Explore the Magic of Heisey Glass!

Discover the industry, artistry and remarkable history of one of America's legendary producers of glassware.

The Heisey Glass Museum in Newark, Ohio features 8,500 beautifully displayed pieces of elegant Heisey Glass produced by A.H. Heisey and Company from 1896-1957.

Hundreds of patterns are featured in all production colors as well as rare and experimental items. Facilities are handicapped accessible and air-conditioned.

The **Gift Shop** features genuine Heisey glass for sale! There are glass beads, charms, and marbles made from repurposed broken Heisey glass, and reproduction items made for HCA from original Heisey molds. We also carry a large selection of Heisey reference books for purchase.

Open year-round Tuesday through Saturday 10:00 a.m. to 4:00 p.m. ET. In January and February, the Museum observes winter hours and is closed on Tuesdays. Closed holidays. Other hours by appointment.
