# Message from the President

Dear Heisey Collectors of America,

Have you started planning your next visit to our museum yet? My most recent visit to Newark was eventful but also sad. I'm sure you have heard by now that we lost Neila Bredehoft last month. I did not know her personally, but we all know of her contributions to HCA. She created the foundation of our amazing archives and in addition to being a pioneer in Heisey research, co-authored so many of the books we heavily rely on to identify Heisey Glass today. I learned quite a bit about her incredible life from her second son Tom at her funeral. He gave a lovely eulogy and there is no doubt she will be missed by many.

It seems to me that sad news is coming in waves these days. We are losing friends and loved ones from our membership too frequently. Tempering the excitement of reunion at events are the pauses for tears and reflection for those we have lost. All the more reason to continue encouraging kindness toward one another when we come together to support HCA. The gift of time and the wealth of your knowledge are things that cannot be replicated. I know I treasure my time with my collector friends and I appreciate the special gifts we all have to share. I know that you do too. I hope I'll be seeing you at the Spring Auction!

While I was in Ohio, I had the chance to see the display that Jack Burriss and Walter Ludwig put together at the State House. It is fabulous! A HUGE thank you to them both for executing this incredible opportunity to showcase the glass we love so much and bring attention to our museum. The response has been amazing, and we are now selling real Heisey in the State House gift shop! If you have the opportunity to view the installation, you should. It's really neat to see Heisey on display there!

When I returned home it was nice to find that Spring has definitely sprung here in Savannah. Heisey vases throughout my home are now filled with lovely colors from outside. Delicate roses full of buds and blooms, azalea branches bursting into color, and the last of my camellias with their showy blooms. The return of color and life has prompted me to start sweeping out the winter blues. While rearranging cabinets and displays for spring I've come across several pieces of Heisey for donation to the museum. Unfortunately, there are two for the damaged beyond repair donation box as well. Have you begun your spring cleaning yet? Please remember the museum when you are making edits to your collection. Your donations keep our gift shop stocked, and the broken pieces keep Michael's projects moving forward. I just love it when someone leaves the museum with a piece of real Heisey. Don't you? A new treasure for someone to love and maybe the spark for a new collector!

## Words From Your Director – Curator

My trusty little outdoor thermometer over the kitchen sink read 14 degrees this morning and it was indeed a little frosty as I crossed our wonderful courtyard this morning on my way into work. The good news is that there are many little green bulb heads starting to peak out of the frozen ground and a bird was in full song as strong indications that SPRING will start soon ! Inside our Museum there is even more evidence that Springtide is on its way in that the display case by the entry door( Please see our cover ), that normally showcases new acquisitions , is full of “TEMPTATIONS”. These inducements are in the form of a dazzling sampling of items that will be part of our Spring Benefit Auction. Walter has described in detail, as he is so very good at doing, on pages 16 & 17, highlights and other possibilities for us

all to dream on and your very own wish lists ( auction catalogs ) are on their way. Please enjoy the opportunities to assist our Museum and we look forward to seeing many friendly and familiar faces come April 17<sup>th</sup> !

We tried a new outreach opportunity on Friday, February 7, 2020 and it went very well. Linda Greenwood and Michael Maher did a fantastic job of organizing a wine tasting , paired with the appropriate Heisey stems of course! Mary Ann Spahr added to the candlelight atmosphere with her heavenly harp playing and a steady flow of new and familiar faces enjoyed a unique Heisey evening of fun, wine, food and our beloved glass. Mary Ann Spahr was our Board of Directors sponsor for this event and I know all of you would have been very pleased and proud of the Heisey Hospitality that was offered. I know that there will be more information about these new planned opportunities of introduction in future newsletters.

Every June there has long been another form of Heisey Cordiality that we have enjoyed and very much appreciated in the form of refreshments so graciously offered in our lower level to members and friends. I note with great sorrow the passing of Karen Clark who’s hard work and dedications made her one of the “ Faces “ and forces behind and in front of this time of rest and fellowship for many many years.

