Museum

Heisey Collectors of America, Inc., a non-profit corporation (tax-exempt status), owns and operates The National Heisey Glass Museum in Veterans Park, 6th and Church Streets, Newark, Ohio. Open year round, Tuesday through Saturday 10:00 a.m. - 4:00 p.m., Sunday 1:00 - 4:00 p.m., closed holidays. Other hours by appointment. Members admitted free.

Identification

HCA will attempt to identify unknown glass items. Send a color photograph, measurements, and a self-addressed, stamped envelope to the attention of the Curator. Other arrangements should be made in advance with the Museum staff. Please keep in mind that the Museum cannot appraise items. Identification is free to members, non-members \$5.00 per item.

Membership

To join Heisey Collectors of America or to renew your membership, contact the HCA Administrative Office Monday through Friday 8:00 a.m. - 4:30 p.m. Associate dues are \$25.00 plus \$5.00 for each additional household member. Voting members pay an additional one-time fee of \$25.00. Please consider supporting the Endowment Fund by joining at one of the levels listed on the back page.

Museum Shop

There is always someone in the Shop during the Museum's hours of operation to help answer questions or take orders. When ordering by phone, please have a credit card ready. When ordering by mail, please be sure to include appropriate charges such as shipping and sales tax. Please note that the HCA member discount does not apply to original Heisey or special project items.

Shipping and Receiving

Delivery is made much easier when we have a complete street address, not a PO Box. We prefer to use UPS. If you have not received a package, please call the Administrative Office to confirm it was sent. We will assist you in tracing it. If your package arrives damaged, please contact your local UPS representative. We insure everything.

Donations and Loans to the Museum

If you would like to make a donation to the Museum or have questions regarding items on loan, contact the Curator. HCA reserves the right to accept or refuse items based on current holdings.

MESSAGE FROM THE PRESIDENT

MIKE MAXWELL

SPRING HAS FINALLY SPRUNG IN NORTHERN OHIO! It has been a long time coming, but I think it is finally here. I hope that everyone had a good April. We will soon be getting those Heisey vases back out to display May's flowers.

It has been a very busy April for the Museum and the Board of Directors. The benefit auction went very well this year. I have not seen a final tally on HCA's proceeds, but I think it will prove to be a profitable effort for us. It was good to see so many of you there for this event. Heisey members have always been a great group to be around and this was no exception. A big "Thank You" needs to go out to Sam and the whole Apple Tree group for providing such a great place to hold our auction as well as their expertise in the auction ring. Dave Spahr and his whole committee also deserve a big pat on the back for another job "Well Done" this year. This is a big undertaking and they proved they were up for it. You certainly can not leave out the volunteers and Museum staff that spent their weekend helping wherever they were asked to. Finally, I want to thank the group that helped me in the check-out area (once we got a system down, it went prettysmooth). HCA certainly appreciates Michael Mayer and his group for putting the "After Auction Madness Sale" together. We had a pretty good turn out of dealers, and we thank them all.

Your Board of Directors met in April. It was a shorter meeting than usual as we were in final preparations for the benefit auction. The upcoming convention was a topic of discussion. The planning phase of this is going very well. We are putting the final touches on last minute details, but the registration form with this year's current pricing will be in this issue.

Karen Clark has graciously volunteered to chair the Hospitality Room during the convention this year. I know your response to her requests will be met with the same enthusiasm as in the past. Thanks a bunch for stepping up Karen!

I know that the Friday evening Banquet Committee is still looking for some more centerpieces for the auction at the end of the evening. Steve (Pescatori) has offered to emcee this year as well as serving as the official centerpiece auctioneer.

The Show Committee tells me we were 10 booths down over last year. We have picked up a couple new dealers and a few of the others have offered to expand their booths. Thanks to them it looks like we will be close to last year's numbers.

Thanks to the hard work of Phyllis Deal and Bill Douglas, the advertising this year will be better than ever. Park National Bank has even given HCA two of their billboards for our use. HCA could not have possibly afforded this on our own. This event should prove to be a very good time for everyone attending. The Executive Committee as well as all of the convention committees have made every effort to use your suggestions so make your plans early to attend.

I reported earlier this year that we had decided to purchase two new display cases for the Multi-Purpose Room in the Museum's lower level. When reported earlier, one of the cases was being donated. Since that report, we have had another individual offer to donate the second one. After much measuring, we think we have found cases that will fit through doors and stairways. This proved to be a big problem early on. HCA wants to thank both contributors for these cases. We hope to have them installed before the convention.

As I have stated many times in the past, HCA is so reliant on volunteers. In the past months, I have seen what can be accomplished as we all work together. We have had so many clubs and individuals step forward and offer their assistance for the auction, convention committees and anything else we have needed. HCA's present and future success is a tribute to all of you for your hard work and dedication to Heisey glassware, HCA and our fabulous Museum.

Happy Heisey Hunting & Think Spring! ♥

MIKE

President Mike presides over the quarterly meeting

FROM THE CLUB/MUSEUM DIRECTOR

Bill Douglas

Park National Bank to Sponsor Display at Show: One of the projects Phyllis Deal and I have been working on was finding a way to get billboards advertising the Elegant Glass Show during Convention.

On March 23, I met with the Assistant Vice President and Trust Officer, and the Vice President and Director of Marketing for the Park National Bank. After presenting our proposal, The Park National Bank agreed to give us the use of two billboards for the month prior to the Convention. One is on State Route 16 just east of Cherry Valley Road and is visible to inbound traffic. The other billboard will be on 21st Street that is visible to both in and outbound traffic. In addition, they will put our information on their time and temperature call in number for 10 days prior to Convention. This line receives 8,000 hits per day.

