# Message from the President

Where is the time going? It is hard to believe that it is almost spring and dreadful winter days will soon be behind us. Speaking of spring, we are looking forward to seeing the over 1500 tulip and daffodil bulbs that will be bursting with color this spring to welcome visitors into our Museum.

At the end of February, we received the much anticipated donation of the front entry desk and we are excited to establish the new Guest Engagement Area. This new front entry will be a great change for the Museum. With the new location, visitors will not have to ring a doorbell and wait to be let into our Museum. Guests will have a place to return to if they have questions or need guidance to the next gallery space. These are simple changes we can make for a visitor that will make them feel so much more welcome and, will hopefully make them want to stay and return. Of course we hope they stay and catch this illness that we call Heisey.

Our Managing Director, Larry Burge, has accepted a different position with Denison University in Granville, Ohio. Larry has agreed to train the replacement for his position and has also agreed to come in to volunteer and to help wherever needed. There will be some staffing changes in our future, but Larry has graciously agreed to aid in this transition wherever possible.

I want to thank all of the volunteers who helped with the cataloguing of the Spring Benefit Auction with our auction chairman Dave Spahr. Many weekends and hours were given to create one of the largest spring auctions we have seen. There are over 1400 lots, and some very nice pieces. Be sure to mark your calendars for April 4-5 for a wonderful way to support your passion and your Heisey Museum.

Our membership is essential to building, funding, and securing the future success of our Museum. It is crucial to maintain the vitality of this wonderful organization by adding new and younger members and collectors. If you are a member of a Study Club, I encourage you to create an outreach program or develop ways to grow the National Organization.

It is with great regret that I inform you of the loss of some our dear friends of the HCA and the Museum; Dick Marsh, Ginny Priest, Jean Hawkins, Colleen Pierce, Don Hanna, and Marcella (Marty) O'Hare. Remember, HCA and the Museum were founded and created by a small group of dedicated and hardworking individuals who had a "dream" of one day having a Heisey Glass Museum. I know they would all be very proud of where the organization is today, and we, the current carriers, need to continue to strive toward that "Dream", a dream of having a full funding Endowment for the Museum, a dream of having many volunteers and helpful aid whenever needed, a dream of keeping what was built over 40 years ago strong, fresh and active.

## Where in the World is Sparky

He's halfway around the world hoppin' with the roos in Australia! He traveled down under, flying 22 long hours, with Roy Eggert to visit Roy's family. On the day of this picture, Roy said the temperature finally dropped to 95 degrees!

# From the Director's Desk

In an effort to have more time in my retirement years, I have decided to leave my position as Managing Director to take a less time consuming job at Denison University.

In the past year I have had some concerns that, because of the time commitment at Heisey, I have not been able to do many things I would like and need to do. When I learned of a job opening at Denison that would be finished each day by mid-morning and have all summer off, I decided to apply. With some surprise, I was selected.

I am working for the Athletic Department as an early morning Building Monitor. I have been involved with Denison's Football and Basketball programs as clock operator for many years, and know most of the coaches and staff. It's a job I'll enjoy for as long as I am able to work.

It's very difficult for me to leave Heisey. I have enjoyed every part of the job, and especially the people. It's been fun to meet and interact with members, staff and the Board. I have learned about Heisey glass and realize there is so much more to learn. I'm proud to be a voting member, and plan to continue my membership.

The Heisey Museum is in a very good place with Jack Burriss as Curator. He has done so much in the short time he has been here and I believe he is a big part of the future of the Museum. The Executive Committee will be making some important decisions about the how to restructure the staff organization and I believe you will be pleased with the results.

In that I have time available, I will continue to handle fiscal matters while decisions are made and implemented. I'll be glad to orient the new administrative person that follows me.

This is not the type of Heisey News article I like to write. It is much more fun writing about our progress, news about the operations and the escapades of Sparky.

Thank you everyone,

Larry

# Words From Your Curator

We experienced a few days of warmer temperatures and some sunshine in central Ohio! How nice it was and now that we are back to winter around here, may the happy memories help us know that spring will indeed arrive! The onset of Springtide will be finding a number of new starts and changes here at your Museum. We all want to wish Larry the best in his new job and the enjoyment of more free time. I would also like to express my personal gratitude for his guidance, mentoring and patience in the past ten months. He will be missed on staff and we look forward to his presence as a volunteer. HCA and your Museum are in a better place in thanks to his hard work. Other staff changes and physical alterations will be taking place to assist in readying your Museum to brightly face the exciting activities and visits to come!

