National Heisey Glass Museum

Heisey Collectors of America, Inc., a non-profit corporation (tax-exempt status), owns and operates the National Heisey Glass Museum. Open year round, Tuesday through Saturday, 10 a.m. to 4 p.m. and Sunday, 1 p.m. to 4 p.m., closed holidays. Between December 1 and March 15 the museum will be open from 12 noon to 4 p.m. on Thursday, Friday, Saturday and Sunday. Other hours by appointment. Members admitted free; regular admission \$4.

Message from the President

The sun is shining here in central Ohio and hopefully warmer weather will soon arrive. The forsythia, weeping cherry trees and daffodils are all blooming, signaling the beginning of spring. We have just concluded another busy April Heisey weekend that included the benefit auction and quarterly meeting along with Board of Directors, Executive Committee and several other HCA committee meetings. All featured dedicated volunteers who are working together to build upon the HCA success of the past with exciting new opportunities for the future. In this issue, we have several updates and reports on activities for your information. On your next trip into Newark, you will see the new Heisey signs that have been made to replace the former signs announcing Newark as home of the museum.

We are very appreciative of the collaborative effort with the design services of the Licking County Convention and Visitors Bureau to make these signs. As you see, the design was influenced by the original Heisey Company small mirror stand up sign. During the design process, Amy Jo Jones, HCA Archivist, found the copyright drawing of the original mirror sign.

Thank you to Dave Spahr and the auction team for another successful HCA benefit auction. Prices were very strong and many noted an abundance of new faces which is very encouraging. This has always been a fun event and today it's an important fundraiser for HCA. Thanks are also due to those who have agreed to be candidates for HCA's Board of Directors and to the Michigan club for their donation of the Hanna Vase to the Museum.

Regretfully, we have received information on the recent passing of another HCA member. Herb Wanser, a member of the Heisey Club of California, passed away on Thursday, March 14, 2013. Our sympathies go out to his wife Betty and their family. Herb was always very jovial and I remember both he and Betty being very active in HCA for many years.

Several projects are moving ahead at the museum campus and as more details come together we're anxious to share them with you. Convention 2013 "The World of Heisey" is going to be exciting and if you haven't registered, you need to do so and order the official convention souvenir, Heisey's Tulip Vase in Black glass by the Mosser Glass Company. It's been well received by all those who have seen it and I'm expecting it to be a sellout.

Remember, HCA started with a small group of volunteers working together and they built this dedicated organization. Today we are stewards of the work of the past building for the future. We are all working diligently to refine and improve the organization and the door is open for your ideas and suggestions.

Jay Barker, President

Administrative Notes

Sometimes a person is asked to sacrifice for the greater good and this month I have been asked to cut down my remarks because of a limited space. This probably works well in that I have had some extensive oral surgery and am behind the 8-Ball because of time missed.

I had the opportunity to participate in the Spring Auction handling the Absentee Bids. It is still fun to bid with someone else's money, and I did win a number of items. Attendance was good and I was pleased that we beat last year's numbers. Good job to Dave, Karen and the whole crew!

At the same time as the Auction there was an Executive Committee Meeting, Full Board Meeting and Membership Meeting. All meetings went well.

We were all sad to learn of the burglary theft at Emogene Shoemaker's home in which she lost two very precious pieces: a Heisey Flying Mare (Light Amber) and a Stanhope Candelabrum (Trial Blue) with bobeches and prisms. I just sent a Heisey E-Gram in the hopes that these items will turn up soon. The thief was aware of Heisey Glass as he or she passed up many other items and took only these two pieces.

