Back Issues available from files are \$3.00 per issue plus shipping and handling

### Advertising

Ads may be mailed to: HCA Advertising, 169 W. Church St., Newark, OH 43055; faxed to (740) 345-9638; or e-mailed to [director@heiseyMuseum.org](mailto:director@heiseyMuseum.org). Whenever possible, please e-mail your ad. Always include your MasterCard or Visa number and expiration date. When mailed or faxed, ads should be typed or printed on white paper with dark ink. Camera ready ads are accepted, but must follow line specifications outlined at the beginning of the advertising section. Ads containing reproductions will not knowingly be accepted unless clearly stated (e.g. Heisey by Imperial, etc.). HEISEY NEWS accepts no further liability. In the event of a typographical error, the incorrect portion of the ad will be run in the following issue, but HEISEY NEWS assumes no further liability. See advertising section for rates and deadlines.

### Museum

Heisey Collectors of America, Inc., a non-profit corporation (tax-exempt status), owns and operates The National Heisey Glass Museum in Veterans Park, 6th and Church Streets, Newark, Ohio. Open year round, Tuesday through Saturday 10:00 a.m. – 4:00 p.m., Sunday 1:00 – 4:00 p.m., closed holidays. Other hours by appointment. Members admitted free.

### Identification

HCA will attempt to identify unknown glass items. Send a color photograph, measurements, and a self-addressed, stamped envelope to the attention of the Curator. Other arrangements should be made in advance with the Museum staff. Please keep in mind that the Museum cannot appraise items. Identification is free to members, non-members \$5.00 per item.

### Membership

To join Heisey Collectors of America or to renew your membership, contact the HCA Administrative Office Monday through Friday 8:00 a.m. - 4:30 p.m. Eastern Time. Associate dues are \$25.00 plus \$5.00 for each additional household member. Voting members pay an additional one-time fee of \$25.00. Please consider supporting the Endowment Fund by joining at one of the levels listed on the back page.

### Museum Gift Shop

There is always someone in the Gift Shop during the Museum's hours of operation to help answer questions or take orders. When ordering by phone, please have a credit card ready. When ordering by mail, please be sure to include appropriate charges such as shipping and sales tax. Please note that the HCA member discount does not apply to original Heisey or special project items.

### Shipping and Receiving

Delivery is made much easier when we have a complete street address, not a PO Box. We prefer to use UPS. If you have not received a package, please call the Administrative Office to confirm it was sent. We will assist you in tracing it. If your package arrives damaged, please contact your local UPS representative. We insure everything.

### Donations and Loans to the Museum

If you would like to make a donation to the Museum or have questions regarding items on loan, contact the Curator. HCA reserves the right to accept or refuse items based on current holdings.

# MESSAGE FROM THE PRESIDENT

DICK SMITH

We need volunteers to assist the staff at the Museum during Convention. If you have a little extra time and can help, contact Bill or Shelly at the Museum. Your help is needed and appreciated.

I had an HCA member mention to me how nice all the donated glass was for the Benefit Auction and the money HCA earned from it. I explained to them that 98% of the glass was consigned and not donated and the bulk of the money went to the consignors not HCA. The money HCA receives is a direct result of the services donated by Sam Schnaidt, Rick Hughes, and the Apple Tree Auction Center. This couple just did not understand how the auction worked, but they do now. They are now very appreciative of Sam and Apple Auction Center for this yearly donation. I also explained that the June Auction was for Apple Tree Auction Center not HCA.

I want to personally thank the outgoing directors: Connie Dall, Ned Lavengood, Gloria Moore, and Karen O'Hare, for their hard work and dedication these past four years.

Convention is just around the corner and I hope your reservation has been made? If not, you still have a little time to register, so call the Museum today!

I want to tell you about a couple of projects that are coming up. These are projects we are wholesaling to a 3<sup>rd</sup> party. We will also have a few to sell to the membership and in the Gift Shop. Project 1: on page 16 there is an order form for a Ruby/White Slag Tiger Paperweight. This will be a limited run, so order early. Project 2: will be another animal, also in Ruby/White Slag and also in Ruby. This animal will be advertised in the July Newsletter, so stay tuned!