For a considerable length of time most of us have used *Heisey Glass 1896 to 1957* as one of our reference Bibles. I am fairly recent to our collectors’ world compared to many of you however I know well how much this fine publication in addition to countless others by the Bredehofts serves as both the foundation and backbone of many Heisey and glass research libraries and has been and will continue to be a very good source of information and invaluable knowledge. All of that being said I am very sorry to share the sad news that Neila Bredehoft passed away on February 14<sup>th</sup>.

To begin my words I spoke of the promise of spring and for many that is a time of seasonal house cleaning. I am very excited and thankful to The Great Plains Heisey Club for a major “ Museum Cleaning” in the form of new carpeting that is scheduled to start on March 2<sup>nd</sup> so please stay tuned and look forward to our “ NEW LOOK “.

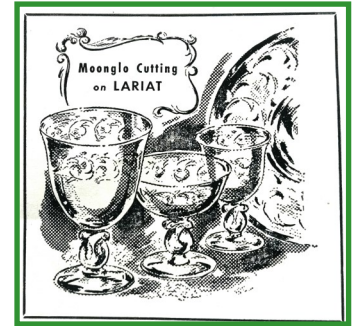

Enjoy your Auction dreaming and in Thanks to all of you,

## PROFILES of FORMER HEISEY EMPLOYEES

"Lillian Miller"

By Frances Law

With all the agitation about woman's lib, we decided it was time to interview one of Heisey's many women employees. Our journey led us to the home of Lillian Miller.

Mrs. Miller was born in Newark, Ohio in 1909. She went to school in Newark, but at age fifteen she went to work for Heisey. This was the year 1924.

Lillian Miller was hired by Lou Adkins to work in the cutting shop. Here she wiped and wrapped glass. She quit work after two years, but went back in 1927. Now she worked in the tumbler room, under Mrs. Maude Lawn. Lillian wiped and wrapped tumblers. The usual number done was from 700 to 1000 per day depending on the type of tumbler. If it had ridges, a brush run by a machine was used on it. She remained in this department for two years.

Lillian then moved into the stock room as an order clerk, where she assembled glass to fill orders, then the glass was put on a bench for the packer. After being packed in a barrel or keg it went to the shipping room. Mrs. Miller left the Heisey Company in July of 1948. She had worked a total of twenty four years for the company. That's filling a lot of orders.

The employees were busy all the time. Her boss in the stock room was Bud Hinger. There were three order girls and three packers. There was parcel post in the stock room operated by Jeanette Swartz and Thelma Forbes.

Mrs. Miller said the working conditions at Heisey were good. In fact, she thinks it was the best place she ever worked, and she was employed by other companies later.

Her first pay check for a week was \$9.25. She moved on to the stock room where one could get a bonus, too. Her salary was average for a woman at that time, but, alas, not equal to men's pay.

When Lillian first began work, she was considered Heisey's baby. She had to go home earlier than other workers, as she was not yet sixteen years old. When she reached her sixteenth birthday, she could work a full day.

Lou Adkins had charge of the cutting room, tumbler room, and blow shop. Mrs. Miller said she was a wonderful woman to work for.

She remarked that they were glad to see Paul Fairall every morning as he brought the orders to Bud Hinger. The orders were then parceled out to the girls.

Lillian left Heisey in 1948 to marry Clarence Miller, a deputy sheriff. Later she went to work for Grants where she remained for nineteen years. The Millers are now retired and spend their winters in Texas.

Lillian lavished the usual praise on Heisey glassware. She said it was considered the best in the world. That is one opinion we don't dispute.

It was interesting to learn that when a Heisey employee got married they were given a barrel of glassware. There couldn't be a nicer gift, now could there?