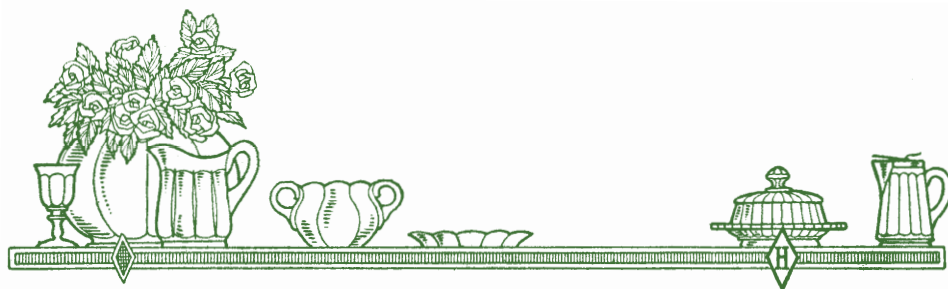

We are suffering some growing pains with the new computer system, specifically with sending out E-Grams and Newsletters. While those who receive the electronic copy say that it is very clear, we have many people not receiving it. We will continue researching and tweaking to make it the system we all need. Thank you for your patience in this situation and we appreciate your feedback.

Our "Road Trippin" venture went off well, and while it was short, it did make a good representation of the Museum. Michael Maher was the emcee, and did a very good job. This will certainly give exposure to people in the Columbus Ohio listening area which should increase the number of tours.

We have received a good number of registrations for the convention, and many are taking advantage of the Heisey Convention Souvenir of the nine inch Tulip Vase in Black Onyx. As stated in the advertisement in this Heisey News, there are a limited number of these souvenirs made so I would encourage you to get your registrations in early. Based on the excitement that I've heard about the vase, I doubt that there will be any to sell after the Convention registration.

I hope that all are enjoying spring.

Second Annual Heisey Easter Egg Hunt

The Heisey Glass Museum and Veterans Park was "hopping" with activity for the Second Annual Heisey Easter Egg Hunt, sponsored by the Buckeye Heisey Collectors Club of Newark, Ohio. The hunt took place on Saturday, March 30 at 10:00 a.m. in Veterans Park in the grassy area between the Buckingham and Sherwood Davidson Homes.

The area was roped off to reserve it for hidden Easter eggs. Peering over the ropes, over 40 children, ranging in age from 3–12 years scoped out their strategy to find the most Easter eggs. There were over 850 eggs filled with candy, small favors, free entry to the museum tickets and three special eggs. The special eggs had \$10 gift certificates to the Museum gift shop. When the clock struck 10:00 a.m., the ropes were dropped and the basket filling began. What took so long for the Easter Bunny to hide was collected in the record breaking time of less than two minutes!

After the rush was over and all eggs were gathered, the children and their parents were welcomed into the museum for an Open House. Homemade cookies and punch were served in the lower level, as the Heisey Punch Cup Bunny Craft and a Heisey Easter Basket Coloring Contest took place. The craft raised \$130.00 at \$5.00 a cup. The Coloring Contest winner's artwork is showcased on the front cover of this issue of Heisey News.

While the children made their bunny crafts, the parents were able to view the new Spring Theme Home Collection display of all Flamingo colored glass which filled the four large cases in the lower level. The Home Collection display is maintained and showcased by the Buckeye Club's personal collections. Many families toured the museum after their craft, coloring and refreshments. Buckeye Club members were scattered throughout the museum to show off the glass and answer questions.

Special thanks goes to Debbie Polling for donating all of the pre-made Easter baskets and many candy items that were prizes for the Coloring Contest. We would not have had the quality of prizes had it not been for her generous gift.

The Second Annual Heisey Easter Egg Hunt was a beautiful success. Many families were reached and educated about Heisey Glass and our museum. It was great to see young children and their parents active in our museum and enjoying it as much as we do.

HCA Board of Director Candidates

Following is the slate of candidates as presented at the HCA general membership meeting last month. A total of three board members will be elected from among these four candidates at the election during our Annual Meeting in June. Absentee ballots are currently available at the Museum. If you cannot pick one up, you may request one by mail. Please refer to last month's issue of *Heisey News* for absentee ballot guidelines. Absentee ballots must be returned to the Museum by noon on June 12 in order to be processed for the election.

