### National Heisey Glass Museum

Heisey Collectors of America, Inc., a non-profit corporation (tax-exempt status), owns and operates the National Heisey Glass Museum. Open year round, Tuesday through Saturday, 10 a.m. to 4 p.m. and Sunday, 1 p.m. to 4 p.m., closed holidays. Other hours by appointment.

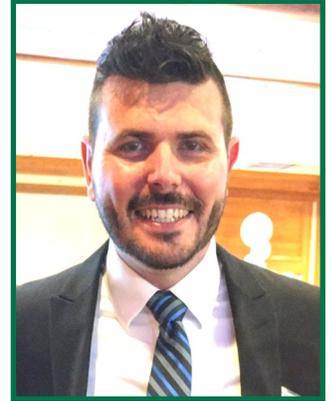

We will be closed both Monday & Tuesday for January and February of 2019

Members admitted free.

**Regular admission \$5. (children 18 & under free)**  
(effective January 1, 2018)

# Message from the President

Wow! What an Eggs-citing Spring we are having in Newark. The 46th Annual Spring All Heisey Benefit Auction was packed with Heisey enthusiasts. Thank you to the Auction Committee for your dedication in preparing and presenting the auction glass and all the details to make it a success. Please see page 24, for the financial report from Karen and what was netted for our Museum.

The Heisey Easter Egg hunt is always a thrill. Thank you to the Buckeye Heisey Club members who organize this event each year and welcome children, and their families, to visit and experience our beautiful Museum. See some photos of all the 'hopping' activity on page 5.

The Nominating Committee is excited to share with members those individuals running for the HCA Board of Directors on pages 20-21. We have two board members running for re-election of their second four-year term, Emie Heisey and Dan Kilgore; a local Newark Historian/Archivist, Leslie Wagner; another Heisey descendant, Geoff Heisey; as well as a very dedicated California Club member, Martha McGill. I personally, want to wish them all luck and know that they all would serve and represent us well!

**\*\*Last month the final version of the Convention Registration was not placed in the newsletter – the version that was included had two typos that I would like to discuss. The food options for the banquet were not included and the Factory Tour had information portraying its was available only to "Lottery Winners only". Fortunately, the FINAL & CORRECT version has been published in this edition. The tour is open to all and your food choices are now included! There was no conflicting details on the registration, just something we wanted to help registrants understand if anyone had questions.\*\***

Speaking of Convention, your Committee of co-Jockeys are very excited and doing a great job planning the convention this year! Please see the details on the registration form on pages 17. There are many FUN events planned especially for you. Even at the Banquet there will be a competition for the Best Derby Hat.

I know a few already have your hats planned, but for those who do not, I will give you a tip, so you have time to start working on your over the top Heisey hat. Men are included in this competition, so I hope to see lots of bow ties and plaid for this Off to the Races theme National Convention.

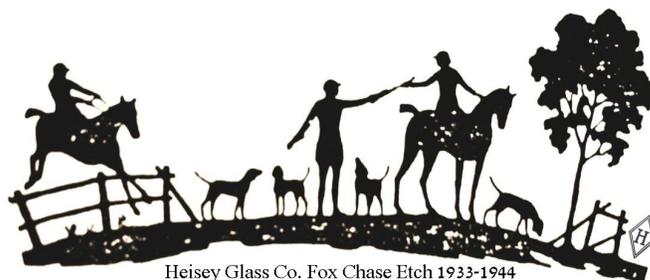

As you know the theme for the 2019 Convention was chosen to build the hype up for PVM weekend. The newly formed, Kentucky Heisey Collector Group is generously hosting the Percy and Vivian Moore weekend, Friday, September 20-Saturday, September 21, 2019. They too have some great

things lined up for us all and I am very much looking forward to their event-- where we will truly be "Off to the Races!" See page 15 for details from our Kentucky Heisey friends.

The latest update on our Museum Dreams that we are persuing is new carpeting through out the museum including the addition. This is a BIG dream, both galleries one and two, the lower level, all staircases, hallways and offices are in need of new carpet. We have chosen carpet samples both for their design and durability (much in keeping with Heisey itself!) The samples are commercial carpet squares. A recent quote came back for all areas including labor at \$30,000.00. Now I know why we have waited 25 years to replace the carpet! But this investment needs to be completed. The current carpeting is crunching under guests' feet and rippling as it's peeling up off of the floors. The current carpeting is NOT commercial and is in very poor condition. We have a \$10,000.00 donation that was intended for this or other needs in the Museum complex. We are 1/3 of the way there. I am asking you all to please assist in this important 1st impression of our Museum. The glass is beautiful, but guests lose sight of its beauty when they are distracted by the noises and humps from their footsteps as they are touring OUR Museum. If you are interested in contributing to this project, please contact us.

