Museum

Heisey Collectors of America, Inc., a non-profit corporation (tax-exempt status), owns and operates The National Heisey Glass Museum in Veterans Park, 6th and Church Streets, Newark, Ohio. Open year round, Tuesday through Saturday 10:00 a.m. - 4:00 p.m., Sunday 1:00 - 4:00 p.m., closed holidays. Other hours by appointment. Members admitted free.

Identification

HCA will attempt to identify unknown glass items. Send a color photograph, measurements, and a self-addressed, stamped envelope to the attention of

the Curator. Other arrangements should be made in advance with the Museum staff. ***Please keep in mind that the Museum cannot appraise items.*** Identification is free to members, non-members \$5.00 per item.

Membership

To join Heisey Collectors of America or to renew your membership, contact the HCA Administrative Office Monday through Friday 8:00 a.m. - 4:30 p.m. Associate dues are \$25.00 plus \$5.00 for each additional household member. Voting members pay an additional one-time fee of \$25.00. Please consider supporting the Endowment Fund by joining at one of the levels listed on the back page.

Museum Shop

There is always someone in the Shop during the Museum's hours of operation to help answer questions or take orders. When ordering by phone, please have a credit card ready. When ordering by mail, please be sure to include appropriate charges such as shipping and sales tax. Please note that the HCA member discount does not apply to original Heisey or special project items.

Shipping and Receiving

Delivery is made much easier when we have a complete street address, not a PO Box. We prefer to use UPS. If you have not received a package, please call the Administrative Office to confirm it was sent. We will assist you in tracing it. If your package arrives damaged, please contact your local UPS representative. We insure everything.

Donations and Loans to the Museum

If you would like to make a donation to the Museum or have questions regarding items on loan, contact the Curator. HCA reserves the right to accept or refuse items based on current holdings.

MESSAGE FROM THE PRESIDENT

MIKE MAXWELL

The holiday season is over and we look forward to spring's big thaw. Now we look forward to our benefit auction coming up in April. Dave Spahr tells me we have some very nice things coming in and it should prove to be another very good auction. At this point, it tentatively looks like around 1,000 lots of Heisey. Michael Maher is organizing an After Auction Madness; more information on this can be found on page 12.

Convention 2004 planning is moving along. We will be posting the whole schedule when we have finalized. I can tell you that we are planning to have a cookout at The Works on Wednesday night, glass classes at The Works, and possibly tours of the A. H. Heisey plant. We have not yet finalized the location for Friday night's dinner/meeting. Your Executive Committee has worked very hard with last year's dealers, Apple Tree Auction Center, and the Granville show to try to put a package together. We ARE going to have a display and show again this year. We are still intending to have it at OSUN/COTC as we have in the past. If we find that enough dealers are not willing to come for 2004, we may have to change venues for monetary reasons. OSUN/COTC is a very expensive place to rent if we can not fill it, so contact Sharon Orienter or Walter Ludwig to reserve your spot. Apple Tree will be having their June Heisey auction again this year. It will be a much smaller auction than it was last year; one ring, and two days. The Granville show is still expecting to be on during the convention as well. Things are looking very good for a Saturday early morning flea market. Everyone should have a great chance to find that piece of Heisey they have been looking for.

I am very happy to say we will soon have a new brochure for the Museum. Sharon Orienter has done a very nice job of laying out the photos and text. We are finalizing last minute details prior to printing it but Sharon tells me it is close.

The search for a new curator is moving along. We are in the process of creating an "A" list of final candidates. Once this is completed, we will start the process of interviewing. Ned Lavengood and Sharon

Orienter have been working together to create this list. I will keep you updated on this when I have more information.

In last month's issue I asked for your help in covering the expenses incurred in the purchase of our awning. I am happy to say that we have begun to receive funds earmarked for this project. HCA and your board of directors certainly appreciate the response we have gotten on this.

I am happy to announce that the pre-order form for the Doe Head Bookend in Lavender Ice can be found in this issue on page 19. I am really looking forward to seeing this beautiful piece of Heisey history re-issued. I know that I will certainly be purchasing one for our collection. We are almost out of the Madonna in Cobalt. If you have not purchased yours yet, you had better hurry before our supply is exhausted. We are not planning to produce a third run of these, so when they are gone, they are gone.

