥

Samuel L. Schnaidt

Sam's interest in Heisey started at a very early age. This was not in the glass, but to see Santa Claus in his sleigh on Christmas Eve at the Clarence Heisey home on Granville Street. Sam started collecting Heisey in 1966 when he and Heidi, his wife-to-be, had a chance to buy a

set of Orchid Etch. In 1966, they chose this to be their crystal pattern and made the purchase of over 100 pieces for \$125.00.

Sam always enjoyed buying and selling Heisey at auction, as well as collecting. In June of 1971, he and Frank Frye held the first all Heisey auction. Through these early auctions, Sam met several Heisey collectors from Newark, Ohio. Sam helped promote and encourage these people to start a national collectors organization, and he became a charter member.

In 1973, Sam was appointed chairman of a committee to find a building for the Museum. This committee found the King house and headed up the restoration project. Sam later co-chaired the committee to raise the money and build the Museum expansion that we have today.

Sam served several terms on the HCA Board of Directors. He is a past president and past vice president of HCA, as well as chairing and serving on numerous committees.

Heidi and Sam have been married for thirty-eight years and have two married children. They all collect and enjoy Heisey Plantation. Sam looks forward to serving on the Board again and feels that strong conservative fiscal management is important to HCA. ♥

Jean Will

Jean will has been a member of HCA for about 20 years. In 1970 Jean and her husband started buying antiques and elegant glassware. After retirement they started doing antique shows specializing in Heisey.

Jean has been a resident of Leavenworth, Kansas all of her life. She is a retired registered nurse.

Jean is a member of the Great Plains Heisey Club and would like to serve on the Board of Directors. Her goal is to further the preservation of Heisey glass in the Museum and in the hands of collectors across the United States. ♥

The 33rd Annual
HEISEY COLLECTORS NATIONAL CONVENTION – JUNE 16-19, 2004
“The Family Reunion”

PERCY MOORE DINNER/WEEKEND UPDATE

Sibyl and Ned Lavengood
Co-Chairs

Plans for the Percy Moore Dinner/Weekend are taking shape.

Registration will take place at Replacements Lt'd. on Friday, October 1, 2004. Exact times for that afternoon will be published in your registration packet. After Registration there will be an old fashioned BBQ PIG PICKIN' "Down East Style."

Any time that day you will be able to take a tour of the facilities. You will see a facility that is unmatched in the U.S. See Bob Page's, the owner of Replacements Lt'd., personal collection of Heisey displayed in showcases and identified like we do at our Newark Museum. If you have some missing pieces of your favorite china pattern, bring them along. He will either have it for you, or will find it for you. He has pickers all over the world, and will keep you up-to-date by the Internet on the pieces he has in your pattern for purchase.

Saturday morning you can continue the tours, or we will have information on antique malls and shops in the immediate area for you to browse.

The Board will meet Saturday morning.

The all Heisey auction will be held early Saturday afternoon. Frank and Michelle Scott, in charge of the auction, will be sending a separate article on the details. Phil and Sally Abrams and Sibyl and I helped with the all Heisey auction in Newark recently, and we already have dealers and individuals who will be giving us their Heisey to bring back from the Convention in June.

The dinner will be Saturday night. Details later. In the future, we will be sending you a host motel with some other choices, all close to Replacements.

Sunday is open for more antiques, a trip to the mountains, Pinehurst golf, or the outerbanks. Last year several families came and then took a vacation before going home. The weather will be beautiful,

color in the mountains, and the Atlantic will still be warm enough to swim or sun bath. ♥

NOTHING COULD BE FINER... Frank Scott

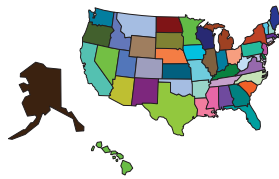

The North Carolina Heisey Study Group is preparing to hold a Heisey benefit auction during the annual Vivian and Percy Moore Dinner weekend. We are hoping to have approximately 300 pieces of Heisey and Heisey related items. This will be a cataloged auction.

We are currently soliciting items for the auction from HCA members. The commission will be 20% for all items sold. For your convenience, we are using the same basic contract and consignment form used by HCA for its benefit auction. There are only minor changes in the forms as well as the substitution of NCHSG for HCA.