Charlene Bowman

I am a graduate of Miami University, Oxford Ohio and spent a number of years in retail management. My late husband Carl and I began collecting Heisey in the late 70's. A "marked" cream and sugar, evolved to an extensive collection of Heisey candlesticks, toothpicks, individual nut dishes, bar ware and whatever else caught our fancy. Soon we needed to share and started selling on the square in Newark in 1986. Then we embarked on the show circuit, traveling all over the Eastern United States buying and selling. I continue to enjoy collecting and selling Heisey and other elegant glass.

I have been active in the Dayton Collectors Club since 1986, serving over the years as President, Secretary and currently hold the office of Vice President, in charge of programs.

National activities include membership in HCA since 1982. Since 1986 I have helped catalogue and set up for the Benefit and Select Auctions, decorate the museum for Christmas and assist at the December Open House. In 2009 I served as Convention Ambassador in charge of the Special Banquet Auction and have chaired/co-chaired the Convention Show & Sale since 2010. I helped organize and implement the Silent Auction and Swap Meet sponsored by Dayton Collectors Club until it was discontinued.

I am currently completing my first term on the Board of Directors and hope to continue serving the membership for a second term in order to complete projects that are in the progress. My goals include:

- Cultivating the interest of young people in collecting and studying Heisey glass, as well as keeping present members interested and active.
- Improving communication between the HCA Board of Directors and the Membership.
- Taking steps to maintain and improve the long-term health of HCA.

Michael Morgan

I have 43 years experience in petroleum geology and geophysics in the Texas Gulf Coast and offshore Gulf of Mexico. I am currently semi-retired and consult for a private offshore acquisitions company. My wife, Cindy, and I are 1965 graduates of Newark High School and I have a degree in Geology from Ohio State University. Cindy is a Wittenberg "Tiger." I have been the President of the Heisey Collectors of Texas Study Club for the past three years. I enjoy collecting Heisey Animals, antique cars, photography and managing the Heisey Collectors of Texas website. Cindy and I have two grown children who are Texas Aggies who live and work in the Dallas area and are developing the "Heisey" collecting habit.

I am particularly interested in growing the membership of the HCA, increasing participation in the study clubs, promoting greater awareness of the Museum and growing the Endowment Fund.

Roy Eggert

I first became interested in Heisey was when I was looking for a gift for a current Heisey collector. I found excitement in the search and started going to local study club meetings. The excitement grew and the next thing I knew, I was at the HCA convention in Newark. That was in 1985. I was collecting so much I didn't know what to do with it all...so I became a dealer. Excitement grew even more when I met my "significant other," Joyce, who introduced me to auctions. There was Heisey at these auctions! WOW! More excitement! I have been collecting and dealing in Heisey for 28 years and I don't plan on stopping anytime soon.

I live in Frederick, Maryland, and in addition to my "addiction" to Heisey, I have been involved and served in the following groups: four years as a Cub Scout Cubmaster, two years as an assistant Scoutmaster, four years as President of the IBM social club, and eight years on the board of directors of the Washington Metropolitan Soccer Referee Association, serving as President for one year.

I see my interest in Heisey, HCA, and the Museum growing when I retire in a couple of years. If elected, I would bring new ideas to the club and would help at many of the club events.

Jon Heron

It was over 40 years ago that my parents, Bill and Marion Heron, got me interested in Heisey. The hi-lights of my collection include many pieces with Fox Chase etch, a wide variety of beer mugs and, of course, a couple of 4045 Heron Ball Vases. I have been married to my wife, Ketha, for 23 years. We have one son, Kevin (attending SUNY Fredonia), and one daughter, Kiki (attending Clemson University). I was born, raised and lived in Rochester, NY until 2009 when my wife's career took us first to Charlotte, NC and now to lovely Hilton Head, SC.

