### National Heisey Glass Museum

Heisey Collectors of America, Inc., a non-profit corporation (tax-exempt status), owns and operates the National Heisey Glass Museum. Open year round, Tuesday through Saturday, 10 a.m. to 4 p.m. and Sunday, 1 p.m. to 4 p.m., closed holidays. Other hours by appointment. Members admitted free. Regular admission \$4.

# Message from the President

Spectacular, beautiful, breathtaking! Just a few words to describe the All Heisey Glass Show this past weekend in Annandale, Virginia. There was so much beautiful glass it was hard to take it all in. The dealers came from all over and had glass from the low end to the high end. There was something for everyone!

HCA is looking for some volunteers. First, volunteers are needed to help Dave Spahr with the auctions. We need someone who can be the new auction manager. This involves getting licensed by the state of Ohio and allows you to do everything with an auction except sell. Dave has been doing this for many years and is ready to take someone under his wing for a couple of auctions so they can hit the ground running. Please let Dave or me know asap so we can get you started.

Second, we need volunteers for the convention, and the elegant glass show. It would be easier if we had a team to work on these as there is so much to do. Everything is documented with time lines so no one would be starting over. These positions are a lot of fun and you get to meet new people. Maybe you would have some new ideas we could try.

The Spring Benefit Auction is April 15 & 16. There are more than 1300 lots over two days of some fantastic glass. I hope everyone can make it, but if you can't there is an absentee bid form in this edition of the Heisey News. Bid high and often as this is a big fund raiser for the museum.

I am making plans to go the Heisey National Convention June 15 to 18 in Newark, Ohio. The theme this year is "Under the Big Top". There will be plenty of activities and even more glass. Why not bring someone new to Heisey so they can catch "the fever" also? I am sure they would have a good time.

Making plans to go to the 2016 Percy & Vivian Moore Weekend in Grapevine Texas, September 30 to October 2. There will be lots to do there, in addition to all the Heisey glass! It will be a good time to get away from the rat race of work and relax and have a good time.

Happy Heisey Hunting!

Roy Eggert

# Words From Your Curator – Director

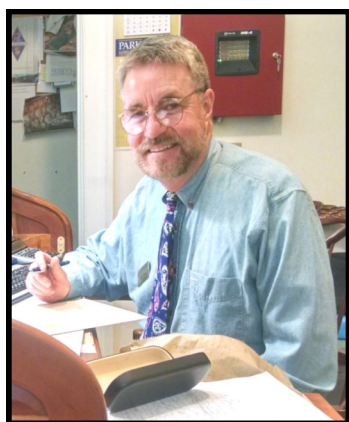

I hope all of you are enjoying a fine Spring and that if you celebrated Easter with dinner that your table was set with Heisey, when only the best will do you know! We had some 54 very excited youth participating in the fourth Annual Easter Egg Hunt sponsored by Buckeye Heisey Study Club, here on the grounds of your Museum and all of the eggs were found in just about 60 seconds. The crowd stayed for punch cup crafts and the always popular coloring contest. Prizes were awarded and much fun was had by all. Photos of this are on page 10 & the back cover of your newsletter. I would like to express a **BIG Thank-You** to all who worked so hard to give our guests such a positive Heisey experience.

In writing about very good Heisey happenings another event that showed off our favorite glassware to the best advantage was The Forty-Third All-Heisey Glass Show and Sale held in Annandale, VA in late March. As I waited to be allowed to enter the show with much childlike anticipation and excitement I was reminded of some of the reasons that we all are involved in this “collecting thing”, **IT IS Joyfully FUN !** How do we better share the invitation to join in on the enjoyment? The show was very well done as always and another **BIG Thank-You** must be expressed to all of the team and dealers who presented this offering with such style and grace!

We have been working on some of the lighting fixtures around our Museum. In the King House in particular we are attempting to outfit more of our fixtures with Heisey shades in order to better illustrate another, somewhat lesser known part, of our story. In the Collection we have one # 4 electric light shade, crimped (#160 Locket on Chain), one # 9 electric light shade, flared (#8 Vertical Bead and Panel), one #12 electric light shade, straight (Double Row Slash and Panel), and last but not least one # 4 electric light shade, straight (#160 Locket on Chain). The fixture in the King House dining room is currently outfitted with some rather sad ceiling fan shades that I would be very **HAPPY** to replace with a set of five matching Heisey shades. I know it is a long shot however if anyone knows of four shades to match any of the fore mentioned electric shades or has five other matching Heisey shades please let me know.