If we were to rent these billboards on our own, they would cost at least \$900 each or \$1800. It is difficult to put a price on the time and temperature line, but getting to that large an audience should be beneficial.

WGTE to Air Heisey Video: The Heisey Collectors of America has loaned WGTE-TV of Toledo, Ohio, one copy of the VHS taped entitled, "A Legacy of American Craftsmanship." The video will be aired as part of the History at Home series aired on Thursday nights at 8:00 p.m.

Greek Key Book: Thanks to the efforts of Palmer Haffner and Carolyn Felger we are bringing the Greek Key Book to fruition. Our goal is to have this book available during Convention for the Greek Key Seminar presented by Peter Z. Mantarakis.

Gas Prices Hurting Museum Attendance: Over the last few weeks we have had three major tours cancelled. These were groups booked by the Licking County Convention and Visitors Bureau at

industry shows this winter. Organizers have sighted high fuel surcharges as the reason for canceling the trips.

Thank You: I'd like to thank Shelly, Mary Jo, Liz, and Sharon for taking good care of things while I was out. The staff has been a big help to me especially since my return to work! I'd also like to thank you for the prayers, cards, E-mails, and calls I received during my recuperation. I'm happy to say the pathology report is excellent and I'm healing well! ♥

Treasurer's Report – First Quarter 2004

Dave Spahr

You will find the 2004 Budget vs. Actual revenues and expenditures through March 31, 2004, on another page in this newsletter.

Our revenues so far this year are lagging behind the norm. With twenty-five percent (25%) of the year completed, we have received 20.66% of our planned yearly revenue. This is not surprising since two of our biggest activities, our Benefit Auction and the summer Convention, haven't occurred. On the plus side, we have been fortunate enough to receive a \$4,000 grant to enable us to issue a badly needed updated brochure concerning HCA and our Museum.

Similarly, with one quarter (25%) of the year completed, our expenditures are less, or 19.27%, of our anticipated yearly amount. Much of the savings are because we didn't have a curator during the first quarter, and our cost of goods sold amount is less than anticipated since our sales in the Museum shop are historically slow during the first quarter.

On balance, we have had reduced revenues and reduced expenditures keeping things in relative balance. We still need to come up with, and implement, plans to increase our revenues. If you have some fund-raising ideas, please share them with any Board member. We continue to draw from reserves, but to a lesser extent than in past years.

The HCA Museum Endowment Fund has grown to \$1,519,294.63, an increase of \$20,420.87 over our year-end amount. Of that increase, \$7,611.50 was from receipts from you, our members, and the rest in earnings and increased valuations of portfolio assets.

If you have any questions or fund-raising ideas, I would be happy to answer your questions and listen to your ideas. You can reach me by telephone (937-372-7166), or by e-mail (masdgs@aol.com). If you have some fund-raising ideas, I would love to hear them and share them with our other Board members. **See Reports on Pages 24 & 25** ♥

BENEFIT AUCTION WRAP-UP

Dave Spahr

I really hope you came to and participated in the 31st Annual HCA Benefit Auction at Apple Tree Auction Center on April 16 & 17, 2004. If you didn't, it was your loss! Several folks told me they had a good time and made some great purchases. Michael Maher said the dealers at the After Auction Madness were also happy! And the wine and cheese affair provided by the Buckeye Heisey Collectors Club held during the madness was appreciated and well received.

While at press time the final numbers aren't in for the auction, I know the auction was a successful venture. I have heard our total receipts are down compared to last year, which was not surprising, since we had some truly outstanding glass last year. We had approximately the same number of lots in both years. I'd like to again thank the consignors for the good glass we had to auction off this year. I would like to challenge us all to submit great glass for the auction next year. It brings great prices at this auction.

As the 2004 Benefit Auction Chair, I would thank the army of auction volunteers and workers who have worked with me since January to make this auction a success. I have listed all that helped in a separate block in this newsletter. For 2005, I would challenge all members to come to the auction and volunteer to help-even just a one or two-hour period

of time would be greatly appreciated by HCA. Remember this is YOUR benefit auction.

Bidders at the ready

Sam working the bids

Finally, I would like to give a special thanks to Sam Schnaidt who once again donated his time and the free use of Apple Tree Auction Center. HCA staff Bill Douglas and Shelly Hoberg were invaluable and helped me over several months! Special kudos also to Joe Harner who again served as my right hand helping to keep me on task: to Dick Marsh who did all things big and small to keep the auction running smoothly, and to the bevy of volunteers from the Dayton Heisey Collectors Club who supported me throughout.

Happy Heisey Hunting-See you in June at the Convention!

UNIQUE ITEMS IN PATTERN #473 NARROW FLUTE WITH RIM

Joe Lokay

Production of pattern 473 Narrow Flute with Rim started in 1914 and ended in 1931. There were about 110 items in this pattern over its 17 year life. Some items were produced for a short time, others for a longer time, and a few for the entire life. The pattern is somewhat colonial in nature and design. Somewhat because the vertical panels are narrower than the broader panels normally associated with colonial patterns. Several design patents were granted for this pattern. For detailed information on this pattern, see the article on Narrow Flute with Rim in the September 1982 issue of the Heisey News, pages 8 & 9.

What's a unique item? If you were going to purchase a new set of china, what would you buy? It would be those items needed to make complete place settings plus the various serving pieces. That would be the salt & pepper, cream & sugar, platters, large bowls, etc. My definition of a unique piece is something beyond these normal pieces.

