# MESSAGE FROM THE PRESIDENT

DICK SMITH

I would like to welcome all the new HCA members who have joined in the past several months. As new members, we encourage you to introduce yourself and become involved in your Museum. HCA welcomes your support, ideas, and suggestions.

The 2004 Percy & Vivian Moore Dinner will be held at Greensboro, NC, on October 1 & 2. Plan on making your reservations for this FUN event. There will be plenty to do with tours of Replacements Ltd. (breath taking); a benefit auction for the Museum sponsored by the North Carolina Heisey Study Group, the dinner, plus all the great things to do in and around Greensboro. Hope to see you there!

HCA will be offering a very limited number of Lavender Ice Tiger Paperweights (approximately 100). This is a special project funded by the Bill Clifford family in memory of his mother and father, Esther and Tim Clifford. The Clifford family always had inside cats in their Newark home. Bill developed the "tiger-cat" idea as a memorial to his parents. Plan to order soon. The order form can be found on page 27 of this issue.

The Museum has been given the opportunity to set up a Heisey display at the Ohio State Fair, August 4-14. We will have three showcases highlighting most years Heisey was in business. This was arranged by Apple Tree Auction Center and Sam Schnaidt in coordination with an Antique Road Show Appraisal they will be doing at the Disalle Center (Arts & Crafts) Building. This will be a great opportunity for HCA and the Museum to showcase Heisey and the Museum.

The Board of Directors is always looking for different and better ways to raise funds to support the Museum. If you have any fund-raising ideas or suggestions, please send or call any Executive Committee member. In the next few months the Museum is going to have several maintenance items to address and will be needing some un-budgeted funds to take care of them. Your help and suggestions are appreciated.

The Board of Directors will be having a planning session on August 7. Some of the topics of discussion will be benefit auction, fund-raising, and the 2005 Convention. The Board is challenged to run a cost efficient organization. A lot of things we can or can not do are dictated by the funds on hand.

A BIG thank you, to all the Volunteers and staff for all their help this past month.

We have just learned that long time member Frank Harper from Wisconsin has passed away. Our sympathies go out to his wife, Marjorie, and the family.

Till next month,

DICK ♥

# FROM THE CLUB/MUSEUM DIRECTOR

Bill Douglas

On July 13, I traveled to Cambridge for our quarterly Glass Pass Meeting. The Pass has received several mentions in articles in the *Mansfield News Journal* and the *Insider*, a packaged traveler publication. The Heisey Museum was mentioned in both stories.

The Pass will be expanding in 2005 to include the Fenton Glass plant and the Convention and Visitors Bureaus of Marietta and Belmont Counties. The glass area of Ogelbay has also been asked to join, but has not responded.

It's been great having Walter join the staff! He's wading into the position with great passion! From all the activity, I'm sure the Ohio State Fair display Walter is putting together will be a real eye catcher and do a lot to help promote HCA and the Museum.

During Convention this year each attendee received coupons in their registration packets called "Thank you for taking care of our guests." Attendees were asked to give them to anyone who gave them good service or were helpful in any way. This gave our attendees a way to interact with the local community and raise their

awareness of the elegant glass show, convention and Museum.

A drawing was held on July 6 and the winner was Ellie Kauble. Ellie is a housekeeper at the OSUN Residence Hall. Ellie was given her coupon by Ron and Carol Leitheiser. For helping take care of our guests, Ellie received a green Sparky from Club/Museum Director, Bill Douglas.

On July 22, 35-Newark High School students who were part of Bob Kaczor's English class visited the Museum. This is the second year Bob has brought a group to the Museum. Bob says, "It's a good way for the students to learn about the history of Newark and how information is communicated."

One of the boys bought his mother a sherbet as a gift. A while after the group left he returned to the Gift Shop. He explained to Mary Jo, when he rode his bike home he dropped the box on the way into the house and broke the sherbet. Mary Jo said, "I'm so sorry!" He said, "That's ok lady, it was my fault. I have the money, do you have any more?" Mary Jo found him another one. The boy said, "I'll be more careful this time!" ♦

## CURATOR'S REPORT

Walter Ludwig

Well, this has been an exciting month. Since accepting the job as curator during the 2004 Convention, I have been kept very busy shuttling back and forth between Philadelphia and Newark. My schedule here at the Museum is still abbreviated as I wrap things up in Philadelphia and establish new roots in Newark. A new home will soon be purchased and my furniture will soon after be following me down I-76 in my last long commute to work.