Mrs. Miller has one daughter, one grandson and one great granddaughter. This lady is very youthful looking and attractive to have a great grandchild. It was a delightful afternoon spent in the Millers attractive home listening to Lillian reminisce about her enjoyable years as a Heisey employee.

# 2020 Spring Benefit Auction

Our 47th Annual Spring Benefit Auction will be held Friday and Saturday April 17 and 18, 2020, at the GMP Local #224 Union Hall at 350 Hudson Avenue, Newark, Ohio. Our favorite auctioneer Craig Connelly and his team will call the Auction. Food and beverages will be available.

The Auction begins on Friday morning with the preview at 9:30 and the Auction at 10:30 a.m. offering lots 1- 600. The Auction activities will continue on Saturday with the preview at 8:30 a.m. and the auction at 9:30. The HCA quarterly meeting will be held at 9:00.

We will have 1228 lots of beautiful Heisey glass and Heisey made by other glass manufacturers in the Heisey molds. The 2020 Spring Benefit catalog was mailed the end of February to HCA members who consigned glass and to successful bidders from the last two years. We will have catalogs available at the clerk's table for those who did not receive one.

The Spring Benefit Auction is HCA's largest fund raiser of the year with 100% of all proceeds going to support the Museum. If you cannot attend in person and would like to bid, an absentee bid form and instructions are available in this issue of Heisey News.

All absentee bids must be submitted by **Saturday, April 4, 2020 by 4:00 PM.** There will be **NO EXCEPTIONS!**

If you are a successful absentee bidder you will need to make arrangements to have your glass shipped. Some local shippers are listed on the absentee bidding instructions. HCA does not endorse any particular shipper and is not responsible for any of the services provided by these shippers. HCA will work with the shippers to make sure your glass is available. The glass will be available for pick-up at the museum the Tuesday following the auction, April 21 after 10:00 AM.

Our auctions cannot be carried out without the help of lots of volunteers. Volunteers are needed to help hold up the glass as it is being auctioned (Vanna), and to move the glass to the holdback area and clean up after the Auction. This is a great way to meet fellow collectors and learn about Heisey glass. If you are interested in volunteering please contact me at 240-361-8146.

We look forward to seeing you at this always enjoyable and exciting Heisey Benefit Auction!

Remember: Bid often and bid high!

## 2019 Year End Financials

The December Financials are in so let's see how we finished the year. Follow along as we discuss the information on the 2019 Budget VS Actual statement.

As a reminder, four revenue line items are not included in the Total Income: Donations – Dreams/Other, Donations – Video Projects, Donations – Museum Capital Fund and Acquisitions Donations. This revenue was not budgeted so it has been excluded from the total. On the Expense side, there are three line items not included in the Total Expenditures: Museum Expense – Dreams, Advertising – Video Projects and Acquisitions. As with revenue, these expenses were not budgeted.

First we'll look at our Revenue: December Gift Shop Sales totaled \$4,200.72 against a budget of \$6,000 for the month. While we did not meet our sales goal for the month, we ended the year ahead of budget by \$559. We exceeded our Cash Donation goal for the second year in a row, bringing in \$17,485.

In fact, we exceeded budgeted revenue in a number of areas: Newsletter Ads (\$12), Shipping (\$629), Admissions (\$101), Benefit Auction (\$1,392), and the Dave Spahr Select Auction (\$822), and Convention (\$2,246). The Percy & Vivian Moore weekend event, hosted by the Kentucky Heisey Collectors Group, exceeded budget by \$920. We also had \$1,355 in Miscellaneous revenue and the Endowment Transfer was \$2,411 more than budgeted.

When you do the math, Revenue exceeded budget by \$9,709.

Now let's look at a few line items on the Expense side: Salaries and Wages were over budget by less than 7% (\$6143).

Museum Expenses exceeded budget by \$2501. The Advertising overage of \$2121 was a result of Video project payments. Michael raised over \$11,000 for the project but needed a little help with the final payments. Can't wait to see the end result!