I graduated with honors from Wittenberg University in Springfield, OH with a BA in Business Administration and a concentration in Accountancy. I also have an MBA from the Rochester Institute of Technology where I majored in Finance. I spent 4 years with the big 8 firm, Ernst & Whinney, and then 23 years at Xerox Corporation as an accounting manager. Most recently I was with Electrolux in Bloomington, IL and Charlotte, NC. I have a non-practicing CPA certificate from the State of Ohio.

I was a founding member of the Rochester club and served as the club's Vice President for a couple of years. Currently I am the Vice President of the North Carolina Heisey Study Group. I was the primary author of the Heisey Auction Results book that the North Carolina Group published.

HCA has made remarkable progress over the years and it is stunning to see where the organization is today compared to when I first joined back in the early 70s. The recently completed Krall Display is a wonderful example of how the organization identified a worthwhile challenge and rose to the occasion. My goal is to strengthen the foundation of HCA so that future challenges can be embraced and achieved by our members according to the high standards that HCA prides itself on. I intend to utilize my background as an accountant to help strengthen and support the accounting/finance process within HCA so that from the Executive Committee through to all of the membership, the finances of HCA are comfortably understood. I would also strengthen and support proper planning and growth for the future. I truly wish for a healthy and robust HCA with an expanding membership base and the security of a growing endowment.

2013 All Heisey Spring Benefit Auction Wrap-up

Those who attended the 40th Annual Spring All Heisey Benefit Auction had a great time! Our two-day auction was held again at the GMP Local #244 Union Hall on 350 Hudson Ave in Newark on Friday–Saturday, April 5–6, 2013. The auction was well attended with over 104 guests and members each day and we had 16 absentee bidders. We had 1,118 lots of glass available from 50 consignors. We heard many great comments about the glass we had this year. Our consignors sent in nice clean glass and we only had to reject a few unsuitable pieces during our cataloging sessions. This year moved the preview and auction starting time to earlier on Friday. Folks seemed to like the earlier start! We had the preview on Friday from 12:30 p.m. to 2:30 p.m. with the auction starting after preview. On Saturday, we opened the doors at 8:30 a.m., had our HCA Membership Meeting chaired by President Jay Barker at 9:00 a.m., and started our auction at 9:30 a.m.

How did we do financially? One never knows what to predict! At press time we have only preliminary numbers. We grossed \$57,982.50 and after consignors and expenses are paid, we estimate we will net around \$14,520. We had a budget estimate of \$14,000. Last year we grossed \$60,316, netted \$14,217 with our 2012 budget estimate of \$16,350. The main difference between this year and last year was that we had less “high end” glass for auction but our net increased because we think the lower end glass did very well this year. We all hope this trend continues.

I want to publicly thank, on behalf of the HCA Board of Directors and Staff, the nearly fifty volunteers who worked with us starting in January unpacking, identifying, cataloging, and repacking the glass and then working for three straight days until the auction was concluded. You make this event a success and HCA’s largest fundraiser. Those who helped are listed on page 14. If you helped and are not listed, I apologize. I must also share with you that every board member (all but one was there) and their friends and spouses stepped up and worked as volunteers the entire time!

I would like to give special thanks to Joe Harner, president of the Dayton Study Club and Dick Marsh, president of the Buckeye Study Club, who working together did all the little things which need to be done to help make the auction successful; to Board member Karen Taylo and Roy Eggert who ran the clerk’s office and auction software program; to Dan Kilgore who stepped up and helped me whenever asked, particularly when I under the weather; and lastly to the Dayton and Buckeye Study Club members who worked from start to finish in all parts of this auction.

A big “Thank You” must also go to Craig Connelly, Auctioneer and his cohorts. They sold our glass and kept us in stitches! Concessionaire extraordinaire Gerry Dush and his gang again served the world’s best pies and other food. GMP Local #244’s own Jerry West did everything he could to provide us great facilities and went the “extra mile” to make our auction a success.