Survey Says...the results from our survey showed us many wants and needs for us to improve our Museum and Heisey presence. Many of these results the board also saw the need to improve and it is taking steps towards improving. One being the website. It is being completely redeveloped and we are excited to share it with you soon. In addition, it was requested that items from the HCA archives be placed on it for our viewing/research. This project is mighty, but we are in the beginning stages. Thank you again to all those who participated in the survey to better your Museum.

In Service,

## HCA Board of Directors

# Words From Your Director – Curator

It is always a very good sign of exciting upcoming activities here at Heisey Home Base when the courtyard fountain comes back to life for the first time each spring. This year we have the added pleasure of a new 460, 8 “ basket topping off the water display thanks to Roy Eggert. There has been a spectacular pageant of spring blossoms this year and the timing worked out very well for the courtyard to look splendid indeed for the annual Easter Egg Hunt (please see Photos on page 5). I know you all would have been proud of and enjoyed the rush of youthful fun that day ! Our cover gives you some hint of nature’s display and beauty this year, sorry it was taken prior to activating our fountain !

Walter and I are off on at least two road trips in days to come. Arrangements have been made to borrow some extensive collections of Heisey items that relate well to this year’s Convention theme. Travels will take us to both New Jersey and Indiana and maybe some other destinations as well. More details later or even better make plans to see the new display in Gallery 3 for yourself come Convention. In speaking about items that relate well to this year’s Horsey theme I have had a preview of our new 2019 Christmas ornaments and they are very Heisey and appealing ! ( Please see page 3 ). We hope that they will sprint off the shelves.

All is Racing ahead with plans and preparations for the always enjoyable and interesting Heisey Family Reunion time of Convention and Show and I do hope to see many of you participate in this our next big event. Our last big happening, the Spring Benefit Auction saw not only returning faces but numerous first timers as well and that was fantastic. We had so many “Vanna’s” that it was difficult to keep track and I know our dearly missed Joe Harner would have so much enjoyed and been very proud of his grandson A.J. Harner-Trent for his good job of display work. Thank-You to one and all who helped this event bring in more than it was budgeted to ! I also hope that many of you have had better luck then I have had in finding places for your new treasures.

I am sad to have to report that we have lost a treasure here at the Museum with the departure of Christa Myers our Financial Coordinator. She was here a little less than a year but accomplished so many good things. I am sure you will all join me in wishing her the very best in her new full time position. We are moving ahead with much speed in finding a qualified person for this and one other job here at our Museum and I will hope to have good things to report very soon !

May 15 marks the beginning of my seventh year here at Heisey and I look forward, with all of you, to what the future will bring. We have a fantastic slate of Board candidates to choose from and I encourage one and all of you to take some time and make your vote count. I also want to THANK in peculiar Michael Maher whose Talents, Knowledge, Enthusiasm, Friendship, and Hard work have helped make my first six years here the positive experience they have been. He is not going away however will be departing from our board and I know we will all miss his leadership and join with me in expressing a BIG THANK-YOU to him !!!!!

On to the Fun and Adventure of our Show and Convention 2019 In Thanks,

# 2019 April

## HCA MEMBERS NEW & RETURNING

Lori & Emily Barber	Ohio
Naomi Martin	Virginia
Lynn Merhige	Florida
Leslie Wagner	Ohio
Iona Walker	Texas

### H.C.A. Membership Number\*

This Month: 1173

Last Month: 1189

\*Members who have not renewed to date are not included in this number - total changes monthly.

**Carol Bowen** we were very sad to hear of the loss March 7, 2019, of Carol and her sister Joyce Deany. Carol had served as Secretary & Treasurer for her Heisey Study Club. George Bowen Carol's husband is a past president of Central Illinois Heisey Study Club. HCA members since 1976.

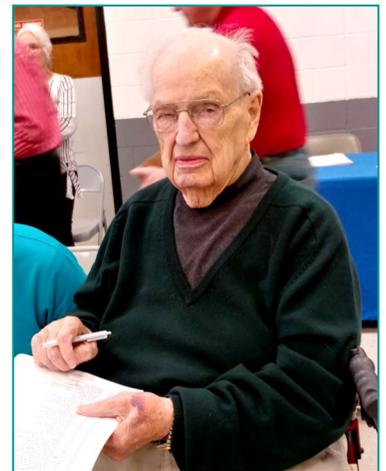

**Joyce Deany** lost her battle with cancer on March 7, 2019. She also served as an officer for her study club and helped her husband Don Deany work to keep the Central Illinois Heisey Study Club active. She was an HCA member since 1985. Joyce will be missed.

**Lloyd S. Rohrer** we are sad we have just learned of the passing of Lloyd in 2018. He was also a longtime member of HCA since 1992. He is sadly missed by his wife Marie and his HCA friends.