We had computer issues throughout 2019, resulting in additional support and equipment expenses. The Computer & Website line item was over budget \$3559. In December, the Board voted to replace the Museum server. The Lease Equipment line item was over budget by \$2142.

Overall, Expenses were over budget by \$13,740.

As a result, we missed budget by \$4031 or 1.8%. Anna, Jack and I would prefer to say we made 98.2% of budget.

I would like to include, in the budget discussion, what a stellar year we had as a result of Michael's Dreams. A total of \$62,717 was donated in 2019 for the following Dreams, Big and Small:

New Museum front entry sign

Big wheel cart

Window film in the Hollywood Gallery

Motion lights in alley ways

Drone footage of the Museum exterior

Blue glaze jardinières

Desk chairs (3)

Table pads for the King House table

New carpet in the Addition

Security/fire security system update

Digitization of slides and archival items

Forklift

Even though we did not meet budget, it was a great year for HCA and the Museum. The reason it was a great year: YOU! What a wonderful, generous group of members we have! Thank you for your ongoing support of our organization. Here's looking to a spectacular 2020!

Please let me know if you have any questions.

# TREASURER'S REPORT

By Karen Taylo

## Financials

January is in the books and I am over the moon with the results....Sales for the month equaled \$1962 with Real Heisey accounting for \$916 of the total. Donations to the Endowment totaled \$1428.27 and the Operating Fund is beginning the year with \$2297. Michael's dreams continue to come true with a \$10,020 donation...talk about aiming for the stars!!.

## Dreams Update

The down payment has been made and the carpet for the addition has been ordered! We are all excited about having the carpet replaced thanks to the generosity of the members of the Great Plains Heisey Club!

## Tidbits

#GivingTuesday: Our #GivingTuesday campaign on Facebook netted cash donation of \$545. Thank you to all who contributed.

Did you know that Anna, Jack and I meet each month to discuss the Museum financial statement? We do a thorough review of line items not meeting budget expectations and discuss corrective actions going forward.

Please feel free to call if you have any questions.

# 2020 Heisey Spring Benefit Auction Absentee Bid Instructions

As absentee bidders, we will bid competitively for you at the HCA Spring Benefit Auction, April 17 - April 18, 2020. In case of duplicate bids, the earliest postmark wins. Bids must reflect the listing in the catalog as to lot number, pattern, description, and condition. The minimum absentee bid per lot is \$15.

You set the maximum amount you are willing to pay on each lot. If successful, the remainder will be refunded. Please use good judgment in arriving at your maximum bid figure. Remember, there are minimum limits to raises that the auctioneer will accept (smaller items \$2.50, larger items \$5, \$10 or as much as \$25). Lots containing multiple items will be as one lot to the successful bidder. Normally, these are not split-up, however, there may be some exceptions to this.

Please indicate on your bid the desired condition of the item on which you are bidding. We have endeavored to describe all items to the best of our ability and a bid on an item reflects your acceptance of the condition as listed. (As you know, if no flaws are noted, that means the glass is in generally good condition.) If you mark your bid "near mint only," we will use no discretion in your bid. If there is a variance on a lot not called in the catalog (such as unlisted damage or a difference in the number of items in a lot), we will not bid on that lot for you. Please use the form (or a copy) available in this Heisey News, or from the catalog, or from our website [www.HeiseyMuseum.org](http://www.HeiseyMuseum.org) to submit your bid. Absentee bids can be submitted by e-mail, fax, or postal service.

**PAYMENT** Cash, check, cashier's check, or money order payable to HCA Auction, and Visa/MasterCard/DiscoverCard accepted. A 5% buyer's premium will be added. Buyer's premium is waived for cash, cashier's check, money order, or approved check payments. You may send a separate check for each lot or you may send one check covering the maximum amount of all bids. Absentee Bidders must make their own shipping arrangements. See SHIPPING section below for further information.