In speaking of exciting events in our future, the Spring Auction looks to be a very good one! David Spahr and the very knowledgeable and hardworking crew have the stage set for electrifying auction action. I know how much I am looking forward to marking up my catalog and setting priorities as to what and how much to bid on. Good luck to all (except if we are bidding on the same item)! There will be an Open House at the Museum post Auction for you to share your excitement, fellowship, and enjoy your Collection. I am trying to set plans to attend the Annandale Show on March 15 and 16 as I have heard many recommendations for this show, if not this year then for sure next year. Traci Dusenberry has been doing a great deal of work to have all in good order for Convention, a time we all look forward to and enjoy.

Heisey Glass is a fascinating and enjoyable area of study and collecting, as well as fellowship as we all know. One of our challenges is the sharing of our joy. How do we invite people to join in on the fun and ensure their continuing active participation? To be able to maintain what we have and flourish in the future we need to grow, a very simple fact that is however a challenge and responsibility to us all as those who love Heisey. We need and look forward to ideas.

One concept that I put to the test was a special dinner party. I, by careful plan, mixed Heisey collector friends and not yet collector friends for a dinner that utilized as many items Heisey as I could. We started with cocktails in 5025 Tyrolean with 507 Orchid etch served from the matching shaker and hors d'oeuvres on 433 Greek Key plates. We went on from there even using frozen dessert dishes and individual nuts. My guest list was admittedly stacked to some extent Michael and Kate Maher as well as Walter Ludwig and myself from HCA. In conclusion the evening was fun and included much lively conversation about Heisey and I think that we may have at least three new members as a result.

Keep thinking and most of all loving and sharing your Heisey.

Jack, your Curator

# 2014 National Heisey Convention

## AND ELEGANT GLASS SHOW

June 18-21, 2014  
Newark, OH

Greetings:

On the previous page please find our Board approved Budget for 2014.

Thanks to the generosity of several donations we were able to make budget for 2013.

This budget is again very reliant upon your support and donations.

Thanks to our project committee we had several new projects in 2013 which were well received and supported. Several of you have suggested different projects and I know that all are being currently evaluated.

In order for us to meet the 2014 budget we will again need your support in all our projects.

My thanks to you all for your past and future support as without it our beautiful Museum would not be possible.

Charlie Wade Treasurer,

## HCA Board of Directors Open Positions

It is that time of year when we seek candidates for open positions on HCA's Board of Directors. A term on the Board is for four years and members may be elected to serve two consecutive terms. There are four Board meetings annually.

- April during the Spring Auction
- June during the Annual Convention
- September/October during the Percy Moore weekend or Select Auction
- December during the Holiday Open House

There are three positions available in June. Sue Kilgore is completing her second term, Mary Cameron is completing her first term and Charlie Wade is completed his appointed term (he was named to complete the term of Will Kennard).

Helping HCA by being part of the Board of Directors is import to the future prosperity and continued success of our organization and museum. Please consider "throwing your hat into the race" and contact me to submit your name for consideration.  
Thanks for your consideration

# HIGHLIGHTS OF THE 2014 SPRING AUCTION

We have finished cataloging the items for the 2014 Spring HCA Auction. Boy, what a job that was. We ended up with 1,452 lots of glass representing the full range of production of the Heisey Glass Company from their beginnings until the doors closed in 1957. There is something for everyone in this auction from the standard production to true rarities that you never are given a chance to buy.

This is the auction to come to if you would like to start a collection, find the ideal wedding gift, or if you are a long time collector needing to add a special piece to your collection. The auction abounds in those old standbys of 1469 Ridgeleigh, 1503 and 5003 Crystolite, 1540 and 5004 Lariat, 1567 Plantation, 507 Orchid etch, and 515 Heisey Rose etch. But even among some of the more common patterns are pieces that you do not see often. Lot 25 is a perfect 1503 Crystolite cologne while lot 29 contains both of the footed baskets in 1540 Lariat. Two very special pieces in 1567 Plantation are the coupe plate (lot 861) and the flat candy box (862). In 507 Orchid etch, we have 2351 Newton 12 ounce sodas one without optic (1270) and one with optic (1271). Additionally, there is a 2401 Oakwood 12 ounce soda/optic (1272) and a 4182 Thin 6" plate (1273).

