The Official Publication of Heisey Collectors of America, Inc.

Volume XXIX No. 6

May 2000

ISSN 0731-8014

This month's cover features a floral bowl and plates from Heisey's Twist pattern (#1252) and a goblet and saucer champagne from the Albemarle stem line (#3368). This illustration originally appeared on Heisey's first "Glass Secrets" ad. Inside, you'll find another first—our first in a series of articles on the Twist pattern by Walter Ludwig. Also included are the candidates for this year's Board of Directors election, an order form for HCA's upcoming Ruby Show Horse, and even more Convention information.

Identification

HCA will attempt to identify unknown glass items. Send a color photograph, measurements, and a self-addressed, stamped envelope to the attention of the Curator. Other arrangements should be made in advance with the Museum staff. Please keep in mind that the Museum cannot appraise items.

Membership

To join Heisey Collectors of America or to renew your membership, contact the HCA Administrative Office Monday through Friday 8:00 a.m. - 4:30 p.m. Associate dues are \$22.00 plus \$5.00 for each additional household member. Voting members pay an additional one-time fee of \$25.00. Please consider supporting the Endowment Fund by joining at one of the levels listed on the back page.

Museum Shop

There is always someone in the Shop during the Museum's hours of operation to help answer questions or take orders. When ordering by phone, please have a credit card ready. When ordering by mail, please be sure to include appropriate charges such as shipping and sales tax.

Shipping and Receiving

Delivery is made much easier when we have a complete street address, not a PO Box. We prefer to use UPS. If you have not received a package, please call the Administrative Office to confirm it was sent. We will assist you in tracing it. If your package arrives damaged, please contact your local UPS representative. We insure everything.

Donations and Loans to the Museum

If you have something you would like to share with the Museum or have questions regarding items on loan, contact the Curator. HCA reserves the right to accept or refuse items based on current holdings.

Corrections

In the advertising section, the Granville, Ohio Land of Legend Show ad did not have the correct times, new times are now listed (see page 25).

MESSAGE FROM THE PRESIDENT

DICK SMITH

Benefit Auction started out on a sad note. Past Board member, volunteer, and regular Museum docent Mary McWilliams passed away Friday morning after a long battle with cancer. Our sympathies to her family.

The Benefit Auction is history for this year. The Auction was a little shorter this year, but we still had a lot of nice things. Thanks to everyone who consigned glass. A big thank you to Dick Marsh and all of his helpers, auctioneers Tom Bischoff, and Sam and David Schnaidt, and Apple Tree for the use of their facility. The After Auction Madness flea market sponsored by the Dayton Club was a big success. All of the dealers I talked to were very happy.

Convention is fast approaching. Be sure to send in your registration ASAP. Jack Metcalf and Cheri have been working on the details.

The prices on the Elephant and Donkey have gone up, but they are beautiful and still a great bargain. We have only ordered 300 of each. We are also making the Ruby Show Horse, and the pre-sale price is only \$55.00 if ordered before June 17. After the 17th the price will go up to \$65.00. The numbers are very limited, with a

first order of 300 and not more than 600 total. If the first order does not sell out by the end of June, we will probably not place the second order.

The new Board of Directors nominees are Joe Lokay, Jay Martin, Elaine Husted, and Phil Abrams. Bios can be found on pages 6 & 7 of this newsletter. Only four people agreed to run and there were no nominations from the floor at the April meeting.

Our get well wishes to Jay Martin.

-Til Next Month

Dick

Attention Voting Members:

Don't forget to request your voting ballot from HCA. Send a SASE to 169 W. Church St., Newark, OH 43055.

Be sure to request your ballot by the June 1 deadline to ensure it arrives by the June 16 election.

MUSEUM NEWS

CHERI GOLDNER

First off, thanks to all of you who participated in the Benefit Auction—consignors, bidders, the Dayton Area Heisey Collectors Club, Apple Tree Auction Center, and of course **all of the volunteers** who helped catalog, transport, display, auction and pack the glass. Once again, you made this event possible and raised needed funds for the Museum. Thanks also to members of the Acquisitions Committee, who obtained the following items for our collection: #3389 Duquesne tangerine 10 oz. soda, #1485 Saturn 10" gardenia bowl in zircon, and #1225 Plain Band child's table set, etch dated 1898.