Finally, I would like to thank all the consignors who consigned and donated glass to HCA and to all the auction attendees and absentee bidders who purchased that wonderful Heisey Glass. Hope to see all of you at the Convention in June. Happy Heisey Hunting!!

Dave Spahr, Auction Chair

2013 Heisey Fall Select Auction

In April we announced our Ninth Annual Heisey Select Fall Auction. It will again be held at the Museum in the multipurpose room (subject to change). Thanks for the great support you have all given for this Fall fundraiser for the HCA Museum. As a reminder please place this date on your calendar: **October 12, 2013**. This auction is a part of the Percy and Vivian Moore weekend.

This article is a reminder to get your list of the glass ready to submit for consideration by the committee. As you read this, you will have approximately two and a half weeks to get your list to us! The deadline for submitting your glass lists is **May 17, 2013**. A blank list for you to use is on page 14 of this newsletter. It can also be downloaded from the museum website. Please note the blank list contains space for twenty lots. However, each member is allowed to submit **forty lots** for the committee to select from. Remember, this auction benefits your Association. Please consider selecting a special piece of Heisey for a donation to be auctioned off. 100% of the sale price goes to support HCA and the museum. Donations don't count towards your 40 lot limit. We hope, like last year, that Study Clubs will consider donating glass for this auction. a great project for them! Even if you do not belong to a study club this is a great opportunity for you to support YOUR museum by donating a piece of Heisey. And you don't have to consign glass to make a donation! To continue our tradition for this event, we are maintaining our low consignment fee of 20% with a minimum consignment fee of \$5. This means that for anything that sells for \$25 or less, the consignment fee will still be \$5.

As you prepare your lists, please make them as descriptive as possible since the committee will be using them to select glass for the auction. In particular please check for damage. **We are selecting only undamaged glass** for this special auction. The committee's target is to have an auction no larger than two hundred (200) lots. How can you get your glass selected? Here are some guides. Consideration will be given to include diversity in color, etchings, cuttings and patterns. We want no duplicates and we would like expensive and not so expensive glass for both the novice and experienced collector. Please make sure you size each lot so it is worth at least \$25. I know it is often a guess! As mentioned earlier, we will not select damaged glass.

The Select Committee will be busy after May 21 and will contact you on or about June 1 to let you know which lots of glass from your list have been selected. Hopefully, you will be able to bring your glass to Newark and drop it off at the museum when you come to the Convention on June 13–16.

This event has been a successful Fall moneymaker for HCA and beneficial to those who consign and those who buy Heisey glass. Plan on attending the Percy and Vivian Moore weekend festivities and participating in the auction. You will see old friends, make new Heisey friends and get some wonderful Heisey glass! If you have any questions, please contact Dave Spahr at masdgs@aol.com or (937)-372-7166. Happy Heisey Hunting!

Sponsored by the Buckeye Club | All Profits benefit HCA

2013 Limited Edition Ornament

\$30 each plus tax or \$27 each plus tax When you buy 4 or more

This year's ornament will celebrate Heisey's color Canary and cutting "Spring" with the diamond H trademark. When your ornament isn't hanging in the tree it will look great in any window. They will be hand blown, cut, signed by both artists, numbered and dated, and carefully gift boxed with a card of thanks. Only 300 will be made. #1 will be auctioned off to the highest bidder at the Percy and Vivian Moore Weekend event. #2 through #150 will be sold on a first come first serve basis at the museum gift shop and show booth during the convention. That's one way to save on shipping. The remaining ornaments will be sold by mail and phone beginning in July. If shipping is required allow 14 business days for delivery. It's our pleasure to offer such a wonderful work of art celebrating Heisey.

Profits from the sale go directly to HCA's operating fund.

Heisey Collectors of Texas

The March meeting for the Heisey Collectors of Texas was a fieldtrip to Grapevine, Texas. We met for lunch at the Spring Creek Barbecue Restaurant. There were eleven members present and two guests, Carolyn and Regis Farley.

