Message from the President

Dear Heisey Collectors of America,

As we lean into this holiday season with all of the uncertainty and change we still face. I've begun a list of the many blessings I have in my life to help remind me of all that is good in this world today. You, dear members, are among the top of my list as my second Heisey family. I'll admit that the joy I receive from this organization has been somewhat diminished in its usual capacity this year. As I'm sure it has for you as well, since we have not been able to share the experience of auctions, fundraisers and of course convention. Despite all of that though, you have continued your dedication and stayed involved with the organization. I've seen that dedication in action when you have conquered new platforms to bring your study clubs together and when you have shared your treasures and your finds on Facebook. I have also seen dedication in your continued generosity through donations of your time, your money and your glass to the museum. Your dedication fills my heart in a way that a normal year never could and I want to thank you for continuing to bring joy to our organization.

September was a difficult month for our Board of Directors. We made the decision to cancel our annual Holiday Open House and accepted resignations from our Immediate Past President, Michael Maher and Board Member, Linda Greenwood. I am deeply saddened that they have chosen to distance themselves from our Museum and HCA at this time. I know we will miss the talent, knowledge, energy and fun that they have brought to the organization as well as their huge contributions of time. I would like to thank them for all of the positive work they have done over the years and I look forward to the time they are ready to return. In response to the resignations; the board elected Suzanne Parker to serve as member-at-large on the Executive Committee per Article 7 section 1 of the Constitution and Bylaws. Rest assured, the Nominations Committee is hard at work to help fill the vacant board position as soon as possible.

Acknowledging that we are still in the midst of the pandemic made the decision to cancel the open house a little easier. The risk is just too great to ignore. Children won't be whispering their wishes in person to Santa this year, but not even 2020 can keep him from bringing cheer! We are working on ways to keep the special traditions of this event alive, and I look forward to sharing them with you. We may not be able to hear her play the harp in December, but Mary Ann Spahr has graciously put together "to-go" punch cup crafts for the children. I thank her for continuing this tradition with a twist! The Museum and gift shop will remain open, following state and federal guidelines, with shelves stocked for holiday shopping!

I had hoped to have an updated committee list to you this month and have worked toward that goal right up to publication. However the recent changes to the board have left some vacancies on committees as well that need to be filled. If you would like to become more involved with HCA please reach out to me. This is the perfect opportunity to contribute your unique talents and skills! You can expect to see the new list in the Heisey News next month if not before in an e-gram. Our committees are incredibly important to the vitality of HCA, and I encourage you to serve on one or more if you are not already.

I've been really impressed with all of your recipe submissions, and I hope you will keep them coming!

Xoxo - Emie

Calling All Cooks!

These little darlings are one of my favorite Fall comfort foods. They work equally well in both sweet and savory situations. Here they are pictured on Greek Key as a simple snack with butter and cinnamon sugar. My grandmother had a shaker just like this one that she used to make our cinnamon toast when we visited. I think of her every time I use it!

Sweet Potato Biscuits

Emie Heisey – Savannah, Georgia

Makes 8 – 12 biscuits depending on the size

$\frac{3}{4}$ cup Sweet Potato, cooked and cooled

$\frac{1}{2}$ teaspoon White Vinegar

1 $\frac{1}{4}$ cups Cup4Cup Gluten Free Flour (or All Purpose)

2 heaping Tablespoons Granulated Sugar

4 teaspoons Baking Powder

$\frac{1}{2}$ teaspoon Salt

$\frac{1}{4}$ cup Unsalted Butter, softened (+ $\frac{1}{4}$ cup, melted butter to brush the biscuit tops if desired)

2 – 4 Tablespoons Whole Milk (depending on the moisture of the potatoes)

Preheat oven to 450 degrees F.

In a large bowl, mash the sweet potato with the white vinegar. Add butter and combine with a pastry cutter until the butter is the size of small peas. Put the mixture into the freezer to chill.

Sift together flour, sugar, baking powder, and salt.

Add the sifted ingredients to the potatoes and cut in, until just blended.

Add the milk, one Tablespoon at a time to make a very soft dough.

Turn the dough out onto a floured board and toss lightly until the outside of the dough looks smooth. Roll the dough out to $\frac{1}{2}$ -inch thick and cut with a biscuit cutter. The biscuits will rise better if you do not twist the cutter.

Place biscuits on a parchment paper covered baking sheet and bake for about 15 minutes.

Watch your oven. If the biscuits are browning too quickly, lower the temperature 25 degrees. If desired, brush the biscuits with melted butter and cool on a wire rack.

Words From Your Director – Curator

October this year I think will be a little different than in years past, but most of 2020 has been unusual, to say the least, so why would we act surprised ? The other morning when I entered our Museum I was greeted with warm air. It had been cold enough overnight for the furnaces to kick on and that is a sure sign of Fall. On a cooler note, on those days when it is still warm, the new air conditioning unit in Gallery 2 is working very well. We are all very thankful for it and that not a great deal was disturbed during installation.