Here at the Museum I have been kept very busy just catching up on the backlog of correspondence and acquisitions that have been made in the last few months. I want to thank Bob Ryan and his family for all the work they did as acting curator during the long period that the Museum did not have a full time staff person filling the job. I would still be digging out without them.

There were two significant items that arrived during my first two weeks on the job. First, Phyllis Hess, Louise Ream's daughter, arrived with 12 boxes of papers that had been Louise's. These include not only Heisey related items, but items relating to the early history of HCA. Thank you, Phyllis. I am eager to start going through this material.

Secondly, a letter arrived from Park Noyes of Clarendon, AR. Enclosed with the letter was a box of slides. Park explained that his father, Edward Noyes, had worked in the Heisey factory from 1929 until 1935. He had been encouraged by Clarence Heisey and his fellow workers to go on to college,

which he did. He earned a Bachelor's, Master's, and Doctorate degrees from The Ohio State University in Columbus. He went on to teach in several colleges and universities always keeping a strong interest in the glass industry. He was considered an expert in glassmaking and gave many lectures on the subject. In 1952 he visited the factory and took a series of pictures, which he had made into slides for his lectures. It is copies of these slides that have been loaned to the museum for our education and archives. I will write a future article in which I share many of these slides.

On July 11, the Executive Committee approved the Heisey Museum's participation in a display as part of the antiques exhibit at the Ohio State Fair this year. I am preparing that exhibit now. It will be housed in the Disalle Center (Arts & Crafts) Building on the Fairgrounds. The fair runs August 4 through August 15 this year. So, come look for Heisey at the fair. If you have some time to volunteer manning the exhibit and giving out promotional literature, please contact the Museum.

As you can see, things are hectic as well as exciting here at the Museum. I welcome your comments and inquiries anytime. ♥

## AN INTERESTING PIECE OF HEISEY GLASSWARE ....

### FROM THE MUSEUM COLLECTION

Walter Ludwig, Curator

#### 6000A Roundelay Cream and Sugar

The Roundelay pattern was quite a departure for the Heisey factory when it came out in 1954. It was conceived by noted industrial designer, Eva Zeisel, whom Heisey had hired to invigorate the Heisey output. The design for Roundelay is much in keeping with what was being produced in Sweden during this period. The fact that it was made overwhelmingly only in Dawn (Heisey's smoke color) further ties it into modern Swedish production of the day.

Roundelay was a blown pattern, so you will never find it marked with the diamond H trademark. All

pieces are spherical or ball shaped, modified for functionality. The cream and sugar are typical of the line.

The cream and sugar although forming a set and sharing the same design principles, have many characteristics that vary besides those that are a result of function. The set is relatively small and impractical for most homes. It would take several on a dinner table to insure that all guests are served. The creamer looks like one of Heisey's ball vases with an extended collar. One side of this collar has been squeezed to form a spout. The sugar bowl again resembles a ball vase, but for this piece, the vase is truncated allowing for a wider opening.

The creamer measures a little over 3" in diameter and is 3 1/2" high. The opening on the top is 1 3/8" wide. The sugar bowl is 3 1/4" in diameter standing 2 1/2" tall. The opening on the sugar bowl is 2 1/4" wide. The glass of the sugar bowl is considerably thicker than the glass of the creamer resulting in the sugar bowl weighing 8 ounces while the creamer only weighs 4 1/2 ounces. The weight of the sugar bowl gives it stability so the bottom is not finished while the lightness of the creamer and its more vertical shape required that the creamer have a ground and polished bottom. This polished area has a diameter of 1 5/8".

The Roundelay cream and sugar in Dawn is presently located on the second floor of the Museum in case G2 C28.

Roundelay is a pattern that does not appeal to everyone's taste. It is hard to call the set elegant but there is a different kind of beauty there. You are indeed the lucky collector if you have this set in your collection. Be on the lookout for this unusual unmarked treasure. ♥

### Help Spread the Word

The NEW FOUR-COLOR Museum Brochures are now available! Thanks to Sharon Orienter for all her hard work on designing this important marketing tool. If your Study Club would like some to put out at Malls, Flea Markets, Glass Shows or any where you feel appropriate let, Bill Douglas at the Museum know and we'll get a supply to you. Bill can be reached at 740.345.2932 or E-mail at [director@heiseymuseum.org](mailto:director@heiseymuseum.org).