We have been saddened to learn of the passing of long time HCA members Jean Campbell Clark from Fremont Ohio a member since 1985, Robert F. Wolf from Vermont a member since 1997, and Blanche Smith from Pennsylvania a member since 1987.

April is here and the courtyard at the Museum is full of the beauty of new life. Our fantastic Spring Auction is almost here and I know that my list keeps growing and I trust that you all are doing some constructive dreaming as well! Plans are moving ahead for Convention, so if I am not lucky enough to greet you at the Auction I shall look forward to the pleasure of your company in June.

Remember to spread the **JOY** that is **HEISEY!**

In Thanks,

# THE LOUISE REAM LIBRARY UPDATE

The Louise Ream Library update has come a long way. Restoration, along with the relocation of the library and its resources, allow our Members and guests better access to all Heisey related information. The custom oak, mission style bookcases are installed along with all of the furniture items and they look great! We are getting ready to start moving the books and educational materials downstairs, not all will fit, but that may be a good thing as some of the references in the current library are very out dated and will need to be sorted. There are copies of Heisey News available digitally, and we also have different copies of Schroeder antique value guides from the '70s/'80s, along with many other books and references. Great detail will be spent on ensuring the best and most relevant material will fill our new Library shelves.

What will happen to the remaining materials that are not chosen to be placed in the library, you ask? We intend to consolidate that information in one room, on the second floor of the Museum. This will become a resource center for older reference material. We want to focus the Library on the study of Heisey and other elegant glassware with the best info available.

This transition will call for a lot of volunteers, as we will be refiling all books in order to set up a searchable computer program. This program is expected to allow members to seek out books by author, by title, by subject, etc. We have completed phase 1 and 2 of this project and are now moving into finalizing the remaining details. Many members are interested in contributing to the new library so we have included a list of items that are still needed.

We will need the following items:

- A large flat screen T.V / DVD player, and wall mount: for the wall opposite of the fireplace. This will give us the flexibility of showing the introductory DVD to a small group/couple, or individual, in a warmer more private setting than the lower level/multipurpose room.
- A narrow depth display cabinet: for the entry into the Library which will draw guests around the corner, and into the Library. (see Curators choice)
- Small laptop computer to look up references
- Heisey lamps for reading lamps throughout the space
- A Mission style Pendulum wall clock

Funds are always an issue with any non profit museum (especially on a large scale project like this). If you would like to contribute monetarily to this project the funds are greatly needed and appreciated.

This project has come so far in such a short period of time and we need to thank all of the contributors who helped make this move possible. The Library is already used, almost every day, for extra work and meeting space, so this alteration has been extremely beneficial to the Museum in many ways.

We are in the final stretches and we wanted to thank all who have helped and all who continue to support this important project within YOUR Museum.

# 43<sup>rd</sup> ANNUAL 2016 ALL HEISEY SPRING BENEFIT AUCTION

Dave Spahr

Our 43<sup>rd</sup> Annual Spring Benefit Auction will be held **April 15 & 16, 2016** at the GMP Local #244 Union Hall at 350 Hudson Ave. in Newark, Ohio.

We have received 1309 lots of some wonderful glass for this auction from 57 consignors. Walter Ludwig, in the March edition of Heisey News and also on our website, has highlighted some of the wonderful glass we are auctioning off. We have displayed some of our better lots in the Museum- stop by and see them!

The auction catalog, absentee bid instructions, absentee bid form, bidding information, and most importantly the list of sale items are on our website- [www.HeiseyMuseum.org](http://www.HeiseyMuseum.org). You have time to look and evaluate items and prepare for this great auction! There are also pictures of some of the special pieces you will be bidding on! You will want to arrive in time to attend the 1 ½ hour preview on Friday April 15, 2016 which is from 10:30 AM till noon. The auction will begin promptly at noon. Please note the early starting time!

On Saturday April 16, 2016, the doors will open at 8:30 AM, the annual membership meeting will be held at 9:00 AM with HCA President Roy Eggert presiding and with the auction beginning after the completion of the membership meeting at approximately 9:30 AM.

We mailed catalogs to members who consigned or bought glass in the past two years and for any member who asked for one. We will have copies available at the auction for a minimal fee of \$3.

If you can't make it to Newark for the auction this year I encourage you to and put in an absentee bid. Again, forms and instructions are available on our website. This is a way for every member to support **your** Association!