All items for the auction need to be received by August 1, 2004. For your convenience, members of the NCHSG will be available in Newark during the convention to bring glassware back to North Carolina so that you can avoid the shipping cost. Items should be sent to: North Carolina HSG, 1311 North Sellars Mill Road, Burlington, NC 27217-1825. ♥

HCA WELCOMES NEW MEMBERS FOR April 2004

GENE & BONNIE GIRARD, NC

CLUB NOTES

Great Plains Heisey Club *Mary Cameron*

As members drove down the winding drive-way, Windmill Gardens came into view, the beautifully restored and expanded rural Nebraska home of Elmer and Janice Miller, hosts of the May 8, 2004, Great Plains Heisey Club meeting. Eighteen members enjoyed a wonderful lunch offered by Elmer and Janice beginning at 1:00.

As usual, President John Mock had a difficult time calling the meeting to order around 2:00. The minutes were approved as posted on the website as was the treasury report from Tom Files.

A Blind Auction item worth \$150+ has been found and will be purchased and transported to the Convention. The Centerpiece Committee of Bucky, Kathy, and Trudy asked for items from each state to add to the Centerpiece. John Mock will make a cutout of the four states to be included, also. Kathy will finalize the Centerpiece and take it to the Convention.

One of our members, Jean Will, is running for the Board of HCA. Gregg Cameron will make buttons for Jean and the Files' grandson has made a preliminary design for the buttons. The club passed a resolution supporting Jean and voted a donation to her campaign. Several of our club members will be attending the Convention this year.

The winner of the Heisey Benefit Auction Contest was Bucky Will. Bucky missed the total for the 10 selected items by only \$75 and was awarded a diamond H towel.

The Club voted to donate \$50 to help defray expenses of the Hospitality Room at the HCA Convention.

The program for the July 10 meeting at John and Trudy Mock's home will be comports. The program for the September 11 meeting at Gary and Shelby Corey's will be barware and cigarette items. The program for the November 13 meeting at Glen Gall's home will be pitchers and jugs.

Trudy Mock presented an idea for a fund-raiser for HCA. Tom Files will call Bill Douglas to check on the possibility of doing this fund-raiser and Gregg Cameron will make a prototype of the item to take to the HCA Convention.

Another successful 50-50 auction was held to raise money for the club.

Janice Miller presented the program on Heisey lamps. She has about 18 Heisey electrified lamps with varying types of glass and material shades and had them labeled throughout her home for walking tours by the attendees. Additional lamps were brought by members to complement Janice's wonderful items. It was truly an 'enlightening' experience.

An interesting swap was held after the meeting. Members brought orphan cream and sugars and tried to make matches. Rex Lucke stated, "There are more orphans on this table than at Boys' Town." Many matches were made with several items finding new homes.

Show and Tell was relatively small for this group. Items included: Ridgeleigh individual ash tray in Sahara, Petal hotel cream and sugar in Flamingo, Empress 7" plate in Cobalt, Crystolite two-light candelabrum with the 1503 bobeches and "J" prisms, Ipswich goblet, juice, and oyster cocktail, Museum Paperweight, Old Sandwich ash tray in Cobalt, Charter Oak eight ounce goblet in Moongleam, Fairacre parfait in Moongleam, Narrow Flute individual domino sugar with an etching, 4 Greek Key butter pats, Greek Key 1 pint tankard, 2 sparrows, and the small 7" Pinwheel and Fan basket.

The meeting adjourned and as usual members continued to talk Heisey—some even may have moved on to the lovely Bulldog Inn in Murdock. ♥

Dayton Area Heisey Collectors *Judy Rhoads*

The April 20 meeting of the Dayton Area Heisey Collectors #7 was held at the Huber Heights Public Library. President Karen Clark presided with 15 members and seven guests present.

During our business meeting, we discussed the outcome of the Benefit Auction. Dave Spahr reported that 44 people had volunteered to help make it a success. Other business included projects to benefit HCA and convention activities.

For our program, we welcomed long-time glass collector and authority, Frank Wollenhaupt, who presented a program on How Glass is Made. This was the same

program he gave last year at Carillon Historical Park. His detailed and informative presentation of the glass making process was enhanced with examples of blow pipes, gathering rods, snaps, glassmaking hand tools, moulds, glass ingredient samples, and pictures from glass factories.