In addition, if you would like to pay by check, Please consider leaving the amount blank. Designate in the memo blank of your check an amount not to exceed the total amount of your bids. The Auction Manager or HCA Treasurer will fill in the exact amount of your purchase, thus greatly cutting back on refunds. Surplus bid money will be refunded. Send in a self-addressed, stamped envelope to return your checks. HCA reserves the right to reject any bid.

**SHIPPING** Buyers must make their own shipping arrangements including payments for shipping directly to the shipper. Glass is available to be picked up by your shipper on Tuesday, April 21, 2020, after 10:00 AM at the National Heisey Glass Museum, 169 W. Church Street, Newark, OH 43055. HCA is aware of the following area shippers: Express Pack & Ship: 740-366-1325, Pakmail: 740-522-2564, and UPS Store 3910: 614-939-5195. HCA is not endorsing any shipper and is not responsible for any of the services provided by these shippers. HCA will work with shippers to make sure your glass is available.

**BID SUBMISSION** Absentee Bids must be received no later than Saturday, April 4, 2020 at 4:00 p.m. Eastern Standard Time. NO EXCEPTIONS. When using a credit card number, bids must be faxed to 740-345-9638 using the absentee bidding form. When your Fax is complete, please contact the Museum to ensure it has arrived and is removed from the Museum Fax machine as soon as it arrives. The Absentee Forms with personal checks, et. al., may be mailed to Absentee Bids, National Glass Heisey Museum, 169 W. Church Street, Newark, OH 43055. HCA, Inc. must have credit card information or cash, a personal check, money order, or travelers check in its possession prior to executing a bid.

**OTHER** The prices realized from this Auction on all lots will be printed in a future issue of the Heisey News. If you are not an HCA member but want to receive the results list, send \$2 and a long SASE.

We will make every effort to execute all absentee bids – however, due to the large volume of bids that we receive, bids are occasionally misplaced or misfiled. Thank you for your understanding. # HIGHLIGHTS OF THE 2020 SPRING AUCTION

Walter Ludwig

We have finished cataloging the items for the 2020 Spring HCA Auction. After four full days we have 1,228 lots for you to consider. These offerings represent the full range of production of the Heisey Glass Company from their beginnings until the doors closed in 1957. There is something for everyone in this auction from the standard production to true rarities that you never are given a chance to buy.

This is the auction to come to if you would like to start a collection, find the ideal wedding gift, or if you are a long time collector needing to add a special piece to your collection. The auction abounds in those old standbys of 1503 and 5003 Crystolite, 1540 and 5004 Lariat, 1567 and 5067 Plantation, 507 Orchid etch, 515 Heisey Rose etch, and many examples from Heisey's colonial lines. This year we also have a good number of lots in 1469 Ridgeleigh and 1506 Provincial. This is an auction rich in candlesticks and creams and sugars, but there is also a large number of "little things" including an unusual number of ashtrays, nuts, and salt and peppers available.

The animal collector will not be disappointed with the wide array of offerings including a 4 Swan/5 Cygnet (Lot 65) and a 1540 Plug Horse in Cobalt (380).

Among the old patterns, we have several nice pieces in 160 Locket on Chain including table cream/sugar/lid (1118), molasses (1122), and a beautiful molasses with ruby stain/gold (1119). We have a complete 1235 Beaded Panel & Sunburst wine set – tray, decanter, and 6 wines (1201). Candy jars include a 465 Recessed Panel ½ pound in Moongleam (1121) and a 341 Puritan 5 pound (1120). There are many full punch bowl sets including 1235 Beaded Panel & Sunburst (18), 433 Greek Key cupped (45), 343 Sunburst (61), 341 Puritan (74), 1506 Provincial (76), 1205 Fancy Loop (336), 1540 Lariat (677), and 350 Pinwheel & Fan (703). I think one of

the most outstanding colonial pieces that Heisey made is the 351 Priscilla 10" extra high comport which we are offering as Lot 1011.