Finally, a special note to absentee bidders. All absentee bids **must** be received at the museum by Saturday April 9, 2016, 4:00 PM EST. **NO EXCEPTIONS**. Our volunteers must have adequate time to compile the bids.

We are again having absentee bidders make their own arrangements to have their glass shipped and included in the absentee bid instructions the area shippers and their telephone numbers. They will pick up the glass on Tuesday April 19, 2016 after 10:00 AM at the museum, package, and send your glass to you. Absentee bidders will have to pay their shippers directly. We will cooperate with your shipper and assist where we can.

As you read this newsletter I will be looking for help at the auction- for "Vannas" to hold up the glass, for folks to help move glass during the auction, and to clean up after the auction. If you would like to help, please contact me or see me or another volunteer at the auction. It is a great way to learn about the glass and meet some great volunteers.

If you have questions or concerns or want to help, please contact me at [masdgs@aol.com](mailto:masdgs@aol.com) or give me a call at 937-372-7166. I'll see you at the auction!

# More Heisey Bead Discoveries . . .

Michael Maher

As you are probably aware we have finished all the Heisey Production colors and one experimental (gold) for our series release of the Heisey Beads made from damaged beyond repair real Heisey Glass color formulas. I have enjoyed this creative project of salvaging broken pieces of art and history, while raising money for our Museum, and making a product that our members and guests love and can use everyday. The most interesting thing to me is how the different colors and formulas perform under new fire. Before now we have been making solid color beads and they have all performed differently and provided several challenges to the ever talented Theresa Sharp, our bead artist. As I hope you have read and learned in my other articles on this subject in past Heisey News, colors that were hard to work with were: Cobalt, Opal, Custard and especially Dawn.

Now that we have completed and stock the Heisey production colors (15) we want to continue to offer additional Heisey beads. Theresa and I have become scientists and conducted many trials and errors to see what we can produce. Inspired by many of the successful bead companies that are so trendy right now like Troll and Pandora, we are so excited to be creating these wonderful designs all from damaged Heisey. Unfortunately with any experimentation our excitement was short lived. Theresa was able to make beautiful flowers and leaves in the beads using Alexandrite, Moongleam, Sahara, and Flamingo. The tricky part with this is, that we have to use a white base color so that the light pastels popped and showed through, not muddling together. As you can see in the photos the beads are absolutely beautiful, but unfortunately are not stable. The beads crack and splinter apart due to using the opal base. The formulas COE's (Co-efficiency of Expansion) are off and they do not bind or stick together effectively. They look good, but slowly crack and split apart. Using only the pastel colors, mentioned above, they work very well together as Heisey used them together (Alexandrite/Sahara trident candlestick, a Moongleam and Sahara dual colored 2 part relish in the Museum, and many stemware bowls and feet were cast in varying color combinations in the color era) Unfortunately Opal does not play well with the other colors, but was crucial in the appearance of the beads. We tried many different combinations, even trying to stick with the correct eras of the glass (we made a opal base, applied custard flowers and emerald leaves) but those had their internal stresses and we had to rethink.

With our Spring Bead that is so timely and beautiful failing me, I went to Heisey land to rethink and brainstorm as to what we could make that I would be happy presenting to you. Well gaining knowledge from the patterns and color combinations in the Museum we have successfully created Crystal based beads with small inclusions of Cobalt blue flowers for the Spring Bead release. The flowers are not as bold as you think of cobalt being, they lightened up with the small amount of Cobalt used and almost appear to be painted by watercolor. A perfect representation of Periwinkle blue and perfect for Spring. We also made Tangerine flowered beads proposed for the June Release at Convention and they surprisingly maintained a bold red color and are very dramatic, and are going to be great for the Circus themed Convention. The bold color reminds me of a carnival, and the red and blue combined together look fabulous.

I write this article to share the findings we have from working with the glass in a molten state, and to also express to you how much time and effort goes into creating these little treasures successfully. Theresa has worked very tirelessly and tried all of my suggestions of combinations to create a beautiful bead that we can offer to our members and guests. We are very excited to share the results. They are beautiful and we know you will enjoy them as much as we do. Wait till you see

# 2016 Percy & Vivian Moore Dinner

Grapevine Texas

September 30- October 2

Approximately 60 miles south of Texarkana, along the Texas-Louisiana border, lies Caddo Lake. A 25,400-acre lake and wetland, Caddo Lake features the largest cypress forest in the world. The lake is also home to 71 species of fish. Accessible by steamboat and paddleboat from New Orleans, cities along the lake were successful ports during the mid eighteen hundreds. The Graceful Ghost, an authentic one-quarter replica of a steamboat currently offers rides on Caddo Lake. Jefferson Texas, once a booming port, lies on the west edge of Caddo Lake. Please check our website, [www.heiseycollectorsoftexas.org](http://www.heiseycollectorsoftexas.org) for links to Caddo Lake.

