BENEFIT AUCTION WRAP-UP

Dave Spahr

"What a great auction!" and "What great glass!" If I heard those comments once each I must have heard them twenty times!

As the 2003 Benefit Auction Chair I would like to again thank the army of volunteers and workers to make the auction the annual success it always is.

While at press time the final numbers are not in for the auction, I know it was a successful venture! While all of us volunteers worked hard to have a great auction, the folks I'd once again really like to thank the consignors for the wonderful glass we had to auction off this year. They really make it possible-great glass makes for a great auction!

You who have helped are listed in a separate block in this newsletter. I really enjoyed working with you all and hope you had as much fun as I did! For me it was also a learning experience since I saw pieces of glass at this auction I'd never seen before! Bet you did too. I sincerely hope you will help again next year!

A special thanks again to Sam Schnaidt who again donated his time and the use of his first class facility-the Appletree Auction Center. Finally, I would have been lost without the help of Bob Ryan, Dick Marsh, and Joe Harner. All of them did the small and large things necessary to make this a great auction.

See you at the Convention. Happy Heisey Hunting!

MESSAGE FROM THE PRESIDENT

MIKE MAXWELL

Is this a great Country we live in or what! So many things have happened since my last article in April. We have lost some good men and women fighting for freedom for Iraq. The most important part of freedom is sometimes the thing we forget. In this Country, we have the right and freedom to say what we feel about current affairs. Whether you support President Bush or not is your God given right. That is what makes us strong and most of all free. The media reports on demonstrations either for or against and the only thing we think about is how the other side angers us. Let us not forget what we stand for as a nation. Nor let us not forget that each and every one of us has the rights to life, liberty and the pursuit of happiness. We as Americans are guaranteed the right to agree or disagree. That is why I am proud of who I am and the Country I live in. Imagine living in a country that would not allow us the freedom to have an HCA or a National Heisey Museum, but fortunately, for us we all do. Whether you support this war or not let us all say a prayer for our fighting men and women who are over in a strange land fighting for things we take for granted. I wish them God's speed and a safe return home to their family and friends. War is never a popular thing but they have my respect and thoughts. To steal a line from Dennis Miller: "That's what I think, but I may be wrong."

The benefit auction surpassed our expectations this year. I would like to thank everyone who consigned their Heisey to be sold. I would also like to give credit to everyone who bid on these wonderful lots of Heisey. Without either of you, this would not have succeeded. We did have a few setbacks during the weekend. The wonderful whimsy basket ended up with a cracked handle but more disturbing was the loss of the Greek Key toothpick. For those of you who do not know this, HCA must pay the insurance deductible for this from our proceeds. This is indeed a setback for HCA as both were rare and expensive items. The damage to the basket is just one of those things that can unfortunately happen but the toothpick will disturb me for a long time to come. It would be easy to point fingers but the bottom line is that this piece was cataloged, carefully packed in a box, but was never seen again. In my heart I want to think, that one-day we are going find something wrapped up only to find that it is our lost toothpick. It would truly disappoint me to know that this was taken for someone's personal gain at the loss of its owner and HCA. Rest assured that we will continue to do everything in our power to solve this mystery.

On a lighter note museum Gift Shop sales were up for that weekend. The Cobalt #2 Madonna continues to be a hit and sales continues to grow for this gorgeous piece of glass. We are continuing to research additional venues to sell our re-issues. Our Business Manager, Shelly Hoberg, has been working very hard with Newark High School. They have placed an order for the Tiger paperweight in Ruby Red as a gift to key staff members. I am pleased to say that this will soon become a reality. Thanks for your hard work Shelly. Dick Smith and Dick Marsh have both been working with local area veterans groups on re-issuing the General's Cap. This has also become a reality. Great job guys! We are still working with the triangular Heisey advertising sign that was never produced. Unfortunately at this point we may be finding why they did not produce it. I will keep you posted as to its progress.

Wow, I cannot believe that it is almost June. Convention 2003 is just around the corner. I hope to see everyone there for this one. It will promise to be a lot of fun for everyone there. Jay Martin, Sharon Orienter, Marilyn Smith and everyone else involved have done a great job of working together to provide you with this year's festivity. I hope that all of you will take part in all of the different activities available to you this year. The convention committee has striven to provide all of us with activities under $20.00, which has not been an easy thing to do.

By this time next month I will have sworn in our new additions to HCA's Board of Directors. It has been quite a year for us and I have been proud to have been a part of it. I appreciate last year's Board for giving a relative unknown the chance to be your President. It was truly a learning experience and I enjoyed it. I personally want to thank Dave Spahr, Connie Dall, Linda Bischoff & Bob Rarey for making this experience worthwhile. This was an Executive Committee that really worked together and sometimes just agreed to disagree but never lost sight of what our goal was. Right, wrong or indifferent we did what we

felt was best for HCA. Not only did we manage the day to day operations but we forged a friendship that I hope will last a lifetime. I would certainly be remiss if I did not include the fabulous staff we have at the Museum. All of you made our jobs as administrators much easier by always going above and beyond what was expected of you. As always, we could not do it with out you!

Happy Heisey Hunting, ♥

Mike

FROM THE CLUB/ MUSEUM DIRECTOR
BILL DOUGLAS

As I sit down to write the last article for May issue it is only two days till "tax day." Hopefully you already have your refund? Don't forget to save some for all the fun events planned for convention.

I had the fun of experiencing my first Benefit Auction. Thanks to Dave and his crew for all the work they did to make this a success. I also want to thank Sally and Phil Abrams and Sharon & Frank Orienter teaching me the ropes at the buyer pick-up tables!

Thanks to Georgia Otten for allowing me to use some of her photos of the auction in this issue. Sorry I did not have room to run them all!

Now that the auction is winding down, we really start to focus on Convention. Unless you have helped organize something like this, you really have no appreciation for what goes on months before. We have had a great response for centerpieces, but Jay is always looking for a few more.