Walter Ludwig has worked very hard on putting together the proper procedures for absentee ballot voting. His article appears in this issue on page 15. I hope this will answer many of the questions that we have gotten on this issue. I think you will notice that a few of the procedures were slightly changed to make this process easier for the user.

Happy Heisey Hunting & Think Spring! ♥

MIKE

FROM THE CLUB/MUSEUM DIRECTOR

Bill Douglas

The bears and ground hogs might be hibernating, but the Museum is alive with activity! Holiday decorations have been taken down and stored, auction glass arrives almost daily, and plans for the convention are being made.

Below are a couple of photos of Dave Spahr's auction catalog crew working on items for the upcoming benefit auction.

It's volunteers like these that work hard behind the scenes to make the Museum and HCA the outstanding organization it is. What could you do to help? ♥

Editor's Note: The following is the address Tanner gave as part of the Historical Marker Dedication on December 13, 2003 at the Museum.

WHAT HEISEY MEANS TO ME Tanner Temnick

I cannot express in words what this museum and staff means to me but I will try.

First, what started me with Heisey glass was just a simple field trip with my third grade class to a local museum called the IIT, now called The Works. That day, I saw some of the Heisey molds and glassware. After that field trip I started asking my grandma Paula questions about the glassware and I started getting interested.

On June 17, 2001, my grandma took me to the Heisey convention at the OSU campus in Newark at Adena Hall. At that convention I got my first piece of Heisey from Kim, a dealer at the convention. Each year since the summer in 2001, I have gone to the convention and I have learned from Kim, to ask a dealer "What's your best price?" Since that convention, my collection has grown and my mom and grandma now get me Crystolite.

In the fall of 2001 my mom took me to the National Heisey Glass Museum for the first time. The staff and volunteers were amazed that I was interested in this glassware at such a young age. For a Christmas present that year my grandma Paula got me a membership, and I became part of the Heisey Collectors of America.

In the upcoming summer of 2002 my mom signed me up to volunteer at the museum. So, for the summer last year and this year, I have volunteered. I am still interested in this glassware and museum.

I am also pleased to see that the A. H. Heisey and Company and The National Heisey Glass Museum were honored for what they did, and what they do in this Bicentennial year for the state of Ohio. ♥

AN INTERESTING PIECE OF HEISEY GLASSWARE

FROM THE MUSEUM COLLECTION

Walter Ludwig

8085 Granville 1 Pt. Decanter

I have very little information on this very unusual piece of Heisey barware. This item was acquired by the Museum from the estate of the late Tim Heisey. It is probably an item that was produced soon after the repeal of prohibition when all glass houses were rushing into production of glassware to meet the new demand for barware items. The item may never have gone into production being replaced by the 4225

Cobel decanter – a far more elegant and simpler design.

stopper has more of a mushroom top than the Cobel shaker.

You can find this decanter in the Museum in the south front parlor of the King House. This room is on the left if you were to enter the King House from its front door. It is located in the upper section of case R2-C2. Look for it the next time you are in the Museum.

This is another piece to keep in the back of your mind when searching for Heisey. There are sure to be more of them out there just waiting for the knowledgeable collector to spot them sleeping away.

#379 URN

Years: Circa 1907
 Color: Crystal only
 Marked: Should be marked on inside bottom
 Size: 2 5/16" high, 2 5/16" wide
 Rim: Flat, smooth; offered both plain and ground by the factory
 Body: 6 flat panels with separate 3 bands (each of which has 3 raised rings)
 Bottom: Star with 14 points, hexagonal, hollow
 Rarity: Rare
 Factory Decoration: Gold
 Notes: Make sure there are 3 full rings on the rim of all ground rims to be sure the rim has not been chipped and "repaired" by grinding until it is smooth again

8085 Granville 1 Pt. Decanter can be found in the King House in Room 2 Case 2

The one outstanding feature of this decanter is its weight, weighing 2 pounds 10 ounces. The glass is very thick and actually awkward to pick up. If this was produced, I can imagine many of them dropping from the hands of the mixer once they were full of liquid.