A few miles south of Caddo Lake, near interstate 20, is Jonesville Texas, home of the T.C. Lindsey & Co. general store. In continuous operation since 1847, it is a time capsule. This and other items I have written about can be found on the Texas Bucket List link on our website.

West on I-20 takes you past Kilgore, Texas, home of the East Texas Oil Field and on to Tyler, Texas. Tyler, Texas is known as the Rose Capital of the world. Tyler also has the largest rose garden in America. October is Rose Festival month.

Lake Fork is a 26,000-acre reservoir located 65 miles east of Dallas. Known for its world-class largemouth bass fishing, Lake Fork holds 34 of the top 50 largemouth bass caught in Texas, including the state record. The lake is also known for its large population of Bald Eagles. The 2006 eagle count on the lake was 51. Day trips are available for both fishing and birding.

110 miles south of Dallas is Waco Texas. Home to Baylor University & Dr Pepper, Waco is also home to Chip & Joanna Gaines of HGTV Fixer Upper fame. With numerous businesses, including Magnolia Farms, Magnolia Homes, Magnolia Market and Magnolia Flour they are attracting thousands of visitors to Waco. So if you are interested in seeing the market, the silos or perhaps Harp Design, make the trip, it's about two hours from Dallas.

Finally, if truth isn't stranger than fiction, businessman Stephen Wynne has acquired the rights and all remaining inventory and is building DeLorean motorcars in Humble Texas north of Houston. Plans include an electric version. Great Scott!

COLORING CONTEST

## WINNERS

# Ladies & Gentlemen - Girls & Boys

*Come one come all - Under the Big Top  
Lots of fun and glass for every one !*

We have Horses and Tigers and Elephants " Oh My "

Elephant mugs-great for all kinds of beverages. Beer, root beer, or sitting on the patio in the summer drinking Lemonade.

We have a Welcoming dinner with German food.

We have a Banquet at the Trout Club under The Big Top. (new location.)

We have a Glass show that will excite you all.

Seminar by Walter Ludwig on **Vases**, - all shapes colors and sizes .

Seminar by Eric Tankesley-Clarke on Optics - Narrow to wide and more than you ever knew existed.

Glass toss and Bead demonstration at the show.

We also have two swap meets One on the Museum sidewalk and a flea market at the Canal Market District (new location.)

There is also a mini show at Apple Tree Auction.

Do not forget the Hospitality Room is open all thru convention. Karen Clark & Pat Moore have worked this for many years. Please help by sharing your favorite food items for snacking.

There will be a healthy morning brunch to start your Thursday.

Good food and camaraderie to share.

We hope you'll come down to the Circus yourself to view some glass . You might get a chance to get some PIE, make some purchases and meet a new friend or two.

If you would like to help in any way contact me at [gordoncochran@frontier.com](mailto:gordoncochran@frontier.com) 425-883-4001

Best Regards,  
Gordon Cochran

# 2016 ANNUAL HEISEY FALL SELECT AUCTION

Dave Spahr

We are announcing our Twelfth Annual Heisey Fall Select Auction! Thanks to the great support you all have given in the past for this event for HCA. We have set the date for the Auction as well- **October 15, 2016**. It will be held in Newark approximately two weeks after the Annual Percy & Vivian Moore Dinner which will be held this year on Sept 30-Oct. 2, 2016 in Grapevine, Texas.. There will more articles about that event in this and future newsletters.

The first thing you can do to participate in this Auction is to prepare a **list** of glass you would like us to **select** for this Auction. Please note that the blank list, on pages 14-15 of this newsletter, contain space for forty lots. Each member is allowed to submit **forty lots** for the committee to select from. Remember, this auction benefits **your** association. Consider making a donation of a piece-100% goes to support HCA and the Museum. Donations don't count towards your 40 lot limit. We hope Study Clubs will donate glass for the auction- a great project for them!