This is an important issue of the *Heisey News*. Not only do you have the auction recaps, but the candidates for the Board are in this issue along with the Convention Registration. Happy reading and happy Heisey hunting! ♦

28TH HEISEY BENEFIT AUCTION IN REVIEW
BOB RYAN

Thursday, March 27th the sun shone brightly as we pulled into Apple Tree's parking lot albeit not the first to arrive. I opened the car door as Dave opened Apple Tree's door and we were literally off and running. People in their places we did some remedial work and then glass came out of boxes onto tables, shelves, into cases and the goblet shelves. We were humming and it seemed like only a few minutes later someone said it is almost 1 o'clock. Are we going to break for a bite to eat? That old axiom of time flies when you are having fun really did apply. We had a couple new guys this year who pushed us pretty hard along with last year's experienced help. We had everything where it was supposed to be before 6 o'clock that evening and checked out.

There was some remedial work to do on stickers on Friday morning and then we did the gazing and wishing part hoping that we might just be on our favorite item when everyone went to sleep and the auctioneer said sold on our bid. Dreams are handy things. They give credence to what might have been and I believe most people came away with something that they wanted. I missed both items I had pegged as mine but got two very desirable items that I had no idea I could capture with my Sociable Security income. God is good. Before we go forward with this article I want to thank all of those kind people who sought me out and commented on my pleading article on the Auction in last month's Newsletter. I hope the checks were sufficient? No, really, unless I hear from you I take it that the passing of info reached some people. We had a great crowd. Very active bidding began after Sam advised them that not all of them could be winners on the good stuff and that there was plenty of good stuff to go around if they would just lift their bidding numbers and good things would happen. They did that and it did. So you see, pay attention to Uncle Sam.

Sam Schnaidt, Gary Babcock and Larry Stickle did great jobs with the glass. It was great seeing Larry

back on the podium and of course Sam and Gary did yeoman jobs as well. Afterwards the Buckeye Study Club sponsored an After Auction Madness Sale and while the dealers count was only 7 they had great glass and many sales were recorded. Everyone had a good time and the snacks and drinks took a beating. Now that is not surprising.

We left exhausted from watching everyone working so hard. We were pleased to see new faces pitching in having a good time and making some "moola" for the Club. A club thrives with many volunteers sharing the workload. With only a few people doing all of the work it is doomed to failure. If it has been some time since you gave some of your time, or if you have yet to volunteer, now is the time to step forward. There is so much to do to prepare for the June convention. Please don't wait for a personal invitation. Tell Bill Douglas you have a day, a morning, an afternoon to spend, even a weekend will do. Come have some fun, enjoy the great feeling of accomplishment. The Heisey Collector's Club needs you. Remember that it is your Club. It needs your volunteer time to survive.

Thank you to all of the fine people who volunteered your time, consigned your glass, and came to the auction. Thanks to the many people who participated by sending absentee bids. You all contributed to the success of the auction. Special mention goes to Dick Marsh. You were everywhere - - what a dynamo; Ginny Marsh, thanks for all of your help; and, Elaine, you are a dear; Shelly and Bill, your hustle did not go unnoted; and Dave Spahr, what an effort. What ever was needed he found a way or someone to get the job done. Dave Spahr - -you did a tremendous job, - - also your little friend Joe - -thanks guys. God Bless you all! ♥

2003 Benefit Auction "Mail Bid Summary"

Dick Smith

The Auction was a huge success, thanks to the consignors, all the bidders, Dave Spahr, and all the Volunteers who helped put this on.

There were a total of 60 people who placed a mail bid. Of these 60, bids were place on a total of 495 lots. 86 of those lots had a successful bid. A total of 409 lots were unsuccessful.

Mail bidders placed bids for a total of $50,000 on these 495 lots. There were $41,000 losing bids and $9,000 successful bids.

All mail bid items were inspected by several people to see if there was any damage not called in the catalog. If some significant damage was detected that was not cataloged, then we used our discretion and most likely did not execute your bid. This should explain why some things might have sold for less than your mail bid. There were a couple of cases where someone from the crowd was on your top price and we could not bid higher because we were out of money. Therefore, they purchased it at your top bid amount.

If you marked your bid "Mint Only" and there were any questions damage, pattern, color, etc., we did not bid.

If you have any questions concerning the Mail Bidding process contact me at prestonmom@adelphia.net.

Thanks for bidding! ♥

MEET THE BOARD AND CANDIDATES

Gloria Moore

You are cordially invited to the HCA Convention Meet the Board and Candidates Event to be held at 10 A.M., Thursday, June 19 in the hospitality room (downstairs) at the Museum. Since the theme of this year's convention is "Celebrations," Thanksgiving is the celebration theme for the morning free coffee, juice and breakfast roll get together. All HCA members and convention goers will have an hour or so to meet, smile, and exchange thanks with the BOD, Museum staff, volunteers, and each other.

No Thanksgiving would seem official unless there is a turkey and the Jack C. DeLoney certified limited edition print No. 5946/6000 donated by Greg and Glo Moore which depicts a tom turkey and several hens in a colorful nature scene. Aptly titled Struttin' and Drummin', the print and several other door prizes will be awarded during the hour.

We have a wonderful group of candidates running for the Board of Directors. Please see the candidate bios in this edition of the Heisey News. This is a chance for you to visit with them and to get to know or thank those individuals who have volunteered their time, and who have kept our wonderful National Club strong the past year.

Attendees will also have a great opportunity to enter, view and vote on (peoples choice) for the Wall of Fame, Celebrate with Class by using your Heisey Glass snapshot contest. See details in this and the next Heisey News.