The decanter stands 8" tall with the top and 6 1/4" without. The stopper is a single piece. The example in the Museum has the stopper stuck into it and it could not be dislodged. The bottom of the stopper has a 1 1/4" recessed section to allow for pouring when positioned beside the pour spout incorporated into the bottom. Turning the stopper away from the pour spout would make a seal allowing the shaker to be shaken mixing the ingredients of the cocktail. The

HOW WE STARTED COLLECTING HEISEY

George and Carol Bowen

You have wanted articles to put in the Heisey News letter. I would like to tell you how my wife and I started collecting Heisey.

My wife was collecting depression glass, which I was not impressed with at the time. I had grown up with it and did not like the quality. Later we were talking to my wife's cousin about glass collecting and he told us he was collecting this glass called Heisey with a diamond H pressed in it. We had not heard of it, so he explained all about it. He said if we found any with the diamond H in it, to buy it and save it for him. We started looking for Heisey for him. After we found some and inspected it, we fell in love with it. We liked the quality and design. We bought and saved it for him, however, we ignored the part about selling it to him and kept it for ourselves; this was thirty years ago.

After twenty one conventions and many other trips to Newark, countless trips to antique malls, flea markets, filling several china cabinets with Heisey glass, joining a Heisey collector's club, we still enjoy collecting Heisey and hope to for many more years! Along the way we have met many good people and made many lasting friendships. Also, I must tell you my wife's cousin is still speaking to us and has forgiven us for keeping his Heisey from him. He lives in New Hampshire and has met us at the convention many years along with my sister-in-law and brother-in-law. We all enjoy collecting Heisey together and talking about it.

I have a couple of interesting stories about our' Heisey collecting trips. A few years ago my wife and I went to a flea market where I spotted a small Heisey dish that was marked with a big diamond H. The lady had a price marked on it of 25 that was hard to read so I was not sure if it was \$25.00 or 25 cents. I asked her what the price was and I guess she thought I was trying to talk her down. She said it was 25 cents and for that price I could feed the cat out of it. I very quickly put my hand in my pocket and got out a quarter. This has been a joke ever since when my wife and I talk about the price of glass. This dealer did not know or care that she was selling Heisey. We later researched the piece and found it was the bottom of a covered butter dish no

lid, Colonial pattern 352 with the large diamond H in it.

This is the second story I would like to share with you. Several years ago my wife and I were buying glass from a dealer several miles from our home. She called us and said she had some pieces of Heisey to sell and wanted to know if we were interested in them? We agreed on a price and said yes, we would come up on Saturday and pick them up. When we got there, she had found more pieces and asked if we were interested in them. She had a very good *price* on them, so we said yes and bought them. On the way home it was getting late and close to dinner time. We were getting hungry and decided to stop and get a cup of coffee and piece of pie to hold us until we got home. I told my wife that she would have to buy because all I had was some change, after buying all the Heisey. She chuckled and said that she had very little money herself, just some change after helping to buy all the Heisey. We decided to pool all our money and see what we could afford. We had just a little over enough to buy a can of pop. We stopped at a gas station vending machine and bought a can of Pepsi and split it. When we started home again we hoped that we would not have any car trouble.

I just had to add this about our latest find. We were at a depression glass show looking around and saw what we thought was a puff box with a lid. We looked at it to check the price because we have one. Upon reading the tag it said it was a soap dish. Well, that got our attention. Looking inside, we wanted to see what made it a soap dish and found the ridges in the bottom to drain the water from the soap. That sold us, we could not leave without it and the price was right. When we got home we looked it up in the books, it is a medium flat panel number 353. The books say Heisey only made this one soap dish. We have collected for over thirty years and had never seen one, we feel blessed to have this one. ♥

MAKE SURE YOU ARE VIEWING THE LATEST WEB PAGE

Russ Reopell, Chair of the Technology Committee

Editors Note: We have had some inquiries about information not being posted on the HCA website, when in fact it has been on the site for some time. Your computer looking at older versions of the site and not looking at the latest version causes this. To help eliminate this problem I asked Russ to write the following article that may help you when viewing the HCA and other websites.