One activity I know many of us “Heisey Folks” very much look forward to in the autumn is our Dave Spahr Select Auction. We know that is not occurring this year; however to feed your auction and buying Heisey needs, I invite you to view pages 13 to 17. Your Auction Committee has been hard at work on something a little bit new and different. When members generously donate glass to the Museum, Walter and I select pieces for the Collection, but also have an eye out for special items that are to “GOOD” to sell in the Museum Shop or Newsletter. These special items that are set aside for future fund raising efforts such as Convention and Percy & Vivian Moore Week-End. This year you our members have been so bighearted in so many ways, one being your donations, of glass, that we have many interesting items to offer to you. I know it is not the same as us all being together, however, I would encourage you to “bid early and bid often” and most of all have some fun !

In our September issue I wrote of the fun and enjoyment that I have had collecting Heisey items in Sahara (one of the colors I gather). On Saturday, the 12th of September, I had the privilege of hosting an engagement party for a young couple and their families. The table for this celebration is illustrated on the back cover of this issue. The young couple, now in their late twenties, as it turned out had had their first date at a dinner party I had hosted many years ago when they were both in high school. They remembered the beauty of the table (the Heisey) and how special they felt and wanted to repeat and share the experience for their special occasion. We all collect for different reasons, and that is a great part of the “fun” of it. I accumulate my Heisey for the tables that can be set and for the parties and conversations that then are able to occur. Mr. Heisey set out to make the best table top glass in America, and I, as well as many of you, think he did just that so please keep sharing your joy. Also please watch out for a fantastic table set by our own William Mckelvey and another show stopper by the Smiths in our November issue. This just in, see photo to the right, two Sahara big cornucopia Warwick pattern #1428 vases have found a home with me just in time for fall decorating. I found both of these on E-Bay, one high and one low in price, so Walter told me to average them together. I feel as if I did well. Let’s be: honest have we all done this ?

All our guests are special; however, we had a guest the other day who arrived with some very interesting donations. The guest was Tom Bredehoft. One item that he donated in memory of his late wife, Neila Bredehoft, was a 3360 Penn Charter goblet with 785 Coral Gables cutting. I had only seen a drawing of this cutting and was very pleased to see an actual example. I know many of you will be interested to study this displayed item when next you are able to visit. I would like to thank Tom for his generosity.

The 2020 Pumpkins continue to be selling very well, so you do need to order soon to assure receiving yours (page 10). No photo is able to do the Witch Orb justice. I am told that the idea of these Witch Orbs is that you hang them in your home to keep evil away. Who doesn't need that these days ? I know that they will work all the better having been made with Heisey Moongleam (page 21) !

Rochelle Steinberg, one of our Guest-Member Service Associates, has retired after more than seven years of service to our Museum and HCA. I am sure many of you will join me in wishing her a Happy retirement and thanking her for her service.

In Thanks and please continue to share your Love and Joy of Heisey and stay well !

Great Plains Heisey Club News

September 12, 2020

by Kathy Files, Secretary

On Saturday, September 12, 2020, at 1 pm 17 members of the Great Plains club met online for our second virtual GPHC meeting. Thanks to Emie Heisey for again facilitating our access to her online site and to Caleb-Michael Files for again serving as our technical host and counselor.

President John Mock called the meeting to order. The July, 2020 meeting minutes were approved and Tom Files gave a “no change” Treasurer's report.

Our HCA President, Emie Heisey, joined us and gave updates from the Board and Museum happenings. Bids are being sought for new lower level Museum flooring with a December 1 target date for a decision. The 2020 glass pumpkins are selling quickly (104 as of last count) – attendees were urged to contact the Museum soon to purchase this item or other things available in the gift shop. Emie advised everyone is being mindful of HCA's financial status since all 2020 revenue producing events have been canceled or postponed. Thank you, Emie, for joining us to provide the updates and answering questions from middle America.

Trudy Mock (Martha's Moment) showed us how she had safely used citronella candles and rocks inside a large Puritan pitcher on their deck when she and John hosted their Bible study group on a windy day.

Our program had two parts and was intermingled with show & tell time. Part one of the program was viewing Kim Carlisle's YouTube seminar on Heisey's Sahara color. Very informative; thanks, Kim. Part two of the program involved members showing items involving (loosely) the letter “P”.

Bev & Bob – Two Plantation vases (flared and straight), Punty & Diamond Point salt and pepper shakers with original tops, & a marked bottle of Purell (this was Bob of course).

Jen & Kelly – Lariat torte plate 14” & Revere candy jar base stained black with Hawkes oriental engraving.

Mary & Gregg – Portsmouth goblet with Moongleam foot & Polonaise goblet/Cassandra etching.