Please plan to attend the Thanksgiving Celebration Meet the Board and Candidates Event at the Museum Thursday morning. ♦

Linda Bischoff, Incumbent

Photo Not Available

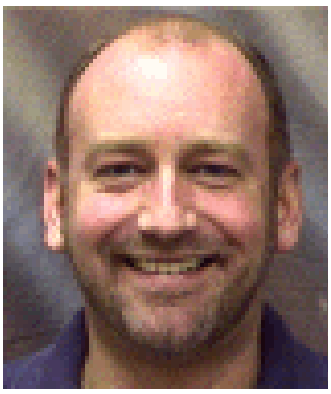
Linda is running for her second term on the Board. Linda currently serves as Secretary.

Linda first became aware of Heisey in the early seventies while dating her husband, Tom. Before long they were both hooked on collecting all of the beautiful animals. Currently her Heisey passion has shifted to collecting candlesticks in Sahara, Moongleam and Cobalt.

Although Linda lived in Central Ohio while attending Otterbein College and teaching in the New Albany, Ohio schools, she calls Texas (Ohio) home. After teaching Linda worked part time as a librarian for the Toledo Lucas County Library and as a bookkeeper for her father-in-law. She has worked in the Sylvania, Ohio income tax office for twenty-one years becoming the tax commissioner in 1985.

Linda feels her diverse job background will continue to be an asset to the Board of Directors.

Bryan K. Baker



Bryan K. Baker began collecting Heisey in the early 1980's after inheriting a small collection of Orchid from his grandmother. Collecting Orchid soon turned into collecting everything Heisey and Bryan is now the owner of an extensive collection. He is also the proprietor of Piece by Piece Antiques specializing in Heisey glassware. Bryan is a native of Virginia, and has been an active member of the National Capital Heisey Collectors Club (NCHCC). He was recently elected to the office of secretary for the club and also the co-chair of the Annual All-Heisey Glass Show sponsored by the NCHCC. Bryan has been a member of the Heisey Collectors of America (HCA) for a number of years and is currently a member of the HCA Technology Committee. Bryan volunteers his time helping with the HCA Benefit Auction.

Bryan is a Senior Program Analyst for Mitretek Systems, Inc., a non-profit scientific research and system engineering company outside Washington D.C., that works in the public interest to solve complex technology problems. Currently, he is responsible for Mitretek's business continuity and data recovery plans. Prior to his work at Mitretek, Bryan was a seasoned manager for a large nationwide retailer.

Bryan brings to HCA his years of management experience along with his sense of teamwork and dedication. Using tried and true methods in addition to new technology, Bryan is dedicated to reaching out to new and existing HCA members to foster and expand the knowledge of Heisey glassware. Building on his existing knowledge, Bryan hopes to assist in increasing and strengthening HCA members' relationships to the National Heisey Glass Museum using the *Heisey News*, the HCA and Museum Web Site as well as new technologies such as CD-ROM and Internet based applications (e.g., newsgroups, interactive chat, online data access). Bryan's goal is to increase the membership base while increasing informational resources available to members.

James S. Clark

I am a retiree from Ameritech, (1995) where I worked in the Central office and an Assistant Manager of 6 offices for 26 years. After retiring I have run my own company doing telephone and computer system networking and management. I also worked on the Census 2000 as the assistant manager for field operations where I was directly responsible for the correctness and completeness of the Census. When the Census was complete, my district was rated third in a 3 state area out of approximately 40 districts. Presently I am employed at Springhill Nurseries.

My association with Heisey began 19 years ago with a couple of pieces that my wife Karen and I had and wanted to find out more about. This led to a trip to the museum where we were directed to contact Bob Ryan. Over time he has become my Heisey mentor. After meeting Bob we became members of the Dayton Area Heisey Study Club.

Bob introduced us to the annual Heisey benefit auction which I have co-chaired and chaired or been involved with it in some fashion for most of the years I have been associated with HCA.

I have also served as Project Chairman for a couple years. Several years ago I also served as president of the Dayton Area Heisey Study Club.

My wife, Karen, and I serve as Docents at the Museum on a regular monthly schedule and as needed. We started as docents early in our collecting experience under the guidance of Louise Ream who educated us well.

Our collection of Heisey includes anything we like with favorites being Old Sandwich, Hawthorne and vases. As Bob Ryan has said there is "no bad Heisey."

We have two daughters. Kelly lives in Richmond, VA and works as a neonatal respiratory therapist at MCV Hospital. Rochelle (Shelly), along with her husband, Steve, lives in Hilliard, OH has given us two fantastic granddaughters, Keely (4 years) and Ryleigh (2 years).

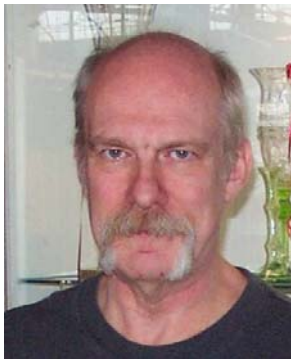
Should I become an HCA board member I hope to assist in any way I can to ensure that we continue to offer education of the glass and to fulfill the long term security of the museum.

Carolyn Felger

I have been a member of the Heisey Club of California for 10 years and served on the Board of Directors for Heisey Collectors of America for 4 years, from 1997 to 2001. My husband, Dan, and I have four adult kids and 9 grandchildren, ages 2 to 20. Dan is an avid fisherman and I'm addicted to Heisey and golf. We own and operate a Real Estate Investment firm close to our home in Thousand Oaks, California, with most of our properties located in Arizona and Oregon.

I look forward to serving on the Board again. I will strive to make a positive contribution to the National organization and to work with the Board to increase the National membership, increase donations to our beautiful Museum and to continue the Heisey tradition of excellence and dedication.

Walter Ludwig



Walter Ludwig has been a resident of Philadelphia, Pennsylvania for over 30 years. He attended Hobart College graduating with honors, with majors in mathematics and economics. Walter worked for over 27 years for the WEFA Group, a major economic consulting firm, attaining the position of Vice President – Systems and Technology.