There were eight pieces in the Narrow Flute with Rim pattern that I believe are unique items. They are:

Griddle Set, Ground Bottom consists of 7" Plate and Cover. Individual Syrup and Butter.
Square Honey Dish & Cover & 8" Square Plate, Ground Bottom.

Sardine Dish and Cover, Ground Bottom.

9" Nabisco Tray, Ground Bottom.

Stack Combination Sugar, Cream & Butter.

8" Loaf Sugar & Cream Set, Ground Bottom, patent #49224.

6" Baked Apple Dish, Flanged Top.

8" Sweetmeat, Ground Bottom. ♥

AN INTERESTING PIECE OF HEISEY GLASSWARE

FROM THE MUSEUM COLLECTION

Walter Ludwig

1503 Crystolite 8" Vase *REVISED*

This is a rare piece in a common Heisey pattern. Crystolite was first produced in 1938 with production running until the factory closed in 1957. Like many of the harder to find pieces, this piece was probably produced for only a limited period of time possibly just before the war.

This vase has the diamond H in the center inside bottom. The vase measures 8 1/4" tall. The bottom 1/4" flares out slightly to a base measuring 3 1/2" across. The top of the vase flares out to an opening of 7 1/2" across.

Diamond H Marking

This vase is truly elegant but missing from most Crystolite collections. The mark can disappear in the star pattern on the bottom of the vase so a keen observer can catch a seller sleeping on this rarely found piece.

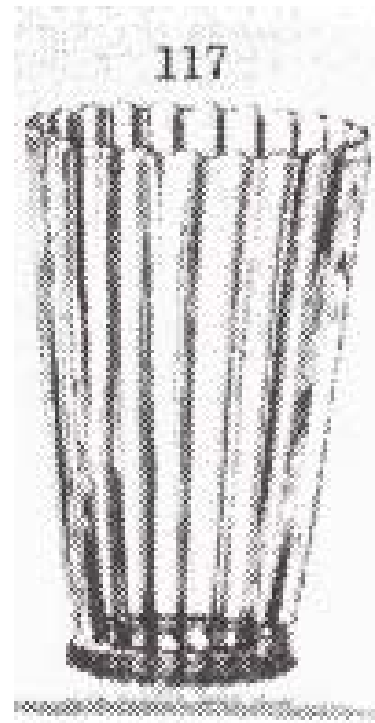

During the war years Heisey pulled back production on their main wares in order to divert some production to the war effort. Marketing of glassware also had to undergo some changes because of gasoline rationing. Heisey produced three brochures called the "Wartime Salesman" to take the place of their usual travelling salesmen. The wholesale customer could make orders off of these brochures for processing at the factory. Three different brochures were produced: Orchid etch, Crystolite, and finally Lariat and Gifts and Decorations. The Crystolite brochure was last reproduced in the Heisey News in February 1998 on pages 18-20.

Our vase is listed in this brochure as well as two other variations – straight and cupped. Most interesting is that the brochure has names assigned to these vases. Our flared vase is called the Aster vase.

Aster Vase

The straight version that is pictured in the brochure and reproduced here from that picture was called the Calendula vase. The cupped version was called the Lily vase.

Straight Version #117

Soon after I did the preliminary work on this article, the cupped version of the vase appeared on e-bay. Thanks to the generosity of Darlene Fishell, whose husband, David took the picture, I can share the picture that went with this listing with her permission. She informed me that the vase was found at a garage sale in Arizona. Keep your eyes open and maybe you too can make the next find of one of these rare vases.

Cupped Version♥

FOLLOW-UP ON THE 8085 GRANVILLE 1 PT. DECANTER

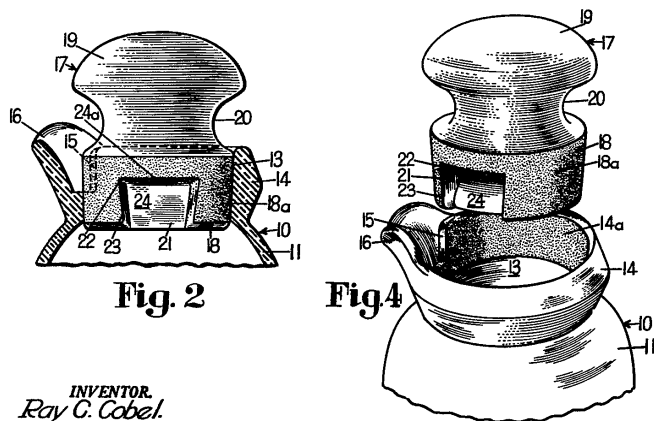

Louis Lopilato

I do enjoy the articles in the *Heisey News* on the unusual and hard to find items of Heisey. I, like many, have reached a certain point in my collecting and research that only the oddities gets my blood flowing.

I would like to comment on a recent article in the *Heisey News*, Volume XXXIII, No. 2, February 2004, pages 6-7, *An Interesting Piece of Heisey Glassware...From the Museum Collection*, by Walter Ludwig, 8085 Granville 1 Pt. Decanter.

The No. 8085 "Granville" decanter could not have been in production shortly after the repeal of prohibition, nor was it before the No. 4225 "Cobel" decanter. It was the "Cobel" decanter that was introduced first (patent application Dec. 19, 1931), some two years prior to the end of prohibition (21st Amendment, December 5, 1933). It would be nearly ten years later that Ray Cobel designed the "Granville" decanter (patent application Nov. 2, 1943).