Plans for the Percy & Vivian Moore Dinner are coming together. We have selected a new site that I believe all will enjoy-more details in later issues.

The Select Auction during the Percy & Vivian Moore weekend is coming along. The successful consignors will be notified in time for you to bring your glass to Convention to save shipping.

The Membership Committee is looking into a couple of ideas for a membership drive. These ideas are a direct result from your suggestions and hopefully they will be ready by Convention time and presented there. So, keep the ideas coming!

HCA would like to extend our sympathies to the family of Audrey Levingston, a former Heisey employee, and to the family of Norman Sleight, a long time member and supporter.

We would also like to wish a speedy recovery to Loren Yeakley, who is recovering from open heart surgery.

Till next month!

DICK ♥

# FROM THE CLUB/MUSEUM DIRECTOR

Bill Douglas

Plans for Convention are coming together. I obtained a grant from National City Bank for \$500 to produce an 8.5 X11 four-color flyer. NCB will help distribute them to key branches in the area and we will be doing a mailing to antique shops and malls, restaurants, and hotels. Several copies of the flyer have also been mailed to the Study Clubs and Dealers.

I contacted the U.S. Post Office about the delivery of the Newsletter. I explained that we are paying the Periodical Rate and wanted to know what their "delivery standard" was for items mailed at this rate?

The Post Office reply was "Thank you for visiting our web site. I apologize, but we do not have any guaranteed or estimated delivery times for Periodicals." This may beg the question, why do we pay for that rate?

I also sent a letter to Congressman Pat Tiberi's office asking him to look into this matter. Congressman Tiberi has responded that he has his staff looking into the matter.

Over the last few weeks I had the opportunity to speak at the Granville Rotary and the Mt. Vernon Kiwanis meetings. Each group had between 70-80 in attendance. I promoted the Inventory Reduction Sale, the upcoming Elegant Glass Show, and volunteering at the Museum. ♦

## CURATOR'S REPORT

Walter Ludwig, Curator

Convention is almost here and we are a bevy of activity at the Museum getting ready for the biggest event on the Heisey calendar each year. We can hardly wait to see all of you here in Newark. It is always a special time of renewing old acquaintances and making new ones. If you have never made it to Convention before make this the year that you do. Many special events have been scheduled to make it a memorable time for everyone. Put on your smile and say "Hello" to some people you don't know and we guarantee you a great time.

Another of our HCA directors put in a long week here at the Museum last week assisting me in nearly completing the inventory project of our collection. Sharon Orienter and I spent all week upstairs in the King House recording what we have in storage up there. Order was made of the chaos that prevailed in that area of the Museum. Several things surfaced that I was not aware that the Museum owned and will be added soon to the items now on display. "Thank You" Sharon for volunteering your time to assist the Museum.

I look forward to seeing everyone at the biggest show on earth right here in Newark – the 2005 Heisey Convention.

### Name the Pattern Raffle

Have you ever dreamed that a Heisey pattern could be named after you? Well, at convention this year everyone will be able to take a chance to name a Heisey pattern. We will raffle off the right to name a genuine Heisey pattern that has never been named before. The name can be derived from your name, be descriptive of the piece, or named as a tribute to another. The only stipulation is that the curator must give his blessing to the final name (he will check that it is not a duplicate of one that was previously assigned).

Of course, all the well-known patterns were either named by Heisey or were named by earlier researchers, but there are several smaller patterns that have never been named. One of these is pattern 484 that is made up of several sizes of rolled edge floral bowls. It dates from the early 20s and is often found with decorations done by decorating companies. An example is shown on page 181 of Catalog 102 (1924) with Windsor cutting. When encountered it is often mistaken for 1183 Revere because it is so plain.