We have spoken with several members who received their Auction catalogs late (in a few cases, at the same time as the April newsletter) or didn't receive them at all. The Auction catalogs were mailed on Thursday, March 16, the April newsletters on Tuesday, March 28. If you did not receive your catalog in a timely manner, please contact your local Post Office and make them aware of the problem. We will do the same here, and we will make every effort to mail the catalogs earlier next year. We will also post the Auction catalog to the web site.

In the March issue, I discussed our participation in the American Association of Museums (AAM)'s Museum Assessment Program (MAP). We recently received our 39-page MAP I final report from AAM. Needless to say, we won't be printing the report in the newsletter, but our surveyor Jon Austin did have some very good suggestions I wanted to mention. First and foremost is the need for HCA to launch a formal long-range planning process. Such a process will allow us to identify and prioritize goals and outline steps we can take to achieve them. It will also help us address and implement some of Jon's other recommendations, such as expanding programming at the HCA Glass Studio, developing new programs and materials to draw new visitors (and consequently new supporters and members)

into the Museum, and, of course, raising funds through grants and giving programs to help pay for such programming.

Implementing the recommendations in our MAP I final report will take some time. For now, the staff, Executive Committee and Board are investigating the Strategic Planning Program offered through the Ohio Association of Historical Societies and Museums (OAHSM) to help us get started.

I'd like to end by saying "thanks" and "best wishes" to our Administrative Assistant and membership person Jean Thornton, whose last day at the Museum was March 22 and "welcome" to our new Assistant, Dawn Anderson. ♦

FROM THE HOT SHOP

JOHANNA BURGESS

The hot shop has begun to see more visitors. The warm weather is bringing people back in to watch our blowers. If you live in the area, you may want to consider dropping by.

We've got a new glass blower who will be taking over on Saturdays. His name is Omar, and he's been blowing glass at Glass Axis for a number of years now. He began glass blowing at a glass production company in Johnstown.

See you next month! ♦

2000 CANDIDATES FOR THE HCA BOARD OF DIRECTORS

Following is the slate of candidates as presented at the HCA Quarterly Board Meeting April 7, 2000. Due to the Bylaws change voted on at the annual meeting June 19 1997, the number of directors was reduced from 20 to 16. Starting in 1998 through 2001 and thereafter, only four persons will be elected. Absentee ballots should be requested by June 1, 2000 to insure enough time for the June 16, 2000 election. Send SASE for ballots to: HCA Ballot, 169 W. Church St., Newark, OH 43055. ♦

PHIL ABRAMS

Phil is a resident of Charlotte, N.C. He currently serves as treasurer for the North Carolina Heisey Study Club. He holds a Bachelors of Science degree in accounting from the University of South Carolina. Phil served on the board of Sharonview

Federal Credit Union in Charlotte for 28 years.

Interest in Heisey glass became renewed 20 years ago when it was learned that he and wife Sally's wedding crystal, Heisey Rose, was available. Collecting candlesticks, candy jars, animals, pitchers and nutcups has been a challenge.

Phil is interested in development of the Education programs, strong Museum administration and increasing the Endowment Fund. ♥

ELAINE HUSTED

Heisey collecting became Elaine's "passion" in 1970, introduced to Heisey by Lynn Bloch and Art Hartman. Elaine, "brung-up" in sunny California, moved to Pennsylvania in 1972 at the "invitation-to-wed" as asked on bended knee by suitor Frank.

Elaine is a registered nurse with degrees including the doctoral level. She has more than 30-years of experience as an administrator, board member, and facilitator. She can be soft, supportive and assertive for issues in which she believes. On the other hand, she can be a most aggressive opponent

when confronted with "rubberstamping" or with issues on which she believes she has not been fully informed. Her "Heisey Love" is found at the close of her letters ... **"CORDIAL-ly yours."**

Elaine's agenda is to strengthen the impact of the input of HCA members and to develop ways of attracting new members to this exciting organization. ♥

JAY MARTIN

Jay C. Martin has been an active member of HCA since 1984. He has served two previous four-year terms on the Board of Directors.

Jay has served in a variety of capacities for HCA over his many years as a volunteer. Most recently he gave lectures on Heisey at the last three annual Conventions. He is on the Convention Show Committee and has chaired the same for five years.