Since the example pictured has a stuck stopper and was not able to be shown, I have included Ray Cobel's patent drawings, showing the stopper and how it functions.

#150 ONE PINT TANKARD

Joe Lokay

#150 Banded Flute was a large pattern line. It was introduced in 1908, and a few items lasted till 1934. The glass is of medium thickness. The colonial style pattern consists of narrow vertical panels encircled by a band that consists of narrow raised lines.

One of the items in the pattern is a one-pint tankard. It comes with or without a cover. Production of the tankard starts as a glass cylinder with the design pressed in it during the molding process. While the glass is still hot, a notch is pressed into the top edge to form the spout, and then a handle is applied opposite the spout.

This tankard is not very big for a pitcher. One pint is only two cups or one-half a quart. There are seven other jugs in the pattern line ranging from one pint to three quarts in size.

Another item in the pattern is a root beer mug. This item is made by using the tankard mold, applying the stuck handle but not forming the pouring spout.

The one-pint tankard is used in three of six sets offered in this line. The three sets are the #2 Bed Room Set, the #3 Bed Room Set, and the #2 Water Set. The Bed Room Set is sometimes called the Boudoir Set (French). The sets consists of the following items:

#2 Bed Room Set

- #150 Pint Tankard & Cover 10
- #150 10 inch Tray
- #150 1-8 oz Tumbler
- #150 1-Candlestick
- #150 1-Match Box

2004 HEISEY "FAMILY REUNION" HOSPITALITY ROOM

Karen Clark

The Hospitality Room (in the lower level of the Museum) will be open during this year's convention from 10:00 a.m. to 4:00 p.m. on Thursday, Friday and Saturday. As in the past, we are asking study clubs and individuals to donate "goodies." These "goodies" are shared by all who take time from their busy convention schedules to just come to the Museum. Just come in and "sit a spell" and relax and talk with other folks who have come from all over this fine country of ours to partake in the many activities that this year's convention has to offer. Remember the theme is "Family Reunion" and you know that family reunions always offer plenty of good things to eat and plenty of time to catch up on the happenings since the last time you saw some of your friends and family. And for your viewing pleasure, the lower level has a beautiful display of glass and a display of glass making tools.

This year, we would like to have several study clubs host the Hospitality Room on a day-to-day basis – not just one club hosting the whole three days. It would be great if one club could host on Thursday from 10:00 a.m. to 1:00 p.m., and another club host on Thursday from 1:00 p.m. to closing at 4:00 p.m. Then, on Friday another two clubs could host, and the same thing for Saturday. This way it will not tie anyone down for a long time or keep them away from the convention activities. It would also be fine if just a couple or two would volunteer to oversee the room during those times. So please check your schedules, and let me know when would be the best time for you to oversee the room for just 3 hours at a time – of course, you can do a longer shift if you choose.

Also, as in the past, we would like club and/or individual donations. Items such as cheese, pecans, dates, cookies, brownies, etc., can be brought to the hospitality room. These light snacks can be enjoyed by all that are taking a break from activities and just wanting to chat for a while

I am thanking all of you in advance for your help and participation. Please let me hear from you by June 1, so we can plan accordingly. A follow-up letter will be sent to all study club contacts asking for their help and support. I can be contacted by phone at 937-845-9132 or by email at: karenc9132@prodigy.net. ♥

Annual Banquet Update Terry Maxwell

Plans for the Friday evening banquet are moving right along. Jim has been in contact with Steve Pescatore who has agreed to be our MC and auctioneer for the evening.

Menu plans include Chicken Gurneye and Roast Beef with Bordelaise Sauce – sounds good! Dick Smith will be serving as bartender prior to the start of dinner.

You still have time to add to the centerpiece count. This year we ask that each group assign a spokesperson(s) to give a little input about their centerpiece and also to help take bids. The centerpieces will all be centrally located on one table so that everyone can easily view the selections and see who donated them.

Look for another update next month!

MEET THE FOLKS WHO MADE OUR GLASS! Judy Rhoads

Once again this year at convention, the folks who worked at A.H. Heisey and made our beautiful glass will gather for the Former Employees Reunion. It will be on Friday, June 18, at 3:30 p.m., in the Museum Hospitality Room.

Attendance at this event has been growing every year, as we find more former employees and as

more HCA members join us to hear the wonderful stories these folks have to tell about their time working at the Heisey factory. Reserve this time in your convention planning so that you can come visit with these wonderful people and listen to their stories! ♥

2004 Candidates for the HCA Board of Directors

Following is the slate of candidates as presented at the HCA general membership meeting Saturday, April 17. A total of four will be elected. **Absentee ballots should be requested from the Museum by June 1, 2004 to ensure enough time for the June election.** Ballots can be requested **NOW**. Send a SASE for a ballot to: HCA Ballot, 169 W. Church St., Newark, OH 43055.

Candidate Bios appear in alphabetical order

Phil Abrams

Phil has served on the board for the past four years. Phil is a resident of Charlotte, N.C. He currently serves as treasurer for the North Carolina Heisey Study Group. He holds a Bachelors of Science degree in accounting from the University of South Carolina. Phil served on the board of Sharonview

Federal Credit Union in Charlotte for 28 years.

Interest in Heisey glass became renewed 20 years ago when it was learned that he and wife Sally's wedding crystal, Heisey Rose, was available. Collecting candlesticks, candy jars, animals, pitchers and nutcups has been a challenge.