**Doug Sandeman** we have a note from the California Heisey Study Club of Doug's death on April 15, from his son. Doug was always happy to share his vast Heisey collection with family and friends. HCA member since 1997.

A sampling of photos to show the fun that all enjoyed at our recent, and very successful, Spring Benefit Auction. Thank you to one and all for everything that was done to promote Heisey, HCA, and our Museum.

# 2019 46th ANNUAL SPRING ALL HEISEY BENEFIT AUCTION WRAP-UP

Roy Eggert, Auction Chair

Auction was a wonderful HCA Event! Our two day Auction was held again at the GMP Local #244 Union Hall on 350 Hudson Avenue in Newark on Friday-Saturday, April 5 - 6, 2019. Our Auction was well attended with over 114 guests and members each day and we had 13 absentee bidders. We had 1,252 lots of glass from 37 consignors. The preview on Friday was from 9:30 AM to 10:30 AM with the Auction starting at 10:30 AM for the first 600 lots. On Saturday, doors opened at 8:30 AM, with our HCA Membership Meeting conducted by President Michael Maher at 9:00 AM, and we started our Auction at 9:30 AM for lots 601 – 1,252.

How did we do financially? We grossed \$71,194.39 (glass sales and buyer's premium) and after consignors and expenses are paid, we will net around \$17,500. We had a 2019 budgeted amount of \$16,000. Our average price per lot this year was \$56.68, about the same as last year's average of \$57.44. We had 18 lots of donated glass which brought \$1,525, while last year we had 32 lots generating \$2,690 – resulting in \$1,165 less than last year.

On behalf of the HCA Board of Directors and Staff, I would like to thank all the volunteers who worked, starting in January, unpacking, identifying, cataloging, and repacking the glass and then working for three straight days until the Auction was concluded. You make this event a success and HCA's largest fundraiser.

Special thanks to Walter Ludwig who graciously lent his time and Heisey expertise whenever asked; Dan Kilgore and his crew who ran the holdback area – a most difficult job; Jack Burriss who helps coordinate the event: and to Karen Taylo and Christa Myers, who performed clerking duties; and lastly to the Dayton and Buckeye Study Club members who worked tirelessly from January to April to make the Auction a success.

A big thank you goes to Craig Connelly, Auctioneer and his cohorts. They not only sell the glass; they keep us in stitches while doing so! Thanks to Kevin Burchett for continuing his role as our Auction Firm Manager. GMP Local #244's own Jimmy Gill worked to assure the hall was in tip-top shape all three days.

Also, thank you to all the consignors who consigned and donated glass to HCA and to all the Auction attendees and absentee bidders who purchased that wonderful Heisey Glass.

Hope to see all of you at the Convention in June.

# RACE to Convention 2019

June 12 - 15 2019

Hello "Race Fans"!

It was brought to my attention that the Schedule of Events for the convention that appeared in the April issue of the Heisey News was the draft. Look for the correct one in this issue.

There are no major changes but the "lottery winners only" phrase after the factory tours is incorrect. No lottery involved and there are two tours on the schedule and more can be added if there is a need. Also the time for Michael's seminar is wrong. It should read 2:30 pm – 3:15 pm.

Our "champion stud" shared some info...depending on how many "racing fans" sign up for the factory tours, there will be more than one Amber Flying Mare by Imperial available for the drawing at the Welcome Dinner on Wednesday! Does this pique your interest??? It certainly does mine!

As mentioned in an earlier issue, the factory tour is one not to be missed! So much history about our "Heisey Madness" there...if only those walls could "whinny"!

We are hoping all of you will "race" into Newark on June 12<sup>th</sup> – 15<sup>th</sup>! The "Clubhouse" has planned an exciting "program"! Plus there will be all of that gorgeous glass the dealers will have in their "corrals"! Um...can't wait!!!

That is it for this month!

Your "co-jockeys",  
Nickie Crowe, Bari Fauss, and Cheryl Hoskins

## Percy and Vivian Moore Weekend

September 20-21, 2019

Louisville, Ky

Hosted by Kentucky Heisey Collector Group

Join us for a weekend of Heisey fun  
with friends from around the nation.

# 2019 HCA Board of Directors Candidates

**Martha McGill**

Heisey has been a part of my life for almost 40 years. It was Christmas of 1980 when I received the four original Vogel books, and the rest, as they say, is history. I joined HCA in 1981 and have been a member continuously since that time. I attended my first convention in 1987. I have been a member of the Heisey Club of California since 1989, serving as the club's treasurer from 1997 to 2006 and, since 2006, as the editor of the HCC newsletter, the *Pony Express*. In 1999, during my tenure as treasurer, the club hosted the second of two highly successful quarterly meetings held in Southern California. As editor of the *Pony Express*, I turned it into a full-color electronic publication, focused on educational articles about Heisey, with plenty of photographs.

