# Message from the President

Dear Heisey Collectors of America,

I had hoped to be writing you this month with an enthusiastic invitation to join us for Percy and Vivian Moore Weekend in October. Sadly, I am writing instead to let you know that the board voted to cancel that fundraiser for this year. The vote also included the decision to push the Fall Benefit Auction off until Spring. Roy will fill you in on the details later in this issue, but I wanted you to hear it from me first. There just isn't a good way to bring everyone together safely when you consider not only the events themselves, but travel and accommodations as well. I think we are all feeling a little discouraged as we miss one Heisey event after another. This time last year I was reminiscing about convention and finalizing my travel plans for PVM in Kentucky. We will come through this though and I cannot wait to see you all when we are able to meet again!

As we've weathered these many months I continue to be impressed by our members' connectivity, creativity and generosity. As you will read, the Great Plains Club had their July meeting virtually this year with an impressive turnout! I think it's wonderful that they took the time to make it happen, to keep their club engaged, and to continue fostering a love of Heisey. I understand that not everyone has the ability to connect this way. So I would love to hear the ways you are keeping in contact with your Heisey family. If you have access to a computer I highly suggest that you check out the Heisey Glass Collectors' page on Facebook. It has been incredibly interesting and fun to see so many collections and so much Heisey in use! William McKelvey even includes recipes with some of his gorgeous images and marine backgrounds. Which reminds me, would you please take a picture for me the next time you serve something yummy in Heisey Glass? I'm still collecting recipes and images for the HCA Cookbook. I'll post the original article "Calling All Cooks" on the website for specifics, and you can look for a new recipe in next month's Heisey News as a guide. I'm looking forward to seeing your creations!

Looking ahead, I think the holidays will be very different for us all in one way or another this year. With everything that is happening in the world today it can be hard to get excited about the future when there is still so much uncertainty. That's why it is so important for us to stay connected and to find new ways to continue our traditions. I'm not exactly sure what that looks like yet, but you better believe it will involve Heisey Glass! Have you given any thought to how you might celebrate your traditions differently this year? How can we make this year memorable in a positive way? I think there will be a lot of clever ideas surfacing in the next few months. I'm looking forward to seeing some beautiful pieces being used and shared at the very least!

One thing I can say with certainty, is that the Museum will need your continued support as together we hold strong through this pandemic. Your generosity has been, and will always be, very much appreciated! We are cautiously moving forward with the new projects that you made possible at the Museum, and your generous donations to the operating fund are definitely helping to ease the loss of our event income this year. If you haven't ordered your Christmas ornament, one of the beautiful calendars donated by the Texas Study Club, or the fabulous table setting book from William McKelvey, you should give the museum a call today as they are selling very quickly. This year's pumpkin will be released the first of September and it is an adorable Victorian with a beautiful stem. I'm looking forward to adding one to my collection. Witch's Balls are new this year and will be available October first, so be ready to snatch yours up!

As always, please stay safe. My Heisey family would not be the same without you!

Xoxo - Emie

# Words From Your Director – Curator

I have the sense that for many of us the concept of “time” has been very different over the last few months. There can be sameness to most days, day after day, so that some of us are not even sure where in the week we are. Many much looked forward to seasonal activities, including our much missed Convention and Show have not happened at all, leaving “holes” in our calendars. Countless other events for the future including our Fall Auction and Percy and Vivian Moore events have recently been cancelled. We are not sure about making plans and anticipation is somewhat difficult. All of that having been said, how did it become “time” to pen my August article?

On the cover this issue we feature a photograph of our newly and very brightly illuminated warehouse. The installation of modern lighting in this very important Heisey space has long been in the planning phase, and we are very excited to share and use the final results that you our members made possible. The dark old fluorescent lighting had served for many years but made some planned projects impossible. Michael Maher arranged for the donation of some used lighting fixtures. Holland Brothers Electric Company, our faithful electricians illustrated on our back cover, skillfully updated and retrofitted these old units with new, very bright, and efficient LED bulbs. With the anonymous donation of money to purchase a new (to us) fork lift, we were able to supply a moving platform for the high overhead installation work. Robert Harrison and others made generous donations that made this work possible. Many of you will unfortunately never have the opportunity to view the warehouse, but please appreciate the fact that you are actually able to see things there now that were before lost in the dark. Our nine new glowing lamps make such a big improvement and allow numerous projects to move ahead. Thank-you to all of you that made this possible and we look forward to updating you in the future!