My interest in serving another term would be using the knowledge that I have gained over the last four years and applying that knowledge to continue to enhance HCA. ♥

Bryan K. Baker

Bryan K. Baker began collecting Heisey in the early 1980's after receiving a small collection of Orchid from his mother. Collecting Orchid soon turned into collecting everything Heisey, and Bryan is now the owner of an extensive collection of Heisey as well as "Piece by Piece Antiques," specializing in Heisey glassware. Bryan is a native of Virginia, and has been an active member of the National Capital Heisey Study Club (NCHSC), where he currently serves as secretary for the club, as well as co-chair for the annual All-Heisey Glass Show in Gaithersburg, Maryland, sponsored by the NCHCC. 100% of the proceeds from this event are donated to HCA. Bryan has also been an active member of HCA for a number of years, supporting the Benefit Auction and taking the yearly trip to convention. Bryan currently serves on the HCA Technology Committee.

Bryan is a Senior Program Analyst for Mitretek Systems, Inc., a non-profit scientific research and system engineering company in the suburbs of Washington D.C., which works in the public interest to solve complex technological problems. Currently, he is responsible for Mitretek's business continuity and data storage/recovery plans, as well as providing project management. In addition, Bryan has over 6 years of management experience for a large nationwide retailer, and served as co-president of his local Homeowners Civic Association.

Bryan brings to HCA his years of management experience along with his sense of teamwork and dedication. Using tried and true methods in addition to new technology, Bryan is dedicated to reaching out to new and existing HCA members to foster and expand the knowledge of Heisey glassware. Building on his existing knowledge, Bryan hopes to assist in increasing and strengthening HCA members' relationships to the National Heisey Glass Museum using the *Heisey News*, the Museum

and HCA Web Site, as well as new technologies such as CD-ROM and Internet based applications (e.g., newsgroups, interactive chat, online data access). He hopes to foster new interest in Heisey and build the membership by reaching out to old and young alike interested in learning about, or expanding their knowledge of Heisey's glassware.

James S. Clark

I am a retiree from Ameritech, (1995) where I worked in the Central Office and as Assistant Manager. After retiring I have run my own company doing telephone and computer system networking and management. Also, during Census 2000 I worked as the assistant manager for field operations, where I was directly responsible for the completion of the Census.

My association with Heisey began 20 years ago, with a couple of pieces that we had and wanted to find out more about, that led to my meeting my mentor, Bob Ryan. Through Bob, I was introduced to the Annual Benefit Auction, where I have co-chaired, chaired or been involved with in some fashion for most of the years I have been associated with HCA. I have served as HCA Project Chairman for a number of years. My wife & I have served as docents at the Museum, on a monthly basis and when needed. We started under Louise Ream who taught us well.

We collect any Heisey that we like, but my favorites are Old Sandwich and Spanish, and as Bob Ryan says, "There is no bad Heisey." ♥

Samuel L. Schnaidt

Sam's interest in Heisey started at a very early age. This was not in the glass, but to see Santa Claus in his sleigh on Christmas Eve at the Clarence Heisey home on Granville Street. Sam started collecting Heisey in 1966 when he and Heidi, his wife-to-be, had a chance to buy a

set of Orchid Etch. In 1966, they chose this to be their crystal pattern and made the purchase of over 100 pieces for \$125.00.

Sam always enjoyed buying and selling Heisey at auction, as well as collecting. In June of 1971, he and Frank Frye held the first all Heisey auction. Through these early auctions, Sam met several Heisey collectors from Newark, Ohio. Sam helped promote and encourage these people to start a national collectors organization, and he became a charter member.

In 1973, Sam was appointed chairman of a committee to find a building for the Museum. This committee found the King house and headed up the restoration project. Sam later co-chaired the committee to raise the money and build the Museum expansion that we have today.

Sam served several terms on the HCA Board of Directors. He is a past president and past vice president of HCA, as well as chairing and serving on numerous committees.

Heidi and Sam have been married for thirty-eight years and have two married children. They all collect and enjoy Heisey Plantation. Sam looks forward to serving on the Board again and feels that strong conservative fiscal management is important to HCA. ♥

Jean Will

Jean will has been a member of HCA for about 20 years. In 1970 Jean and her husband started buying antiques and elegant glassware. After retirement they started doing antique shows specializing in Heisey.

Jean has been a resident of Leavenworth, Kansas all of her life. She is a retired registered nurse.

Jean is a member of the Great Plains Heisey Club and would like to serve on the Board of Directors. Her goal is to further the preservation of Heisey glass in the Museum and in the hands of collectors across the United States. ♥

CLUB NOTES

Heisey Club of California *Norval Heisey*

A great time was had by all. Our meeting was held at Geri's home in Oxnard. We had 13 in attendance.

Our program was on Vases by Gordon Clark. What a great collection we had, such as Cross Line Flute in Vaseline; Hi-Lo vase in Moongleam; Greek Key and many more (50).

We had much discussion on things to be done for the convention in June. We will have a item for the Blind Auction. We will not have a table decoration for the dinner. It did not generate enough benefit to warrant this year.

Peter will be doing an article on Greek Key for the West Coast Peddler.

Our Web Site (www.heiseyclubca.org) had 1300 hits last month, so many are checking us out.

Our birthday boy, Gordon Clark, celebrated his 80th, with cake by Geri on an Imperial cake plate with 80 candles, 72 around the cake and the balance on the cake - what a great surprise.