This year, as has been the case for each Fall Select Auction, the consignment fee for each lot will be 20% with a minimum consignment fee of \$5. This means anything that sells for under \$25 the consignment fee will be \$5. As you prepare your lists, please make them as descriptive as possible since the committee will be using your lists to select glass for the auction. It is very important that you carefully check for damage-we are selecting only undamaged glass for this special auction. The **deadline** for submitting your completed lists to us is **May 10, 2016**. Remember- send in the list- NO GLASS- of up to forty lots.

The committees target is to have an auction of 300 lots. How can you get your glass selected? Here are some clues. Consideration will be given to include diversity in color, etchings, cuttings, and patterns. A main goal in the selection will be not to have any duplication of lots. We would like glass for the experienced collector who wants that exotic piece of Heisey and also some glass available for the fledgling collector just starting out. As mentioned earlier, **we will not select damaged glass**.

The Select Committee will be busy after May 10<sup>th</sup> and contact you on or about June 1 to let you know the glass it has selected. Hopefully, you will be able to bring your glass to Newark and drop it off at the Museum when you come to the Convention being held June 15-18. Please look over your glass and begin your lists soon. May 10<sup>th</sup> will be here before you know it!

This event has been a success for consignors and buyers of wonderful Heisey glass. Please plan on attending and participating in this auction for the benefit of your Museum.

If you have any questions, please e-mail or call Dave Spahr, [masdgs@aol.com](mailto:masdgs@aol.com) or (937)-372-7166. Happy Heisey Hunting!

## 2016 HCA ABSENTEE VOTING INSTRUCTIONS for Electing HCA Board of Directors

Mary Ann Spahr, HCA Secretary

All HCA Voting Members in good standing are eligible to cast votes at the Annual Meeting in June. We will be electing three people to serve on the HCA Board of Directors. Candidate information will be published in the May 2016 issue of the Heisey News. As your HCA Secretary, one of my duties is to oversee this election.

As a Voting Member, you may vote in person at the June Annual Meeting or by Absentee Ballot. The current HCA Voting Members list is published on pages 12-13 of the February 2016 issue of the Heisey News. Check your status on the list to be sure we have it correct. If you have any questions, please contact the Membership Clerk at the Museum.

You may request an Absentee Ballot any time after the beginning of the calendar year, however the Absentee Ballots will not be prepared until after the slate of candidates has been adopted at the quarterly membership meeting held at the Benefit Auction in April. Absentee Ballots will be available after May 1, 2016. You may pick up a ballot at the Museum *or* mail your request to:

HCA Absentee Ballot  
National Heisey Glass Museum  
169 W Church St  
Newark OH 43055

Along with your written request, be sure to include a self-addressed envelope. If you affix a stamp too, it would help to defray expenses. As your request arrives at the Museum, it will be assigned a voting number. When the Absentee Ballots are available, a blank corresponding-numbered Absentee Ballot will be placed in a new envelope, with your name and voting number written on the outside. This new envelope will be put into the self-addressed envelope you provided and mailed back to you.

When you receive your Absentee Ballot, remove it from the envelope, cast your vote, place the Absentee Ballot back into the envelope, and seal it. Put this envelope into a new envelope, addressing it back to the address above. *Note: To be included in the election, your Absentee Ballot must be received by the Membership Clerk by 4:00 pm (EST) on Friday, June 10, 2016.*

After the polls are closed, the absentee votes are combined with votes cast by the voting members present at the Annual Meeting and the ballot tallying begins.

Please note that according to HCA By-Laws, Article VII, Section f, as approved in June 2011:  
*“If the number of nominees equals the number of Director vacancies, the ballot voting shall be deemed unnecessary if approved by the majority of voting members present.”*

# Study Club Directory

**Interested in joining a study club?** You will have the opportunity to meet fellow collectors and HCA members and learn more about your favorite glassware. Below is our Study Club Directory; please contact the Museum with your information. We also would like to share your club's news; please forward your meeting notes to us!