Walter first began collecting Heisey in the early 1970s when he was going to flea markets and was attracted to the beauty of a green glass with a peculiar mark in the middle of each piece. He would buy practical pieces he could use that had this mark on them. It was several years before he learned that these pieces were Heisey Moongleam with the famous Diamond H mark. He joined HCA and attended his first convention in 1982. His collection has grown to the point that he is known as "Mr. Moongleam" within the Heisey family of collectors. His constant search for Heisey resulted in his becoming a dealer in Heisey and other glass of the depression era. He still considers himself a collector first and a dealer second. His Heisey collection has expanded beyond just Moongleam to include Aqua Calientes, Hartman, and Art Deco inspired patterns.

Walter has served two previous terms on the board and has held many positions in the organization. He has been chairman of the Education Committee, the Technology Committee, and served on the Acquisition Committee. He has been Show Chairman for 7 years and has chaired the identification panel at convention for over 8 years. He has presented seminars at convention in the past, written articles for the Heisey News, and done presentations to outside groups about Heisey. He is anxious to continue contributing to the organization by serving again as a director for HCA.

Ron Keener

I was born and raised in West Virginia. Served in the Air Force from 1959 to 1964. I now reside in Heath, Oh. I retired from Newark Air Force Base in 1997 after 37 years of federal service where I worked as a Program Manager for support equipment for various weapon systems.

I moved to the Newark area in 1966. Being an avid auction fan at the time, I soon became acquainted with Heisey Glass. After a few years of observing the sale of Heisey I began to buy a few pieces. That soon lead to the start of a collection, concentrating on the dolphin footed pieces. Soon after that I became a part time Heisey dealer. I have been a part time dealer for over 30 years and always look forward to June and seeing all the Heisey collectors.

My goal, as a board member would be to get the younger generation involved and to increase membership in HCA.

Dick Smith

Dick is a lifelong resident of Newark, Ohio. He and wife, Marilyn, are the parents of 2 children.

Dick has been an HCA member since 1978, serving on the board of Directors for 16 years and also serving as the Immediate Past-President for 2 years. Dick has also served on various committees including: Convention Chair, Convention Co-Chair, Display, Auction, Museum, Special Projects, Building, Warehouse, and By Laws. Dick has served as National President twice for a total of 4 years and Vice President 2 years.

Hobbies include: baseball cards; drag racing; Newark, Ohio collectibles; and of course "Heisey Glass."

Dick believes a strong Board of Directors is needed to further the purpose and goals of HCA, preserve the Museum and preserve the History of Heisey Glass. Dick believes sometimes you have to set aside your personal views and do what is best for HCA and the Museum. ♦

HGTV ASKS FOR HELP FROM HCA

Bill Douglas

I received a phone call and E-mail follow-up from Kathy Hitchens, a producer for High Noon Productions. They are producing a show called **Hey Remember** for HGTV. High Noon has produced many HGTV programs including **That 70s Home, If Walls Could Talk, Modern Masters, and Dream Drives.** The company also produces **Unwrapped,** the top rated show on The Food Network.

Here is a synopsis of the show:
Hey Remember 8-track tapes? How about those metal dinette sets with glittery vinyl chairs? **Hey Remember** is a new weekly program of home-style memories and nostalgia that will debut on the cable network HGTV (Home & Garden Television) in the fall of 2003. Each half hour episode of **Hey Remember** sweeps us back in time to the 1950s, 60s, 70s and 80s as we explore the furniture, decor, appliances, and games we all lived with at home.

Hey Remember revisits the oldies but goodies - orange shag rug, kitty-cat clocks, popcorn makers, Princess line telephones, avocado refrigerators, pink bathroom tiles, and stereo equipment that took up the entire wall of the living room. Old TV commercials and magazine ads bring back the moment like it was yesterday - Maytag's "loneliest man in town," Wisk's "No more ring around the collar," or Mr. Magoo convincing us to lounge on a La-Z-Boy recliner.

On **Hey Remember** we'll hear from comedians, musicians and other celebrities who share their home front memories on everything from basement wet bars to their first game of Pong. Ordinary citizens from around the country will weigh in, too. Vintage footage helps to set the scene including home video, industrial films, TV commercials, historical footage, and snapshots. No one's photo album is off limits.

You'll see the products that shaped our lives - sometimes still in production at the factory, sometimes in the hands of retro collectors. Either way, while you watch **Hey Remember** we guarantee you'll point to the TV and say "I had one of those!"

OK now it's your turn! Put on those thinking caps and let the ideas roll!

Send your ideas to me and I'll act as the collection point. Items will be selected by the "Volunteer Curator Corps" and the Executive Committee. Nothing will leave the collection. They prefer digital photos and copy that they can use in various shows.

Send your ideas to: director@heiseymuseum.org

We'll keep you informed of any show dates we know about! ♦

MAYOR TO PROCLAIM JUNE 18TH AS HEISEY DAY

The Honorable Frank Stare, Mayor of Newark, will be attending the Cookout at the Works on June 18 to help open the 32nd Annual Heisey Collectors of America Convention. The Mayor will also present HCA President, Mike Maxwell, a Proclamation dedicating June 18th as Heisey Day in Newark. The Proclamation recognizes the contributions to the Newark community by the A.H. Heisey & Co., the Heisey Collectors of America, and the National Heisey Glass Museum.

MEET THE FORMER EMPLOYEES

Judy Rhoads

On Friday afternoon of Convention, at 3:30 in the Hospitality Room, you can meet folks who can make the history of Heisey glassmaking come alive for you! These are the folks who worked in the Heisey factory and who gather every year to visit and share their stories with anyone who will listen. This event is not an exclusive party just for them. It is for all of us to get together and enjoy!

You can talk to a lady who worked in the Etching Department on Orchid etch. There is a man who worked in the Blow Department and remembers making #5025 Tyrolean. One gentleman worked in

the Carpenters Shop and remembers doing work in the Heisey home. There is one lady who pinned bobeches! You can talk to a foot finisher, a mould maker, and a polisher. One lady marked patterns on glass before they were cut; and another lady warmed-in in the factory!