Our annual auction to benefit the Museum will be held in April at the home of Herb and Betty Wanser. Please come and bring "MONEY." See you there. ♥

Northwest Heisey Collectors *Deborah DeJong*

MARCH MEETING MINUTES:

We had a small intimate meeting with 12 members and one guest. Flo brought her friend, Gen, to the meeting. It was a nice day for a drive and the rain stayed away. The house was open to exploring and some interesting things were sitting around. The Crystolite cake salver caught Larry's eye downstairs, as did the Bamboo candlesticks in the entry. We had lots of good conversation and, as always, the great food our members bring to the meetings.

Old Business:

Green River Show Committee: A huge "Thank You" to all the members that helped out that day. It's always lots of fun talking to people about our glass. We took a couple of names to send newsletters to for three months. It was noted that many wanted to buy and/or touch the display. Needless to say, no money or glass changed hands.

Convention Centerpiece:

Karl de Jong volunteered to chair the committee. It is requested that you bring your donations to the April meeting so we have enough time to purchase whatever is needed to fill the basket. Isa Nelson has already donated a #1425 Victorian plate for the clock; de Jong's will do the drilling and movement; we have names of people who will be donating smoked salmon, apples, and BBQ sauce. All items for the basket will be products made in Washington state. It should be noted that our centerpiece last year brought in \$425, so we want to make this one just as nice.

New Business:

A motion was made to have a goal to raise \$500 for HCA donation each year. It was passed. The request for items for the Blind Auction was tabled until the April meeting.

Nominations were handled by querying the officers and a motion was made to accept the existing slate for another year. Passed.

Raffle:

Margaret Wilkinson was the winner of a #1519 Waverly 2 part relish.

Show & Tell:

Deborah gave a short talk on Hawthorne, its production dates, and a comparison to Alexandrite and sun coloring. She also passed around an old advertisement that had been in Vogel's Newscaster. Items seen were: #411 Tudor cigarette jar, covered preserve, hotel sugar, high footed jelly-Hawthorne; #112 Mercury candles; #120 Overlapping Swirl candles; #114 Pluto candles; #3360 Penn Charter champagne; #353 Medium Flat Panel ind. Almond; #364 nine inch Fruit bowl, sun colored.

Meeting Adjourned:

We had a nice day enjoying the glass, people and food. The sweet and sour chicken with rice disappeared. The salads were great and we had enough desserts. What more could you want? Hope we see everyone at the April meeting at Nan's. Let her know that you are coming so she can notify the neighbors about the parking.

APRIL MEETING MINUTES

The day was gorgeous, the flowers were blooming and 13 members made it to Nan's home in Des Moines. It was a great day for visiting and snacking before the meeting. Our meal was great with the turkey and salads. Our "true potluck" wasn't much different from always. Nan had made the turkey and we all brought salads and desserts. I guess we all like the status quo. I think everyone was just as content to visit as have a meeting.

Old Business:

Convention Centerpiece: It seems to be coming along. We have a number of donations-goblets, clock, tablecloth and napkins, smoked salmon, basket. Deborah has purchased some Washington honey, soap, wine, and candle. There are many more items on the list to be brought to the May meeting.

Convention Blind Auction: Our Study Club is looking for an item to donate to the HCA Blind Auction.

Raffle:

We had lots of raffle prizes!! Thomases donated an Easter surprise that Larry Hefti won-it was a chocolate bunny! Nan had three surprises: Don Wehmeyer won a Heisey on Parade book, Flo Spitler won the Candlestick book, and Luvonne Nelson won a Lariat champagne. Then Flo hit gold again by winning the regular raffle of a #1230 Fluted Border with Rib plate. Made for a great day for the winners!

Show & Tell:

We had some real pretty ones this month. You missed the #10 Carter Inkwell; a #109 Petticoat Dolphin candlestick in Flamingo; #1401 Empress 4 part relish in Moongleam. There was a pair of Satellite candle blocks on the table next to the #1425 Victorian 2-part footed mayo and the 3-part flared bowl. The #1519 Waverly cruet was gorgeous-cleaned up very well. We all wanted to take the #112 Mercury 9" candle in Flamingo home-didn't happen. We also were shown a piece found in grandma's dirty old cellar in Ohio-a #5074 Seahorse Stem cocktail in Light Amber with Spiral Optic. I can't tell you how many were drooling visibly on that one. You missed a good one if you didn't attend this month.

Meeting Adjourned:

We had sun, so the guys ate outside on the patio. The ladies commandeered the dining room and everyone had a nice afternoon with our favorite glass and people.

Many thanks to Nan for letting us impose on her. We didn't intend for her to do any work. Thanks to all that attended. ♥

The Heisey Collectors of Texas
Erma Hulslander

March 2004, MEETING

We met at Marjorie Stormer's home in Plano, and door prizes – well y'all will be wishing you lived in Texas! Everyone was given a small piece of paper with a number on each end. We each cut that paper in two pieces – very carefully put the one in the pot and hung on to the other end. Marjorie and her darling little granddaughter, Emily, made sure our neighbor did not see our numbers! Little Emily, picked a number out of the pot – remember this was Saturday, March 13, you guessed it; the lucky number was 13! Well, all of sudden people were jumping up all over the place! ALL WERE WINNERS; we all had 13! LOL! Marjorie had a bag of homemade toffee for each one of us!!! Since Marjorie cooked for more people, no problem-we took care of all those extra bags!

We had a short business meeting-just took care of what we had to! This is the one-time a year we use all our time and efforts for our "Benefit Auction!"