<p><b>#4 CENTRAL ILLINOIS HEISEY CLUB</b> Serving Central Illinois - Pekin to Watseka. Meets quarterly in Bloomington, IL at a restaurant. Call for specific dates. Contact Joyce Deany at 815-432-4310 (jdeany@sbcglobal.net).</p>	<p><b>#33 GOLDEN GATE HEISEY COLLECTORS' CLUB</b> Serving northern California and northern Nevada. Meets quarterly, usually on Saturday afternoons in members' homes throughout region. Contact Russ Nicholas at 916-515-8558 (RL3690@comcast.net).</p>

<p><b>#22 NORTHWEST HEISEY COLLECTORS' CLUB</b> Serving Washington (west of Cascade Mountains; north to Canadian border; south to Oregon). Meets 1st Saturday at noon with potluck in members' homes. Contact Deborah de Jong at 425-868-0457 (bahama50@hotmail.com).</p>	<p><b>KENTUCKY</b> - Members in the Louisville KY and surrounding area, either side of the "Ohio river" - Meeting May 21, at 2 pm RSVP Vicki Ensor 502-222-7609 for her address/location <b>PLEASE COME !!</b> (ensorvs@mac.com)</p>

# Northwoods Heisey Study Club News

The Northwoods Heisey Study Club of Minnesota and Wisconsin met in March at the home of Virginia Johnson, one of the club's charter members. Members admired her beautiful, varied collection of Heisey glass.

Discussion during the business meeting focused on the upcoming Spring Benefit Auction and the annual Heisey Convention. Bob and Bev Heise will be traveling to Newark to assist with the Auction. They will also attend the national Convention and offered to donate a pair of crystal Ipswich candlesticks on behalf of the club for the live auction during the Convention Banquet.

Mary Olson presented a program on Heisey advertising, which she described as being nearly as interesting as the glass itself. Much of the information she presented came from studying the *Encyclopedia of Heisey Advertising, Volumes I and II*. Heisey is well-known for its early use of advertising as well as its sophisticated advertising campaigns that included such features as vivid, romantic stories, Bridge bidding problems with contests and prizes, and offers of free booklets on how to choose and use glass. She shared four original advertisements from the pages of *Good Housekeeping* magazines from 1927 and 1930. Two featured Bridge challenges and offered prizes of Heisey glass to those who sent in correct bids!

Show and Tell included:

- Crossline Flute pitcher in crystal
- Octagon Rib floral bowl in Flamingo with a floral cutting
- Whirlpool 10" bowl
- Fish bookend in Ruby made by Heisey by Imperial
- Two #1555 Cornucopia floral vases from 1941 which were renamed Elf Shoe vases
- #353 Medium Flat Panel grapefruit bowl etched with flowers and leaves
- Heisey Cufflinks and Heisey glass beads for the cufflinks, as well as glass beads made by Fenton which fit the cufflinks

Virginia served an assortment of delicious refreshments. While drinking juice from Victorian goblets, members could gaze at her New Era goblets. What an interesting contrast!

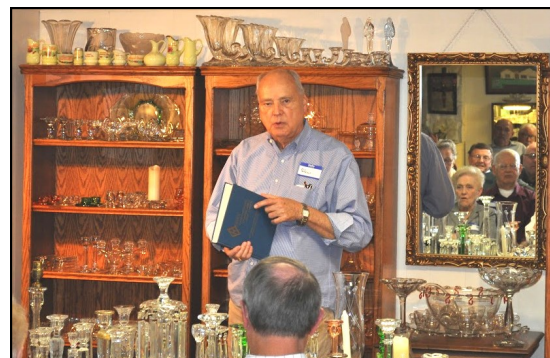

The next meeting, May 14, will feature the club's annual fundraising auction and raffle of Heisey glass.

# Great Plains Heisey Club News

A much needed drizzle of rain did not dampen the spirit of the Great Plains Heisey Club's first meeting of 2016. Nineteen members and one guest made the trip to Glen Gall's home in Urbandale, Iowa. Glen's family manned the kitchen with Chef Tim, Marian, Peg, and Jim serving a delicious "lunch" – more of a wonderful full course dinner enjoyed by everyone present.

President John Mock called the meeting to order and welcomed our guest, Carol, sister of member Lehi German. Minutes and Treasurer's report were approved. It was noted several GPHC members plan to attend the April Auction in Newark to further benefit HCA.

Trudy Mock's "Martha's Moment" was presented by proxy (John) as Trudy was in the hospital being monitored for a medication change. The Mocks had found a Peerless footed jelly with gold edging and a frosted foot. Beauty is in the eye of the beholder – some felt the piece was less than attractive, others saw it as attractively different.

Glen presented the program on tall candlesticks with a great reference handout and a table full of examples from his collection. Thank you, Glen, as we got to ask questions and examine the merchandise. Eric provided a clarifying paper on #20 Sheffield candlestick variations and other members added interesting facts and tidbits about candlesticks.