For \$5.00 anyone can enter the raffle and win not only the right to name the pattern, but also a 9" marked bowl in the pattern. Entries will be available at the HCA Gift Shop and at the HCA booth at the Convention Show as well as at the annual meeting dinner. All entries must be submitted before the drawing that will be held at the dinner on Friday night. If you wish to submit an entry by mail, you may send a check for \$5.00 with your contact information as well as the suggested name to the Museum ATTN: Name the Pattern. ♦

# TREASURER'S REPORT- FIRST QUARTER 2005

Dave Spahr

You will find the 2005 Budget vs. Actual Report through March 2005 on another page in this newsletter. Basically for the first quarter, we have reduced revenues and offsetting reduced expenses, which have kept things relatively balanced.

Our revenues have lagged behind the norm. With twenty-five percent (25%) of the year completed, we have received 20.47% of our revenue. Please note only some preliminary costs for the auction are shown and not any auction revenue since it occurred in April. Please also note our special project income is lagging well behind our budgeted revenues. We have a few projects beginning but really need some money-making ideas from the membership to help us out! We have transferred into our operating funds one half of our planned yearly transfer from the endowment fund (last year's earned income) because of cash flow needs in the first three months of the year.

Our expenses, with twenty-five percent (25%) of the year completed, are less or 23.60% of our anticipated yearly amount. Nothing really unusual has occurred and as usual, we have paid the semiannual insurance premium this quarter.

On balance, the overall picture hasn't markedly changed or improved. We need increased revenues to sustain our operating budget. New special projects and a financially successful Convention are a must for us. What actions have we taken this year? We have instituted some reductions in personnel costs which will impact (reduce) our salary costs for the rest of the year. Also instituted, beginning last month, is an inventory reduction sale for overstocked items. This is a chance for all to purchase some nice glass for presents (or for yourself) at reduced prices and at the same time help your association.

The HCA Endowment fund balance has grown to \$1,738,900.20, an increase of \$151,833.46 over last year's ending balance. We have deposited \$189,123 in the endowment fund this quarter, most of which (\$180,000) coming from the Kennon Estate. The fund balance also reflects a draw of \$16,000 in

2004 earned income transferred out and placed in our operating funds. The endowment fund had a first quarter consistent with market indices over the period and lost approximately 1.3% in value, not considering our deposit into the fund.

If you have any questions or have some fund-raising ideas, I will be happy to answer them and listen to your ideas. Rest assured, I will share your thoughts with other board members. You can reach me by telephone (937-372-7166) or by e-mail ([masdgs@aol.com](mailto:masdgs@aol.com)). The financial report can be found on page 9. ♦

### Missing From The Benefit Auction

#### 1503 Crystolite Candy Dish Bottom

In the Crystolite book it is described as the 6" footed candy & cover (it is not the 6" shell candy & cover which is also footed). The gentleman received the cover, but the bottom was missing. If it got into your box by mistake, please contact the Museum.

1025 ARCADIA CUTTING

Walter Ludwig, Curator

Arcadia is a late Heisey cutting probably introduced in 1950 at the same time that the 5077 Legionnaire stem came out. It was produced to go with the Arcadia pattern of Gladding-McBean's Franciscan china.

We have a plate in the Museum in the pattern made in green (they did blue also) with gold border (shown to the left). The cutting came on Legionnaire stemware as well as 6060 Country Club bar ware. A few matching pieces in 1183 Revere and 1951 Cabochon were also made.

The cutting is actually a combination cut

where part of the pattern was cut and then dipped in acid to produce a shiny effect, then the remainder of the pattern was cut and left gray giving the leaves a more realistic look. Very few Heisey cuttings utilized this combination effect.

The sales promotion pamphlet for Arcadia is presented on the cover of this issue. It is only a one sheet (front and back) with no color enhancement unlike the earlier pamphlets we have presented. Arcadia was still being sold in Heisey's last catalog of 1956. Unlike earlier pamphlets, the company uses very straightforward text and forgoes any elaborate imagery. "Arcadia ... a hand-blown, combination and polished grey cutting whose versatile beauty and moderate price place it high among Heisey's most favored patterns. You'll want the complete line of lovely stemware and bar accessories for your entertaining." ♦

during the Board Meeting on April 1, 2005:

That the number of HCA board members be reduced from sixteen (16) to twelve (12) by amending the Constitution, Article VI, Section 1 to read as follows:

Section 1 - The Board of Directors shall consist of (12) Directors elected by the voting members of the organization. Terms of office are to be as provided in the Bylaws. (Note: see Bylaws Art. VII, Sec. 4)

That the above be carried out by amending Bylaws Article VII, Section 4 to read as follows:

Section 4 - The Board of Directors shall consist of 12 members elected from the roll of voting members. The term of office shall be for four years. The number of consecutive four-year terms that a member may be elected to the Board of Directors shall be limited to two (Approved 6-20-82.)