In order to speed up web browsing, web browsers are designed to download web pages and store them locally on your machine in an area called "cache." When you visit the same page for a second time, the browser speeds up display time by loading the page locally from cache instead of downloading every thing again. This sometimes results in less than current versions of web pages being displayed. If you believe that you have a less than current version of a page, please see the following steps refresh the current page or clear out your browser's cache file so all- pages displayed are the most current to your browser.

Refresh the Current Page

To see the most up-to-date web pages, the easiest thing to do is to use the refresh button located on the web browser's tool bar. For Microsoft's Internet Explorer, it looks like a page with two green arrows making a circle on it. For Netscape browser's it's a single circular arrow. For other browsers, please consult your help files.

Clearing the Cache

To clear the cache in your browser, follow the directions below for your particular browser.

Microsoft IE Versions 4, 5 & 6:

1. Use IE's "Tools/Internet Options" menu command to display the "Internet Options" window.
2. Click on the "Delete Files" button in the middle of the window.
3. Click the "OK" button that appears. Note: This step may take several minutes to complete.

If you are using a Microsoft browser older than this, we recommend you upgrade (it's free).

How do I find the Microsoft Browser Version?

Click on "Help" then select and click on "About Internet Explorer"

Netscape 4.x, 6.x, & 7.x:

1. Use the "Edit/Preferences" menu command to display the "Preferences" window.
 2. Open up the "Advanced" section and click on "Cache"
 3. Click on the "Clear Cache" button. Note: This step may take several minutes to complete.
- If you are using a Netscape browser older than this, we recommend you upgrade (it's free).

How do I find the Netscape Browser Version?

Click on "Help" then select and click on "About Communicator" or "About Neetscape"

AOL BROWSER CACHE

Even though AOL's Proxy cache is updated every 24 hours, a member can clear their Browser Cache and force the reload of a page. This is done by either reducing the browser History to "0" and manually clearing all pages in history by deleting the files in the temporary internet files folder located in the Windows Directory or PC users can force a refresh by holding down the CONTROL key on their keyboard and mouse clicking on the AOL browser reload icon. The latter will completely clear all items in history.

All other browsers please consult your documentation.

LOOKING INTO THE YEAR 2004

Phil Abrams, Endowment Committee

Everyone has now celebrated Christmas and New Years. Some people make a list of their New Years resolutions. Things they want to accomplish during the year. Places they want to visit, volunteering their time to a charitable organization. Budgeting ones time and financial resources offer many challenges. The Heisey Collectors of America, Inc., Museum can always use individuals who will volunteer their time.

Additionally, the Museum has an endowment fund. This fund was established as an avenue for people to make donations anytime. Earnings (income) from this fund provides financial resources for the physical upkeep of the Museum as well as providing income as needed to support the operating budget.

Charitable giving provides tax-advantage benefits. Giving can be made during the entire year, not just at December year- end. Your consideration in making a contribution of your time and financial resources to the Heisey Collectors of America, Inc., Museum will offer rewards in many ways.

If you have any question contact the HCA Business Manager at: business@heiseymuseum.org or 740.345.2932 Ext. 2. ♥

AFTER AUCTION MADNESS SALE Michael Maher

GLASS DEALERS WANTED!

Plans for the After Auction Madness Sale are being finalized. The sale will again be held at Apple Tree Auction Center, Newark Ohio, on April 17, 2004, after the All Heisey Benefit Auction.

The Buckeye Heisey Collectors Club will again be hosting the event, as they did last year.

The setup for the sale is quick, and the tables to set up are only \$15.00 each. Glass must be vintage or elegant, but is not limited to that produced by Heisey.

Any interested dealers who would like to participate in the sale should contact me by phone at (740) 763-4256, or e-mail me at Carolyn53@webtv.net. I will be more than happy to answer any questions.

Thanks, and Happy Heisey hunting! ♥

Y'ALL COME, YA'HEAR!