As many of you are aware our beautiful Heisey doors reopened to the public on Tuesday July 7<sup>th</sup> for the first time, since March 14<sup>th</sup>. We are very happy to at last be able to show off our much appreciated new carpeting in Gallery One and Two and greet you our members and the public again. However, there are some changes to be aware of as well. Your Museum staff works hard to make this a friendly and welcoming place, and we have some additional challenges these days. Your temperature will be taken as you enter, and there is a brief questionnaire and release form to be read and signed. Your staff and all guests will be wearing masks; if you do not have your own, one will be provided. There is a limit to the

number of guests permitted in the Museum shop at a time and the handling of glass is limited. All of our drinking fountains have been turned into hand cleanliness stations, and there are safety guidelines posted throughout the Museum. Daily sanitation measures have also been implemented. We are following the Ohio State and Ohio Museum Association's best practices for safety and wellbeing of guests and staff alike and most people have been patient and understanding so far, for which we are all very grateful. We are here and happy to help in any way possible as always and are very appreciative of all the phone orders and thoughtful donations that have been made.

Time is indeed strange these days; however, as we all know, Heisey is timeless and has stood the test of time. I find that most encouraging and hope that you will as well!

*Jack*

# AUCTION UPDATE

Here we are in the “dog days” of summer. The weather is hot, and so is the Coronavirus. Sadly, HCA has decided for the safety of everyone involved in the auctions to postpone the Fall Benefit Auction until April 16 and 17 of 2021. This was a difficult decision to make, but the safety of everyone is paramount.

Since we are moving the Fall Auction to the spring, we will use the same catalog with the additional items published in last month’s Heisey News. No changes will be made, and no other glass will be added to this auction. As a result, HCA will not be accepting any other glass consignments until further notice due to a lack of storage space. HCA will announce dates for the 2021 Dave Spahr Fall Select Auction and let members know when to submit consignment lists for review by the Auction Committee. Consignors will be notified of the selected items by phone, email or snail mail.

Speaking of the Dave Spahr Fall Select Auction, HCA is looking into the possibility of working to conduct both a gallery and online auction in the fall of 2021. We think this is an excellent opportunity for HCA and our consignors to reach a wider audience through an online presence. There is still lots of work to be done so we will keep you updated on our progress.

Stay well and happy Heisey hunting.

## June Financials

The June financial report is not available yet. Look for second quarter numbers in next month's newsletter.

There are some preliminary June numbers to share. As anticipated, income did not meet budget. Revenue for June was approximately \$8,774 against a budget of \$21,111. Cash donations for the month equaled \$3,466. Gift Shop sales improved, totaling \$2,603, on the strength of 2020 Christmas ornament sales.

The Museum staff members continue to hold the line on non-essential spending. Based on payroll and information provided at the weekly financial meetings, June expenses should come in under budget.

## Paycheck Protection Flexibility Act

As you may recall, we were approved for a Paycheck Protection Program (PPP) loan under the CARES Act. The funds were to be used to support payroll and utilities over an 8 week period. With the enactment of the Paycheck Protection Flexibility Act, the timeframe was extended to 24 weeks. The loan is 100% forgivable as long as we can demonstrate the funds were used for their intended purpose.

## Tidbits

The #COVIDCocktailChallenge added another \$251 in June, bringing total donations to \$6,323. Thanks to the Maher family for posting the challenge and to all who participated, money-wise and pucker-wise!

Have you done more online shopping over the past several months? Purchases through AmazonSmile generate donations to the Museum....easy-peasy!! Just choose Heisey Collectors of America, Inc. as your charity to support.

## Cash Position...now and going forward

I am pleased to report our cash position remains stable. You have done a tremendous job in supporting the Museum over the past months. Your continued support is key to our ability to maintain a strong financial position.

Please feel free to contact me via email or phone if you have any questions.

Be safe. Maintaining social distancing is critical! Wearing a mask in public is critical! Washing your hands is critical!

## A Special Thank You...Continued Karen Taylo

Every donation to the Museum is appreciated, but I wanted to extend a special THANK YOU to those who have donated to the Operating Fund from June 12<sup>th</sup> through July 11<sup>th</sup>.

# MUSEUM ACQUISITIONS (NON-MONETARY) – July 2019 – June 2020

Compiled by Walter Ludwig

The Museum has been extremely fortunate to be the recipient of a great deal of wonderful glass during the last year. Some pieces were donated specifically to be added to the collection, but we received a lot of glass that was designated for the benefit of HCA. All of this glass is reviewed, and any item which is not found to be in the collection is also accessed into the Museum collection. The remainder is designated to be sold either in our Museum Shop or at a future auction.

Some of you have inquired as to what the Museum would like to add to our collection. For a long while the Museum's objective was to have a good representative collection with examples of all patterns, colors, and decorations done at the Heisey factory. We have now expanded the collection objective to have a solid study collection that encompasses all the production that A.H. Heisey & Company produced. Any piece that the Museum does not own would be accepted. If you have a piece that you think the Museum does not own, call the Museum and we will check our database. If you have many pieces, send us a list and we will gladly let you know which pieces the Museum would like.