You may never have a chance to hear stories like these again! You'll want to meet these delightful people! Be sure to plan your time so you can visit with these folks! ♦

Show Your Heisey Photos and Win a Prize at Convention

Gloria Moore

Calling all HCA "Celebrations" Convention goers to have fun showing off your Heisey pictures and win fun prizes. When folks come to our house and see the cabinet full of Heisey they always ask if we use it. I'm apt to pull out a favorite Guest Brunch Celebration picture of Heisey Lariat goblets with Moonglo etch containing Mimosas: mostly orange juice, with a dash of champagne, complimented by a peach half and a strawberry skewered by a monkey hanging on a palm tree. Or the Puritan pattern large nappy that we call the Mashed Potato bowl, full of spuds with a large dollop of butter in the middle. After getting thirsty and hungry thinking about it, I recalled the great idea Marilyn Smith's theme of "Celebrate with Class by using your Heisey Glass" is for each of us going to convention this year.

So I'm hoping to see as many people's Heisey usage as possible, and am offering art, Heisey, and fun other prizes for convention goers to participate this year. Making this game up as we go along, hopefully you'll help me with some basic rules, and not hold me too sorely if we need to adjust along the way.

Wall of Fame Convention Photo Contest
The Rules as a plan:

1. Convention goers are encouraged to bring standard size photos of their Heisey in use or displayed in their homes. (Pictures may be reclaimed on Saturday at the Museum or Bill may use them for further displays or Heisey News)
2. Put your name on the back of each photo and please print clearly.
3. Bring the photos - - limit of 5 per convention goer - - to the Museum (during the Meet the Board Event would be the perfect time) but before noon on Friday. Bill Douglas will provide us with rubber cement to place our pictures on poster board around the Hospitality Room at the Museum for everyone to enjoy and vote on for Peoples's Choice:
4. Then we'll all vote on our favorite picture through a ballot that will be in our packets. Winner for this category will be awarded a Terry Redlin beautifully matted and framed print: Prepared for the Season. (To be announced during the Friday evening dinner) To encourage more participation and incentives here are more **Chances to Win a Prize**
5. A team of judges will decide which photo wins a prize in the following 5 categories:

A. Creative use of Heisey
B. "Celebration" use of Heisey
C. Holiday use of Heisey
D. Family use of Heisey (this is where I'd hope to win with my mashed potatoes)
E. First time Heisey Convention goers

Please help me by bringing your photos to participate. This contest is offered in the spirit of fun, camaraderie and good-will. Encouragement is always appreciated, and criticism rarely is fun, so let's make this fun for all, please. Thank you for participating in advance. I'm really looking forward to enjoying many photos. See you at Convention! ♥

ATTENTION STUDY CLUBS

Jay Martin, 2003 Convention Chairperson

We are asking all Study Clubs to participate in something new at Convention this year.

We thought it would be fun to have each Study Club donate a Heisey centerpiece for the Friday night dinner meeting. These will be auctioned off after the dinner for the benefit of HCA. I think the operating fund could use your support the most, but you may specify where you would like the funds to go.

Your centerpiece can be just about anything you can think of as long as it is in a piece of Heisey or has a piece of Heisey in it. It doesn't have to be a console bowl or a basket, although it may be, but even just a nappy with good decorations in it. The other stipulation is that it should somehow represent your club. You could include items indicative of the region you are in, i.e, pecans from the South, or a map of your state with your meeting location marked, your State bird or pictures of your club's activities or anything your imagination will allow you to come up with that is fun and interesting. Be sure to label the centerpiece with your club's name and where the funds are to be directed. Keep in mind that the 2003 Convention theme is "Celebrations".

Your Study Club representative should bring the centerpiece to the Friday night dinner/meeting at O.S.U.N. in Hopewell Hall at 6:00pm.

Please let us know if you plan to participate or not, no later than the Heisey Benefit Auction. Check one of the choices below and return this to Director, Bill Douglas at the museum, as soon as possible, or E-mail your intentions to Bill at director@heiseymuseum.org.

We look forward to having a good time with you all this June, 18th – 21st in Newark, Ohio.

Thanking you for your support in advance,

_____

_____ Yes, we will provide a Heisey centerpiece.

_____ No, we will not provide a Heisey centerpiece. ♦

2003 CONVENTION DISPLAY GLASS NEEDED

Marilyn Smith

Are you or your Study Club interested in having a display of your glass in the All Heisey Display during the Heisey Convention? Remember that all glass must be Heisey – no reproductions or fakes. The theme for the display will be "Celebrate with Class by Using Heisey Glass." This is your opportunity to display your collection and/or dinner/luncheon sets. The display will be in Adena Hall on the OSUN-COTC Newark Campus.

The rectangular tables are three feet by eight feet and the round tables are four feet in diameter. HCA will furnish the rectangular tables, table covers (white top with blue skirting) and risers. The round tables will have white tablecloths, napkins and silverware. You do not need four place settings as two are adequate with serving pieces.

The display glass will be set up on Wednesday from 9:00 a.m. to 4:00 p.m. and Thursday from 9:00 a.m. to 12 noon. Security will be available from set-up to tear down. The tear down will be after the show closes on Saturday from 5:00 p.m. to 9:00 p.m. The Show/Display hours are Thursday from 12 noon to 6:30 p.m., Friday and Saturday from 12 noon to 5:00 p.m. If you need help caring or setting up or packing the glass, please let me know.

Let me know how many tables you need and the name of your display and/or pattern to be displayed by May 24.

