# Message from the President

Dear Heisey Collectors of America,

I hope that you all had a wonderful Thanksgiving holiday! Did you celebrate traditions new and old using your stunning collections of Heisey glass? I hope to see pictures and hear all about it! I know I gave thanks this year for all of the many blessings in my life. Among them were family, dear friends and an organization that brings them all together. I'm so grateful to all of you for the blessings you bestow on HCA, and the friendship you have offered me since I became active in it.

In some ways it feels like Christmas has already come this year thanks to the many generous donations made by our members and study clubs. As you well know, it takes a lot to keep our museum looking so beautiful. The necessary upkeep and upgrades to keep us current would not be possible without these amazing gifts. The largest this year is from the Great Plains Study Club who made a sizable donation to Michael's Dreams campaign to replace the carpeting in galleries one and two. I'm so grateful for the gifts large and small that you have bestowed on our museum. A new security system for the museum, lighting upgrades for the warehouse, a new forklift to manage the moulds, funds for the digitalization of the archives, and contributions to the Endowment & Operating funds are among the highlights. I know some of you have shared with me that you have your eyes on some special pieces for the collection. Others have donated their glass to stock the Museum Shop and to raise money at our Auctions. You have shared your expertise in newsletter articles. Many of you have baked cookies for events at our Museum. You have chosen to spend your dollars in the Museum Shop, and you have given the precious gift of your time. All of these contributions keep our Museum healthy and vibrant. I thank you, from the bottom of my heart, for each and every one!

Have you finished decorating your home for the holidays? I have seen some lovely pictures of Heisey in use already, but I haven't completed mine yet. I can tell you though that your museum looks very festive! Thanks to the efforts of the Dayton and Buckeye study clubs we were ready for Santa and Mrs. Claus to visit the Louise Ream Library on the December 7<sup>th</sup>. We hope you stopped by for a photo or maybe some punch and cookies? The Clauses were there from 11am until 3pm, with free photos starting at 1pm. We'll have punch cup crafts and sweet refreshments on the lower level during that time. Then things moved up to the King House for the candlelight walking tour from 5pm to 8pm. This was a great time to bring your friends and family to visit the museum or maybe to start a new tradition with the children in your life or the friends you've known since childhood. Santa doesn't discriminate between the young and young at heart. He only wants you to love Heisey!

I wish you all a very happy holiday, and I look forward to the new year! Merry Merry!

Xoxo - Emie

## Words From Your Director – Curator

It is that most wonderful time of the year here at our National Heisey Glass Museum, not that other times are not good as well, however there is that holiday magic in the air ! Our recent open house went very well on top of a successful end of the year board meeting and with some icing of a new event ( Santa plate painting ) that could not have gone better.

The Dayton Area and Buckeye Collectors Clubs did their usual and much appreciated job of holiday decorating in preparation for the season and our traditional open house. Marilyn and Dick Smith very kindly loaned us their extensive collection of caroling figures that added much to the festive atmosphere here and Michael Maher bestowed our fountain and outdoor planters in blue lights and fresh greens. The morning of the open house found the lower level filled with children and their families excitedly working on their own Heisey punch cup craft kits and exercising coloring skills all while enjoying cookies and youth punch. Volunteer bakers had us well supplied with homemade treats that we were most thankful for (see page 10). All of you would be happy to see whole tables full of returning families that have made our day part of their family tradition. Santa and Mrs. Claus arrived around noon for free pictures, candy cane give-away and more fun. Our Louise Ream Library with its own special decorations designed by the Kilgores and a cheerful fire burning in the fireplace makes such a perfect setting for children to share their Christmas dreams with the big bearded man in red. I overheard one young boy telling his brother “You know this is the real Santa !”

In the evening the lights were dimmed, candles lit, and our famous Mock Champagne Punch (see page 15) as well as hot appetizers and more delicious cookies are served in the King House. We very much missed Mary Ann Spahr’s angelic harp playing this year, however, local harpist Olivia Claggett did an excellent job of filling the air with the soft sounds of the season for three hours. Every year it is my wish that all of you were able to enjoy and see the pleasure that so many experience while receiving some of our best Heisey hospitality. So many graciously volunteer to help in putting our best foot forward and offering those special touches that make our guests want to return.