To provide for a reduction in the number of directors from 16 to 12, only three persons shall be elected starting in the years 2006 through 2009 and thereafter.

The vote to accept or reject this proposal will be taken during the Annual Meeting at Convention. ♦

## PROPOSED CONSTITUTION AND BY-LAWS CHANGE

The following recommendation was approved

# Circus Animal Holdback AUCTION

Just in time for Convention, this Holdback Auction starts now and closes Friday, June 17, 2005 at 1:00 p.m. Winners can pick up their items at 10:00 a.m. on Saturday at the Museum.

These items are all feasibility, samples, very low production, test run or whimsy items. All are rare items.

We have described the items as best we can. Remember, most of these items were not production items and very small numbers were made.

**Auction closes , Friday, June 17, 2005 at 1 p.m. EST.** Forms must be received in the HCA Business Office by the closing date and time. There are no reserves, but just like eBay, there will be a modest minimum first bid.

Bids will be accepted by mail, drop off, fax to 740.345.9638, and e-mail to [business@heiseymuseum.org](mailto:business@heiseymuseum.org). All bids will be sealed and date-stamped, with the highest bid winning. In the case of a tie, the earliest date-stamped bid wins. All bids will be competitively bid. Payment, including shipping and insurance, will not be requested until after the auction. Once a bid is placed, it cannot be withdrawn.

All items are on display in the Gift Shop of the Museum and will remain there throughout the auction.

Winning bidders will be notified within seven days after the auction and the amounts of the winning bids will be published in a future issue of the *Heisey News*.♥

# Lavender Jars #352, #353 and #354

Joe Lokay

First we will look at the spelling of Lavender. The dictionary spells it with "er" at the end. The Heisey catalog spells it Lavendar.

What is Lavender? It is a fragrant plant of the mint family with narrow aromatic leaves and pale purple or lilac-purple flowers. The flowers and leaves are dried and used to fill sachets or lavender jars to scent clothes, beds or rooms with the smell of lavender. You can buy lavender water, lavender perfume or lavender toilet water. What it is depends on whether the fluid contains a little or a lot of lavender oil. Then there is the word Potpourri, a mixture of dried flowers and spices for perfuming a room.

There was a set of seven lavender jars offered in each of the three colonial patterns. The smallest was 1 oz., the size of a shot glass, and the largest was 30 oz., a little smaller than a quart jar (32 oz.). I can see the use for the small size jars, but what about the real big ones? Perhaps they are for storage when you sell lavender or refill your own small ones. The various sizes are shown with the pictures of the lavender jars. The pictures are from Heisey catalog #75 (circa 1913). Still I wonder, why seven jars of so many sizes in each set?

All the lavender jars have ground-in stoppers. This makes them air tight when closed. To me, the jars could be used for almost any other purpose such as spice jars, jelly jars, tobacco jars, etc.

# LEMONADE AND SODA GLASSES

Walter Ludwig, Curator

A recent addition to the Museum collection was a handled lemonade. It had not been seen until a small group of them were in a recent auction at Apple Tree Auction Center. The person who purchased it and donated it to the Museum thought that it was a whimsey made from a regular soda. I felt that it was probably production because this type of vessel would have been in demand in the soda fountains of that era.

In one of the earliest full catalogs (circa 1902), we have three pages labeled Lemonade and Soda Glasses. Since the example we now have is marked, we can expect all of these to be marked. Pattern numbers for these depend on the exact size. The handleless ones range from 2½ oz. to 16 oz. and are assigned to pattern number 525-534, while the handled ones in the same sizes have pattern numbers 535-544. Also included are sodas 505, 506, 509, 517, and 519 that appear to have half shams, and 518 and 520 having full shams. Pattern 518 has the additional distinction of having a dip in the bottom of the glass. The 521 handled lemonade seems to have a half sham.