Show and Tell brought forth the following items: Lariat Cocktail with Moonglo Cutting; #1503 Crystolite 10 1/2" Plain Bottom Plates; #1503 Crystolite 2-Compartment Conserve with Sterling Silver Center Handle and Gray Cut Flowers; #1503 Crystolite 7" Shell Praline; #5003 Crystolite Tall Blown Iced Teas; #3330 Hanover 4 oz. Grape Juice with #412 Hermitage Etch; Scottie Dog; #1558 11" Droop Bowl; #325 Pillows 3" Rose Bowl; #1280 Winged Scroll Emerald Spooner; #1205 Fancy Loop Footed Punch Glass; #379 Urn Punch/Custard Cup; #1183 Revere Yellow Flashed 2-Handled Cheese Plate; #6091 Cabochon Soda with Amber Base; #333 Waldorf Astoria Salt and Pepper Shakers; Sow; #1205 Fancy Loop Individual Salt. ♥

The March meeting of the Dixieland Heisey Club was held March 13 at the new home of Joey and Diana Cogdill in Simpsonville, SC. The attendees enjoyed a leisurely tour of the Cogdills' lovely home, along with many interesting pieces of Heisey, followed by a lovely luncheon. Twelve members were in attendance.

In the absence of the treasurer, the president, Loleta Hammontree, gave the financial report. Club members were reminded to pay their HCA dues, in addition to any outstanding club dues. A motion was made and approved to contribute \$100 in the memory of Harold Willey to the Arthur James Cancer Hospital in Columbus, Ohio. The members present also signed a card to be sent to Harold's family.

Old Business:

- We are still in need of a location for the November meeting. (After the meeting, the Parkers of Decatur, AL, volunteered to host the July meeting). The Athens members are willing to prepare a meal if someone will provide a "host" home.
- Website: There was a brief discussion of improvements to our website. Members need to provide identifying information for the Show and Tell items. The website contact address has been corrected.
- Ideas to generate interest in Heisey: Members shared ideas for spreading the word about Heisey. Among those discussed were displaying items in local museums, public display areas of malls or libraries. We decided we need literature promoting our club, and solicited a volunteer to

work on this. Someone recalled that the NC club does a presentation at schools. Ideas should be further explored at the club representative meeting during Convention.

New Business:

- The Gaithersburg Show and the Benefit Auction are the next Heisey events.
- The HCA Convention will be held 6/16 – 6/19. Our club agreed to assemble a centerpiece for the Centerpiece Auction. Helen will provide the glass; Sid will make the signage/banner; Mary Lou will provide nuts; all club members will bring representative contributions from their locale to the May meeting. Club members were also encouraged to contribute to the Blind Auction at Convention.

Show and Tell:

Joey displayed a 300-5 5-light candelabra with original Heisey prisms. He also displayed a metal socket which he has made for this candelabra.

Meeting calendar:

May – May 16, the Hammontrees in Chattanooga, TN
July – the Parkers in Decatur, AL
September – Cathy Yeagley
November – open
January 2005 (tentative)- the Freemans in Atlanta, GA ♥

Last meeting before HCT members head for "Convention 2004!" So, there was a lot of excitement and buzzing going on, like who is going and etc. plus "Charlie what is your address in Ohio?, how many extra bedrooms do you have?" LOL.

The Maddoxes will be presenting our auction proceeds to HCA in June. At this time the total is \$1,100. Big Thanks to all HCT'ers that participated in this endeavor! Charlie will be purchasing and delivering the Texas pecans to the Hospitality Room in June at HCA.

When discussing our web-site, Sally suggested we might want to have each member write an article on, "How I Started Collecting Heisey," "What I like Best about Heisey," or "The Heisey I Collect."

Very interesting program on Crystolite Candleblocks was given by Greg Freeman. Many of us did not realize there were so many in this one pattern, like a total of 12 different candleblocks! And we also were able to see and handle eleven of them, which made it even more interesting. For future reference, we each were given a hand-out on Crystolite Candleblocks presentation.

Show and Tell was maybe a little long, but much fun! Some seem to have withdrawals since last meeting, since at our auction meeting we did not have "Show and Tell." Ha. Soooo, here we go – as most of you know – this is the best way to learn Heisey glass. In the stem department we had a Crystolite Wine, Carcassonne stem with Ambassador Etching, Flamingo Pen Charter stem and Cross Line Flute stem. A Leaf Candlestick and 12" Square on Round Gardenia Bowl, which many of us had never seen either of these! Slash & Diamond Point Cream & Sugar, two-Cabochon Candlesticks one with Moonglo Cut, and the other with Arcadian Cut. Beautiful cut seven inch Tudor Oval Candy Box and a pair of Sahara Carcassonne Decanters with Colony etch. Also, we checked out the so-called Heisey Tangerine Ivy Vase that so many question, and the Red Apple that the Leerdam Glass Company produced.

As usual, our hostess Sally had wonderful goodies and delicious punch served in a Heisey Queen Ann Punch Bowl.