The Tuesday after the open house again found our lower level beaming with happy children’s voices. Michael, Linda, and I have planned out a series of special events to introduce some new faces to our fantastic Museum. For this our second activity, guests were invited to paint a plate for Santa’s cookies. There were some suggested designs as well as many original creations that were painted on the back of a non-Heisey glass plate and then baked to make food safe. There were so many young parents and small children, as well as other adults here that we used all of the blanks that we had. One of my personal favorites was a little boy who painted on his creation “ Santa STOP Here “ !

Fast away the old year passes as they say and we have so much to be THANKFUL for and such a good 2020 to look forward to here at OUR HEISEY MUSEUM. In January or February our much anticipated and greatly appreciated new carpeting is scheduled to be installed giving us a fresh face to start the New Year off with and a very exciting schedule as well.

On Behalf of all of your staff here

I wish you a Merry Christmas

Happy Holidays

All the BEST in 2020

And may this be the year that you find the HEISEY you seek !!!!!!!

In Thanks,

# PROFILES of FORMER HEISEY EMPLOYEES #3

Joe Wharton

By Evelyn M. Allen

Joe Wharton was born in Barnesville, Ohio, August 30, 1900. He first went to work at the age of 15 years at the Lotus Cut Glass Co., Barnesville, Ohio, at a starting salary of 10¢ an hour. He learned to cut glass and ended his apprenticeship in 1920, and by this time his salary had increased to \$27.00 per week. In 1920 he went to work at the Cambridge, Ohio, Glass plant as a cutter and engraver. At this time they had 35 cutters and polishers.

During lay-offs at the Cambridge plant Joe worked at Huntington Tumbler Co. in 1930 and Viking Glass (then known as New Martinsville Glass Co.) in 1927.

In 1935 Joe was contacted by Emil Krall and offered a job with the Heisey Co. in Newark, and decided to take a cutting job at this plant. The reason Joe gave me for leaving the Cambridge area and coming to Heisey was that he had heard it was a good company and he had always had the desire to work here. He says on arriving here and working he found everything to be true that he had ever heard of the working conditions, the quality of the glass and treatment of employees. The skilled mechanics were some of the best in the country. He says Mr. Krall was one of the world's best engravers and he really enjoyed working with him.

Joe has worked with 150 to 200 cutting stones of different sizes. Being a very good cutter and enjoying his work immensely, Joe purchased a lathe the very day he retired from the Heisey plant and still used it in his home as a hobby. One remark made by Joe's daughter was, "I'll bet Mother is the only woman who owns cut glass jelly jars." I have noticed the different times I have been in the home that every piece of glass Mrs. Wharton touches is cut.

Joe left the Heisey plant in 1950 and went to work for Westinghouse and held different jobs such as storekeeper, packer, and toe-motor driver.