This is an auction in which candlesticks and candelabrum seem plentiful. There are plenty of pairs and singles to please any collector (they make great gifts, too). There are almost every 300 Old Williamsburg candelabra represented including a single two light with Alexandrite bobeches (874). Other harder to find candlesticks include pairs in 107 Wellington in Moongleam (540), 21 Aristocrat 11" (602), 1540 Lariat three light candleblocks (883), 341 Old Williamsburg footed epergne candleholder (885), 112 Mercury 9" in Flamingo (895), 28 Elizabeth 9"(937), 68 Hepplewhite 9" with cutting (939), and 8 Jacobean 9" (941).

If cuttings are what turn you on, we have a magnificent set of 926 George VI cutting including many pieces of 5013 Shasta stemware, two 4036 ½ Marshall decanters, and a 4404 Universal hollow stem champagne (lots 918-924). Lots 476 through 485 offers a variety of very elaborately cut pieces which must have been special order or presentation pieces (lots 484 and 485 grace the cover of our auction catalog). Also special in this auction are two pieces with cuttings done by the Tuthill Cut Glass Company on Heisey blanks: 429 Plain Panel Recess 9" nappy (1329) and 2401 Oakwood decanter (1338).

There are some very nice deep plate etchings and carvings including a 4056 Caesar salad bowl with 5003 Nimrod (639), 4163 Whaley mug with 465 Golf Scene (1199), and a 2401 Oakwood 10 ounce soda with 3 Motor Boat (1394). Circus etch items include a 4027 Bethel Decanter with 493 Camel (854) and 2052 bar glasses with 471 Rube (855), 475 Elephant (856), and 476 Western Scene (857). Lots 1194-1197 includes a range of 4052 National pieces with 467 Tally Ho while lot 1198 is two 5048 Rooster Head cocktails with the same etch.

We have the full range of colors that Heisey produced represented in this auction. Some of the more unusual lots include a set of three 2323 Navy 6" plates (655), 4085 Saturn 9" ball vase in Zircon (850), and a 4225 Cobel 1 quart cocktail shaker in Sahara with unusual cutting (908). In earlier colors we have a 56 Sweet Scroll Opal match holder and a 1280 Winged Scroll Emerald pin tray. There are many pieces of 1280 Winged Scroll for the tobacco sets also in the auction. In addition, there are 4" nappies in Vaseline in 1280 Winged Scroll (1377) and 160 Locket on Chain (1378), as well as an Opalescent one in 1220 Punt Band (1392).

Interesting pieces in other early Heisey patterns include all three footed rose bowls in 325 Pillows (864 and 1110), 335 Prince of Wales Plumes (901), and 343 Sunburst (902). There is a great 337 Touraine half gallon jug (654). In colonial patterns, there is a lot consisting of 4" and 5" 341 Puritan mushroom covers (653), a five piece 150 Banded Flute bedroom set (903), all four sizes of 341 Puritan footed candy jars (904-907), and all three sizes of 8025 Banded Diamond Foot bowls - 9" fruit, 5" mint, and individual nut (912-914).

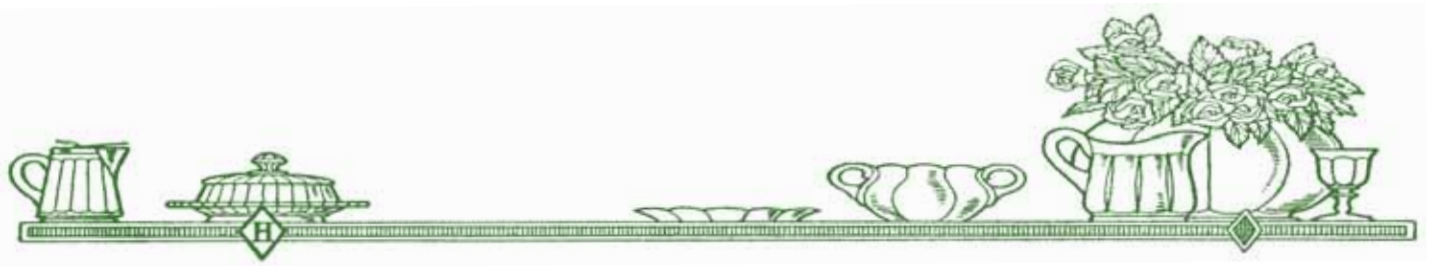

If you want a punch set there are several in the auction but the two outstanding ones are a 365 Old Queen Anne set with nine cups (947) and a Flamingo set in 433 Greek Key with 12 cups (948).