Jay is firmly dedicated to the preservation and education of Heisey glassware. His main focus is HCA's future and ensuring that the National Heisey Glass Museum remains strong for many generations yet to come. Jay will continue to work for the betterment of HCA and its National Heisey Glass Museum. ♥

JOE LOKAY

Joe has been an HCA member since the national club started. Currently he serves as President of the Gateway Heisey Club #10. He has been a regular contributing author of many

articles for the *Heisey News* from Heisey's earliest patterns to specialty groups such as a series on baskets. For many years he prepared the annual index to the newsletter. During annual Conventions, Joe has frequently served as a panelist at the ID session and has given numerous seminars. Joe has just finished serving a four-year term on the Board of Directors and was active on Bylaws and the Research and Archives Committees.

Joe is a professor at the University of Pittsburgh where he has been teaching for the past 17 years. Prior to that, he worked with the Gulf Oil Corporation in Business Planning. He resides with his wife, Laverne, in Monroeville, Pennsylvania. They have four grown children and nine grandchildren.

Joe is interested in all aspects of Heisey glassware, particularly research and education. Specifically he collects nappies, punch cups and baskets. ♦

1252 TWIST, Part 1

WALTER LUDWIG

The 1252 line was new to Heisey in 1928. It was popular at the time and continues to be a popular collectable now. It is usually called by the name conferred on it by Clarence Vogel, an early researcher in Heisey, which was "Twist." This is a very apt name because the pieces look like they came out of the mold and were given a twist by the glass worker making a very distinctive pattern. Of course, the twists were put into the molds - not done by the worker - showing the ingenuity of the glass designers of the day.

The purpose of this series of articles is to give you everything I know and have researched about this pattern. This may be more than you really care to know, it is up to you to pick and choose what you care to remember. I have been gathering pieces of this pattern now for over 25 years. To me it is one of Heisey's great patterns, a merger of great design with practicality. It is a rewarding pattern to collect because of the availability of many of the basic pieces, but you will find it a challenge to be able to complete a set.

Pattern Development

Let's begin with the basics - the origin of the pattern. Heisey had done three patterns in the preceding years which you could consider sets. Yeoman (1184) was an amalgam of very plain pieces, many of which had been part of the Revere line. Plainness is what sets Yeoman apart from other patterns. The other patterns, Pleat and Panel (1170) and Ribbed Octagon (1229), had only a limited number of pieces. But what makes these patterns different from earlier Heisey patterns was that they included both a dinner plate and a cup and saucer. A new era in entertaining had dawned in which the use of glass as the primary material on the table had become commonplace. Prior to 1925 Heisey's patterns consisted of matching pieces that were to complement china on the table or were utilitarian in themselves. You could have glass serving pieces, but it was not considered proper to actually eat off of glass plates and drink from glass cups (to have a tumbler though in anything, but glass was unusual). It was the introduction of color that seemed to make this new means of dining and entertaining more acceptable and fun. There was also the introduction of a more informal style of entertaining at this time

that the new colored glassware complemented. The bridge or Mah Jongg party became the perfect opportunity for the hostess to use these new "sets" of glassware.

If you check an index of Heisey pattern numbers, you will find that pattern numbers 1218 through 1251 represent patterns based on plates. It looks like the factory was meeting a new demand for basic tableware items at this time. The 1252 plate was part of this effort. I feel that Heisey was looking to develop new lines and these plates were a starting point to see what could be done. Most of these patterns never had more than the plate, a few had plates made into bowls. The 1231 plate was picked earlier to develop into a small line that we now call Ribbed Octagon. But Heisey saw even greater potential for the 1252 plate. So much so that this is the only one of the plate designs that a design patent was applied for. Records show that on Sept. 10, 1928, Heisey filed papers for the granting of a design patent for a new plate listing T. Clarence Heisey as the assignor. The actual patent was not granted until Oct. 29, 1929 as number 79,716, but, as was the practice of the time, Heisey went ahead and developed their new line before the patent was granted. A second design patent application was filed on May 1, 1929, for the four footed floral bowl which was granted on Nov. 12, 1929 as number 79,885.

Introduction and Advertisement

Heisey introduced this pattern at its sales offices in January of 1929 and allowed its salesmen to show commercial customers samples of the pattern at that time. Heisey would have accepted orders for the new ware then and full-scale production of the line began. Heisey's first commercial advertising of the pattern was in the March 1929 issues of *Good Housekeeping* and *Vogue* magazines. The ad was part of the "Glass Secrets" campaign that Heisey was running in 1928 and 1929. It featured plates and the four footed floral bowl in 1252 shown with stemware from the Albemarle (3368) line (see