Co-Chairs

The PERCY MOORE WEEKEND AND DINNER will, again, be sponsored by the North Carolina Heisey Study Club. By popular demand, we will return to Replacements Limited on October 1, 2, & 3 [Friday, Saturday, and Sunday] 2004.

As the details for the weekend unfold we will keep you informed thru the Heisey News; however, we can tell you there will be an auction Saturday afternoon.....sooo start thinking about your Heisey that you would like to consign to us for the auction. Both you and the Museum will benefit. We generated several thousand dollars for the Museum last time. Frank and Michelle Scott will be in charge of the auction arrangements. I can tell you know that Sam Schnaidt has once again graciously agreed to handle the auction for us.

This is a beautiful time in North Carolina. We are still having summer weather. Do like some did the last time. Bring the family and tack on a family vacation. The leaves will be turning in the mountains around Ashville, golf will still be in full "swing" at Pinehurst, and the Outer Banks will still have good fishing and swimming weather...all within a half day's drive!

Tour Replacements, go wild bidding at the auction, sit back and relax at the Pig Pickin', go antiquing [for Heisey] at the many malls within an hour's drive, and cap it all off with the Percy Moore Dinner.

For more information, our E Mail is percymoore2004@yahoo.com ♥

BENEFIT AUCTION UPDATE

Dave Spahr

Mark your calendars for April 16 and 17, 2004 and plan on attending a GREAT HCA Benefit Auction! It will be at the wonderful Apple Tree Auction House

in Newark, Ohio, again. You need to make your hotel/motel reservations soon! There is a list of area hotels/motels with telephone numbers for your use in this newsletter. This year, the staff has been busy and has been working and identified the hotels/motels which will give a discount to Heisey members. The list is appropriately marked. Hats off for these efforts! Well done staff!

Your auction committee has also been work hard at work. We just finished our first cataloging session and we have two more scheduled! At press time the cutoff hasn't been reached and we are getting more glass! Great!!! It does appear however that unless we get a massive influx, we will not achieve last year's total of over 1,000 lots. We won't be too far off that total though. I do know that one or two consignments yet to open are from the estate of someone very much connected to HCA's past. Last year we had some exciting glass from this source! Stay tuned!

For you newer members and for those who can't remember (like me!), we are planning on having the auction catalog out at least a month before the auction and earlier, if possible. It just depends on the cataloging, proofing, etc. It will again be a special issue of the Heisey News. The auction schedule and other important times will be listed in the catalog as well as instructions and forms to use for mail-in bids, if you can't make it to the auction.

We will again attempt to put the catalog on our Museum website and hopefully you will be able to sort and look for special items or for your special pattern. Personally, from the catalog and the lists I can create from the website, I prepare my wish list well ahead of the auction and take it with me to the preview!

Part of the fun of being a member of HCA is volunteering to work on the auction. We will need help from start to finish! We will need people to haul glass from the Museum to the auction house. We will need help unpacking the glass and at the preview. We will need help during the auction bringing glass to and from the podium. We will need help in the put-back area to help folks check out and pick up the treasures they have purchased. If any of this work appeals to you, please contact the Museum! We will find something for you to do! It is a great way to meet new people and get involved with HCA.

After the auction on Saturday, we are having an After Auction Madness Sale sponsored again by the Buckeye Heisey Collectors Club and headed up by Michael Maher. There is a separate article in this newsletter telling you how to become a part of that great event!

There will be updates in this Newsletter about the auction. Please help out your Museum and association by being an active participant. If you have any questions, please call me at 937-372-7166 or E. Mail me at masdgs@aol.com. Happy Heisey Hunting! See you in April! ♥

THE CURATOR'S CORNER

Bob Ryan

As I write this note to you, all the first cataloging session for the Heisey Benefit Auction is history and I missed the action. That's fine. We had a great crew and they are all experienced performers and did a really great job. Such fun such hard work.

I am catching up on a lot of emails coming my way from a lot of people finding some interesting pieces of glass so if my answers are not immediate, it means I have a small backlog that I am working on and never too far behind unless the answer is in Newark and I am in Centerville. Then it must wait until I make my way to Newark to do the research.