A native of Arlington, Virginia, I have lived in the San Diego area since 1975. I am a graduate of Middlebury College and the University of San Diego School of Law. I was admitted to the bar in 1980 and practiced law for almost 35 years, until my retirement in 2014. I am presently an inactive member of the State Bar of California.

Moving forward, I would like to see HCA continue the work of our predecessors to ensure the Museum's future and find new ways to share the joys of Heisey with the next generation of collectors. I would welcome the opportunity to serve.

**Geoff Heisey**

Hello my name is Geoff Heisey. My great great grandfather was A.H Heisey. I am a descendant of the E. Wilson Heisey family.

I am 48 years old. I graduated from Indiana University as an English/History double major, then went to law school there and got my JD. Currently, I am an attorney for the UAW Legal Service Plan. I live in Carmel, Indiana. Heisey glass was always all around me growing up. It was so prevalent, that quite frankly, I almost took it for granted.

After my mother died in 2006, I inherited many pieces of Heisey and then was bitten by the collecting bug. I have watched the HCA grow and thrive over the years. I realize what a unique thing it is to have a family history that spawned a world class museum and organization like the HCA. I am grateful that there were individuals who recognized the value of what was created in Newark, Ohio.

The hard work has been done by those dedicated people who established and ran the HCA for many years. They have done an absolutely wonderful job. My goal is to continue what they have worked so hard to achieve and bring a whole new generation into the fold of collectors who appreciate Heisey glass.

There are so many things I want to be involved with. Recently, I have been helping with eBay posts for the museum and I helped to start a study club in Indiana. The continued success of the organization and museum mean that new items must continue to be acquired, facilities must be maintained to take the HCA into the future, new members must be obtained and new ideas must always be entertained to keep the group relevant. I want to be involved in making sure these things happen and that the HCA can be enjoyed for many years to come.

Dear HCA Membership,

As I finish up my first term, I would like to thank you for electing me to the board of Directors. It has been an honor to work as part of the team that stewards Heisey Collectors of America and our Museum, and I am very excited by the prospect of another four years!

Serving on the executive committee as your vice president has had its challenges, but it has also been a joy! Quarterly board meetings have been accompanied by the most amazing people, sometimes places and always beautiful glass! It has been wonderful to attend events across the country; to meet so many of you; and to learn about your passion for Heisey Glass as you share your stories, your wisdom, and even your homes highlighted by your stunning collections! I've found that same willingness to give while "Vanna-ing" at Spring and Fall Auctions. I've enjoyed talking with you while we wait our turns to hold up the prizes for bidding. I've learned quite a bit from holding those pieces, and even more from the verbal treasures you've shared.

I still believe that finding ways to attract new members is crucial to our longevity. I've been excited to see us moving toward a much larger online presence as we begin to meet the needs of a younger demographic. At the same time it's been comforting to see a balance between this step forward and our continued traditions. I was delighted to be a part of Michael's first video project, and I look forward to helping in anyway I can to bring Heisey into focus for the younger generations.

I continue to be amazed by our study clubs. Especially during Percy and Vivian Moore Weekends across the country, as they plan and execute their elite events to raise money for HCA. I see a need for more club support as well as the immense value that they offer our organization. I'm working on starting a study club in the Georgia and South Carolina area to further that goal at home, but I would like to see more prominence given to the importance of our chartered clubs nationwide.

As always, I believe that the money you all have worked so hard to secure for the endowment is being well managed. Although I don't think we should get too comfortable, but continue striving to strengthen the security of our Museum by raising the endowment total. I also think that it is vitally important to continue raising the visibility of our Museum in the local community and throughout the country.

I'd like to thank you again for the last four years, and also for your consideration in the coming election. I am so proud to be a part of HCA and so eager to continue working on growing this "Heisey" family.

I'm looking forward to seeing you!

Take care,  
Xoxo Emie

**Emie Heisey**

**Leslie Wagner**

Leslie Wagner has been a resident of Licking County for six years. She moved to the area to become The Dawes Arboretum's Historian. She oversees all areas of historic curation, digitization, education and preservation. Specifically, she leads all projects related to the Daweswood House Museum, the History Center exhibit space and Archives Building, as well as contributing to educational programming and events.

Leslie holds a Bachelor's and Masters' degree in American Studies. Originally from Fredericktown in Knox County, Leslie currently serves as vice president of the Licking County Historical Society and the Ohio Local History Alliance's board as a regional representative for central Ohio.