cover illustration). This ad was also run in the April *House and Garden*. This was followed with a second "Glass Secrets" advertisement that featured several sizes of footed sodas, the oyster cocktail, and the ice bucket in 1252. This second ad ran in May issues of *Good Housekeeping* and *Vogue*, and in June issues of *Woman's Home Companion* and *House and Garden*. A final ad appeared in the September 20, 1929 issue of *Vogue* and October 1929 issues of *Good Housekeeping* and *House and Garden*. It was not a part of the "Glass Secrets" campaign but retained the "Glass Perfected Through the Secrets of 4000 Years" tag line that was developed for the "Glass Secrets" ads. This ad featured the round nasturtium bowl, cup/saucer, cream soup/liner, and what appears to be a 12" plate. A Tricorn (129) candlestick and an Old Dominion (3380) goblet completed the presentation.

Table Talk was Heisey's four-page magazine which was produced for Heisey's retail customers to give them "news and ideas that will be of assistance to you in merchandising glassware." The May 1929 issue was used to promote the new 1252 line (pages 1-3 of the issue are reproduced on the next three pages of this newsletter). Part of the text reads "There is a verve and a boldness about this pattern that sets it off among the most outstanding of any to be offered this year.... It is a design up-to-date, modern, and absolutely in tune with the vogue of today.... Note the unique spiral effect, the interesting twists and turns of the design, the zig-zag handles and the modish rectangles of stems and feet. Modernistic in the best sense, here are items that you will find it a delight to present in your community."

The issue shows "realistic drawings" of 50 items from the line stating that this was not all of the items available. One interesting note is that the captions indicate that the Kraft cheese is one of the items pictured when in actuality it is the 8" handled cheese that is shown. The back page of this issue of *Table Talk* reproduces the second of the Glass Secrets ads that featured the 1252 line. ♦

It is with pleasure and satisfaction that these No. 1252 items are brought to your attention in this issue of TABLE TALK. It is in accordance with our policy to set forth here news and ideas that will be of assistance to you in merchandising glassware.

Of Real Appeal to Your Customers

One of the greatest factors in successful merchandising is to offer articles that appeal to your customers. This is a distinct advantage possessed by the No. 1252 pattern. It is a design up-to-date, modern, absolutely in tune with the vogue of today. Your customers will be pleased with these creations of Heisey leadership.

THE showing of the No. 1252 items has met with enthusiastic response on the part of buyers of glassware departments. They know that this fascinating design and the rich quality inherent in Heisey creations are appealing to people who seek the fine and the genuine in glassware. Here again Heisey craftsmanship offers the trade an effective pattern which they can sell with real satisfaction to themselves and their customers.

In Colors and Clear Crystal

Color remains overwhelmingly in demand. The voguish new 1252 pattern comes in the famed Heisey colors: Flamingo, with the delicate glow of sunset; Moon Gleam, with the cool green of summer meadows; and the recently originated Marigold, sparkling with golden sheen. With this selection of colors you can meet nearly every buying preference in your store. Where two or more colors are desired to be used on different

**Keep in Mind
Summer Close-down of Factory**

Again we wish to remind our friends of the trade of our usual custom of closing down our plants during two weeks of July. This is a part of our employee policy. While the plants are closed orders cannot immediately be handled and after re-opening, normal production cannot be reached for a time, due to natural conditions in glassmaking. It will, therefore, work out to the best advantage to place orders early for summer requirements, preferably in May. Orders in June will receive the utmost attention, but to be on the safe side, we recommend ordering summer stocks in May.

FORMER EMPLOYEES REUNION JUDY RHOADS

Again this year, one of the most interesting events at Convention will be the Former Employees Reunion. It will be held on Friday, June 16, at 1:00 p.m. in the Hospitality Room at the Museum.

Each year the number of former employees who are able to come dwindles a bit, but these folks make up for it in warmth and enthusiasm, and they LOVE to tell the stories about their days working at Heisey!

Last year, many convention-goers came to the Former Employees Reunion and had a wonderful time visiting and listening to these wonderful stories.

Stop by the Hospitality Room on Friday afternoon! Have refreshments and visit! All you have to do is ask one question: "What was your job at Heisey?" then sit back and enjoy the anecdotes, history lessons, and reminiscences!