We have an exceptional number of lots in 150 Banded Flute this year including: 10" high footed bowl (668), molasses (758), and the rarely seen three piece oyster cocktail set (766). The oyster cocktail set includes underplate, large bar (oyster cocktail), and a fingerbowl that has a seat to hold the oyster cocktail.

Outstanding pieces in color include a pair of 1405 Ipswich candlevases in Flamingo with crystal inserts (1056) and a 1951A Elephant handled mug in Amber (968). Lot 1213 is a pair of 1251 Unique plates in Moongleam; they are called unique because they are so unusual in that they have a built in well to hold cocktail sauce or the like. One consignor sent us four 1506 Provincial footed candy jars in Limelight (Lots 835-838) and they will be sold choice. Among the many cordials available there is a 3416 Barbara Fritchie with Sahara bowl (394).

Barware collectors will not be disappointed with the array of 3397 Gascony decanters with different decorations: 460 Club Drinking (338), 455 Sportsman (828), and 454 Antarctic (1059). Lot 1057 is a 4027 Christos decanter with 469 Mermaid etch. We also have an 8 ounce soda in 2401 with 2 Tall Sailboat etch (538).

Other interesting pieces include a mounted doorknob with the crisscross design (14), 7025 Twelve Rib compote (117), 1447 Rococo muffin (354), 3408 Jamestown bell with 913 Everglade cut (840), and a 3416 Barbara Fritchie compot (1014).

There are two 517/197 Daniels tumble up sets available in this auction (155 and 1013). Probably the cutest item is a little whimsy made in the 464 Ribbon Candy pattern (1077). A nappy has been cupped to make a 2 ½" rose bowl and then further enhanced by frosting the ribbon candy band.

There are many large lots with a variety of items in them. These are perfect for the beginning collector. But if there is something in the lot you really want, the rest of the items will make good gifts or you can consider donating them back to the Museum for our fund-raising efforts.

All of these beautiful items can bid on at our  
Spring Auction  
April 17, 2020 and April 18, 2020

## Heisey Collectors of America National Convention

June 17 – 20, 2020 | Newark, Ohio

Join us! Register at [www.heiseymuseum.org](http://www.heiseymuseum.org)

### A special message from the 2020 Convention Co-chairs:

A successful convention takes a team effort. Thanks to all of you who have reached to ask us how you can help.

In this e-mail you will find information on various ways to participate:

[CALL FOR VOLUNTEERS](#)

[CALL FOR PRESENTATIONS](#)

[CALL FOR AUCTION ITEMS](#)

[CALL FOR AWARDS NOMINATIONS](#) (New this year!)

#### CALL FOR VOLUNTEERS:

We need your help to make this convention a success. If you are willing to assist us in a volunteer capacity, please email [HeiseyConvention@gmail.com](mailto:HeiseyConvention@gmail.com) so we can discuss opportunities that match your time commitment, passion and expertise.

#### CALL FOR PRESENTATIONS:

Each year we offer interesting, insightful and educational seminars throughout the weekend. We are seeking ideas for these sessions and ask that you submit suggestions for topics and/or presenters by emailing [HeiseyConvention@gmail.com](mailto:HeiseyConvention@gmail.com) for consideration.

#### CALL FOR AUCTION ITEMS:

What would the convention be without the Silent Auction and Live Auction? These auctions are both very fun in their own special way. To make them a success we need your help! Many study clubs donate thoughtful items to the silent auction. 25% of the proceeds go to the HCA, so we are asking all study groups to please consider donating something for it. Then there is the live auction at the banquet. It may be hard as a collector to part with something special. But, we all have wants and making room for a wanted item just might make it more of a reality. Please consider donating a desirable item to the live auction. These should be a little more interesting than just the run of the mill item.