**Help us spread the Heisey word.**

## A New Feature, "The Start Of It All"

During the Convention, Marilyn Smith did a great job of putting together the display with the theme, "Family Treasures." The Buckeye Club did a special display called "The Start Of It All." The display showed special pieces of Heisey and a brief story on how it helped get them started collecting. Over the next few months, we'll be sharing photos of the display and the story to go with it. This month will start with the display done by President, Dick Smith. Thanks again to Marilyn and the Buckeye Club members for this special display!

## HOW I SPENT MY SUMMERS

Richard (Dick) Smith

I would spend my summers working on my grandfather's farm (Thomas A. Powell Sr.) from about 1950 thru 1964. He was noted for his vegetable gardens and fruit orchards.

One of the things I remember well was going to the Ohio State Fair.

We would spend all summer collecting different varieties of fruit, packing them and putting them in cold storage until fair time. He would use his **1540 Lariat Punch Bowl** filled with grapes and **1503 Crystalite Coupe`** plates for five pieces of fruit. We would polish the glass and the fruit for display.

This is a small example of how the display would look.

*Editor's Note: Included in Dick's display were several photos of his Grandfather, beautiful fruit, and the prized banner showing, "Best Display of Fruit."*

## IT WAS DIFFERENT FROM THE START

Phyllis Deal & Bill Douglas,  
Publicity

When the planning began for this year's Premiere Glass Show and Convention, getting the word out to new audiences in different ways was a major goal. Money for advertising is always tight so how do we let people know about this special event?

Over a several week period, we brainstormed on markets, impact, and costs. Something had to be done that would attract new people to the show! A more targeted multi-media approach was developed.

The advertising was reduced and ads were produced with a discount admission offer. Major antique

trades were used to reach target markets. *Collector Magazine*, *Antique Trader*, *Antique & Arts Weekly*, and the *New York Antique Almanac* were selected.

Advertising in local papers was also re-vamped. The classified that ran for years in the Columbus Dispatch (very expensive) was dropped in favor of 50 Plus, a local free publication, the Advocate, and the network of suburban papers within 75 miles of Newark.

The Park National Bank was approached with a plan to use two of their billboards prior to Convention. The front cover has a picture of the billboard that was visible on State Route 16 going east at Cherry Valley Road and a similar board was on 21<sup>st</sup> Street in the north end of Newark (one of the busiest areas of town). Park also agreed to have our information on their call-in time and temperature line that gets over 8,000 hits a day.

We found that we could buy one-minute radio ads on the local talk show station WCLT for \$9.00 each. With their help, and no additional cost, a professional ad was produced and aired twenty times just prior to Convention in the AM drive time slots.

Perhaps the most successful piece of advertising was free? With the help of Jim and Karen Clark, a story about the Show and Convention was developed. It was picked up by some of the antique publications and sparked the *Advocate* to send a reporter out for a story prior to Convention and another story on the front page on the Saturday of Convention.

If you have any ideas or suggestions, please let Phyllis or me know. ♥

## THE START OF THE FAMILY REUNION, THE COOKOUT!

Attendees gather outside of The Works before the Cookout

"The Three Karens" mug it up during the Cookout. L to R-Karen Colwell, Karen Taylo, and Karen Clark.

**The Honorable Bruce Bain, Mayor of the City of Newark, welcomed attendees and presented President Mike Maxwell the following Proclamation:**

WHEREAS The A.H. Heisey & Company operated as a major industrial manufacturer in Newark, Ohio from 1896 – 1957 and was known worldwide for its quality hand-wrought pressed, blown, cut and etched glass, and

WHEREAS The A.H. Heisey & Company was a family owned and operated business for the 61 years it was in production, and

WHEREAS The A.H. Heisey & Company brought families and friends together by producing a wide range of patterns and colors of dinnerware, and

WHEREAS The A.H. Heisey & Company held and the City of Newark continues to hold the values of family, friends, and business partnerships in high regard, and

WHEREAS The Heisey Collectors of America (HCA) has taken charge of protecting and preserving the legacy of Heisey glass by founding the National Heisey Glass Museum, and

WHEREAS HCA has selected this year's Convention theme to be "The Family Reunion" as a tribute to the kindling of friendships and family bonds that have been formed through the collecting of Heisey glass, then

Therefore, I, Bruce Bain, Mayor of the City of Newark, do proclaim this June 16, 2004, as "Heisey

Collectors of America Day" in recognition of the many contributions made to the Newark community by the A.H. Heisey Glass Company and the Heisey Collectors of America.