Do hope that Christmas and the other holidays were kind to all of you and that you all received exactly what you had ordered. Some people are lucky that way-others are missed completely. Many things contribute to this. Most of the time we fail to communicate to those who care just what we had in mind. Remember, a person cannot deliver that something they have no idea about - spell it out - a #3381 Creole Alexandrite Cordial.

The early months of the year always are filled with things to do and this year is no exception. Convention plans are underway, benefit auction committee is hard at work, and curator's office is trying to find some interesting displays for 2004. Is there some particular category you would like to see displayed? I know an email to the curator will bring you consideration. I promise I will publish what I

receive, and have some fresh ideas for displays. Thank you in advance for all of your ideas.

Have a healthy warm winter and a bright Spring to everyone. Especially you, John, in Texas. ♥

SHARE YOUR STORIES

We are always looking for new items for the Newsletters. These can be on a variety of topics some of which might be: How I got started collecting Heisey; a special find; what you learned from researching a piece; or give us topics you'd like to see covered. Send your articles and ideas to: director@heiseymuseum.org ♦

CONVENTION DISPLAY 2004

Marilyn Smith

Dear Study Clubs and Individual Members, Would you be willing to display your glass in the all Heisey Display during the Heisey Convention? All **glass** must be Heisey – no reproductions or fakes. The theme for the display will be *Family Treasures*. This is your opportunity to display your collection and/or dinner/luncheon sets. It will be in Adena Hall on the OSU-COTC Newark Campus.

The rectangular tables are three feet by eight feet and the round tables are four feet in diameter. The HCA club will furnish the rectangular tables, table covers (white top with blue skirting), and risers. The round tables will have white tablecloths. You do not need four place settings, two are adequate with serving pieces.

The display glass is set up on Tuesday and/or Wednesday. Security will be available from set-up to teardown. Teardown will be after the show closes on Saturday, as it will be in Adena Hall. If you need help caring or setting up or packing the glass, please let me know.

Let me know how many tables you need, as well as the name of your display and/or pattern to be displayed by May 21. Thanks for your consideration.

Contact Marilyn Smith, Display Coordinator, 225 Upson Downs Road, Newark, OH 43055. 740-366-5163 or prestonmom@adelphia.net.

ABSENTEE VOTING PROCEDURES

Walter Ludwig

The search committee is now actively seeking voting members who desire to run for the Board of Directors of HCA. Each year four positions on the Board are decided by a vote at the annual meeting at the June convention. If you feel you have something to contribute as a board member please contact a member of the nominating committee: Dick Smith, Bob Ryan, or Walter Ludwig.

All current voting members are eligible to cast votes in this election either in person or by absentee vote. As secretary of HCA, it is one of my duties to oversee this election. I want to let you know how you go about obtaining an absentee ballot and how we process them at the time of the election.

If you would like to vote by absentee ballot in the June Board of Director's election you may either pick up a ballot at the Museum or send in a request for an absentee ballot to the Museum by mail. The address to use is:

Absentee Ballot
HCA
169 W Church St
Newark, OH 43055

A self-addressed envelope should be included. It would help if you affix a stamp to defray museum expenses. Requests for multiple family members can be included in the same correspondence. You may request an absentee ballot at any time after the beginning of the year.

Once the slate of candidates has been closed at the quarterly meeting held in conjunction with the April Benefit Auction, ballots will be prepared. We will then put a blank ballot in a new envelope writing the absentee voter's name on the outside of the envelope. This envelope will be put into the self-addressed envelope you sent and then mailed back to you.

Upon receipt of your absentee ballot you remove it from the envelope with your name on it and cast your vote. Put the ballot back into the envelope with your name on it and seal it. This envelope then should be put in a new envelope and addressed to the same address as above. The deadline for receipt of absentee ballots is noon on the day before the election (this year June 17).

Processing the ballots will be handled to ensure total confidentiality of all ballots. Museum staff will open the outer envelopes of all returned ballots and hold the sealed inner envelopes until the day before election. They will then be turned over to the club secretary. The names on the outer envelopes will then be checked against the eligible voting membership list checking off all names. After the polls are closed, these envelopes, as well as the ballot box, are turned over to the Sergeant at Arms, who is in charge of the vote counting. Once all the vote talliers are sequestered, the envelopes are opened and all outer envelopes are discarded and absentee votes are mixed with collected vote before any vote tallying is done.