The handled lemonade that was donated to the Museum is 10 oz., so that would be pattern number 540. ♥

## HEISEY NEWS BINDING

Bob Rarey

Every two years, I have offered to have the *Heisey News* bound for those members who wish to have that service performed. It is time now for the 2003-2004 issues to be bound. Binding is of library quality, a hard cover in Royal Blue with Gold Lettering, as has been done in past years. The price for binding is \$32 per volume plus \$5 per volume for return shipping, if required. Back issues can be bound for an additional \$5 per volume.

If you are missing any issues of the years 2003-2004, contact the HCA office, as most back issues are available from HCA at a cost of \$3 each issue. They are also available by visiting the Shop Page of the Museum web site. (Note) When ordering on line you must specify in the "comments" box which issue/issues you want.

PLEASE - You must remove all staples! They must be removed for binding. The final cut-off date for binding is the last day of the 2005 HCA Convention, June 18, 2005. You may send your Newsletters to the Museum or direct to my home address. Make checks payable to me, as this is not a club function! Thank You.

## FRANKLY RHYMING

Frank Husted

As part of a fund-raising effort, Dr. Husted has agreed to create limericks, like the one below, for HCA members based on the pattern(s) of their choice. A donation to HCA is requested for each limerick created. If you would like to learn more about this fund-raising event, you may contact Dr. Husted by phone at (610) 469-1243 or via e-mail at [frankly.me@comcast.net](mailto:frankly.me@comcast.net)

## E-MAIL INQUIRY: RE: STANDING PONY

Walter Ludwig, Curator

While on-line looking at a picture of a standing pony I noticed the area just above the hooves did not have any detail or striations. In other words the area just above the hooves is plain. The Standing Pony I have has some detail or striations just above the hooves. Approximately five on each side. My question is this: Did Heisey make two versions of the Standing Pony or is one of the ponies a reproduction?

Jim Heald

### Answer:

Well --- you have posed a question that I did not have an answer for. I had at first thought you were talking about either the Paden City or Mosser standing ponies -- neither of which are that close to the Heisey one. I went to our animal display case and brought out the three Standing Ponies that we have in our collection: Crystal signed and Cobalt and Light Amber unsigned. A close examination of all three revealed that the Cobalt one did indeed have what could be called striations above the hooves on the sides of the figurine -- but neither the Amber nor the signed Crystal one did. A close examination of the horses produced one other difference. That was in the mane. On the Cobalt one running your finger over the top, you got a relatively smooth feeling whereas on the Crystal and Amber, it felt bumpy.

A check of articles in the Heisey News showed that in the very second issue of the Heisey News in

February of 1972 Dick Marsh wrote about the ponies on page four. He made one statement that I thought of note, "As Imperial did make many of these the thing to look for is the fetlocks because the reproductions do not have them." That sent me to the dictionary to find out exactly what a fetlock was and if the difference you noted would qualify as a fetlock. Answer was not really -- the fetlock is a tuft of hair on the back of the leg just above the hoof, this is not where the striations were. Back to the glass pieces. Feeling behind the rear leg just above the hoof there was a small bump on the Cobalt one, this might be more visible on a Crystal piece but on the Cobalt you could hardly see it. The bump was missing on our other two pieces.

Now was Dick's statement correct? A check in Bredehoff's Heisey Glass: 1896-1957 finds that the Kicking and Balking Ponies were made from 1941 to 1945 and the standing one from 1941 to 1952. Since production in Cobalt ceased with the US entering World War II and the government nationalizing all Cobalt supplies, we know that the Cobalt Standing Pony was done very early in the production span. A look at an article in the September 1976 Heisey News on page six by Joe Lokay shows the drawings that were part of the granting of the Design Patent to Heisey for the Standing Pony does show the striations in the details. But what of our Amber and marked Crystal ponies? Are these not Heisey production? Dating the Light Amber production is a little difficult. In 1952, Heisey introduced Sultana that was a dark Amber, but that is not this color. This color is usually referred to as honey Amber that could just be a variation on the Sultana. Anyway, its date does overlap the end of production for the Standing Pony which I believe is the only Pony known in this color. Our marked Crystal one is of the quality we would expect of a factory product.