**The always-dapper Dick Marsh served as a "Vintage" bartender for the Cookout.**

**Attendees always enjoy the glassblowing demonstrations at The Works.**

# The Foundation of the Blind Auction

Elaine Husted

Every successful event is backed by a group of high energy and committed individuals. The song that goes, "I love those dear hearts and gentlepeople," is representative of the volunteers that truly made the Blind Auction a fun and profitable evening.

**Some of the beautiful pieces donated for the Blind Auction**

Working over a period of several months, Co-Chairs Pam & Palmer Haffner and Elaine & Frank Husted sorted through the dots and tittles asking members of the Blind Auction Committee to carry specific assignments thereby putting in place all the pieces of the puzzle. Some of the activities were obvious to those who had learned not to miss this event.

The unseen scurry of setting up the hall started early in the afternoon with all hands on deck to move the Family Tree Treasures stored in the Museum, unwrapping each with a high measure of curiosity and displaying them for all to see. Tables had to be covered and decorated. Sodas were put on ice resourcefully secured by Tom Everett, while our caterers for the last 4 years, Ron & Susan Patterson, were arranging the food to accommodate quick and easy access for the 150 people.

**Lines for the buffet were directed by Tom Everett in his customary role of traffic monitor.**

In reality, the volunteers were doing their magic for the benefit of their Heisey friends. There was Bucky Will at the registration table also presenting the door prizes and encouraging those eager to find friends and a place to sit, to buy a ticket. Kay & Rusty Kohler along with Linda & Marian Maddox took "the count" for how many pinecones found under the Family Tree were in the jar, as well as, selling tickets for the Split the Pot. Pam Haffner had made up a Trivia Quiz about the Heisey family and other, scratch your head, particulars.

**Frank & Rusty get the details of the auction straight**

Quintessentially visible was Frank Husted as Master of Ceremonies. Rusty Kohler and Marian Maddox were auctioneers with their bright eyed spotters, Kay Kohler and Linda Maddox.

There was “dough” found that evening in different forms. Some was green and used to bid on the generous donations but another “dough” resulted in homemade cookies and brownies. A few came the way of a reputable bakery. The volunteer bakers who produced two large mountains of cookies were Lois Everett, Bucky Will who credits her mom Jean, Pam Haffner, Kay Kohler, Sally Abrams and Elaine Husted. There were cookies to spare which were later sent over to the Hospitality Room.

Yes, there were winners. The three Door Prize winners were Bob Harner for a 5-part Crystolite relish, Phyllis McLean snared an 8” Pineapple and Fan nappy, while Dick Smith took a Sparky for a walk.

The Costume Judges were a real entertaining treat and awards were made through so much cheering that this author lost track of who got what, except for the Everetts running off with two awards.

Move over “Montes” it’s the Heisey Lawmen

The couples category

What would a family reunion be without our four favorite guys? R to L-Carl, his brother Carl, his other brother Carl, and last but not least, his other brother Carl!

The “Ladies”

Good Fortune was at Jack Metcalf’s side, for he guessed the closest to the Pinecone count, winning an Empress Orchid etch, divided dressing AND, the Split the Pot. With a big smile for this tall friendly fellow, he walked away with a fattened purse. There was a close tie for the Trivia Quiz which placed Earle & Elaine Hart in first, with a second prize going to David Warren.

**People attending their first Convention were welcomed!**

And finally, when everyone was walking out chortling about their special purchases and wins of the evening, the hardy, stay to the end roster of volunteers, reinforced by the helping hands and smile of Gail Heisey, cleaned up. Thelma Heisey helped as well, with her big smile and patient oversight of the truly, last act of the evening.

Where do the Thank You's go? From Pam & Palmer and Frank & Elaine to their great crew! Knowing they are primed to do it again next year. ♥

## **CONVENTION HOSPITALITY ROOM THANK YOU!**

**Karen Clark**

Another Heisey convention/family reunion is over and what a great time was had by all those who attended. Personally, I enjoyed seeing and talking to people I had not seen in a while and meeting new "family members." Isn't that what a family reunion is all about? The Heisey Collectors family is no different than yours or my family - we just love to get together and talk and eat.