You will find plenty of condiment pieces, lavender jars, perfumes, and cruets for the item collector. Two of the rarer cruets are a 461 Convex Circle (1413) and 356 Little Prince (1415).

Other unusual lots include 101 Tropical Fish (851), 5064 Hydrangea claret with no decoration (1318), and a 7103 "Hood" sterilizer jar - complete (1396). A curiosity lot contains two pieces of cullet, one Cobalt and one Sahara (1149). Space limitations prevent me from going on, but as you can see there is plenty for offer in the auction. I hope you will be able to join me and all of your other Heisey friends for this great event. I look forward to seeing you.

Walter Ludwig

## 41st ANNUAL 2014 ALL HEISEY SPRING BENEFIT AUCTION

Dave Spahr

Our 41th Annual Spring Benefit Auction will be held April 4 & 5, 2014 at last year's location, the GMP Local #244 Union Hall at 350 Hudson Ave. in Newark, Ohio. We finished cataloging the glass after the last month's newsletter deadline and have 1452 lots from 49 consigners. This is our largest auction in quite some time! Craig Connelly and his crew will again call our auction and hopefully the "Pie Man" will be there too!

We have received some wonderful glass for the auction. Walter Ludwig will give you a full preview in an article elsewhere in this newsletter. You can now visit the museum and see some of the best pieces in the auction on display in the case just inside the Museum entrance.

The auction catalog, preview hours, auction hours, absentee bid instructions, absentee bid form, bidding information, and most importantly the list of sale items will be on our website- [www.HeiseyMuseum.org/](http://www.HeiseyMuseum.org/) , on or about March 5th and hopefully sooner. This will give you a full month of looking and evaluating items and preparing for this great auction! Names, addresses, and telephone numbers of area hotels/motels is being published in this newsletter to assist you in making reservations. You will want to arrive in time to attend the one and one half hour preview on Friday April 4, 2013, 11:30 AM to 1:00 PM with the auction beginning at 1:00 PM. On Saturday April 5, 2013, the doors will open at 8:30 AM, the annual membership meeting will be held at 9:00 AM with the auction beginning at 9:30 AM.

We have again not having a full mailing of the auction catalog. We will mail copies on or about March 5th (sooner if possible) to members who consigned glass, purchased glass, or put in absentee bids in 2012 and/or 2013. We will also provide a copy to any member who wishes one- you need to call the museum after March 12th to get your copy. If you were a consignor, buyer, or absentee bidder wait a few days before you call- give time for your copy to arrive in the mail.

As you know, the Spring Benefit Auction is HCA's largest fundraiser and 2014 will be another challenging year financially for the organization. If you can't make it to Newark for the auction this year I encourage you to look on line at the list of great glass and put in an absentee bid. This is a way for every member to support your association. Forms and instructions are available on the website as well.

Absentee bidders listen up! We have included the absentee bid instructions and form in this newsletter for you to look over and use including shipping information. Please note they need to be submitted by Tuesday, April 1, 2014, by 4:00 PM local time. We are continuing a successful change in that we are having absentee bidders make their own arrangements to have their glass shipped. The absentee glass will be available for pickup at the Museum on Tuesday, April 8, 2014, after 10:00AM. Absentee bidders will have to pay their shippers directly. We will cooperate with your shipper and assist where we can. HCA simply does not have the volunteers, materials on hand, and staffing capability to do this task. We have listed those shippers in the past and have heard no complaints however HCA does not endorse them nor is HCA responsible for their performance.

As you read this newsletter I will be looking for help at the auction - for "Vannas" to hold up the glass, for folks to help move glass during the auction, and to help clean up after the auction. If you would like to help, please contact me. It is a great way to learn about the glass and meet some great volunteers.

If you have any questions or concerns, please contact me at [masdgs@aol.com](mailto:masdgs@aol.com) or give me a call at 937-372-7166. I'll see you at the auction!