A new fund raising feature was introduced at this meeting – a blind raffle for a box of glass donated this time by John and Trudy. Members generously bought raffle tickets and, who else, our host Glen had the winning ticket. He then opened the box for all to enjoy and had the option to keep any or all of the pieces inside or resell some with the proceeds going to our treasury. So HCA will ultimately benefit from the raffle ticket sales and the sales value of the pieces Glen elected to resell. It was a fun and profitable event we decided to repeat at the next meeting with the box filled by Tom and Kathy.

The club voted on a donation item for the Convention auction – it is unusual – come see and bid.

It may have seemed like a long winter but our members used their time to search for Heisey to fill the Show & Tell table. Items on display included Crystolite: blown comport, ice bucket, and 14" shell sandwich plate. Animal related: large Elephant, Giraffe, Horsehead bookends, standing/balking Colts, Seahorse cocktail with honey amber stem, and Marshall decanter with Horsehead stopper. Creams & Sugars: footed 1189 Yeoman set/flamingo, Eileen set with pale gold iridescence, New Era set with Normandie etching, and Tudor sugar pourer/thin neck. Syrups: Earnshaw/cut and 363 Larkin with elaborate rock crystal cutting. 8070

Triple Band 1 and 2 oz. bars, Emogene vase/flamingo, Stanhope candlestick with Maytime etching, Groove and Slash jug, 8120 Hexagon Stem footed puff box with Minton-style gold band..... to name most but not all the items on a very large and crowded Show and Tell table.

Our usual 50/50 auction, Jean's jam/jelly sales, the new raffle event, and passing the hat for the meal (which Glen generously donated back to the club treasury) raised \$544 that will eventually go for the benefit of HCA.

After all that it was time to adjourn for dessert – an array fit for royalty. Thanks to Glen for getting 2016 off to such a good start for the GPHC. The next meeting will be May 14 at the home of Chris and Lehi German in Kansas City – details to follow closer in. It's always a good idea to keep up with club happenings, pictures, and other information by visiting our website at [www.greatplainsheiseyclub.org](http://www.greatplainsheiseyclub.org)

# North Carolina Heisey Study Group News

The North Carolina Heisey Study Group met at Replacements, Ltd. in January with 18 members attending. The meeting was hosted by the Gallagher's, Riddle's and Setzer. I know we are there to learn and study the glass but the food, most often served in Heisey, really looks and tastes great.

A slate of officers for the coming year was presented and unanimously approved. They will be: President - Chris Gallagher, V.P. - Jamie Robinson, Treas. -Becky Gallagher and Sec. – Frank Scott.

The 30 year Anniversary of the NC Heisey Study Group celebration plans were presented and given preliminary approval. Plans call for a members "Build Your Best Heisey" table competition and show at Replacements, Ltd. Members so far have committed to a Greek Key display, candlestick collection, and an animal menagerie. A glass identification panel is also being assembled as a community out-reach program to run concurrently with the display. The final event will be a "members only" catered dinner at the Charlotte Hawkins Brown State Historical Site. Contact Frachele Scott for more information.

Show and Tell was beautiful and exciting:

#1404 Old Sandwich popcorn bowl in Sahara

#1295 Beaded Swag table set in Opal and another in Crystal ruby flashed that was probably done by Oriental Decorating Co.

#129 Tricorn candlesticks in Moongleam

#1401 Empress lemon dish top Moongleam (the bottom got broken)

#1471 Empire candlestick, and a #1632 Lodestar Dawn 2 lite candlestick

#1202 Paneled Octagon floral bowl in Hawthorne

#411 Tudor jug with Moongleam handle and identically cut #25 puff box & hair receiver

#1511 Toujours cream & sugar with Barcelona cutting

#2401 8oz. soda with Western Scene etch and Clown etch.

He called it part of the largest privately owned collection of #1229 Octagon by Heisey. Let's see, there was a footed Moongleam bowl, 2 hors'd'oeuvre platters, including one with an Empress etch, 3 sandwich plates, 4 muffin plates, which are sandwich plates with turned up handles, 5 cheese plates, 12 mayonnaises, 14 jellies, 12 mints, 10 bonbons and 12 nut dishes, including one encrusted in gold. Included in the presentation was a Hughes Cornflower decorated bonbon. There was no piece in Hawthorne with a diamond optic which leads us to ask, "Do they exist??"

The mystery gift, a #1183 French dressing and plate with silver overlay was won by Sylvia.

Our next meeting will be March 12<sup>th</sup>. The program will be Tobacco items presented by Bob & Pat Moreno.