See you there! ♦

2000 CONVENTION SOUVENIR – CABOCHON SIGN

We only have a few Milk Glass Cabochon paperweights left! If you haven't yet ordered yours, call, fax, e-mail or send in your order ASAP! The cost is \$20.00, plus shipping and sales tax (Ohio residents only). Money will be returned to those whose orders arrive after the items are gone. ♦

“HEISEY CARIBBEAN PARADISE”

JOYCE DICKMAN AND BOB RYAN

Ahoy Matey!! All pirates and wenches Ahoy!! Make plans to meet at “Heisey Cove” (formerly known as Apple Tree Auction Center) for a night of FOOD, FUN and SURPRISE!!

Put on your seafaring trappings, as best Caribbean costumes may win the pirates’ favorite loot. There will be lots happening. You never know what pirates will do after they’ve been in the grog a time or two. Naturally, there will be some stories swapped about the way things used to be—as sometimes one must look backward, before you can look forward.

Cap’ns Bobs’ captives will secure beach fixin’s for landlubbers and seafarers alike. Pirates have promised they will offer casual beach food of either a boxed chicken dinner or a basket with shredded beef BBQ for a mere \$5.00 gold piece each. The raiding of the grub vessels has not been completed as of printing deadline, so pirates will report in next issue whether they secured chicken or BBQ beef as their offering. They are able to offer 120 dinners due to seating availability. The dinners will be sold via reservations with your convention registration – first come, first served. Please reserve your portion by marking your convention registration that you will come. If all 120 portions are not pre-sold via reservations, the captives assure they will offer at an additional 20% (above those pre-sold) for sale at the door, or until they sell the 120 they can seat. Make plans to show up at 6 p.m. sharp so you won’t be left in your dinghy without grub.

A Swap Meet is planned to top all swap meets! Treasures galore from all coasts and hinterlands. Special emphasis on swapping for mating your singles into pairs, tops on bottoms, and bottoms to tops, stoppers for jugs, cruets for stoppers!! Special diggin’s all night long. Bring lots of other

Heisey goodies for swapping and be aggressive—you may find some surprises and just be the lucky person who matches up your mates.

Pirates’ loot of wonderful Heisey treasures are surfacing, just waiting to be claimed via a spirited “Blind Auction.” Golden treasures of Heisey glassware, which will be identically concealed, will be offered for auction—all for one and one for all!! A limited number of treasures are surfacing, so bring your gold doubloons and plan to join in the bidding for your special treasure. (Pirates are whispering that a lovely piece sporting cutting attributed to Krall and a set of Sahara ??? have been discovered.) More treasure hints to be offered in next month’s *Heisey News*.

All loot collected during the evening will benefit HCA. The evening will be a blast, and if you miss out you will feel like you have walked the plank. Weapons will be checked at the landing. Look for pirates’ updates in the next issue of the *Heisey News*. Ahoy Mates!—See you at Heisey Cove?

Cap’ns Bob (Ryan and Dickman)

CLUB NOTES

Dayton Area Heisey Collectors Club *Joyce Dickman*

Our March meeting was held on the 21st with fourteen members in attendance.

Following a brief business meeting, we enjoyed a program of Bob Ryan's game of "Benefit Auction Price Is Right." This has become a favorite program for us each year. Bob had again prepared a list of selected items which are being sold at the HCA Benefit Auction. Each member guessed what he/she felt each item would sell for at the Auction. High and low guesses were recorded with Bob to review final results from the Auction at our April meeting. In addition to the Auction game, each member was given the opportunity to share their most prized piece of Heisey as well as their ugliest for all to enjoy. Numerous beautiful pieces were shared and it was concluded that, even though there were a few displayed, most of us don't buy ugly Heisey.

Show and Tell finds shared were:
#473 Narrow Flute w/Rim Puff Box w/cover,
#4035 Bethel Decanter w/Moonglo cutting,
#1229 Octogon Moongleam 8" Footed Bowl,
#1280 Winged Scroll Crystal Toothpick, #473
Narrow Flute w/Rim 10" Brush and Comb
Tray, #343 Sunburst 3pt Jug, #355 Quator
Mustard and #331 Puritan Salt Dip. ♦

Dixieland Heisey Study Club *Loleta Hammontree*

The club's First Annual Elegant Glass Show and Sale last October was a great success. There were 20 dealers from across

the country, and more than 400 attendees. This year the event will be held October 13 - 15 in the same location in conjunction with the Percy Moore dinner. Mark your calendars and plan to attend!

Our Christmas gift exchange was held at the January meeting at the home of Olen and Helen Freeman. Many nice pieces of Heisey found new homes.