Leslie has brought representatives from the Ohio History Connection's Local History office to tour the Heisey Glass Museum, as well as encouraged Heisey staff to attend OLHA conferences. These opportunities allow the museum to network and show off their fantastic collection and exhibit space to other museums outside of Licking County. Leslie has attended the Heisey Spring Benefit Auction and toured the museum many times from Licking County Historical Alliance meetings. She is currently on the hunt for a cream and sugar set in the Horseshoe pattern #4222 (Sahara if you please).

It has been an honor to have served on the HCA board for the past four years. It is an honor to be involved with anything Heisey. My passion for this glass has spanned over fifty years. Sue and I cherish our collection, but we mostly cherish the friendships we have made by belonging to this very unique organization. And now that I have been nominated to continue for another four years, I feel an obligation to continue serving to promote the preservation and collection of Heisey glass and to encourage growth and awareness of HCA.

It is my deepest concern that our amazing museum will not be able to sustain itself unless all of our members start fulfilling their obligation to promote and encourage growth of HCA. It is also a concern that financial obligation does not mean just large donations. The \$5 per person per month makes a huge difference if we ALL do it. If finances are difficult, volunteering in any small way is helpful to the museum. There is always work to be done there.

Please know that there are four others nominated to be board members for the next four years. Consider voting for them as I intend to continue to serve HCA and the museum as I presently do whether re-elected or not. I catalog glass and volunteer at the auctions, organize the displays for the convention, volunteer at our Christmas Open House, serve on the properties committee and inform anyone who comes near me about the amazing Heisey glassware.

**Dan Kilgore**

## Members express satisfaction with Museum and make suggestions for improvements

*(Fifth in a series of articles on results of the HCA Member Survey. See October and December 2018, February and April 2019 issues for previous stories.)*

A number of members of Heisey Club of America (HCA) expressed their satisfaction with the National Heisey Glass Museum in written comments gathered through an online survey HCA conducted last June. Members also had many suggestions to make the museum even better.

This article focuses on the survey item that asked participants how HCA could improve the museum. The dozens of comments on this item were reviewed and grouped by topic for analysis. By far the greatest number of similar comments (17) indicated that the museum is great as it is and the status quo should be maintained. Members commented on improvements in recent years, including a series of beautiful, seasonal table settings and other interesting displays, a more visible gift shop and beautiful grounds. "Always a treat to visit!" commented one member.

The new museum doors were a big hit with at least one member, who described them as "a beautiful addition to the museum." Installed last year, the new custom-made glass doors were created from pieces of real Heisey glass in crystal and a variety of colors.

Several survey respondents indicated that museum curator/director Jack Burriss is doing an excellent job but could use more support to make the museum a highlight of downtown Newark.

A number of comments were related to the physical appearance of the museum. Some were very specific, such as removing clutter in some areas, making sure lights work in all display cases, replacing a scratched display case in the second floor gallery, and replacing carpet in some galleries.

Suggestions related to operations include such things as expanding hours and being open during holiday periods when people are in town and want to visit, answering

the phone and sending thank you notes promptly, and building a volunteer program.

Several suggestions were made for improving the gift shop. One person suggested offering more gift items such as tie tacks, bracelets and more ornaments, while others suggested another eliminating non-Heisey items and reproductions from the museum.

Programming also received attention from members. Suggestions included such things as enhancing self-guided tours with the use of an app or audio device, providing interactive programs for all ages and hands on activities for children, creating a scavenger hunt that encourages children to find different types of glass, and holding special events with expert speakers and inviting the public free of charge.

There were several suggestions for expanding the museum to create more space for programming as well as displays and storage. One person suggested that a portico be added and another asked for a glass-making addition.

A number of comments were related to greater resources and information. Several people addressed Heisey company archives, citing the need to preserve them appropriately, catalog them and then provide members with access to that information. There was also interest in more information about items in display cases and clearer photos of Heisey glass in *Heisey News*.

Some suggested greater use of technology, including an updated video and creation of a virtual museum on the website.

Suggestions for improving outreach and marketing of the museum included marketing it in the Newark area and placing advertising signs on highways leading to Newark, offering free passes to get more people into the museum, offering reduced cost membership for the first year and

having Heisey family homes designated as historic landmarks.

*Watch for more member suggestions in upcoming issues of Heisey News. The next article will focus on members' suggestions for interesting younger generations in Heisey Glass and attracting them to the museum.*

Our Heisey projects for this year are prospering. You will have an opportunity to purchase the limited edition Heisey ornaments (a set of 3) in the Museum shop at Convention. Keeping with the theme, the ornaments feature Heisey's #462 Fox Chase etching. The ornaments feature Amber colored hook/loops and we are proud to have them be 100% made in Ohio by hand! Thank you to the skilled artists who make these projects, and to you all who support them, which supports our Museum.