**Karen and her volunteers kept the drinks and snacks filled!**

Eat is just what was going on in the Hospitality Room in the lower level of the Heisey Museum. The Hospitality Room was open on Thursday, Friday and Saturday during Museum hours 10AM to 4PM. I have never seen such a spread of goodies that were donated by so many fine folks. Several months ago when I asked for donations of goodies to eat – I had no idea that there would be such a fantastic response. We had cookies and more cookies, pecans from Texas, chocolates from Nebraska, cheese from Wisconsin (it was good to see Frank and Margie again who reminded me that their club always brings the cheese). There were Little Debbie cakes and Moon pies from Tennessee, pretzels from PA, cookies in the shape of Texas. There was plenty of summer sausage, crackers, fresh fruit, including strawberries which were home grown in Ohio, dips and chips – and even more cookies. I cannot begin to name all the kinds of cookies and those who brought them. The punch and tableware were furnished by the Museum, and two study clubs donated money to purchase goodies. On Friday, we got a delivery of soda pop that had been left from the dinner on Thursday evening – donated by the Hustedts. Just let me give one big THANK YOU to each and everyone who brought goodies and hopefully you will furnish goodies again next year. This was my first year to coordinate the Hospitality Room and I must say thanks to all of you. It was a huge success!

In my early requests for help with the Hospitality Room, I also asked for volunteers to help oversee the Hospitality Room. Again you responded! A super big thanks go to Rusty and Kay Kohler of TX, Marion and Linda Maddox of TX, Laverne Lokay of PA, Sally

and Bob Thomas of WA, Chris Hartman of MD, Harold and Lolet Hammontree of TN, Tom and Lois Everett of DE, Mary Lou Dixon and Maheleh Harrison. The Harners and Spahrs from Dayton were a great help also on Friday AM when I thought I had more time to set things up than I really had.

A big thanks also goes to the great Museum staff – they do so much behind the scenes work and their help with the Hospitality Room was invaluable. There were several others who helped but I did not get everyone's name, but your help was appreciated just the same, and I cannot begin to thank you all enough. So again, a big THANK YOU – and tons of appreciation to all who helped and answered my request. I hope to see you all again next year at our family reunion in June 05. In the meantime, happy Heisey hunting and don't eat too much. ♥

## **HEISEY 2004 CONVENTION THROUGH THE EYES OF HCT'ERS**

**Compiled by Erma Hulslander and  
Heisey Club of Texas Members**

Sixteen folks from Texas made the June Heisey Convention in Newark. We were noticed and others were often heard to say, "There's a lot of people from Texas here!"

We looked at Heisey. We visited the Museum and marveled at the new pieces on display since the last time we were there. We bought Heisey at both glass shows and Appletree and anywhere we could find it. Charlie hosted everyone who could come at his family home. We looked at more Heisey.

We attended dinners and cheered when Rusty, Kay, Linda and Marion took away prizes for being the best costumed. They dressed as the sheriff, the deputy and the jailbirds at the Heisey County Jail. One of the gang stole pieces of Heisey whenever she had a chance, so no wonder they had her in a ball and chain. We looked at Heisey.

We met the candidates and voted in a new Board of Directors. We looked at Heisey and presented our check to the Museum. We got up really early and bought and sold bargains on the square. We had a

great time! We looked at lots of Heisey and just wait until show 'n tell to see some of what came back to Texas with us.

Those who went were Barbara and George McNiel, George Ann and John Powell, Linda and Marion Maddox, Kay and Rusty Kohler, Gloria and Dick Roth, Gloria Snodgrass, Peggy Moseley, Charlie Baird and Ann, Kim and Donna Hale.

**-George Ann**

Things that linger in my mind are:

The Museum is awesome. Not only is a tour educational, there is a great feeling of pride when you see something on display there that is just like the one you have at home.

All of the meals were enjoyable and a wonderful place to meet new friends. There is nothing comparable to finding and buying something at the show that you didn't know existed.

The fact that local Newark people, as well as others, brought things to the Saturday morning sale around the square and that some of the prices were shear bargains. And yes, I found something here too that I didn't know existed. I would rate this as the most improved convention activity.

Pride in Rusty Kohler's deft presentation of HCT's contribution to National while hiding the pain in his old knee (I understand he has a new one now).

**-George**

The Sunday before Convention, we went to Marj's to pick up some pecans! We got more than we bargained for, but took them home and made Pecan Sandies for the hospitality suite. We used a Texas shaped cookie cutter, then sprayed the cookies with blue food coloring and added the Diamond H in white icing! They looked very festive beside the pecan shaped basket with the pecans.

When we arrived on Sunday, we couldn't wait to go to the Museum where we were promptly put to work!! We helped put together the welcome packets. Then, on Monday, we went back to the Museum and helped with some final administrative details. Rusty, Kay, Marion and I hosted the hospitality suite on Thursday. Then on Thursday night we helped with the dinner and benefit auction.