Our March meeting was hosted by the lovely ladies (Mary Lou Dixon, Mahalah Harrison, and Rosalie Splitter) from Athens at the home of Glen Gall. Plans for the October show were discussed, and committee leads were named. After an entertaining and educational round of "Name that Stem," Joey Cogdill was announced as the winner, with Bill Boyd coming in second.

Our next meeting will be held Sunday, May 21, at 1 p.m. at the home of the Hammontree's in Chattanooga, TN. ♦

Northwest Heisey Collectors *Deborah de Jong*

The meeting was called to order at the home of Jerry & Tara Stougaard. We had 21 members and 2 guests, Judy Rogers and Corey Priddy. Corey became our newest member. No surprise that the Stougaard collection left us with jaws dropping in amazement and envy. The glass is unbelievable and his train and truck collection is amazing also. We had the best BBQ spareribs and by popular request the recipe will be printed in the newsletter.

Elections: There were no additional nominations and the slate of Karl de Jong for President, Bob Thomas for Vice President, Deborah de Jong for Secretary, and Sally Thomas for Treasurer was closed. Then a motion made to accept the ballot was passed unanimously. Congratulations new officers!

Raffle: Well folks, it was Bellingham after all. Karl thought if he had Luvonne pick the ticket she couldn't possibly pick a fellow

Bellinghamite. WRONG!!!!!!! She picked her own ticket and we have witnesses that it was legitimate. She received a pair of #5024 Oxford water goblets. The rest of us just had a good laugh about it.

Program: Corey Priddy brought a number of Heisey spooners. She also had a pamphlet with pictures of all the spooners made by Heisey, we all got copies of it. Corey told us of her experiences collecting spooners and the friend she made on ebay. She displayed approximately 20, among which were #339 Continental, #461 Convex Circle, #433 Greek Key (two handle), #357 Prison Stripe, #335 Prince of Wales Plumes, #305 Punt & Diamond Point, and #325 Pillows. She also had 3 non-spooners, the Fancy Loop celery was a beautiful piece of glass.

Sight Unseen Auction: We had a grand time with Fred Olsen as our auctioneer. He managed to get very good bids voluntarily and involuntarily. I did not get the total of monies received, (that will be in the next newsletter), but it had to be good. We saw several pieces of stemware, a Waverley sherbet and a Wabash goblet; a Yeoman center handled sandwich tray was donated; there was a Sunburst nappy; also a Gibson Girl floral plateau.

Gordon did well with a Pineapple and Fan salt, I bought a #473 individual nut. I saw a #393 nut and a Crystolite leaf master nut. I couldn't write down a list and bid too, so this is about all I remember. It was safe to say we all had a good time and a huge thanks goes to all of us that donated a piece of their precious Heisey for this fund raiser.

Meeting Adjourned: After paying Chris for the last time, everyone had a good time chatting and drooling over the fantastic candles that Jerry has sitting everywhere in the house. We had fun watching him demonstrate a fire truck toy that can come out of its firehouse—how cute! The antique trucks and trains they have collected are quite fascinating. As always we enjoyed the day and the beautiful weather that allowed us to spend money outside on Stougard's deck. Thanks again!♦

Golden Gate Heisey Collectors
Clay Rowers

The post Christmas meeting of The Golden Gate Heisey Collectors' Club was held at the home of Russ and Fran Sheilds in the foothills of Gilroy where they raise llamas. It was a rainy and windy day, so we did not get a chance to go out and visit with the many llamas as we have at past meetings. Sixteen avid Heisey collectors attended the meeting.

We elected new officers for the year 2000 and they are: President, Clay Rowers; Vice President, Bob Kneass; Secretary, Russ Nicholas; and Treasurer, Lee Jones. After the formalities we had our Christmas gift exchange with many fine pieces of Heisey glassware being taken home by the members. "Show and Tell" also brought out some excellent finds since our last meeting. We finished off the afternoon with an excellent dinner of baked ham and all the trimmings prepared by Fran and Russ. The raffle prize was also won by Fran. Everyone had a great time and we are looking forward to the next meeting which will be held at Russ and Lee's home in Petaluma on April 30th at 1:00PM. This is also the date of the Petaluma Antique Street Fair so come early and find some goodies before you come to the meeting. Hope all of you can make it.♦

National Capital Heisey Collectors Club
John Martinez

Well, I don't know about you, but I'm exhausted! The 28th annual All Heisey Show and Sale is now a fond memory. Many of the dealers I spoke with told me what a good job our club does putting on the show, but it's our dealers and all of that beautiful glass that make the show a success. Thanks to everyone for a job well done!