What is the answer? The probable one, is that as with a lot of the things that Heisey made for a long time, the mold wore out and had to be replaced. In creating a new mold some subtle changes were made - whether deliberately or inadvertently, it's hard to say. Dick Marsh's statement was made early on in the study and research of Heisey glass and so

does not reflect the true nature of what is Heisey and what is not. It does say though, that any of the Standing Ponies with the fetlocks and striations over the hooves are definitely Heisey because they were all produced before the mold was changed.

I guess you got more of an answer than you bargained for but I can assure you that it was well worth looking into.

# HEISEY "CIRCUS" HOSPITALITY ROOM

Karen Clark

The preparation for the Heisey Circus is well under way and the staff is working hard on even the smallest of details. Read articles relating to this exciting event elsewhere in this Newsletter. Unlike last year, there was not time to send letters to each of the study clubs, but hopefully each HCA study club and individual members will plan to help out in the Hospitality Room (lower level of Museum)? By help out, I mean, donate goodies to eat or drink, be hosts/greeters for a two- three hour shift one day or more, if you have the time. The Hospitality Room will be open on Thursday, Friday and Saturday during the hours of 10:00 a.m. till 4:00 p.m. (regular Museum hours). The Hospitality Room must close at 4 to allow everyone time to prepare for any of the evening events that are scheduled. I am still amazed at the good things to eat that you all brought to share with fellow HCA members last year and the good turnout of those who were overseeing it during the three-hour shifts, and look forward to having the same response this year.

Please let me know **No Later Than June 11**, the day and time you are willing to volunteer in the Hospitality Room and/or also what goodies you are going to bring. I will make the assumption that we will have cheese from Wisconsin, summer sausage from Dayton, maybe some homemade cookies from our great cookie bakers, perhaps more Moon Pies, chips, pretzels, candy.

If you can't bring something, we always need ice and other goodies throughout that can be purchased locally. The efforts of all of you to make this a special time has meant a lot to me and to those who take the time to come into the Hospitality Room each year.

Hopefully, this year we will have members from several study clubs host the Hospitality Room on a day to day basis – not just one club hosting the whole three days. It would be great if one club could host on Thursday from 10:00 a.m., to 1:00 p.m. and another club host on Thursday from 1:00 p.m. to closing at 4:00 p.m. Then on Friday, another two clubs could host and the same thing for Saturday.

To volunteer for a three hour shift (for any and all days or more time if you can) please contact me by email at [karenc9132@prodigy.net](mailto:karenc9132@prodigy.net) or telephone me at 937-845-9132 (leave a message if no answer). To donate some goodies (remember last year), again just email me or call, that way we will have an idea of what we will be having and can fill in where necessary. Remember the theme of convention is the "Heisey Circus." Thanks to Linda and Marion Maddox, the movie "Glass Menagerie" is going to be playing on the big screen TV in the lower level – who knows, there may be a clown or two to add to the festivities. .

Thanks to everyone in advance, and I look forward to seeing you all in the Hospitality Room (circus commissary) in the lower level of the HCA Museum. Please let me hear from you by Saturday, June 11, so that we can plan accordingly. I can be contacted by phone: 937/845-9132 or email at [karenc9132@prodigy.net](mailto:karenc9132@prodigy.net). ♦

Jim Webster, author of *Wheeling Decorating Company Identification Guide* and his wife, Marcia in front of display of Heisey items with Wheeling decoration. Jim will be presenting a seminar on Saturday, June 18 at 11:00 a.m. in the Museum Multipurpose Room on the relationship between Heisey and Wheeling.