Trudy & John – Penguin decanter.

Kathy & Tom – Punty & Diamond Point molasses, Prince of Wales egg cup, Pinwheel and Fan 8” Nappy/Flamingo, and Yeoman puff box/Flamingo with insert.

Caleb – Cabochon cream & sugar/Dawn.

LaDon & Bill – Pentagon 5” relishes/Flamingo and Moongleam.

.

Ande & Greg – Pineapple & Fan creamer, Priscilla low footed jelly, and (Polka Dot) Impromptu ball vase.

Pat & Rex – Old Fitz Amber hot whiskey made for Fred Harvey.

Emie – Oxford stem/Ping Pong cutting & Johnson cologne/Danish Princess cutting

July Financials Revisited

Last month I reported on our revenue for July. Total revenue for the month equaled \$7,223 against a budget of \$8,070. Our year-to-date total income showed a negative variance to budget of \$7,309. Pretty amazing given we have cancelled two major fundraisers (Spring Auction and Convention).

Twice a year we have three payrolls paid in a month. July was one of those months. As a result, we were over budgeted expenses for the month by \$1,035. We are still under budget year-to-date by \$6,349. The Museum staff continue to monitor expenses closely.

Leave A Legacy

You may have noticed in the "A Special Thank You...Continued" article a donation to the Operating Fund from the Estate of William Lake. We were notified Mr. Lake had included our organization in his will and received his donation in August. What a wonderful gesture on Mr. Lake's part!

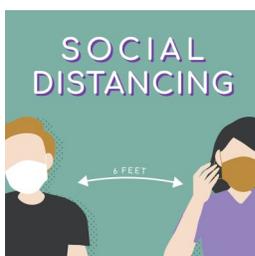

As a result, I wanted to remind everyone of the Museum's Leave a Legacy program. There is a brochure available at the Museum describing how you can support the Endowment Fund by donating through a Planned Giving Gift. Please contact the Museum if you are interested in receiving one of the brochures.

Cash Position...now and going forward

I'm happy to report our cash position continues to be stable. August financials are on the horizon and it was a good month for revenue which should strengthen our position. The cancellation of PVM and the Fall Auction will be another "hit" to the budget, so your support, through donations and purchases, will be crucial to maintaining a strong financial position.

Please feel free to contact me via email or phone if you have any questions.

Please be safe. Wear your mask, wash your hands, and keep your distance when in public!

A Special Thank You...Continued

Karen Taylo

Every donation to the Museum is appreciated but I wanted to extend a special THANK YOU to those who donated to the Operating Fund from August 12th through September 10th.

The Golden Thread of Profits

Money is not everything in business. There are many other real satisfactions. But money is the root of business and profits are needed to keep the business tree active, lusty and growing.

Upon this consideration has been erected the Heisey policy of a fair price basis. Many years ago we established a sales policy that provides an equal footing for our host of customers. The soundness of this policy has been confirmed by the passage of time.

It protects the trade and ourselves and insures a reasonable profit for high grade goods. It works to avoid those misunderstandings that sometimes fall as a shadow over otherwise mutually happy relationships.

The manufacturer who is tempted by the lure of chain stores or other "price buyers" can always find at hand an alibi for a price concession. But it is our belief that it is to the best interest of your business and ours to maintain a fair field with no favorites.

It has been our undeviating aim to weave into these and other Heisey policies the golden thread of a just, living profit for all our many friends of the trade.

A Toast to Oscar— Happy Retirement

Please help us bid a fond farewell to Oscar, our annual convention souvenir. He reigned for 18 prosperous years. Oscar was preceded by the Rococo souvenir plate and is humbly replaced by the Rabbit Paperweight. May the future be as colorful for Bunny!

Heisey Witches Balls

\$38. each

Witch Balls have been very popular since the 18th century. First in England, then in New England, but their actual origin is considered to be much older. For well over 3 centuries hollow glass spheres have been hung in windows to ward off witch's spells, evil spirits and ill fortune. Hanging these decorative glass balls in the window or on the porch is thought to tantalize mischievous spirits which may be threatening a home's tranquillity. The wayward spirit is mesmerized by the ball's reflective beauty. When the spirit touches the sphere it is absorbed and trapped in the web-like strands of the glass inside the ball.

Jerome McDonald passed on May 7, 2020. He was a member of HCA since 1994. He will be sadly missed by HCA and Zelda his wife.

We are sad to share with you the news that we lost Bob Tankesley-Clarke on September 25, 2020. He was a member of HCA since 2005. Bob enjoyed sharing and the excitement of collecting Heisey. Bob will be missed by Eric his husband, HCA, and the Great Plains Study Club.

Who's that masked man?

The staff would like to thank HCA member Karen Miller and her daughter for the beautiful, matching Heisey blue masks that they custom made and delivered to the Museum so that all of us could match in a dignified fashion.