This is a compilation of donations that have been accessed into the collection since I last reported in July 2019.

# Percy and Vivian Moore.... reprinted from articles printed in 2015

## Heisey Collectors of America Pays Tribute to Percy and Vivian Moore

We gather together to remember these HCA pioneers, and recognize the contributions of many Heisey contributors and collectors in originating our Club. The September 1991 HCA Board voted unanimously to rename the Annual Souvenir Dinner to honor Percy Moore, longtime HCA member and supporter.

The Moore's represented the tone of the early years of the Club Membership. Antique and old car enthusiasts as well as Heisey appreciators. Together many HCA Club Pioneers began the National Heisey Museum. Percy had passed away in August of 1989. In 1996 the board recognized Vivian posthumously.

Each year a generous

HCA Study Club volunteers to host this event, as a fundraiser for the HCA and a draw to their respective communities. Oftentimes the dinner is surrounded by related Heisey glass shows and sales or auction events. Among recent years host clubs/cities have been Atlanta, Seattle, and Rochester, New York in 2002. Wherever Heisey Friends gather Percy's name and fun-lovers stories abound.

And this years event held in Dayton, Ohio is in conjunction with the 100th Anniversary of U.S. Flight.

Special thanks to The Dayton Area Heisey Club for hosting the Percy and Vivian Moore Memorial Dinner this Saturday, October 4, 2003.

## The Moore's Were Part of the Colorful Beginnings of the Museum and HCA

Percy and Vivian Moore were well known among the Heisey collector circles in Newark, Ohio, as the folks who purchased the remaining inventory of glass after the A. H. Heisey & Company factory closed.

A group of Heisey lovers purchased the historical King House and moved it to its current location on Church Street in Newark, Ohio. The Heisey Collectors of America were founded in 1971 and the National Heisey Museum

opened its doors in 1974.

The Moore's collected and donated Heisey pieces on display when the museum opened. They contributed the large grinding stones that serves as steps to the museum's northeast entry as well as built into a retaining wall on the north side of the property and they served as a lender to help make the King House purchase and relocation possible.

Percy and Vivian were known for their many hours of

volunteering at the museum. The museum staff and volunteers were a close knit group of friends that both enjoyed each others company as well as the fruits of their efforts in starting the Museum and enjoyment of Heisey.

Percy was befriended for his wit and loyal humor such as seeding the Museum donation jar with large bills to attract additional donations. He was always willing to chat about his antique cars. Vivian was known for her hard work,

matter-of-fact delivery and tolerance of Percy's antics/antiques.

On the next page is a poem written by Liz King, former owner of the King House and museum docent that wonderfully reflects an example of Percy's colorful sense of humor and impact he had on others. The poem first appeared in The Heisey News in 1975 and was published again in 1992 prior to the first Percy Moore Memorial Dinner.

**We are very sorry we will be unable to host the Percy and Vivian Moore event this year. These articles are a reminder of their importance to the history of HCA**

*With patterns marked, there's nothing to be done.*

*Except to smile and listen to the guests*

*Tell what they have. As docent, my case rests.*

*The same old faithful appear every day.*

*Why more don't volunteer, I cannot say.*

*Reams, Marshes, Yeakleys sometimes keep the store.*

*One who oft opens up is Percy Moore.*

*He misses auctions and some old car shows-*

*What other things he gives up, no one knows-*

*To get the sign out, turn the furnace up,*

*And make the coffee for his constant cup.*

*He watches like a hawk the big front door*

*To take in money, does our Mr. Moore.*

*He'll call out, "Busload here from New York way!"*

*We all rush out, expecting a big day*

*To find it's Bob McClain, or our Sam Schnaidt*

*Who always get in free, as is their right;*

*Or someone who just wants a book.*

And when the pioneer group started the Heisey Museum, the Moore's were there to lend hearts, hands and Heisey. And some of their Heisey is still in the museum today. We thank them for their involvement and investment to HCA. They developed many friendships over the coming years with fellow HCA members.

Friends who visited Percy and Vivian at their home were treated to a tour of various collectibles including a few of the classic cars he still possessed, flintlock rifles, dueling pistols, antique music boxes St. Clair paperweights, and, of course, Heisey. And most likely they were treated to a story (Or two)

and probably a piece of Vivian's pecan pie.

Some of those friends were even treated to a deal they couldn't refuse or engaged in some further horse trading.

Many folks including the Moore's have made our HCA Club and Museum so grand today. We invite you to share your stories about Percy and Vivian today and keep the spirit of those original Heisey Collectors of America alive and well in our efforts to continue to build and grow our museum and organization.

Thank you.

RIGHT--The locomotive engine located in front of the museum as shown on this postcard...one of many sold in the gift shop.