Heisey leaves are budding and blossoming in the Museum shop! They are very popular and we nearly sold out of the first released series at the Benefit Auction. Convention will bring the bright and bold colors of Jockeys: Tangerine, Cobalt, Emerald and Marigold! These popular Heisey colors in leaves we know are going to Go Fast... \*Pun intended.

As you can see, we have a lot of things "racing" at your Museum. The bids are high and we as always - thank you for your membership, sponsorship and fellowship.

Heisey is beautiful: in durability, style and design - but also in the connections, friendships and fun we have as a group of dedicated glass collectors! This beauty is why we are proud and is what keeps us actively involved and energized in this modern age of collecting and learning about all things, Heisey Glass.

# TREASURER'S REPORT

By Karen Taylo

## Money In – Revenue

This month we are looking at our Revenue line items:

- ◆ Membership is where we book both the Associate and additional member fees. This is also where the One-time Voting Membership fee is booked.
- ◆ Newsletter Ads includes the revenue from the Dealer Directory ads, along with any ads placed by individuals or groups in the Heisey News.
- ◆ Cash donations include not only money given by members and visitors, but by Amazon Smile and other charitable endeavors such as the annual Giving Tuesday.
- ◆ Donations – This designation is used to identify money that has been given for a specific project. This is not a budgeted line item meaning we don't set an amount each year as part of the budget process.
- ◆ Acquisitions Donations would include any donation made specifically for acquiring items to add to the Museum collection. This is not a budgeted line item.
- ◆ Sales are generated through the Museum Gift Shop and also through eBay.
- ◆ Shipping generates revenue (and expense) by shipping gift shop items throughout the year. This line item also includes the money paid by members for the first class mailing of the Heisey News.
- ◆ Glass Identification is provided for individuals in the community for a \$5 fee. It's a small revenue source but is included in the budget process.
- ◆ Admissions includes the revenue from individuals visiting the Museum as well as from tour groups.
- ◆ Miscellaneous...need more be said? This "catch-all" line item includes revenue generated from renting of the Multi-purpose room....and other money that doesn't "fit" in any of the other line items.
- ◆ Interest Income is for just that, the interest generated from several of our PNB accounts.
- ◆ Benefit Auction, Dave Spahr Fall Auction, Convention and P & V Moore Event line items reflect the Net revenue from each of the events. The "actual" numbers change in the months leading up to and following the event as we take in revenue and pay expenses.
- ◆ Special Project Income is another unbudgeted line item.

Next month we will look at Money Out – Expenses.  
Please feel free to contact me if you have any questions.

## Monthly Money Watch

**Year-to-Date as of March 31, 2019**

# Proposed Bylaws Changes

## Constitution and Bylaws Committee

### ARTICLE I Meetings

#### Section 2 Annual Meetings

The annual meeting shall be held in June for the installation of elected directors and for the presentation of annual reports and transaction of other business. The election of Directors shall be held at the annual meeting which may be designated as the "election meeting." The term of Directors shall officially begin at the close of business of the annual meeting. Charter directors shall hold office until the regular election occurring during the annual meeting in June 1973.

Proposed change:

*"The annual meeting shall be held in June for the installation of elected directors and for the presentation of annual reports and transaction of other business. The election of Directors shall be held at the annual meeting which may be designated as the "election meeting." The term of Directors shall officially begin at the close of business of the annual meeting."*

This proposed change would remove the last sentence of Section 2 which references "Charter directors" holding office until June 1973.

The last sentence of this section does not serve any current purpose so we are proposing its removal.

### ARTICLE II Duties of Officers

#### Section 4 Treasurer

It shall be the responsibility of the Treasurer to have custody of all funds, accounting for same to the organization at its annual meeting and at any other time upon demand by the Board of Directors and to perform such other duties as pertain to the office including causing an audit to be made. The Treasurer shall be responsible for the collection of dues and funds of the organization and deposit them in the bank or depository named by the Board of Directors. Upon retirement from office, the Treasurer shall turn over to the successors or to the President all funds, books and accounts or any other organization property in the Treasurer's possession. The Treasurer shall furnish bond in the amount determined by the board of Directors, the cost of which bond shall be paid by the organization. (approved 3/11/95)

Proposed change:

*"It shall be the responsibility of the Treasurer to have custody of all funds, accounting for same to the organization at its annual meeting and at any other time upon demand by the Board of Directors and to perform such other duties as pertain to the office. The Treasurer shall be responsible for the collection of dues and funds of the organization and deposit them in the bank or depository named by the Board of Directors. Upon retirement from office, the Treasurer shall turn over to the successors or to the President all funds, books and accounts or any other organization property in the Treasurer's possession. The Treasurer shall furnish bond in the amount determined by the board of Directors, the cost of which bond shall be paid by the organization. (approved 3/11/95)"*

This proposed change would remove "including causing an audit to be made" from the first sentence of the section.