Because the date of the April Benefit Auction is later than it has been this year please consider sending for your absentee ballot early this year. Candidate statements will appear in the May Heisey News.

HCA FEBRUARY HOLDBACK MAIL AUCTION

HCA is offering to sell from the holdback area special items we use for special auctions. These items are all feasibility, samples, very low production, test run or whimsy items. All are rare items.

We have described the items as best we can. Production dates and quantities come from the book *Heisey by Imperial*. Remember, most of these items were not production items and very small numbers were made.

Auction closes February 9, 2004 at 4 p.m. EST. Forms must be received in the HCA Business Office by the closing date. There are no reserves, but just like eBay, there will be a modest minimum first bid.

Bids will be accepted by mail, drop off, fax to 740.345.9638, and e-mail to business@heiseymuseum.org. All bids will be sealed and date-stamped, with the highest bid winning. In the case of a tie, the earliest date-stamped bid wins. All bids will be competitively bid. Payment, including shipping and insurance, will not be requested until after the auction. Once a bid is placed, it cannot be withdrawn.

All items are on display in the Gift Shop of the Museum and will remain there throughout the auction.

Winning bidders will be notified within seven days after the auction and the amounts of the winning bids will be published in a future issue of the newsletter.

CLUB NOTES

Northwest Heisey Collectors
Deborah DeJong

DECEMBER MEETING MINUTES:

Chris & Bill's halls were decked, all attending were merry, but we definitely were not silent. Christmas at the Witzkes is old fashioned and beautiful. Of course when you add in the wonderful Heisey glass being shown on the table it just can't get any better! We had twenty-one members show up for our holiday meeting, the ladies with their best-sparkled and sequined sweaters. We couldn't get any prettier! The tree was well stocked with surprises and we had a great deal of fun. We even learned a thing or two about Moongleam!

Raffle:

The raffle tickets were a hot commodity and quite a few were sold. The lucky holder of the winning ticket was Larry Hefti! He found a pair of Wabash oyster cocktails in the box. There were plenty of oohs and ahhs to go around.

Show & Tell:

Chris began with an informative speech about Moongleam. It's production years and it's characteristics. One of the interesting facts were that it reacts to black light differently than Emerald does. We need to experiment with that at home! The dining room table was covered with beautiful Heisey in the Moongleam color! The list will be abridged since there are too many pieces to list all of them. The following is just a sample of what was shown at the meeting.

#1183 Revere swirl comport #1404 Old Sandwich square comport
#1252 Twist Dinner plate #2511 Circle Pair Goblet
#1205 Raindrop Candleblock #7026 Heart & Drape plate

All of these in Moongleam! What a beautiful sight! That's why we come to meetings!!

Santa Grab Bag!!!!

What a successful event!! A huge thank you to all participating, the generosity displayed was fantastic! As always, it was fun watching the decision-making process of which package to pick, and boy could some take their time? The gifts in those packages were the best yet. I have a list and will have to shorten it since we had seventeen items under the tree. Some of the goodies were Crystolite and Mercury candle pairs; #352 marmalade; Daisy & Leaf nappy; Newcomer jelly; and Cabochon handled jelly. All the gifts were great and I hope it will be repeated next year. Thanks again to all participating.

Meeting Adjourned:

Chris and Bill's hospitality is such that it was hard to leave that afternoon. They took very good care of us. No one went away hungry or thirsty. The tree with the vintage ornaments and all the lights were so inviting that we just sat and looked at all the neat things on it.

Thanks again, Chris & Bill, for hosting our meeting.

Northern Illinois Heisey Club
Paula Fabbri-Morrow

Our 1st quarter meeting was held at the home of Marie and Mike Compton on January 11, 2004. Sixteen members and four guests were in attendance.