Spring Auction Item

# 2014 Heisey Spring Benefit Auction

## Absentee Bid Instructions

As absentee bidders, we will bid competitively for you at the HCA Spring Benefit Auction, April 4-5, 2014. In case of duplicate bids, the earliest postmark wins. Bids must reflect the listing in the catalog as to lot number, pattern, description, and condition. The minimum absentee bid per lot is \$15.

You set the maximum amount you are willing to pay on each lot. If successful, the remainder will be refunded. Please use good judgment in arriving at your maximum bid figure. Remember, there are minimum limits to raises that the auctioneer will accept (smaller items \$2.50, larger items \$5, \$10 or as much as \$25). Lots containing multiple items will be as one lot to the successful bidder. Normally, these are not split up, however, there may be some exceptions to this.

Please indicate on your bid the desired condition of the item on which you are bidding. We have endeavored to describe all items to the best of our ability and a bid on an item reflects your acceptance of the condition as listed. (As you know, if no flaws are noted, that means the glass is in generally good condition.) If you mark your bid "near mint only," we will use no discretion in your bid. If there is a variance on a lot not called in the catalog (such as unlisted damage or a difference in the number of items in a lot), we will not bid on that lot for you. Please use the form (or a copy) available in the Heisey News, or from this catalog, or from our website [www.HeiseyMuseum.org](http://www.HeiseyMuseum.org) to submit your bid. Absentee bids can be submitted by e-mail, fax, or postal service.

**PAYMENT** Cash, check, cashier's check, or money order payable to HCA Auction, and Visa/MasterCard/DiscoverCard accepted. A 5% buyer's premium will be added. Buyer's premium is deleted for cash, cashier's check, money order, or approved check payments. You may send a separate check for each lot or you may send one check covering the maximum amount of all bids. Absentee Bidders must make their own shipping arrangements. See Shipping section below for further information.

In addition, if you would like to pay by check, Please consider leaving the amount blank. Designate in the memo blank of your check an amount not to exceed the total amount of your bids. The Auction Manager or HCA Treasurer will fill in the exact amount of your purchase, thus greatly cutting back on refunds. Surplus bid money will be refunded. Send in a self-addressed, stamped envelope to return your checks. HCA reserves the right to reject any bid.

**SHIPPING** Buyers must make their own shipping arrangements including payments for shipping directly to the shipper. Glass is available to be picked up by your shipper on Tuesday, April 8, 2014, after 10:00 AM at the National Heisey Glass Museum, 169 W. Church St., Newark, OH 43055. HCA is aware of the following area shippers: Express Pack and Ship: 740-366-1325, Pakmail: 740-522-2564, and UPS Store 3910: 614-939-5195. HCA is not responsible for any services provided by these vendors. HCA will work with these vendors to make sure your glass is available.

**BID SUBMISSION** Absentee bids must be received no later than Tuesday April 1, 2014, at 4:00 p.m. Eastern Standard Time. When using a credit card number, bids must be faxed to (740) 345-9638 using the absentee bidding form. When your Fax is complete, please contact the Museum to ensure it has arrived and is removed from the Museum Fax machine as soon as it arrives. The Absentee Forms with personal checks, et. al., must be mailed to Absentee Bids, National Glass Heisey Museum, 169 W. Church St., Newark, OH 43055. HCA, Inc. must have credit card information or cash, a personal check, money order, or travelers check in its possession prior to executing a bid.

**OTHER** The prices realized from this Auction will be printed in a future issue of the Heisey News. If you are not an HCA member but want to receive the results list, send \$2 and a long SASE.

# North Carolina Study Group

I have been waiting since November when President Chris and Becky Gallagher said they would host the January meeting. Two reasons - Becky prepares good food and they only collect crystal Heisey. Good food on pretty Heisey is always a winning combination for me. I'm not a Heisey purist, but I do appreciate Heisey crystal.

The Gallaghers did not disappoint any, offering up cole slaw for the pulled pork in a Fancy Loop bowl and potato salad in a Cross Lined Flute bowl. An Empress three-compartment relish held olives and homemade sliced sweet pickles and crackers nested in an Old Sandwich popcorn bowl. A lemon sauce for the bread pudding looked lovely in a Twist mayo with a #6 ladle. Homemade walnut fudge, molasses cookies and chocolate covered cherries were served on a Narrow Flute plate with an enamel border. Bread for the pulled pork was stacked high on the Empress sandwich plate. A pasta salad was presented in a Prince of Wales Plumes oval dish.

When the meeting was gavelled to start we found out that the NCHSG is solvent.