Before the meeting we attended the Metroplex Looking Glass Show wearing our “I Love Heisey” badges and carrying our “Hooked on Heisey” tote bags. The show featured a large number of Heisey pieces and everyone enjoyed looking for the perfect Heisey piece to add to their collection. Our members, Greg and Candy Freeman had a very attractive booth at the show.

President Morgan announced that the glass show for the June 12–15, 2013, Convention will take place at the Reese Ice Arena on Sharon Valley Road. All the meetings and seminars will take place at the Museum.

Sharon and Mike Sweeney have agreed to serve as project coordinators for the Heisey Glass Auction which will occur during the annual Convention. Our club will be donating a piece of Heisey glass for this auction. Charles Baird will display a table setting in Zircon during the Convention.

The next meeting of the Heisey Collectors of Texas will at the home of Sally Lancaster on Saturday, May 4, 2013. It will be a week earlier than normal because of Mother’s Day.

Remember this will be our annual benefit auction so start thinking about which Heisey items you want to bring to the auction to donate. Details to follow later.

Heisey Collectors of Texas March Meeting

Greg and Candy Freeman at the Looking Glass Show

#4192 Hanna Vase Found

The Heisey Collectors Club of Michigan was pleased to present the #4192 Hanna vase to HCA at the membership meeting during the recent Spring Auction.

The #4192 vase was renamed the “Hanna Vase” in tribute to Betsy Hanna and her husband Don as founding members of our Michigan Club. Betsy passed away on January 6, 2011. Betsy and Don were instrumental in the early years of the Heisey Collectors Club of Michigan. Always the optimists, they spread the enjoyment of collecting this glass to many of us. One remembers them selling as a team at the Granville shows. We fondly remember them as the folks that “kick started” our personal collections by allowing many of us to purchase whole sets of glassware including special rare pieces of Heisey that we all still cherish.

Don and Betsy Hanna

The Heisey Collectors Club of Michigan made the decision to purchase the right to rename #4192 vase as a tribute to Betsy and Don. Don has been able to join us for some of our annual Christmas parties, and it is an extra special event when he is there with his daughter-in-law, Shirley.

The #4192 vase was not in the Museum collection and was an item that we just could not locate after much searching. One of our members, Mary Parrett, suggested placing an ad in the Heisey News. Jim Cooke of Beaverton, Oregon answered our ad and offered to sell the vase to us. Jim sent the vase in time to show it at our club meeting on February 23, 2013 at the Kellogg Center on the campus of Michigan State University.

There we agreed the presentation would be best done at the membership meeting during the Spring Auction. We wanted the vase presented in time to be on display at the 2013 Convention.

Special thanks are due to Jay Barker, Larry Burge and Dave and Mary Ann Spahr for allowing us time at the membership meeting to present the Hanna Vase.

Rick Van Meer presents the Hanna Vase to Jay Barker

Naming and locating the Hanna Vase was accomplished by working together as a study club towards a common goal. Being able to donate an item to the Museum that was not in the collection and making that donation in honor of our founding members and friends has been important to us. It just goes to show what can be achieved when you “use your Heisey resources!” Using Heisey News, we were able to contact Jim Cooke on the West Coast, and fulfill a very special request by our group. The Heisey Collectors Club of Michigan, John and Sheila Deming, Larry and Ruth Ernest, Irene Fritz, Bart and Nancy Page, Mary and Jean Parrett, Daniel Peterson and David Malick, Donna Meservey, Diana and Chuck Rose, and Rick and Bonnie Van Meer, extend our hearty thanks to Jim Cooke for helping us reach one of our goals to honor some very special Heisey people.