If you have questions or want to reserve a table you can contact me at: Marilyn Smith, Display Coordinator, 225 Upson Downs Road, Newark, Ohio, 43055; phone 740.366.5163 or E-mail me at prestonmom@adelphia.net. Thanks for your consideration. ♦

BLIND AUCTION UPDATE

WE'RE BOBBING FOR A GOOD TIME REGISTER FOR THE HALLOWEEN SWAP/BLIND AUCTION!!!!

Connie Dall

Register now for the Blind Auction/Swap. Be sure to come to bid on wonderful items donated by Study Clubs and members. Be sure to come to swap your extra piece of Heisey for something you've always wanted. Be sure to come to display your Halloween costume and vote on your Halloween costume favorites. This year's categories are:
Best Male Costume
Best Female Costume
Best Couple Costume
Best Group Costume
Best First Time Convention Attendee Costume

There will be door prizes. All costumed attendees will receive **FREE** tickets. Those not in costume will be able to purchase door prize tickets.

Remember your registration fee of $7.50 includes a meal of pulled pork sandwiches, salads, dessert and soft beverage. Your entertainment is provided by fellow club members and their creativity in costuming. Your competitive "spirit" will be whetted by bidding on donated items. Two levels of "boxes" are provided this year; at least $150 and at least $50. The at least $150 items will be on display. You will draw for a number to determine which prized item you will receive. The at least $50 items will be boxed to allow for the excitement of unwrapping. Then last but not least, you get to horse trade/swap glass till you have nothing left to swap. Other surprises will be unveiled as the evening unfolds. The committee doesn't know what all of you will do to liven up the evening but you never disappoint.

Just in case the above hasn't convinced you that attending the Halloween Swap/Blind Auction is the best idea since caramel apples; here are some examples of what is in the at least $150 "boxes'…….a pair of signed Heisey shelf supports,…….. a pair of frosted horse head bookends……a fabulously cut Christos decanter……a Flamingo Dolphin Footed Pitcher……a Greek Key Pitcher……a 2 qt Cobel cocktail shaker with Tally Ho etch and a Krall cut monogram……a Mallard with the wings up……oh and if you missed last month I'll repeat the pair of Kohinoor candelabra and the #459 cut basket. That isn't all but should give you a taste of what is to come. By the way, if you are into sets of individual items in color or cuttings the items coming in for the at least $50 boxes are well beyond $50.

Please review the March and April issues for the clubs/members who have already donated/pledged items. They will all be acknowledged again the evening of the event and in the July Heisey News. We have heard from many more people especially at the Benefit Auction. Please join me in thanking this new group of donors.

HEISEY NEWS BINDING

Bob Rarey

Every two years I have offered to have the Heisey News bound for those members who wish to have that service performed. It is now time for the 2001-2002 issues to be bound. Binding is of library quality, with a hard cover in royal blue with gold lettering, as has been done in past years. The price for binding is $31.00 per volume, plus $5.00 per volume for return shipping if required. No binding of back issues is available at this time.

If you are missing any issues of the years 2001-2002, contact the HCA office, as these are available from HCA at a cost of $3.00 each. They are also available online by visiting the Shop page of the Museum web site. **(Note:)** When ordering online, you must specify in the "comments" box which issue(s) you want.

PLEASE - you must remove all staples! They must be removed for binding. The final cut-off date for binding is the last day of the 2003 HCA Convention, June 21, 2003. You may send your newsletters to me at the Museum or directly to my home address. Make cheeks payable to me, as this is not a club function! Thank you.

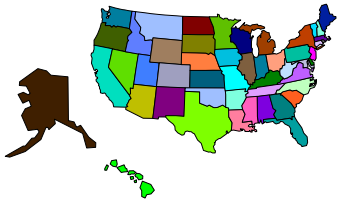
CLUB NOTES



Gulf Coast Heisey Club of Florida
Judy Biniasz

The Gulf Coast Heisey Club of Florida met on March 20, 2003 at the home of Bob King in Clearwater, Fla. with Tom and Ellen Rickles as co-hosts. There were 19 members and 5 guests present. The luncheon was quite good and eagerly eaten by all.

The meeting was brought to order by Outgoing President Bob Kreimer. The 5 guests present were: Jean Scott, Mary Ellen Gibbs, Willard Grubb and Odell and Virginia Johnson. The minutes and treasurers report were read and approved.

OLD BUSINESS: The upcoming Heisey Convention was described and discussed and the members voted to donate $75 towards a prize box and $50 for the hospitality committee. There also was a discussion on the museum operating budget.

NEW BUSINESS: Next year's programs were discussed and the November's will be on patterns from Pointed Oval in Diamond Point through Old Queen Ann; January's will be on Colonials; March's is undecided.

It was announced that Mildred and Harold Willey will have an open house again this year at Convention, right outside Newark.

Virginia Johnson gave us a report on her 2 year old Heisey club in Minnesota with 25 members.

Mary and Bob Kreimer offered to bid for anyone interested in glass at the benefit auction in March.

The officer election was held and Jane Markstrom was voted in as President and Judy Biniasz as Secretary/Treasurer. A note was read from Jane Markstrom explaining her absence from the meeting.

Show and Tell followed the luncheon. The following pieces were discussed: Crystolite cigarette holder, Warwick vase, Heisey Rose dinner plate, oriental "Heisey" cow in nest, Twisted Trumpet vase, Urn cigarette holder with Krall cutting previously owned by Louise Ream, Prison Stripe toothpick holder, heavy sham, Saturn Mustard previously owned by Louise Ream, Duncan cologne that looks like Heisey Pillows, Narrow Flute with Rim stack set, Large Rooster, Three Chicks and a Powder Pigeon.

Bob Kreimer reported on newly available books: a book on Elegant Glass and also one on Glass animals, both by Debbie and Randy Coe and two books on Candlesticks by Tom Felt, one of which has been published.

The program presented by Bob Kreimer encompassed a short history on Heisey and described Heisey's first twelve patterns from Cut Block to Beaded Swag. There were over 40 pieces of glass brought as examples and a lively discussion ensued.