July meeting will be held at Gloria & Dick's home on July 10! They, too, will be just returning from the Convention. This is always an exciting meeting! Be there to see all the Convention goodies! ♥

FRANKLY RHYMING

Frank Husted

As part of a fund-raising effort, Dr. Husted has agreed to create limericks, like the one below, for HCA members based on the pattern(s) of their choice. A donation to HCA is requested for each limerick created. If you would like to learn more about this fund-raising event, you may contact Dr. Husted by phone at (610) 469-1243 or via e-mail at fhusted@comcast.net

URN/GRECIAN BORDER-GREEK KEY

With apologies going to Keats
 His ode to the URN was replete
 With nuance and magic
 So, it's really quite tragic
 That the GRECIAN gave way to GREEK KEY

CURATOR'S CORNER

Bob Ryan

The last we talked, there was a curator hired and this would be my LAST corner chat with you all, but the cicadas have not arrived here in Ohio and neither has the curator. I am beginning to think that the "Exec Committee" held a "ghost hunt" and reported findings and interviews, but nothing materialized. I guess that olde moxie "you can lead a horse to water but you can't make'em drink" applies here.

There has not been a lot going on here at the curator's office mainly because I have been very busy with my real job this winter and spring and have only been in "Nerk" a couple of days. We make "hay" while here and the last time we captured a couple of new volunteers for the Museum. You will see their names in the monthly volunteers report starting soon, young ones, too, able to climb stairs, etc. With the new cases coming we need some volunteers to move glass and fill these cases, so check your calendars. Find a day or two and come have some fun and then stand back at convention time and listen to the praise flow over you for all of the fun you had with the Heisey glass. You can't enjoy until you perspire; give us a call and come on down.

Personally, we are cleared to do the show at Convention. Come see us and please buy something from us so I won't have to pack it back up on Saturday. In fact, buy lots from all of the dealers showing this year at all venues. Let them know that you appreciate all of their hard work, finding the glass, repairing it for the show, and giving all of us a chance to add their wares to our collections. Bravos to the brave people re-opening the sale on the square. It is always great fun; you non-dealer types bring a box of extra Heisey, a card table and join in the fun on the square. Some of our best times were on the square, great buys too.

Come to Convention, attend the events, make new friends, don't be shy, step right up and say Hi, I'm Stan from Kansas City and I collect Heisey animals, this is my wife, Mary, and she likes cordials, what do you collect?

Looking forward to meeting you, Stan and Mary. I will be stationary this year so I am looking forward to meeting a whole lot of folks.

Good Bye ♥

Visit The
National
Heisey
Glass
Museum

Come at your leisure to enjoy more than 4,800 pieces of glassware produced by A.H. Heisey and Company from 1896-1957. Hundreds of patterns are featured in all production colors. Rare and experimental items are included as well. Facilities are air-conditioned and handicapped accessible. Hours are 10:00 a.m. to 4:00 p.m. Tuesday through Saturday, 1:00 to 4:00 p.m. Sunday. Members are admitted free, regular admission is \$4. Office hours are 8:00 a.m. to 4:30 p.m. weekdays.

Membership Renewal Notice: Check the date above your name and address on the mailing label. This is your expiration date. If it reads 6-10-04 make sure your dues are paid soon in order to receive next month's issue of *Heisey News*.

When Renewing Your Membership

Help ensure the future of your Museum. When you renew your membership at one of the levels below, any amount beyond the regular Associate dues—\$25.00 plus \$5.00 for each additional household member—goes into the Endowment Fund.

<i>Individual Voting Privilege (onetime fee)</i>	\$25
<i>Individual Contributing, one person in household</i>	\$30
<i>Joint Contributing, two people in one household</i>	\$40
<i>Family Contributing, parents and children under 18</i>	\$50
<i>Patron</i>	\$100
<i>Sponsor</i>	\$250
<i>Benefactor</i>	\$500

Contact the HCA Administrative Office at (740) 345-2932 for more information. The Endowment Committee wishes to thank those who have become Endowment Members and all of the individuals and study clubs that have so generously supported the HCA Endowment Fund. All members who have supported the fund are recognized each year in the February issue of the newsletter. Your support will make the Museum self-sustaining in the years to come. Thank you all! ♦

Shipping & Handling Fees for Outside US

Additional shipping charges are required for members living outside the U.S. Current rates are: Canada \$20; Mexico \$22; other Countries \$44. These rates are subject to change at any time due to rate changes made by the US Postal Service. To verify current rates, call (740) 345-2932 or E-mail business@heiseymuseum.org