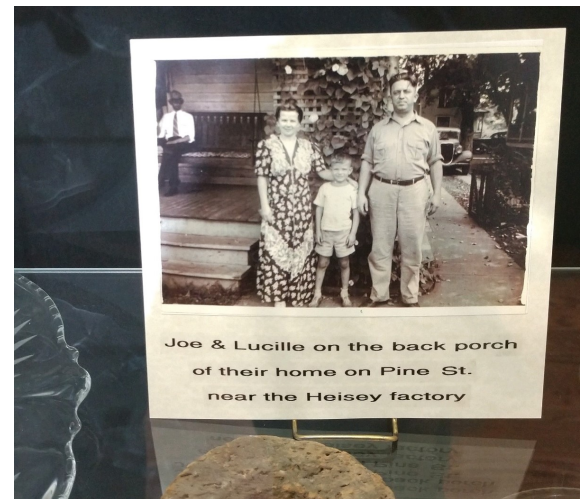

His favorite glass, as of most cutters, of course is crystal. When I asked the Whartons if their children appreciated their small collection, Mrs. Wharton told me they always go to the china closet when they come into the house and remark how lovely it is. Once, when teasing her daughter, Mrs. Wharton said, "If I ever need the money I am going to sell some of this glass." The daughter immediately replied, "Over my dead body." I guess this says enough as to how she feels about the glass. All of Mr. Wharton's work consists of his own patterns. Part of the glass cutters' code is not to copy the work of others. He does his cutting now for his family and close friends as gifts. Some of his transformations are a sculptural fish bowl from a vinegar jar and a decorative vase from a champagne bottle. Many of the more complex patterns take from four to five hours of cutting and polishing. His own cuttings were displayed at the Newark Ohio State University Branch in December 1969 and Newark people enjoyed looking over his wares.

With the experience of working on glass from several companies, Joe says that the quality of Heisey glass was outstanding and a pleasure to cut.

Joe Wharton is married to the former Lucille Lawyer and they have two children. A son, Gary Lee, is an attorney in Columbus, Ohio, and a daughter Betty Lou Frankenberry, is a housewife of Newark. They also have a white angora cat. The Whartons belong to St. John's United Church of Christ and Joe belongs to the Masonic Lodge. His hobby is fishing and, as you already know, "cutting" glass.

Mr. Wharton made one request from the Heisey News and this is it: "If any of the old glass cutters read this, I send my best and if ever in Newark, Ohio, stop and see me."

# Heisey Collectors of Texas Study Club

Greetings from the great state of Texas! 2019 was such a great year! The year brought us several new members, an amazing convention in Ohio, Percy and Vivian Moore weekend in Louisville, KY, and we awarded three lifetime memberships to our club! We also raised money for HCA during our auction in May and created the next version of Heisey Calendars (2020).

The July Meeting of Heisey Collectors of Texas was a fun-filled event! Our program was Heisey Bingo! Show N Tell included many unique finds our members discovered during their travels to Convention.

Several members attended the Percy and Vivian Moore dinner in Kentucky.

Our adventure included a tour of Churchill Downs.

The September meeting, hosted by Sally Lancaster, was in Plano, Texas. No meeting is complete without her delicious desserts!

Our September program was Heisey animals. We all know there are many beautiful animals made by Heisey but we decided to focus on the animals that Heisey incorporated into their other patterns and designs. Our members brought examples of the animals and shared numerous examples with the group:

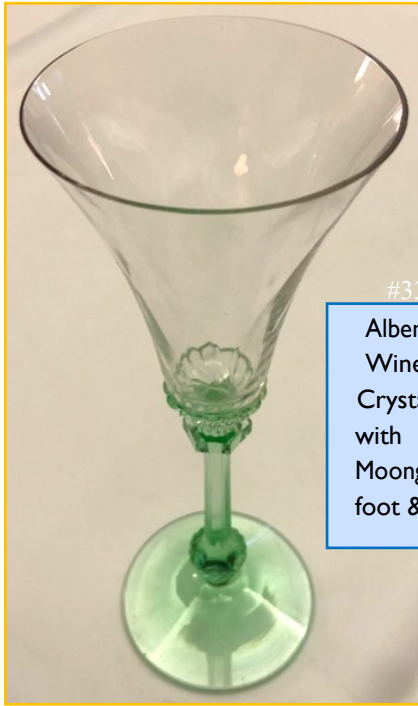

November was a special meeting. We celebrated the contributions of three of our members, Marjorie Stormer, Erma Hulslander and Charlie Baird, by nominating them for Lifetime Membership! Both Erma and Charlie are charter members of our club.

The November meeting, hosted by Mike and Sharon Sweeney, included a program on Heisey Amber. Show N Tell once again found us in awe of beautiful pieces brought by our members.

# TREASURER'S REPORT

By Karen Taylo

October was a great month for revenue at the Museum. Not only did we have a successful Dave Spahr Fall Select Auction, but we had two large groups visit the Museum during the month.

Gift shop sales totaled \$7,326. Big sellers were Pumpkins (\$3,300), Real Heisey (\$1,400), and Leaves (\$895).