Rusty and Marion shared in the auctioneering! We had a great time.

We had another successful time at Appletree. However, the four remaining toothpicks we need still allude us. We need Old Queen Ann, Touraine, Greek Key, and Locket on Chain. (If you know of anyone or have one, let us know). (We bought two more curio cabinets to house the new purchases!). Our next step will be a bigger house with at least one room dedicated to nothing but Heisey!!

Friday night we attended the annual meeting dinner and presented our check and the computer Marion and I donated to the Museum. Saturday morning found us around the square watching the skies! I think the weather chased off some people!

All in all, it was a great trip. We met and spent time with some wonderful dear new friends and we are already talking about our trip next year! (We may set up a display!).

**-Linda**

The show was great, as well as the "sale on the square" on Saturday morning. Although, we missed Charlie! He took his Heisey and went home early!

It was nice to run into club members from Texas and to meet strangers at our hotel during breakfast. Even though none of us were wearing our name tags, it was obvious we were all talking about Heisey....so we did some table-hopping talking about our latest find!

The former employees were also very interesting.

My friend of 40 plus years went with me to the Convention. She is a collector of many types of glass, including Heisey, and is a member of the Metroplex Glass Club. We had only been at the show a few minutes, when she started talking about coming back next year....so I think she liked it!!!

**-Peggy**

THANKS TO ALL THE WONDERFUL PEOPLE WHO MADE THIS 2004 CONVENTION POSSIBLE! ♥

# FORMER EMPLOYEE REUNION

Judy Rhoads

Enthusiastic former employees of the Heisey glass company gathered on Friday afternoon of Convention week in the Museum Hospitality Room for their annual reunion. On hand to greet them, hear their stories, and chat were 21 HCA members.

**Former employees Ernest Busby and Mary Allbaugh-Reed share their stories with attendees.**

Only 13 former employees were on hand this year. This number is down a bit. In recent years we have had close to 20 in attendance. We hope that next year we will see some of those familiar faces again. One exciting thing this year: two gentlemen who had never attended before came to the reunion and had a great time! It was good to hear their stories.

**Forrest Laughman and Dianne Laughman with a special piece of glass. Forrest said it was a whimsey made for his family. A perfect sphere of crystal about 3" in diameter on a glass stand. He is very proud of it.**

As the former employees each told what their job had been at Heisey and shared anecdotes and stories, HCA members eagerly gathered around to listen. Lots of information and lots of laughs went around.

**Edith McDonald enjoys a snack while Annalou & John Campbell explain what it was like to work at Heisey.**

Our list of former employees continues to grow. We now have 37 former employees on our list. We are so happy to have contacts with these folks. They have wonderful information to share with us—stories that will be gone when they are gone.

Plan to join us next year at the Former Employees' Reunion. ♥

**The ID Session continued its popularity**

## FRIDAY EVENING BANQUET

Terry Maxwell

Some of the centerpieces that were up for auction

I would like to begin by thanking my co-chairs for the banquet, Jim and Betty Cheadle. Without their (well Betty's) expertise and guidance, the banquet would not have been the huge success that it was! Of course, decorating helpers included Bob and Janet Maxwell and Lynn and Karen Lamberson.

When they were told to tie the Heisey pieces on the tree, there were some surprised looks, but they did a great job!!! Let's not forget our friendly and efficient bartenders, Dick Smith and Bill Douglas...see Dick, you did a fine job!

Our serenading MC, Steve Pescatore

The centerpiece auction was a lot of fun! As usual, the study clubs really did a wonderful job. Thanks so much. And saving the final thank-you for our serenading MC, Steve Pescatore. You have a real knack for this I would not be surprised if you don't have a new job with HCA!!!

Here's looking forward to Convention 2005! ♥

## TREASURER'S REPORT

Dave Spahr

Please consider this article a brief synopsis of our financial status as of June 30, 2004. The approved 2004 budget and revenues and expenditures are shown elsewhere in this newsletter. Please refer to that information as you read through this article.

A brief review of the revenues show we have received slightly over half (54.67%) of our estimated annual revenue. Our membership fees and cash donations are well ahead of schedule. Gift shop

revenues continue to lag behind projections. Our net proceeds from the Benefit Auction and the Convention fell far short of budget targets. We set our budget amount consistent with last year's receipts. We have transferred \$15,000 of the \$50,500 budgeted from reserves and hopefully will not need to transfer the rest by year's end.