Our president Greg Freeman took care of informing and getting the club's views/answers to letters about the convention he had received since our last meeting. Also, we will, as usual, send a supply of "Texas Pecans" for the Hospitality Room at the convention in June.

Rodger Hulslander has our web-site ready to go, just needed final approval! This will be ready for all to view by the time you receive your Heisey News. Our web site will be:heiseycollectorsoftexas.com! This was an exciting time for all of us, finally getting our own web-site! Many members had started working on a web-site including Rodger, but never could quite get it going. So, with the help of a dear friend of ours – Paulette did it! Big "thank you" goes to Paulette!!

WRAPPED AND UNWRAPPED BENEFIT AUCTION – Even though we had a small turn out, we had a lot of fun, and a generous group! We auction wrapped boxes of Heisey and unwrapped Heisey pieces, everything from salt dips to two-light Regency Candlestick with prisms. We had a really fun time, as usual – trying to bid right before our auctioneer Greg would say "sold!"

The afternoon was finished off with Marjorie's wonderful homemade cheesecake and key-lime pies! What a cook! See everyone at Sally Lancaster's on May 8, at the next HCT meeting! ♥

Great Plains Heisey Club
Mary Cameron

Jean Will hosted the Great Plains Heisey Club for its first meeting of 2004 at her home in Leavenworth, Kansas, on March 20, 2004. Twenty members and two guests (who later joined the club) attended. The meeting started with some great Kansas City barbeque, so when president John Mock called the meeting to order at 2:00 p.m., all attendees were subdued and full.

The minutes were approved as they were posted on the website. Tom Files, treasurer, reported on the status of the club treasury. Dues for 2004 are due now, so members paid Tom at the meeting. Tom will send out notices to those who were not at the meeting.

An "election" or "drafting" of officers was held for 2004. John Mock will remain president, Mary Cameron, secretary, and Tom Files, treasurer. The ballot was unanimous.

Mary distributed "show cards" for the 33rd Annual Heisey Premiere Glass Show and Convention in Newark. The Great Plains Club has many members who will be attending the convention.

Mary also distributed the sample copies of the "Heisey Glass Museum Activity Book." Members thought this was a really good idea and it was suggested to order them for grandchildren.

Members discussed donating a centerpiece for the Centerpiece Auction at convention. Last year, the club donated money instead. It was decided that Kathy, Trudy and Bucky will work on this and we will donate a centerpiece. Mary will let Terry Maxwell know that we will be bringing one to the convention. The challenge will be to find items representing all four states of our club members.

Members also discussed participating in the Silent Auction. Tom and Kathy Files will select something to donate in the name of the Great Plains Club for the auction. The Club will donate something worth at least \$150. Mary will let Elaine Husted know we are participating.

Mary also shared with the members the plans for the "Family Treasures" display in case any members were interested in participating.

Tom Files distributed a contest. He chose ten items from the 1100 lots scheduled to be auctioned at the All-Heisey Benefit Auction. Club members were requested to guess

the amount that each item will sell for at the auction. The winner will receive a prize at our next meeting in May.

A 50-50 auction was successfully conducted. Several members donated items to be auctioned – 50% of the sale price going to the club and 50% to the donor (some members donated the entire proceeds). It was a lively and fun event for both buyer and seller and a nice sum of money was raised for the club treasury. Members thought this was a good event, maybe one we could hold every other meeting.

Bucky Will did the program on the Pillows pattern. She has 38 different Pillows items that she displayed. She gave details about the pattern such as the beveled sides and items that were made in Rose. She had a great collection to exhibit.

Show and Tell was wild as usual. Gary Corey even brought his own table to display his items because he has so many to share. Obviously, it was a long and productive winter for some of our Great Plains members. Some of the Show and Tell items included: Banded Picket basket with cutting; Continental toothpick; Zodiac cream and sugar; Rococo candlestick; #138 whiskey shot glass; Raised Loop three pint jug; Whirlpool footed soda in Zircon; Victorian cream in Sahara; Narrow Flute with Rim covered honey dish; Grape Cluster two-light candlestick; Puntty and Diamond Point footed jelly, claret, and cracker jar with lid; Cathedral vase with Arctic etch; finger bowl with original label.

The meeting adjourned and members continued to "talk Heisey."

Meeting dates for this year include:

May 8 at Elmer and Janice Miller's in Murdock, NE. Janice will do the program on Heisey lamps.

July 10 at Trudy and John Mock's in Omaha.

September 11 at Gary and Shelby Corey's in Kansas City.

November 13 at Glen Gall's home in Urbandale, IA. ♥

Northwoods Heisey Club of Minnesota
Ann Moll

The favorable weather was a good omen for a large attendance at the March meeting of the Northwoods Heisey Club of Minnesota, held at the home of Odell and Virginia Johnson. Nineteen members were present whose lively interest in Heisey sparked energy for discussion and intrigue in viewing the Heisey collection of the hosts, plus items shared by members.

The editor of an area antique newspaper, "Old Times," indicated interest in writing a story about Heisey glass, with the emphasis on interviewing two collectors of the club. Warren and Kay Chapman, plus Odell and Virginia Johnson, volunteered to share their knowledge. We are hopeful that an inclusion of information about our club will increase interest and membership.

Bev Heisey updated us on the status of providing food and beverage at the Upper Midwest Glass and Pottery Show to be held on March 27 and 28, at the Bloomington Armory. Last year's venture was a successful fund-raiser for HCA. It was hopeful that we might increase our menu, but another license for serving hot food is necessary. We decided to limit our choices to prepared sandwiches and other food items, purchased at food stores, plus coffee, tea, pop, etc. The members were generous in volunteering their services over the two-day show. Incidentally, four members are manning two booths: Jim Langer and Doug Horton, plus the owners of Fireside Antiques, Larry Jacoway and Dick Morris.