## APRIL MEETING MINUTES

The trip to Ferndale was nice with only a few drops of rain in the way. There were 25 members present and one guest, Amanda Portio, the Morenos' daughter. It is always fun to go to someone's home for the first time and Pat & Robert have a wonderful place with wonderful antiques and Heisey glass on display. Pat has a very pretty doll collection that any girl would envy. I liked the Audrey Hepburn doll. We had a good time visiting and eating the wonderful brisket that is Robert's favorite. What a great use of wine as a marinade! The counters were filled with delicious offerings and we all ate far too much, but then it's only once a month.

### Silent Auction:

We had some interesting pieces in the auction. Of course, the bird house was great, books for the readers, including a bound volume of HCA News. The fudge was shared after and it was delicious, but no one shared the giant chocolate chip cookies from the Mikasa bowl! The amount raised should be available next month. A huge "Thank you" goes to all our donors and bidders for their generosity. We especially want to thank the Morenos for hosting the silent auction. It isn't the easiest event to do trying to find the space for the items.

### Librarian:

We have books! Larry is organizing the donated issues of HCA News to be available at a later date.

### Old Business:

Blind Auction Donation: Fred Olsen sold the Club a Dolphin candleholder after a motion passed to purchase it for \$140. Isa Nelson will hand deliver it to the Museum in May. Nomination Committee: A motion was passed to accept the officers as follows: Larry Hefti-President; Liz Powell-Vice President; Pat Moreno-Secretary; Sally Thomas-Treasurer. Many thanks to the Committee for their hard work in finding people to staff our Club. Due to scheduling, Glenna and Deborah will continue their duties for the May meeting with Liz taking the notes for the June issue of the Newsletter. Map Book: Bill Witzke continues his work and showed us some samples of what he has come up with. He will continue getting the book together.

### New Business:

Robert Loch had some ideas for cost cutting measures for the Museum and will communicate them to the Director in an email.

### Raffle:

In the land of Greater Bellingham you would have thought one of the denizens of that area would have won the raffle. After all, Robert Moreno won three times in a row, and Don Nelson is a legend with his luck. Sorry guys, Jim Curtiss won the #341 low foot jelly. Just goes to show that we all have a chance.

### Show & Tell:

Pat had a great pamphlet to hand out showing the variety of manufacturing defects possible with hand made glass, such as Heisey. If you weren't at the meeting there are some copies that Deborah will have at the next meeting. The show & tells had a good sampling of the flaws, from straw marks to voids. The list is short since not many wrote their items down.

#1183 Revere cocktail shaker, cobalt; #1483 Stanhope mayonnaise; #325 Pillows footed rose bowl; #465 Recessed Panel comport; #3404 Spanish cordial, Titania etch; #406 Coarse Rib covered lemon dish  
Original Heisey Catalog #31 Sept. 1950 and 2<sup>nd</sup> Supplementary price List #31 Oct. 20, 1952

### Sugar & Creamer Display:

In October, at the Portland Rain of Glass show at the Convention Center, Dennis Headrick will have an extensive display of Heisey sugar and creamers. Dennis has been collecting them for a long while and has found many rare and beautiful sets. If you like sugar & creamers, this is one display you shouldn't miss.

### Meeting Adjourned:

We had fun trying to finish up all the desserts and goodies after the meeting. Many thanks again to Pat & Robert for their hospitality and our apologies to the kitties that just couldn't figure out who all these strangers were invading their home. ♦

## PREZ SAYS

The April 24 meeting was hosted by Dan and Carolyn Felger and 19 members attended, including two new members.

This was the annual auction meeting to raise money for HCA and it was very successful. We raised over \$2,000. One of our new members, Stuart Altschuler, bid and won a spectacular piece, the #3350, Wabash, 3pt. tankard with the Pied Piper etch....we were all jealous.

I would like to thank everyone who donated items and all the members who bid on them and/or made monetary contributions. ♦

**Advertising Guidelines:**

Advertising: Ads may be mailed to: HCA Advertising, 169 W. Church St., Newark, OH 43055; faxed to (740) 345-9638; or e-mailed to director@heiseyMuseum.org. Whenever possible, please e-mail your ad. Include your MasterCard or VISA number and expiration date for billing purposes, or send a check. All ads must be prepaid.