A careful review of our expenditures shows we have spent \$24,467 less than 50% of our projected budget expenditures for the first half of the year. This is significant for us since it helps to offset the shortfall in revenues from the benefit auction and Convention. Most of the reduction in expenses relates to salary savings (no curator) and reduced cost of goods sold since gift shop sales have lagged through June. On balance, other expenses are as projected.

Lastly, I have included a section on the HCA Endowment Fund. The market value of the fund has increased \$29,535.64 since December 31, 2004, and we have transferred (invested) \$15,909.50 in principal so far in 2004. In March, the endowment fund exceeded \$1.5 million for the first time! Congratulate yourselves! As you know, invested funds fluctuate with the various investment markets and the economy. We have received \$22,649.05 this year and have to transfer (invest) the \$10,360.05 we received in June into the fund. FYI, part of the reserves shown in the budget are last year's endowment income less fees. This amount is \$29,607.39 and will probably be needed to help cover operating deficits later this year.

I want to thank in advance for your interest in the finances of YOUR association. YOUR Board of Directors as stewards are making sure our resources are spent in cost effective ways. We continue to struggle and need your thoughts and input in ways we can raise more funds to support the Museum and staff. Your financial support and volunteerism allows YOUR Museum to be a remarkable showplace and educational resource facility for all members.

If you have questions or comments or fund-raising ideas please contact any board member or me. My E-mail address is [masdgs@aol.com](mailto:masdgs@aol.com) and other member's telephone numbers are listed inside the front cover.

Happy Heisey Hunting! ♥

# CLUB NOTES

The Heisey Collectors of Texas

## THE HEISEY COLLECTORS OF TEXAS JULY 2004, MEETING

This month we all headed to Arlington, TX to the Roth's home. Gloria and Dick have not been in our club long, but Heisey has been in their home for many years. Dick was born and raised in Newark, and since his father was a physician to many of the Heisey family, Dick had many special pieces of Heisey that were made just for his father.

After we took care of a few items of business, we went right to hearing all about the HCT'ers days at the Convention. Those of us who were unable to go felt like we had been there, after each one shared their days at Convention with us.

The program was on "Smoking Items" and Dick put together a great handout identifying most of what Heisey made in this area. Also, he was able to show us many of these items, since Dick's father had so many pieces of Heisey in this category. A set of different size Puritan ashtrays beautifully cut on the sides, etched in bottom was "R." Another Puritan ashtray that Dick had inherited, etched in the bottom part was "Dr. Roth."

We even had cigarette holders with white mint candy, bubble gum and chocolate cigarettes in them.

Yes, we all took a cigarette as the Heisey Cigarette Holders came by – reminding many of us of years gone by. After the program, Dick had one more surprise; Dick called it the "Lunch Bucket Heisey!" This was the "Grand Finale," when he opened his Snoopy Lunch Bucket. Wrapped in white cloths two cut tumblers done just for his father. Dick referred to them - risqué! Probably the only ones ever made – I would say, priceless! That ended the program!

"Show N Tell" session started out with a Waverly Orchid compote, Wampum flared floral bowl, Yeoman perfume with dainty painted flowers on stopper and side. Candlesticks - pair of 9" Jacobean, Sanford with cutting, and 5" Plantation with Ivy etch. Next, a Four Leaf candleholder and Lotus candleholder, which Heisey used in floral bowl arrangements. Ridgeleigh candelabra and cologne, low rolled footed Plantation mayonnaise and Prince of Wales-Plume individual berry bowl. Opal Winged Scroll puff box, large divided Victorian bowl, Zircon Saturn bowl with edges turned up, and Puritan footed crushed fruit jar. Pillows – footed compote, water bottle, rose bowl and spooner. This was only a little taste of what came back from 2004 Convention!

Barbara had the lucky number, drawn out of the Heisey #1575 Lilly bowl, which the Roth's won at Convention! Barbara received a beautiful orchid plant – the real thing! Another was given to Linda and Marion as a "thank you" from the Roth's for carrying their Heisey purchases back to Texas! Just cannot carry all your precious Heisey on the plane these days!

Heisey – "2004 Convention Talk" continued as we were eating delicious goodies prepared by our hostess, Gloria. Yes, these Orchid etched salad plates we were eating off of were also gifts from the Heisey family to Dr. Roth – many years ago!

This was a very special meeting that many of us will never forget! Thanks to Gloria and Dick!