We added another \$900 to Cash Operating which means we are closer to our goal of \$17,000 for the year. I would love to see us meet our cash donation goal two years in a row!

Contributions to the Endowment totaled \$2,345 making our YTD total \$25,659.38. We also received a \$200 donation for binders for the Ream Library. Thanks to the Dayton Area Heisey Collectors Club for making another Little Dream come true.

The Dave Spahr Fall Select Auction exceeded budget again this year. After expenses, we should realize \$7340 against a budget of \$6500.

As I said, it was a great month....let's keep the momentum going and finish the year on a positive (budget) note!

As the end of 2019 nears, I want to thank all of you for your continued support of HCA and the Museum this year. We have some exciting projects in the works...carpeting, security upgrades, digitization of the Archives...to name just a few. None of which would be possible with YOU! Whenever I get the chance to speak with anyone about Heisey, I always mention the friends I have made through my association with the glass. You are the best piece in my collection!!

Please feel free to contact me if you have any questions.

# Spring Benefit Auction

Roy Eggert, Auction  
Chair

Thanksgiving is over and Christmas is on the way! This means you only have a few weeks to deliver your Spring Benefit Auction Glass to the museum in Newark. The glass needs to be there by 15 January!

If you checked your closets, cupboards, curio cabinets and under your bed last year, look in your garage, basement, crawl space and storage locker this year for any glass you would like to consign. A Member may consign 40 lots, but donate as many lots as they like.

The Auction will be held April 17 and 18, 2020 at GMP Local #244 Union Hall on 350 Hudson Avenue in Newark, OH.

Please use our 2020 contract and packing list which is available for downloading on our website ([www.HeiseyMuseum.org](http://www.HeiseyMuseum.org)) and also in prior newsletters. We would like you to fill out the list, make two copies and two signed copies of the auction contract- and place them both in the box of glass you bring in or ship to the Museum. We will sign one copy of the contract and return it to you. If you have more than one box, please put the contracts and lists in the first box and copies of the lists in the other boxes as well. Our catalogers will be most appreciative!

I have a few volunteers, but I am looking for more help to check in, inspect, catalog, and repack our auction glass. If you would like to help, please contact me. It is a great way to make new friends, learn about Heisey glass, and volunteer at HCA to benefit your Museum.

If you have questions or concerns or wish to volunteer for the Auction cataloging, please contact me at [royegg54@comcast.net](mailto:royegg54@comcast.net) or give me a call at 240-361-8146.

Happy Heisey Hunting!

# Third Quarter Financials

Karen Taylo

Let's review the third quarter financials. As a reminder, three revenue line items are not included in the Total Income: Acquisitions, Donations – Dreams/Other, and Donations – Museum Capital Fund. This revenue was not budgeted so it has been excluded from the total.

We are showing a positive YTD variance to budget of \$5,822. All of the revenue line items, with the exception of Newsletter Ads and Glass Identification, are showing positive variances.

The Kentucky Heisey Collectors Group did a great job hosting the Percy & Vivian Moore Weekend event with revenue exceeding budget by \$920.

On the Expense side, we are over budget. Museum staff are monitoring hours and expenses closely in an effort to bring them in line with the budget. They are also looking for ways to decrease expenses where possible.

Again, a reminder that there are two line items not included in the Total Expenditures: Museum Expense - Dreams, and Advertising – Video Project. As with the revenue, these expenses were not budgeted.

The Dave Spahr Fall Select Auction exceeded budgeted revenue and October sales were bolstered by the sale of pumpkins but we still have work to do to meet budget this year. Please consider a donation to the Operating Fund....and, do some of your Christmas shopping from the Museum Gift Shop!

Your continued support of HCA and the Museum is greatly appreciated!!

If you have any questions, please feel free to contact me.

# Great Plains Heisey Club News

## November 9, 2019

Kathy Files, Secretary

All our meetings are “great” -- we are the Great Plains Heisey Club after all. However, our last meeting lived up to “2019 Grand Finale” status.