A lot of people asked me how Butch Jones is doing. She is back at home and

moving around with the help of a walker. We all missed her but hopefully she'll be back for next year's show!

Welcome to all of our new members who signed up at the show. I encourage you to attend our next meeting (especially our new member from Florida!) and bring some of that Heisey you bought to show and share with the rest of the club.♥

Heisey Collectors of Texas
Erma Hulslander

Round Rock Texas, yes we made it! And we were glad to see five "Heisey Lovers" from Central Texas! Twelve of our members were able to make the trip to The Antique Mall of Texas, and each deserves a special vote of "thanks" for that extra effort! Especially those that had to leave on Friday and drive in that storm, they could have easily turned around, but they did not! Real Troopers!

It was also a nice surprise that Donna Hale had for us - Empress Punch Bowl and Punch Cups and in Sahara - just beautiful! Thanks Donna for sharing your set with us! For those who did not make it, the answer is "NO," it is not for sale! Donna is one of the premiere "Heisey" dealers in the Antique Mall of Texas.

We would like to welcome six new members to Heisey Collectors of Texas; Robert & Margaret Camacia, from Dallas, Texas; Rusty & Kay Kohler from Elgin, Texas; and George & Barbara McNiel from Buda, Texas. This brings our membership up to thirty, isn't that a great way to start the new millennium?

We would also like to thank Jane & Ann for the use of the J'Anna Rose Tea Room for our gathering. It is a pleasant place to meet and eat, and we were able to sit a while and enjoy each other's company and conversation. If y'all are ever in Round Rock, stop in to meet Jane and Ann! They have only been open for a few months, but, unlike so many other antique mall Tea Rooms, their personal attention is

making a success of it, and they are already talking of expanding!

Our program was on the beginnings of The Heisey Collectors of America, with the first study club formed November 19, 1969 in Newark. Interest in Heisey was fanned by several displays of Heisey glass in the Newark area. After many calls for a national club, The Heisey Collectors of America was formed in 1971, with the newsletters starting in January, 1972. Next, the King House in 1973, which was the start of our beautiful Museum! Purchasing the molds, and a warehouse to house the molds, is something no other national glass study club has been able to do! The program was given by Rodger Hulslander, with the help of an article published in Heisey News in 1993 "From the Memoirs of Louise Ream." Yes, Louise should know all of HCA's history, she was there through it all! Thank you Louise! And thanks to all the many others that worked with Louise—I know many of you worked a lot of long hours for this beautiful Museum!

Our next meeting will be held in Hamilton, Texas, at the beautiful home of the Caraways. (It has been rumored that several pieces of Heisey can be found there. How many display cabinets was that??) Each year, in May, we hold a Blind Auction! Each member donates as many pieces of Heisey as possible, wrapped any way you want to do so - newspaper, pretty paper, old cans - be as creative as you would like! Everyone will bid on them, as high as they can possibly bid and all the proceeds go to HCA. This is our, "once a year donation" to Heisey Collectors of America! So, we hope to see all you Heisey Lovers that live near Hamilton, Texas, plus all of our Heisey Collectors of Texas members.♦

Hoosier Heisey Club
Jean Phillips

On a snowy, blustery March 11, ten members of Hoosier Heisey Club met at the Warren Library for their first meeting of the

Great Plains Heisey Club

Mary Cameron

year 2000. It was great to see everyone! Secretary's and treasurer's reports were read and approved. At our next meeting we will work on the display for convention. No other program is planned for that day.

Donna Higgins presented a program on Touraine pattern. This pattern was produced from 1902-1930. All the items had a plain configuration with a few pieces decorated with gold. Some of the pieces displayed by members were: two pitchers—one decorated with a gold band, a covered bowl, toothpick holder with enamel flowers, a hotel sugar with red bands, and a cordial with tating etch.

The next presentation was by Don Rabourn. Continental was the pattern and it was produced from about 1903 through 1913. This pattern was made in crystal only, sometimes with gold decorations. Following are some of the items displayed: pitcher, compote, short stem sherbert, tall stem sherbert, salt and pepper shakers, a tumbler, water goblet, and a pitcher with gold trim.

The color of the day was flamingo. Tom Taylor gave the presentation. The production period was 1925-35 and was the most produced color. The color ranges from a light pink to almost a peach depending on the thickness of the glass. A few pieces had paper labels with a picture of a flamingo. These labels are rarely seen. A tulip vase, pleat and panel pitcher and covered compote, a twist mustard and cup and saucer, an empress oyster cocktail, an Irwin smoke set, and a Caswell creamer and sugar shaker are just a few of the items displayed.