July meeting attendees from left to right: Linda and Marion Maddox, Gloria and Dick Roth, George Ann and John Powell, Gloria Snodgrass and Peggy Moseley. ♥

Our meeting this June was held at the "GREAT HOME" of Dan and Carolyn Felger in Thousand Oaks, overlooking Lake Sherwood. It was a wonderful day. We had 14 members in attendance.

Dan did his great cooking of hot dogs and every one brought dishes to add to a great feast.

Herb stated we had a drop of hits on our Web Site. We are still hoping to grab a few new members. It seems there are not many young people into collecting Heisey.

Carolyn, as a Board Member, told us about the news from Convention. Peter followed with his ideas about the Convention. His talk on his new book "Grecian Book" was well received.

Gordon gave a great program on Heisey stoppers figural and others, such as Girl Head, both Horse Heads, Rams Head, in fact all of them that are in his collection.

Hope to see you all in July at Peter and Linda's home. ♥

Ever had lunch prepared in a multi-gallon milk can fired over a turkey fryer? That was the fare for 19 Great Plains Heisey Club members and five guests attending the July 10, 2004 GPHC meeting at John and Trudy Mocks' house in Omaha, NE, a most creative and delicious experience.

President John Mock called the meeting to order after lunch. Minutes from the previous meeting were approved as submitted. Treasurer Tom Files reported the treasury balance after approved Convention payments were made. The GPHC sent \$50 to help with Hospitality Room expenses and purchased items for the centerpiece and blind auctions. Both auction events raised important money to support HCA – the centerpiece items of a Heisey Crushed Fruit Jar containing a beautiful floral arrangement surrounded by products and cut outs of our four represented states sitting on a specially cut diamond shaped mirror raised \$250 for HCA. Kathy had pictures of the GPHC centerpiece for members to view, as well as pictures of the centerpiece donated by Jean Will. The club thanked Kathy for coordinating the auction donations. Kathy also provided other Convention news including the selection of our member, Jean Will, to the HCA Board of Directors and Walter Ludwig as HCA Museum Curator. The attendees passed a resolution congratulating Jean on her successful campaign and pledging their support. Everyone was pleased a person of Walter's Heisey knowledge would now be on site at the Museum.

The program on Heisey comports was prepared and given by Trudy Mock. At least that was the way Trudy started her research. She soon discovered Heisey was very inconsistent in their labeling of comports, compotes, compotiers, footed bowls, jellies, and preserves. Trudy had approximately 50 Heisey vessels on display; the attendees' task was to name only the ones identified in Heisey catalogs as comports. Two of our guests, the Casson twins, collaborated and correctly identified the most comports. If you think this is easy, just thumb through the Vogel books and try to figure out why Heisey would call an item a footed bowl in one pattern and a similar item in another pattern a comport. It was very impressive to see this many

similar pieces of Heisey on one long counter and everyone complimented Trudy on her work.

We had to bring in extra tables for Show and Tell. Space doesn't permit listing everything but here are some of the items: Kalonyal punch bowl & base, Kalonyal high footed bowl, Christine cream and sugar, 300 1/2 Colonial jug, nesting boat dishes, Narrow Flute parfaits, Medium Flat Panel syrup, Greek Key individual cream and sugar, Sunflower gardenia bowl, 3 pint Narrow Flute with Rim jug, 9" Sahara ball vase, Spanish goblet with Florentine cutting, Empress ice bucket with cutting, Empress 7 part Hors D'oeuvre tray with cutting, Continental Hotel sugar, Continental footed bowl, Coarse Rib cream and sugar in Hawthorne, Liner in Sahara for Empress Frappe set, pair of Crystolite 3 light candlesticks with flower vase inserts, Swan Handled jug by Imperial in Jade, Punty and Diamond Point lamp shade and two 12" red flashed vases similar to Heisey's # 4191 that no one could identify for sure.

Another successful 50-50 auction was conducted by John and others to cajole maximum bids. We raised \$247 for the club treasury. President Mock thanked all those who donated and bought. He then adjourned the meeting so we could eat more dessert.

It was a most enjoyable day at the Mocks' home dining on the patio overlooking the golf course and then conducting the meeting in their spacious (and thankfully air conditioned) family room.

The next meeting will be September 11 at the Corey's in Overland Park, KS. Gary and Shelby will present a program on barware and cigarette items. The November meeting will be at Glen Gall's home in the Des Moines area on the Saturday to coincide with the Walt Johnson Antique Show. The program will be on pitchers and jugs. ♥