The phrase "causing an audit to be made" is awkward and, to some, may sound as if the Treasurer should do something to cause an audit. The Treasurer's responsibilities would

include any audit process deemed necessary and is covered by the phrase “to perform such other duties as pertain to the office.”

### ARTICLE III Board of Directors

#### Section 2 Functions

(a) The Board shall be responsible for the appropriation of all funds of the organization and shall, through the President or other duly authorized member of the Board, approve all vouchers before payment at the direction of the Treasurer. The Board shall designate the bank or depository in Licking County, Ohio for funds of the organization and determine the amount of the bond which shall be given by the President and Treasurer. The board shall receive and approve the Budget and the annual audit of the financial transactions of the organization. (approved 3/11/95)

Proposed change:

*“(a) The Board shall be responsible for the appropriation of all funds of the organization and shall, through the President or other duly authorized member of the Board, approve all vouchers before payment at the direction of the Treasurer. The Board shall designate the bank or depository in Licking County, Ohio for funds of the organization and determine the amount of the bond which shall be given by the President and Treasurer. The board shall receive and approve the Budget and the annual financial statement of the organization.”*

This proposed change would replace “annual audit of the financial transactions” with “annual financial statement”.

This change would reflect current practice. Wells & Priest, our CPA firm, provides an Annual Financial Statement which is reviewed and approved by the Board of Directors.

## Northwoods members learn about Cabochon and Patio

In the spirit of St. Patrick's Day, Chuck Bingham shares the #1201 Laverne floral bowl in Moongleam. He said the bowl was made from 1924 to 1933, also in Crystal, Flamingo and experimental Vaseline

Virginia Johnson shares a #1469 Ridgeleigh item listed as Individual Vase #4 that her daughter and son-in-law purchased recently at an all-glass estate sale in St. Paul.

The Northwoods Heisey Study Club March meeting featured a well-illustrated program by Bev Heise on two Heisey glass patterns and a show and tell of a variety of wonderful glass.

The business meeting included re-election of current officers: Doug Olson, president; Bob Heise, treasurer; Mary Olson, secretary. Other business was discussion of an appropriate memorial for recently deceased member Gordon Olsen, the meeting schedule for the year, plans for the club's mini-auction and raffle in May to raise funds for the National Heisey Glass Museum, and the national convention in June. Bev and Mary announced they will team up on a table display for the convention.

Business was conducted quickly to get down to the main event, Bev's presentation on two patterns introduced in 1951, a small pattern called Patio (#1624) and a much more extensive pattern called Cabochon (#1951, #6091 and #6092).

The Patio line, which was advertised only in the 1953 catalog, included four items: tumbler, ice tea, sherbet and juice. It was made in both crystal and an amber color called Sultana. Bev shared a tumbler in Sultana from her collection, commenting that it seemed to have a very sleek, modern design at a time when Heisey was making a lot of stems with etches and cuttings. Production of the line ceased by 1955 though it is thought it had been discontinued earlier but warehouse stock was being sold through 1955.

The #1951 Cabochon line, designed by Horace King, combines circle and square shapes. Bev defined a cabochon as "a stone cut in a convex shape but not faceted like a diamond." Considered to be Heisey's last major line, it was produced from 1951 through 1957 and included 35 items. It is described as an informal pattern with a modern feel. Imperial Glass Corporation reproduced fourteen items after Heisey ceased production.

Bev showed a two-light candlestick prominently marked with a diamond H and a covered candy dish in zircon that clearly demonstrates the combination of square base and round bowl. Other pieces in the pattern include various bowls, plates, relishes, sugar and creamer with tray, flared vase and more.

Cabochon #6091 is a crystal stemware line of eight items with pressed stems and blown bowls. Bev showed a cordial with 520B Leaf cutting designed by Eva Zeisel. It was also decorated with a number of other cuttings, including Hollyhock, Silver Iris, Cattail, Starlight, Baroness, Debutante and South wind.

Cabochon #6092 is a line of blown tumblers with solid bases, all in Sultana with crystal bowls. Bev said King felt the base was too heavy to be artistic.

In the spirit of St. Patrick's Day, Chuck Bingham brought an item in green, the #1201 Laverne floral bowl in Moongleam. He said the bowl was made from 1924 to 1933, also in Crystal, Flamingo and experimental Vaseline.

In selecting items from their collection for show and tell, Marv and Joann Christenson reflected on the beauty of Heisey after more than 100 years of use. They chose two very early items to share. The first was a #1201 Fandango toothpick. In 1892 Heisey made 62 items in this pattern, but by 1903 only 11 items remained and by 1909 only one item remained, an ice cream set. Items were made in Crystal and Emerald. "The piece is just as bright and shiny as when it was made," said Marv. "It is at least 110 years old."