Lucille and Fred Duhm provided delicious refreshments to end our meeting. We thank them very much.

Needless to say, we are looking forward to our next meeting June 3. We hope to see all the members there plus some new faces who are interested in learning more about Heisey. ♦

Twenty members attended the March 11th meeting of the Great Plains Heisey Club in the home of Gary and Shelby Corey in Omaha, Nebraska. President Tom Files called the meeting to order at 3:00 p.m. The minutes from the November 20th meeting were approved without change. The Treasurer, John Mock, reported a balance of \$82.50 in the treasury. The Membership and Publicity Chairperson, Trudy Mock, reported a total of 35 paid members. An invitation was sent to other individuals, including advisement of dues and requirement of membership in the Heisey Collectors of America, Inc.

There was no old business. New business included:

1. Tom Files will be sending our club application to HCA so we can receive our charter at the Heisey Convention in June.

2. A discussion was held regarding possible program ideas for future meetings. The following schedule was set for 2000:

May 13: Ridgeleigh pattern

July 8 : Bring your favorite and/or first piece of Heisey

September 9: Early patterns before 1910

November 11: Cruets, oils, syrups

Harold Davidson, Program Chairperson, will also be bringing information about the Heisey Moulds and the use of the black light. Other program ideas discussed for future meetings were: Heisey animals, additional patterns, fakes, sugar and creamers, stems, and Heisey by Imperial.

3. Pat Lucke donated a Heisey ash tray for the silent auction with the proceeds to go to the club's treasury. There was no further new business. Harold Davidson presented the program on Heisey colors. Heisey pieces in all colors were displayed except vaseline and tangerine. Harold also distributed an informational handout about Heisey colors.

Show and tell included a Harvey amber tumbler, a #4163 Whaley jug and 6 #3312 Gayoso goblets with matching cuttings, a Ridgeleigh lamp vase, a Plateau (#3359) rose bowl vase in moongleam, a Rococo nappy in

Sahara, a Fancy Loop individual creamer in emerald, a Narrow Flute nut in moongleam, a Narrow Flute relish with marigold stain in a metal basket, an Empress candlestick in Sahara, a Saturn cruet and Stanhope goblet in Zircon, a #357 duck ashtray in flamingo, a Creole wine and an Empress nut dish in Alexandrite, a moongleam Fairacre footed and handled ice tea, two petticoat dolphin candlesticks, a Rococo combination mayo and relish, Empress 7" triplex relishes in all production colors except Zircon, and many more items.

Kathy Files ended the meeting showing a video of the Heisey Museum. The next meeting will be May 13, at 3:00 p.m. location to be determined later. ♦

MARY MCWILLIAMS MEMORIAL FUND

Announcing the establishment of the Mary McWilliams Memorial Fund. Mary passed away on Friday, April 7, 2000 after almost 30 years of involvement in HCA and 15 years of regular weekly volunteering at the Museum. As a way of honoring the many years of her dedication to HCA, friends would like to establish a special part of the HCA Endowment Fund in her name. In order to do so, additional funds are needed to reach the minimum starting balance of \$3,000. If you or your study club are looking for a way to honor Mary's memory, please send a contribution to HCA for the Mary McWilliams Memorial Fund. If you have any questions, contact Jay Martin (203-966-9359)or Karen O'Hare (740-366-3739).♥

Be sure to send the editor updated club directory information and reports on your club happenings! Please send items via e-mail whenever possible.

When Renewing Your Membership...

Help us to reach our new goal of \$2,000,000 by the year 2002. When you renew your membership at one of the levels below, any amount beyond the regular Associate dues—\$22.00 plus \$5.00 for each additional household member—goes into the Endowment Fund.

<i>Individual Contributing, one person in household</i>	\$30
<i>Joint Contributing, two people in one household</i>	\$40
<i>Family Contributing, parents and children under 18</i>	\$50
<i>Patron</i>	\$100
<i>Sponsor</i>	\$250
<i>Benefactor</i>	\$500

Contact the HCA Administrative Office at (740) 345-2932 for more information. The Endowment Committee wishes to thank those who have become Endowment Members and all of the individuals and study clubs that have so generously supported the HCA Endowment Fund. Your support will make the museum self-sustaining in the years to come. Thank you all! ♦