Our HCA Fund Raiser will occur at the May meeting. Previously, the Johnsons agreed to donate a Heisey piece, valued at \$100, to be raffled off at the fund-raiser. Members could purchase \$10 tickets at either the March or May meeting. Each member was asked to donate an unwrapped piece of Heisey, in mint condition, to be auctioned at the event. The Chapmans will be the auctioneers. Unpurchased pieces will be donated to HCA. It was also decided that the club would donate a centerpiece to be auctioned off at the national convention.

Odell and Virginia Johnson presented a slide program on Heisey animals, with interjections reflecting their vast knowledge. Afterwards, we viewed their personal collection which is fabulous. Before sharing our brought items, the Johnsons provided us with refreshments.

Our sharing portion of the afternoon always leaves me in awe, regarding the knowledge of the group, about the many patterns and history of Heisey. Jim Langer began with showing a Fancy Loop bowl. He was followed by Chuck Bingham who presented a Laverne floral bowl. A Cathedral vase was brought by Kay and Warren Chapman. The Christensons, Marvin and JoAnn, interested us in their selection by proposing a question. Did anyone have knowledge about a Narrow Flute pitcher and saucer, that seemingly belonged together, but the saucer did not have a rim. An Irwin green cigarette covered holder, with an attached ashtray, was the contribution of Larry Jacoway. Steve and Eileen Bergren had an interesting Stanhope ice bucket with red handles, done in the art deco style, and also two colored tigers. Bev Heisey concluded this portion of the meeting with a lovely unknown sugar shaker.

The next scheduled meeting is on Saturday, May 8, at the Oak Grove Presbyterian Church in Bloomington, beginning at one o'clock. ♥

Northern Illinois Heisey Club
Paula Fabbri-Morrow

Our 2nd quarter meeting was held at Lois Haines' new condo on April 4, 2004. Fourteen members were in attendance.

We discussed new business: Benefit Auction; the new curator; grant for HCA brochure upgrade; radio advertising for convention; individual donations for the Blind Auction were encouraged.

The Flea Market on the Square was reviewed. Approximately 25 contracts have already been signed and received (see our ad in this month's Heisey News for more information). We are anticipating many more dealers including several of our club members. This will be an exciting addition to Convention 2004!

Old business: a basket was given to the Hustedts as our donation for the Convention Blind Auction; ideas for the annual meeting & dinner centerpiece were discussed; voting for club officers was delayed until the next meeting.

The program for this meeting was Punt & Diamond Point. The pattern was well represented and included: straight-sided tankard, claret jug, water bottle, cologne, mucilage bottle, three electric lamp shades (ruby-stained; frosted; crystal), vases (6, 8 and 10 inches), molasses can, cruet, spooner, comport, and sugar shaker.

Our members were busy shopping! This quarter's finds were a Fancy Loop toothpick, Pineapple & Fan mug, Coronation pitcher with Moonglo cut, Cross-lined Flute pitcher, Prince of Wales Plumes cake plate whimsy, Fancy Loop cologne, Greek Key straw jar with lid, beer glasses with Clover needle etch, and a Victorian punch cup.

We ended our meeting with homemade lasagna, chicken casserole, veggies, salads and delicious, decadent desserts. The 3rd quarter meeting will be held on Sunday, July 11. See you all there! ♥

When Renewing Your Membership

Help ensure the future of your Museum. When you renew your membership at one of the levels below, any amount beyond the regular Associate dues—\$25.00 plus \$5.00 for each additional household member—goes into the Endowment Fund.

<i>Individual Voting Privilege (onetime fee)</i>	\$25
<i>Individual Contributing, one person in household</i>	\$30
<i>Joint Contributing, two people in one household</i>	\$40
<i>Family Contributing, parents and children under 18</i>	\$50
<i>Patron</i>	\$100
<i>Sponsor</i>	\$250
<i>Benefactor</i>	\$500

Contact the HCA Administrative Office at (740) 345-2932 for more information. The Endowment Committee wishes to thank those who have become Endowment Members and all of the individuals and study clubs that have so generously supported the HCA Endowment Fund. All members who have supported the fund are recognized each year in the February issue of the newsletter. Your support will make the Museum self-sustaining in the years to come. Thank you all! ♦

Visit The National Heisey Glass Museum

Come at your leisure to enjoy more than 4,800 pieces of glassware produced by A.H. Heisey and Company from 1896-1957. Hundreds of patterns are featured in all production colors. Rare and experimental items are included as well. Facilities are air-conditioned and handicapped accessible. Hours are 10:00 a.m. to 4:00 p.m. Tuesday through Saturday, 1:00 to 4:00 p.m. Sunday. Members are admitted free, regular admission is \$4. Office hours are 8:00 a.m. to 4:30 p.m. weekdays.

Membership Renewal Notice: Check the date above your name and address on the mailing label. This is your expiration date. If it reads 5-10-04 make sure your dues are paid soon in order to receive next month's issue of *Heisey News*.

Shipping & Handling Fees for Outside US

Additional shipping charges are required for members living outside the U.S. Current rates are: Canada \$20; Mexico \$22; other Countries \$44. These rates are subject to change at any time due to rate changes made by the US Postal Service. To verify current rates, call (740) 345-2932 or E-mail business@heiseymuseum.org