The second item they shared was a #1205 Fancy Loop nappy. Introduced in 1896, this pattern included 75 items. By 1903 it had been reduced to 12 items and it was discontinued in 1909.

Virginia Johnson shared a #1469 Ridgeleigh item listed as Individual Vase #4 that her daughter and son-in-law purchased recently at an all-glass estate sale in St. Paul.

Doug Olson also shared a piece of Ridgeleigh, an oval floral bowl in Sahara that he bought at the same estate sale. He also shared two Flamingo salad plates from the same sale that look nearly identical. One was #1225 Ridge and Star made from 1924 to 1935 in Crystal, Moongleam and Hawthorne as well as Flamingo. The other was #407

Coarse Rib made from 1923 to 1937 and in the same colors. He also shared a #3362 Charter Oak goblet in Flamingo.

Bev shared a #310 Ring Band toothpick in opal decorated with blue flowers. This pattern was introduced in 1900 and made for several years. She also shared a #1220 Punt Band salt and pepper in opal. It was a souvenir of Lake Park, Iowa. Close inspection by eagle eye Courtney Markuson revealed a punctuation error in decoration; there was a comma after Lake and another after Park!

Bev also shared a #47 Regal candlestick, which had been made between 1912 and 1929. It featured gold decoration by Honesdale and a Diamond H visible at top of the column, but somewhat obscured by the decoration.

In anticipation of the *Off to the Races* theme for the 2019 HCA convention, also Bev shared her recent acquisition of #1540 Oscar horse, which was made between 1941 and 1946.

Following Show and Tell, Bev and Bob served a variety of refreshments suited to the St. Patrick's Day theme using their Ipswich tableware in Moongleam and Crystal.

## **ADVERTISING Guidelines**

Ads may be mailed to HCA Advertising, 169 W. Church Street, Newark, Ohio 43055; faxed to 740 - 345-9638; or e-mailed to curator@HeiseyMuseum.org. **Whenever possible, please e-mail your ad. Ad copy must be received by the first of the month prior** to publication. Always include your credit card type (MasterCard, Visa, Discover), account number and expiration date. When mailed or faxed, ads should be typed or printed on white paper with dark ink. Camera-ready ads are accepted, but must follow line specifications. Ads containing reproductions will not knowingly be accepted unless clearly stated (e.g. Heisey by Imperial, etc.). HEISEY NEWS accepts no further liability. In the event of a typographical error, the incorrect portion of the ad will be corrected and run in the following issue, but HEISEY NEWS assumes no further liability.

### **CLASSIFIED**

20 cents per word for members; 30 cents per word for non-members; \$5 minimum for ads less than 1/8 page. Personal ads 1/8 page limit. Abbreviations and initials count as words.

### **DISPLAY**

1/8 page: Member \$20	Non-member \$30
1/4 page: Member \$40	Non-member \$60
1/2 page: Member \$80	Non-member \$120
Full page: Member \$160	Non-member \$240

### **DEALER DIRECTORY PAGE & WEBSITE**

Standard ad \$48. per year

## **SUBMISSION Guidelines**

Send articles for publication in HEISEY NEWS to Jack Burriss curator@HeiseyMuseum.org. We will acknowledge receipt of your submission, and will advise you if, for some reason, we are not able to publish it that month. We reserve the right to edit. If you do not receive acknowledgement of receipt from Jack, please follow up with Jack.

**New submission deadline is the 12th of the month, prior to publication.**

The opinions expressed in articles in HEISEY NEWS are those of their authors and do not necessarily reflect the views of HCA. The editorial staff reserves the right to edit submissions, with or without author consent, and to refuse material submitted for publication.

## **Membership**

To join Heisey Collectors of America or to renew your membership, contact the HCA Administrative Office at 740-345-2932 or visit our Web site at

Your membership ensures the future of the Heisey Museum. Please consider opting for the Endowment level.

**Membership Levels** Any amount beyond the Associate Member fee goes into the Endowment Fund.

Associate Member (one person)	\$30
Each additional household member	\$5
Voting Member (one-time fee)	\$25

### **Endowment Levels**

Individual Contributing (one person)	\$50
Joint Contributing (two persons)	\$60
Family Contributing (parents and children under 18)	\$75
Patron	\$125
Sponsor	\$250
Benefactor	\$500

### **Membership Renewal Alert**

Check above your name on the mailing label of your Heisey News for your membership expiration date. If it is the current month, make sure your dues are paid soon to receive next month's issue of Heisey News.

### **Shipping & Handling Fees**

Additional shipping charges may be required for members living outside the USA. Rates are subject to changes made by the United States Postal Service.

To verify current rates, contact the Museum at 740-345-2932 or email business@HeiseyMuseum.org.

**Thank you!**