#### CALL FOR NOMINATIONS:

We thought we would have a little fun this year and give some recognition for all of the hard (but fun) work that is being done for the HCA. These awards offer a unique opportunity to thank those who stand out in advancing HCA's mission. These are a one time trial, but who knows ....

##### Flying Mare Award - Distinguished Service

Dedicated members who, through their service, make an outstanding contribution to HCA are usually overmodest, unpaid and unthinking of reward. Nonetheless, recognition is important. An action that begins with unbridled passion for Heisey glass, evolves into aiding the advancement and the preservation of the history of the A.H. Heisey Company. This award provides that recognition for someone who faithfully renders outstanding service to the HCA.

##### Toujours Crystal Apple Award - Education

Champions of research, education and the life-long study of Heisey glass are integral to the growth and understanding of members and collectors at large. This award recognizes individuals who have published educational articles in Heisey News and proactively share historical knowledge and expertise of the A.H. Heisey Company and its elegant glassware

### Fox Chase Wild Things Award - Collecting

Collecting is an endless journey of discovery. Our members spend countless hours "out in the wild" finding Heisey treasures. This award highlights those ambitious collectors who are committed to the quest for a unique find at an unbelievable price.

### Fandango Newcomers Award - New Members

New members to an organization are the pipeline to the future. This award celebrates ambitious newcomers who have made an immediate and meaningful impact on HCA within their first five years of membership.

### Tally Ho Study Club Impact Award

Study clubs are the lifeblood of the HCA. They serve as a vital resource to build communities of passionate people who dedicate their time, talent and treasure to the organization. This group award recognizes members who, together, have made a bold impact on the education, preservation and promotion of Heisey glass while finding unique ways to financially support the priorities of the HCA in the past year.

If you have any questions or ideas about how to make the Heisey Convention 2020 extra special, please reach out to us any time at [HeiseyConvention@gmail.com](mailto:HeiseyConvention@gmail.com). We are committed to making convention fun and interesting to our participants and bringing in support for HCA. With your help we know this will be a successful convention. Thanks in advance!

## WE ARE SEEKING PARTICIPANTS FOR CONVENTION 2020 DISPLAY

When January rolls around we open our new calendars and start planning for the New Year. You know, so we won't forget important birthdays, anniversaries, there's family reunions, etc. Then we enter our favorite family reunion in June, the National Heisey Glass Reunion, I mean Convention!

For those of you who are lucky enough to call it a vacation reunion, like we used to do, you have no idea how much planning, decision making and reservations that have already been made for another special time together. We are already working on our table floorplan to be ready for opening night on June 18<sup>th</sup> 2020 at the Gibbs Ice Arena adjacent to the wonderful dealers show.

We are seeking individuals, groups, study clubs and anyone who is interested in showcasing their collection. Convention participants and those attending the show and sale at the ice arena will be able to enjoy, learn and hopefully become enthused as new collectors and future HCA members.

Our convention theme this year is "Fly Me To The Moon." You immediately think of all the "Celestial" motifs the Heisey company created: #6000 Celestial, #5044 Constellation, #5087 Comet, our famous John "Glen" #4121, #1632 Lodestar, #112 Mercury, #113 Mars, #114 Pluto, the #1493 World, or the #1543 Satellite candlesticks as well as the patterns #1626 Satellite and #1485 Saturn. How about the #1466 Star relish or #1245 Star and Zipper? OK maybe we're stretching it!! Did we mention Zodiac? And then there are the cuttings: too many to mention, but someone bring us a display of #980 Moonglo! Some of us are old enough to remember the song, "Fly Me To The Moon." What a lovely romantic setting that would make. We also welcome any display that doesn't necessarily pertain to our convention theme, e.g. a collection, whimsies, ephemera, educational materials or a setting of your favorite pattern any way you would like to display it.

Tables are available in 48" diameter with a white cover or 6' and 8' rectangular tables with blue covers. They will be set up and ready for your display. Please, call us for further details and any questions you might have.

Thank you for your consideration and participation,