November's meeting will be at Maryann and Dick Chapman's (727) 697-1228. The program will cover patterns Pointed Oval in Diamond Point through Queen Anne. ♦

Dayton Area Heisey Collectors
Judy Rhoads

The monthly meeting of the Dayton Area Heisey Collectors #7 was held at the Huber Heights Public Library on March 18, 2003 at 6:30 PM. President Karen Clark presided, and nineteen members were present. Among items discussed at our business meeting were plans for the October Percy Moore event we are hosting, reports about the Musuem and the Benefit Auction, our club's table centerpiece decoration for the Annual Meeting, and a program on Heisey candlesticks that will be led by Carl and Charlene Bowman at the Boonshoft Museum in Dayton.

Show and Tell: Aristocrat 15" candlesticks with an elaborate cutting; #5067 Plantation water goblet; #5067 Plantation sherbet; #5067 Plantation cocktail with Ivy etch; #7 Vase; #3476 Temple footed, handled 12 oz. iced tea with Renaissance etch; #4043 Johnson cologne; Diamond "H" enameled pendant; #300 Old Williamsburg 9" 1-light candelabrum with floral cutting on base, bobeches, and candleholder; #1253 Twist Flamingo 3-cornered mint and cover; #210 Harvey Amber tumbler; #433 Greek Key 5" nappy; #16 Classic 9" candlestick; #417 Double Rib and Panel large footed compote; #337 Touraine 5" nappy; #325 Pillows 4" nappy; #1252 Twist 8 oz. tumbler; #150 Banded Flute 8 oz. tumbler; #1401 Empress 8 oz. tumbler; #1469 Ridgeleigh 6" vase; #343 Sunburst 6" orchid vase with puntied neck; #1567 Plantation 8 1/2" tray for condiment set, marked; #1280 Winged Scroll Emerald 6 oz. oil with crystal faceted stopper; #353 Colonial Medium Flat Panel Crushed Fruit Jar; #465 Recessed Panel 1/2 lb. candy jar and cover; #465 Recessed Panel 1 lb. candy jar and cover; #465 3 lb. candy jar and cover; #112 Mercury candlestick.

Program: Our annual Heisey Benefit Auction "Price is Right" game was led by Jim Clark and Bob Dickman. Bob Ryan had made two lists this year. One list was a sampling of 50 items from the auction in general. The

other list was a sampling of 50 items of the rare and unusual items. Everyone made their guesses as to how much they thought each item would sell for. Everyone then announced their guesses on each item, and highest and lowest guesses were determined. This exercise is always a lot of fun and guesses on many pieces went from extremely high to extremely low. Bob Ryan will tally all the sheets and announce at the April meeting who came closest overall. ♦

March 2003, MEETING

In all these years (28 years, does not seem possible) we have had a "Blind Auction"! Yes, we finally made a change, we had what we called "Wrapped & Unwrapped" Auction! Charlie Baird was our Auctioneer this year, and when John Powell gave the half/50 cent sign, Charlie said no way! It was bad enough that we would wait right before Charlie would say, "gone", and someone would add $1.00, not $5.00, but just one more dollar! IT WAS A FUN!

We had thirteen members present and two visitors, which was very low attendance for Heisey Collectors of Texas. However, this was a very generous group and we are pleased to be able to send $1400.00 to Heisey Collectors of America in June. All our members know how important it is to raise this money, to keep **OUR** Museum in Newark, Ohio - **THE BEST**!

We had one of our newer members who did not want to give up any of her precious Heisey. So, she made a large batch of delicious, I mean **HOMEMADE** Toffee candy, that was another $45.00 toward our total! Thanks Marjorie for all that hard work, it was soooooooo good!

So happy to have a couple of Sally's friends attending for the first time, Kathy Snedeker and Donna Parsons! They both took home some Heisey goodies. I think we got them hooked already! Ha.

Thanks to Sally Lancaster for being a great hostess. After all the bidding and unwrapping we were ready for some punch from Sally's Heisey Punch Bowl! Delicious cheese cake, lemon bars, etc.

Thanks to Greg & Candy Freeman, we now have a beautiful Silver Overlay Cocktail Shaker to place in the Museum in Newark, Ohio in memory of Ken Diebel.

We are very sad to inform y'all that a few days after this meeting, A. C. Sullivan passed away in Commerce, TX. He and his wife Madeline were one of the five original couples that started Heisey Collectors of Texas back in 1975. For many years he and Madeline attended our Club meetings faithfully. It has only been the last four to five years that A. C. had not been able to come to the meetings with Madeline. Just too long of a trip from East Texas! For their wedding 52 years ago, A. C. & Madeline received Heisey Crystolite - so you know the rest of the story. A. C. will be missed; he was a joy to be around.

We will be heading Northwest in May to Linda and Marion's home in Corinth, Texas! See you there May 10th!

Hope y'all are enjoying this beautiful spring weather the Lord is giving us! ♦

MARCH MEETING MINUTES

Eighteen members and four guests made their way to the Chinese Buffet in Longview, Washington. We had our own space upstairs with elevator access and our own server. He was very attentive and everyone had their favorite beverage. The food was abundant and very tasty. I saw many people going back for seconds, and maybe thirds! Thanks to Flo for finding this meeting space! Flo also brought some friends to the meeting: Judy Swain, Barbara Dunlap, Carol Johnson and Clara Sundberg. They had pieces of Heisey to share and were impressed with our offerings as well.

Historian:
Oliver Beatty found some pictures he gave to Darlene for inclusion in our collection, just goes to show that if you look around you might find something long forgotten. Darlene would still like whatever you may find. Bring it to a meeting or send it to her, either will work.

Old Business:
Green River Show Display: A huge THANKS to Don & Glenna Wehmeyer for their able chairpeopleship. They would like to thank all the glass loaners for their trust in letting us display their treasures.