Rick Van Meer, President
Heisey Collectors Club of Michigan

Great Plains Heisey Club

Finally! Was it really a Spring day? April 13, 2013 was a lovely day for our first meeting of the year—at Jean Will's home in Leavenworth, KS—after postponing our March date due to snow. We always feel at home at Jean's, partly because of the delicious KC BBQ, but mostly it's the "welcome" we receive. Bucky Will provided the tasty side dishes of BBQ beans, pasta salad and a unique slaw that everyone enjoyed.

President John Mock called 16 members to order at 1 p.m. and passed the Fandango bowl to collect donations for our wonderful lunch (our generous hosts donated those funds to the treasury). The current officers were elected (or sentenced?) to continue their jobs in 2013. The minutes and treasurer's report were approved.

Mary Cameron, current HCA Board member, reported seeing the black Tulip vase that will be the HCA convention souvenir. It looks to be a winner and very pretty. We had 10 GPHC members in Newark for the April Spring benefit auction and many were able to purchase great Heisey pieces to enhance their collections (and our Show & Tell).

Trudy's "Martha Moment" showed pictures of a meeting they hosted for a group of Omaha Questers. The Mock collection provided an impressive array of Heisey while they presented information to spread the Heisey story. Eric gave us more insight about his Lodi/Yeoman cream and sugar research. I won't spoil his conclusions here as this subject will be one of his future Heisey News articles, but it was good stuff! The second part of the program was "March Madness" (postponed until April). We were asked to bring a strangely decorated Heisey piece and the group voted a thumbs up or down—"pretty" or "ugly." Varied opinions showed why certain decorative trends sold or sat on shelves.

Show and Tell was a cornucopia of Heisey glass, too much to list it all, but a few examples include an Octagon tray with elaborate cutting, Colonade sugar shaker, Dohrmann caviar server, Banded Flute root beer and both styles of water jugs, Twist nasturtium bowl in Sahara, Puritan scalloped 3 oz. sherbet in Ivorina Verde, Empress cream and sugar with round base in Flamingo, Flat Panel strawberry plate w/o strainer, New Era footed frosted floral bowl, Elizabethan 1 oz. crème de mint, Ribbon Candy 1/2 gal. jug, Trojan goblet in Hawthorne, Fancy Square & Diamond Band tumblers, Stanhope frosted covered candy with black insert, #4 salt & pepper, Waverly comports with Orchid etch, Country Club 18 oz. soda with screen optic in Limelight, Puritan and Continental footed covered butters, World candlesticks with Carlton(?) cutting, Empress DF candlesticks in Alexandrite, Dover goblet, and so, so much more.

Our 50/50 sale of Jean's homemade (and so good) jellies along with several donated pieces of Heisey fattened our treasury. Our next meeting will be May 11 at Mary and Gregg Cameron's home in Ames, IA. President Mock adjourned the meeting so we could all enjoy dessert. Check for pictures and other information on our website at www.greatplainsheiseyclub.org. Our ardent webmaster, Gregg Cameron, spends part of his winter updating and improving the site.

Thank you to Jean, Bucky and Janet for being gracious hostesses for our first meeting of the year. We always enjoy "doing a little time in Leavenworth" with our Heisey group.

Museum Gift Shop

There is always someone in the Gift Shop during the Museum's hours of operation to help answer questions or take orders. When ordering by phone, please have a credit card ready. When ordering by mail, please be sure to include appropriate charges such as shipping and sales tax. Please note that the HCA member discount does not apply to original Heisey or special project items. We prefer to use USPS. If you have not received a package, please call the Administrative Office to confirm it was sent. We will assist you in tracing it. If your package arrives damaged, please contact your local USPS representative. We insure everything.

If you would like to make a donation to the Museum or have questions regarding items on loan, contact the Museum at 740-345-2932. HCA reserves the right to accept or refuse items based on current holdings.

HCA will attempt to identify unknown glass items. Send a color photograph, measurements, and a self-addressed, stamped envelope. Other arrangements should be made in advance with the Museum staff. Please keep in mind that the Museum cannot appraise items. Identification is free to members; non-members \$5 per item.