Jamie Robinson, who is a Heisey collector as well as a researcher for Replacements, Ltd., gave a positive review of two books he recently obtained and had available for viewing. Both books were printed by Museum of American Glass in Weston, West Virginia. One of the books was about Bryce Glass; the second was a collaboration by Neila Bredehoft and the family of Clarence Vogel on Heisey glassware. He pointed out the books were well done and up to date.

Jon Heron brought us current on HCA board happenings. Among his announcements was the acceptance of an invitation to come to the Seattle, Washington area for the 2015 Percy & Vivian Moore Weekend. He also shared his electronic version of the Heisey News and talked about the cost of mailing the Newsletter to members. Receiving the electronic version amounts to a cost savings on postage for HCA. One of the beautiful features of the electronic version is the pictures are in full Heisey color.

The nomination committee reported that our current officers have agreed to serve another term. They are: president – Chris Gallagher, vice president – Jon Heron, secretary – Karen Taylo and treasurer – Phil Abrams.

The NCHSG has been asked to update the auction price list which club members printed in 2010. It contains the Heisey benefit auction prices paid from 2008 – 2010. The next issue will cover prices through 2013. No date was set for completion and sale.

The winner of the raffle was Emogene Wallace who received a #1229 Octagon Moongleam jelly.

As an activity for the group, we played "the pricing game." Members were asked to guess the 1956 selling price of Heisey items. Jamie Robinson won the Heisey 1956 price game. His prize was a #1229 Octagon mint dish.

Show and Tell had a mysterious green pulled stem with a pink bowl with diamond optics. It turned out not to be Heisey, but a piece of watermelon glass by Weston Glass Co. There was a Velvedere cocktail with a #9065 B&O Railroad etch. A #1489 Puritan dresser box with George VI cutting was also shown along with a #1021 Christine pattern cream & sugar with #872 Mariemont cutting. There were two taper colognes with very beautiful cuttings as well as Heisey door handles with cross-cut. Best in show was again impossible to select.

Our next meeting is scheduled for March 8th at 12:00 noon at Replacements, Ltd in Greensboro, NC

## A Letter from your Convention Chairperson

Well, we are now another month closer to this year's convention!! I don't know about all of you, but I am getting excited for this year's festivities! Especially, since that means that summer will be here and NO MORE SNOW!! Don't get me wrong, I love snow, but also I love the warm weather, sunny days, and flip flops.

I am sure that you are all wondering what is in store for this year's convention. Well, let me give you a little sneak peak at what to expect from the welcoming dinner!! As you may know the Heisey family comes from a German background, so why not celebrate that? That is the question I asked myself. Therefore welcoming dinner will feature a wonderful German meal of bratwurst, German potato salad, and cream puffs (I bet you didn't know that cream puffs were German)!!!! A delicious meal, to honor the Heisey family background.

As you might all remember from last year's convention there was a terrible storm that decided to invite itself to the welcoming dinner, and it was moved to the Second Presbyterian Church. There was such an overwhelming positive response to the location because of the air conditioning and comfortable seating that we will be having the welcoming dinner there again.

I am very excited for the dinner and all the wonderful surprises in store for the convention. I hope that all of you are planning to attend. Again, please make sure that you are reserving your rooms, as Denison University has a large event the same week. We have rooms blocked at the Metropolitan Hotel. Also, if you are waiting to help during the convention, please feel free to email or call me! I am looking forward to seeing all of you in a couple of months.

Best Regards,  
Traci Dusenberry

When ordering by mail, please be sure to include appropriate charges such as shipping and sales tax. Please note that the HCA member discount does not apply to special project items. We prefer to use USPS. If you have not received a package, please call the Administrative Office to confirm it was sent. We will assist you in tracking it. If your package arrives damaged, please contact your local USPS representative. We insure everything.

If you would like to make a donation to the Museum or have questions regarding items on loan, contact the Museum at 740-345-2932. HCA reserves the right to accept or refuse items based on current holdings.

HCA will attempt to identify unknown glass items. Send a color photograph and measurements via e-mail to [curator@HeiseyMuseum.org](mailto:curator@HeiseyMuseum.org) or you can mail the information and a self-addressed, stamped envelope. Other arrangements should be made in advance with the Museum staff. Please keep in mind that the Museum cannot appraise items. Identification is free to members; non-members \$5 per item.