The program for this meeting was on cruets. Some fine examples included: Crystolite, Cut Block, Double Rib & Panel, old Queen Anne and Winged Scroll in crystal, custard, and emerald. Since NI Heisey members are always shopping, Show & Tell is a fun and interesting part of our meeting. This quarter's finds were a Flamingo Bamboo vase, Beehive plate, Moongleam Bertha candlesticks, Flamingo Bonnet basket, a pair of Centennial 6" candlesticks w/ cutting, Fancy Loop jug, Peerless jug w/ cutting, Plantation 5-part relish, Hawthorne Steele vase, large Sunburst nappy.

We reviewed old and new business: Benefit Auction; Convention update; Heart of OH booth; and new dedication sign at HCA Museum. It was unanimously agreed that we would again donate a centerpiece for the annual meeting & dinner. Ideas for the centerpiece were discussed. Voting for club officers will be held at the next meeting. We welcomed our newest guests/members: Jan Larson and Anne & Jim Miller.

A delicious dinner of homemade stuffed shells, veggies, salads and of course (!) wonderful desserts topped off our meeting. The 2004, 2nd quarter meeting will be held on Sunday, April 4. See you all there! ♥

HAPPY NEW YEAR TO ALL

Well, another year has passed. I hope it was great for all in Heisey Land.

We had our annual Christmas party on December 14, at the home of Betty and Herb Wanser, lots of goodies and great fun. This was the first time in many years at their home that it was cold and rainy.

We had 25 members and guests. Very nice Heisey gifts and our famous Auction, Bud Thorup and Betty Wanser were our auctioneers again this year. We had 7 great wrapped and decorated Christmas items, such as a small metal bicycle with a Santa which held packages that contained four Old Sandwich ash trays; Crystolite salt & pepper; Oak Leaf coaster in Flamingo and a Fandango Champagne tumbler. That was just one, all were great. They went for great prices and we added \$917 to our treasury. Our gift exchange brought a lot of nice items, such as a Sahara ball vase.

I am looking forward for a great New Year. I am Norval Heisey your new President and Peter Mantarakas as Vice President; the remaining board members will stay the same.

Keep in mind our April Auction. Norval and Gordon will collect and catalog the glass. As of this date I

believe Betty will have the auction at her home. Please let Geri know when you can host a meeting. We would like some new sites this year. Look at our Website and it is great. Herb Wanser has done a wonderful job (www.heiseyclubca.org.)

Betty Wanser has retired at the end of 2003 as President after many years holding offices in our club, as well on being on the HCA Board of Directors. Thanks Betty for your many years of service. ♥

Visit The
National
Heisey
Glass
Museum

Come at your leisure to enjoy more than 4,800 pieces of glassware produced by A.H. Heisey and Company from 1896-1957. Hundreds of patterns are featured in all production colors. Rare and experimental items are included as well. Facilities are air-conditioned and handicapped accessible. Hours are 10:00 a.m. to 4:00 p.m. Tuesday through Saturday, 1:00 to 4:00 p.m. Sunday. Members are admitted free, regular admission is \$4. Office hours are 8:00 a.m. to 4:30 p.m. weekdays.

Membership Renewal Notice: Check the date above your name and address on the mailing label. This is your expiration date. If it reads 2-10-04 make sure your dues are paid soon in order to receive next month's issue of *Heisey News*.

When Renewing Your Membership

Help ensure the future of your Museum. When you renew your membership at one of the levels below, any amount beyond the regular Associate dues—\$25.00 plus \$5.00 for each additional household member—goes into the Endowment Fund.

<i>Individual Voting Privilege (onetime fee)</i>	\$25
<i>Individual Contributing, one person in household</i>	\$30
<i>Joint Contributing, two people in one household</i>	\$40
<i>Family Contributing, parents and children under 18</i>	\$50
<i>Patron</i>	\$100
<i>Sponsor</i>	\$250
<i>Benefactor</i>	\$500

Contact the HCA Administrative Office at (740) 345-2932 for more information. The Endowment Committee wishes to thank those who have become Endowment Members and all of the individuals and study clubs that have so generously supported the HCA Endowment Fund. All members who have supported the fund are recognized each year in the February issue of the newsletter. Your support will make the Museum self-sustaining in the years to come. Thank you all! ♦