Centerpiece for HCA Convention: Darlene & Gordon Cochran are donating the Thumbprint & Panel floral bowl and a plate at cost (for the clock). We had a motion passed to purchase the Stippled Diamond moongleam plate. Another motion for Darlene to purchase goodies for inclusion in the centerpiece using her discretion on the cost also passed.

Nominating Committee:
Our election will be at the Bellingham meeting with Glenna Wehmeyer running for President; Larry Hefti for Vice President; Sally Thomas as Treasurer; Deborah de Jong as Secretary. Nominations can also be made from

the floor, so if you want an office come and throw your hat in the ring!

Raffle:
There was spirited buying of raffle tickets and in the end Mike Powell was the winner. He can have his evening ice cream in a #411 Tudor sherbet. Now he just needs to get one for Liz!

Show & Tell:
It seems there was some confusion about what decade we were concentrating on. I had the 40's, Flo had said the 20's, and we had things from all time frames. That is the fun of our study club meetings, you never know what you will see next.
We had quite a few rare and valuable pieces this month, quite a bit of drool on the table too. I don't know if it was the Heisey or the chinese food. Anyway, this is the list of what was shown:
#142 Cascade candle in Sahara #1504 Regency 2 light candle
#150 Banded Flute tray and candle #1538 Rabbit paperweight
#411 Tudor cigarette holder/ash top #1541 Scotty dog
#1184 Yeoman egg cup, oyster cocktail #1550 Dolphin candleholder
#1425 Victorian Individual ash in Sahara #1552 Leaf candleholder
#1503 Crystolite 12"shell floral bowl #1553 Sparrow
#1503 Crystolite puff box variant

Meeting Adjourned:
The food was great, we didn't have to cook any of it! Lots of pretty Heisey and great Heisey friends, you can't ask for more. Thanks to all that came to the meeting and again to Flo Spitler for making the arrangements. ♦

Dixieland Heisey Club
Loleta Hammontree

The March meeting of the Dixieland Heisey Club was held at the home of Glen Gall, with the Athens, GA, ladies acting as co-hosts. There were 12 members present.

Business session:
- Our secretary/treasurer has opened a new club account. The new bank has small business accounts with no monthly fees for customers meeting with less than 200 transactions per month.
- Members were reminded to pay 2003 club dues to our treasurer and to keep their HCA dues current.
- Members have noted that information on our club meetings aren't appearing in the HCA Club Notes section. We need to ensure we're sending these to the HCA.
- Dick and Lee Schwas were selected as our voting delegates for the 2003 HCA Convention.
- We agreed to provide a centerpiece for the HCA Convention Friday night dinner meeting, with members providing items representative of their home area. These should be brought to the next meeting.
- The May meeting will be Saturday, May 10, at 1 PM EST at the Hammontrees' home in Chattanooga, TN. The program will be on Heisey etchings.

Program: Helen Freeman and Loleta Hammontree presented a two-part program.

Helen provided printed material on some of the more rare Heisey items on eBay and explained how she uses eBay as a learning experience by researching these items. She also prepared a tip sheet on "Lessons from eBay" including some of the true goodies she has obtained in the last 5 years. If you were not present and would like a copy, please contact Helen.

Loleta presented a program on stemware, with examples of several types provided by the members. The three main types and how they were made were explained. Members identified the "Heisey Stemware" book as a good research tool; unfortunately it is out-of-print and copies are hard to find. ♦

Northwoods Heisey Club of Minnesota
Ann M. Moll

Northwoods Heisey Club of Minnesota

The pristine five inches of snow that fell during the early morning hours didn't deter fourteen members of Northwoods Heisey Club of Minnesota, from attending the March meeting at the home of Bev and Bob Heise. In attendance were Allen Beers, Chuck Bingham, Kay and Warren Chapman, Jerry and Marilyn Coleman, Bev and Bob Heise, Doug Horton, Larry Jacoway, Jim Langer, Ann Moll, Dick Morris, and Mary Ann Novak. Most of the remaining members were enjoying the warmth of Arizona, Florida or Hawaii.

In addition to the regular agenda of meetings, dues were collected and an officer was elected. Bob Heise was approved as president. Marilyn Coleman agreed to another year as secretary/treasurer, Ann Moll as the Heisey News communicator, Kay Chapman as program chairman and Mollie Campbell as publicity chairman. Mary Ann Novak will host the May 10th meeting, and share her unusual pieces of Heisey, from her collection of seven hundred pieces. A silent auction will be held at the next meeting, and members are encouraged to price their items

with a minimum bid. This is our annual fundraiser. The home of the Chapmans will be the site of the September meeting. A reminder that wearing our club button will guarantee free admission to the next show at the Bloomington Armory.

The program was presented by Bob and Bev Heise. They shared information about their joint vacation of one week, at which time they photographed and catalogued their eight hundred pieces of Heisey, and referred to many that were in evidence in various rooms of their home. Secondly, we received a copy of information regarding the Heisey Glass colors, plus a Color Rarity Guide. We all have a favorite color to collect. Finally, they presented a Benefit Auction Pricing Quiz. Approximately eighty-five items were selected from the master copy. Each of us is to select ten pieces and suggest a value that might be attained at the National Convention. A prize will be awarded to the most knowledgeable individual.

Sharing is a high light of each meeting. Mary Ann began with the introduction of three unusual punch cups.....Pin Wheel and Fan, Queen Anne, and Slash and Panel. She was followed by Marilyn, who had a Ridgeleigh nut cup. Bev presented a Plantation cruet and Kay shared a Rondelay, with a Tally Ho etch bitters bottle. Chuck had purchased on eBay a one hit wonder...a floral bowl with a poppy design. Alan was pleased with his drinking glass and Jim and Doug concluded the event with an Ambassador (452) 18 oz. soda glass and an Athena (5041) 9 oz. goblet.

It's always interesting to attend any of the meetings and we look forward to expanding our membership. ♦