## They Had Their Own Museum

Industrious and insightful in the early 1950's, Percy and his brother Glenn (O.G. Moore) bought and restored old cars at their Moore Brothers Garage on Church Street in Newark.

In the mid-Fifties the brothers decided to retire and started an Auto Museum to showcase their collection which included a full sized train locomotive. (Take a moment to look at the photos on the accompanying pages). The Auto Museum was located on old Route 40, just East of Columbus, Ohio. These folks worked hard and lived Large. Percy and Vivian frequently drove his beautiful old roadsters around Newark, participated in parades (and 20 years later) to the Heisey Museum.

A few short years after they opened the museum, Percy bought the remaining inventory of many pallets of Heisey and

stored it at his Auto Museum. Subsequently, Vivian sold Heisey from the gift and souvenir shop located next to the museum. Along with the Heisey, the shop featured many souvenirs as well as Muskingum pottery.

The late 1950's saw hard-times and changes for the Moore's and the Heisey Glassware Company. Glenn died unexpectedly. Percy had to divide their dream car collection to help provide for Glenn's family. A copy of the original auction bill including a photo display is included with this history.

Still stocked with ample inventory, Percy and Vivian continued to run the museum and pottery shop until the early 70's. It is about that time when they began to build friendships with fellow Heisey enthusiasts and the Heisey Collectors of America was born.

## **Great Plains Heisey Club News** **July 11, 2020** **by Kathy Files, Secretary**

We had our first meeting since November 2019 with 22 members logging into a virtual meeting on July 11, 2020. Not as much fun (and no food or fundraisers for HCA) but it was good to see our GPHC members who were able to join in. Our President, John Mock, expressed thanks to Emie Heisey for the GoToMeeting connection and to Caleb-Michael Files for being our 'techie' who guided us through the process.

John thanked our heroic first responders serving during this pandemic. Bucky Will and Donna Nyght work at a major treatment facility, KU Medical Center, but took a needed break to join our virtual meeting.

The 2020 officers were officially approved – no surprises. John will continue as President; Kathy and Tom Files as Secretary and Treasurer, respectively; Eric Tankesley-Clarke as our program director. We appreciate the support of our members. We're always open to suggestions and we'll keep working to help HCA.

Tom Files gave his Treasury report. At the request of HCA, in April we cleaned out our account and donated \$5,500 to HCA's Operating Fund. We appreciate the efforts of the HCA Board to hold the line on expenses as the pandemic is taking its toll on available revenue because of the many event postponements and cancellations.

Martha's Moment by Trudy Mock gave mention of the Texas club's calendars on sale in our Museum gift shop and William McKelvey's book of table settings. Both are beautifully done and profits go to HCA. She recognized the table setting of Pat Lucke using Heisey pieces in Sahara and Mary Cameron's Flamingo Pleat and Panel table setting. 'Martha' displayed a large Verlys bowl serving as a perfect holder of yarn for her knitting project. That 'Martha' is always thinking!

Our technical coordinator, Caleb-Michael, ran the Kim Carlisle YouTube video seminar on rare and unusual Heisey pieces to serve as our educational program. Seeing the fantastic one-offs and whimsies in that presentation was very enlightening.

Show and Tell wasn't quite the same virtually but members managed to display some nice pieces online. An array of 3 nice vases (Medium Flat Panel and Peerless) with flowers; Christy goblet and Jack Be Nimble candleholder in Moongleam; Saxony stem with blue stain and a Carcassonne stem with amber stain; White Owl ashtray; an Aristocrat lamp with mushroom shade and prisms; Queen Ann floral bowl and Trident candlesticks all with the same elaborate cutting; Bead Swag tumbler with ruby stain engraved 'Hutchinson State Fair-Ks' and tiny Yeoman restaurant creamer with diamond optic; Ring Band pitcher in Opal with matching tumblers; Victorian ashtray in Sahara; and a rack of smoked ribs which hopefully will be on the menu for our next in-person meeting. We're in a wait-and-see mode for that September 2020 meeting scheduled to be hosted by Chris and Lehi German in Kansas City.

We were glad to at least virtually get caught up with our far-flung members. We've also missed seeing our Ohio Heisey friends and especially our Museum decked out with new carpet. We're hoping everyone stays healthy until this virus is conquered. We welcome a return to normal times, including trips to Heiseyland.

**Gloria Penwell**, passed on December 1, 2019 and will be sadly missed by family and Heisey friends. She was a long time member of HCA and loved her Heisey.

**Eileen Marie Pierce**, 92 of Heath, passed on July 17, 2020. She and her late husband Homer (2019) were two of the Heisey Company employees who worked in the plant's Cold Metal Department before they retired. They will be missed. Both enjoyed sharing memories of working at Heisey.

**Bertha (Merrell) Strawn**, passed on July 10, 2020. She will be missed by our members who enjoyed her when she worked for the Museum many years ago.