We met at the lovely home of Mary & Gregg Cameron in Ankeny, IA. Guest Chef Matt was on duty so delightful aromas greeted us at the front door promising a delicious lunch co-hosted by Bev & Bob Heise – we were not disappointed! After that tasty repast featuring Iowa pork (what else?) we headed downstairs for our meeting. President John Mock called us to order (no small task) convening 24 GPHC members and 4 guests. We were so pleased to have Pam & Kim Carlisle visiting from Indiana and our program presenter from Wisconsin, Dr. Chuck Bingham.

A basket was passed for lunch donations – all proceeds donated to the treasury – thank you, Mary and Gregg.

September 2019 minutes were approved and Tom Files presented the Treasurer's report. Gregg updated HCA Board activities for us. Nominations were made for 2020 officers – all incumbents – the election to be held at our March meeting. (Campaigns are underway – NOT).

John Mock was the winner of the Percy and Vivian Moore “Road Find” trophy and his recap of the Louisville event included references to the Texas Heisey Club. That trophy is really racking up some miles. Again, we thank and compliment the Kentucky Club for their efforts to make the PVM weekend so successful.

Ten of our GPHC members attended the October Dave Spahr fall auction in Newark. Many of us take part in the auction's labor force and are happy to do so. The auction was a success with great pieces of Heisey and strong bidders winning beautiful additions for their collections.

Our Club acknowledged HCA's loss of Charlene Bowman who contributed so much to Heisey with her support over the years. We considered Charlene a good friend and will miss her on every future trip to Newark.

Trudy Mock presented her “Martha Moment” showing examples of using Heisey orphans to create Christmas décor. Many of you probably saw her photos on Facebook. By the way, there were adult beverages involved.

Dr. Chuck Bingham, a member of the Northwoods Heisey Club, traveled from Eau Claire, WI, to grace us with his Verlys knowledge for our educational program. He brought a table full of beautiful Verlys examples and provided us with a booklet of information for shopping support. It was a great experience to receive this program and learn of the Verlys connection to Heisey as well as Holophane, Fenton, and France.

Thank you, Dr. Chuck, for a truly stellar program. He also provided a door prize of a lovely Verlys vase that was won by Jenny Bragg – lucky girl!

We had another table full of pieces for Show & Tell: Stanhope cream & sugar/black knobs, ½ gallon Prince of Wales pitcher, Plantation footed mayo/Rose etching/silver base, Petticoat Dolphin candlestick/Flamingo, Old Sandwich ashtray/Flamingo, oval Ridgeleigh cigarette holder/ashtray, Warwick cornucopia/Gateway cutting, Aqua Caliente cocktails—Lancaster & Equestrian etchings, National tumbler/#9012 Victory etching, Temple footed ice tea/#431 Victory etching, #8024 Pineapple cocktail, Richelieu 3 oz. wine or pony brandy, Marshall decanter/Breaching Sailfish engraving, Lodestar(?) cream made from #102 tumbler/Dawn, and Verlys pieces – salt cellar/Dragonfly design, frosted Duck over Pond soap dish, Mandarin vase/crystal.

A “50/50” auction and Jean's jam sales were held as treasury fundraisers. The top sellers were a complete Saturn condiment set in a custom wood holder, a Coronation martini mixer with #9012 Victory etching, and a Puntty & Diamond Point mucilage bottle with brush top. Thanks to all the consignors.

Our 2019 “grand finale” meeting was adjourned for dessert time. There were numerous choices provided by Chef Matt, Bev Heise, and Lynn Echternkamp to please our sweet tooth. All were delicious so the many happy remarks were very accurate and well-deserved.

This last 2019 GPHC meeting was lots of fun and very informative so we will be eager to begin a new year in 2020. Guests are always welcome to join us. We've been in existence for 20 years and look forward to beginning year #21 and seeing our Heisey family & friends and continuing to learn about our favorite glassware. More about our club including more pictures can be found on our website [greatplainsheiseyclub.org](http://greatplainsheiseyclub.org)

We wish everyone a healthy holiday season filled with thanks and a Merry Christmas.