## Advertising Guidelines

Ads may be mailed to HCA Advertising, 169 W. Church Street, Newark, Ohio 43055; faxed to 740 - 345-9638; or e-mailed to [curator@HeiseyMuseum.org](mailto:curator@HeiseyMuseum.org). **Whenever possible, please e-mail your ad. Ad copy must be received by the first of the month prior to publication.** Always include your credit card type (MasterCard, Visa, etc.), account number and expiration date. When mailed or faxed, ads should be typed or printed on white paper with dark ink. Camera-ready ads are accepted, but must follow line specifications. Ads containing reproductions will not knowingly be accepted unless clearly stated (e.g. Heisey by Imperial, etc.). HEISEY NEWS accepts no further liability. In the event of a typographical error, the incorrect portion of the ad will be corrected and run in the following issue, but HEISEY NEWS assumes no further liability.

### CLASSIFIED

20 cents per word for members; 30 cents per word for non-members; \$5 minimum for ads less than 1/8 page,. Personal ads 1/8 page limit. Abbreviations and initials count as words.

### DISPLAY

1/8 page: Member \$20    Non-member \$30  
1/4 page: Member \$40    Non-member \$60  
1/2 page: Member \$80    Non-member \$120  
Full page: Member \$160    Non-member \$240

### DEALER DIRECTORY PAGE

Standard ad \$48. per year

## Submission Guidelines

Send articles for publication in HEISEY NEWS to Jack Burriss [curator@HeiseyMuseum.org](mailto:curator@HeiseyMuseum.org). We will acknowledge receipt of your submission, and will advise you if, for some reason, we are not able to publish it that month. We reserve the right to edit. If you do not receive acknowledgement of receipt from Jack, please follow up with Jack. The submission deadline is the 15th of each month.

The opinions expressed in articles in HEISEY NEWS are those of their authors and do not necessarily reflect the views of HCA. The editorial staff reserves the right to edit submissions, with or without author consent, and to refuse material submitted for publication.

# Real Heisey in the Museum Shop

The following real Heisey items are available in the Museum Shop and would make wonderful gifts! HCA members have exclusive access to these items from **April 12, 2016 to April 26, 2016**, beginning at **11:00AM**. On April 26, 2016 these items will be offered to the public.

Please call the Museum Shop if you are interested in purchasing any of these items.

**Note: All items listed below are crystal and all prices are “each” unless otherwise noted.**

**\*\*\* Items WILL NOT be sold prior to the date specified above.**

There is someone in the Museum Shop during the Museum’s hours of operation to help answer questions or take orders. When ordering by phone, please have a credit card ready.

When ordering by mail, please be sure to include appropriate charges such as shipping and sales tax. Please note that the HCA member discount does not apply to special project items. We prefer to use USPS. If you have not received a package, please call the Administrative Office to confirm it was sent. We will assist you in tracking it. If your package arrives damaged, please contact your local USPS representative. We insure everything.

If you would like to make a donation to the Museum or have questions regarding items on loan, contact the Museum at 740-345-2932. HCA reserves the right to accept or refuse items based on current holdings.

*Thank You*

# Membership

To join Heisey Collectors of America or to renew your membership, contact the HCA Administrative Office at 740-345-2932 or visit our Web site at [www.HeiseyMuseum.org](http://www.HeiseyMuseum.org).

Your membership ensures the future of the Heisey Museum. Please consider opting for the Endowment level.

## Membership Levels

Associate Member (one person)	\$30
Each additional household member	\$5
Voting Member (one-time fee)	\$25

Any amount beyond the Associate Member fee goes into the Endowment Fund.

## Endowment Levels

Individual Contributing (one person)	\$50
Joint Contributing (two persons)	\$60
Family Contributing (parents and children under 18)	\$75
Patron	\$125
Sponsor	\$250
Benefactor	\$500

The Endowment Committee thanks those who have become Endowment Members. All members who supported the fund in the previous year are recognized in the February issue of Heisey News. Your continued support of the fund will help to make the Museum self sustaining in the years to come.

## Membership Renewal Alert

Check above your name on the mailing label of your Heisey News for your membership expiration date. If it is the current month, make sure your dues are paid soon to receive next month's issue of Heisey News.

## Shipping & Handling Fees

Additional shipping charges may be required for members living outside the USA. Rates are subject to changes made by the United States Postal Service. To verify current rates, contact the Museum at 740-345-2932 or email [business@HeiseyMuseum.org](mailto:business@HeiseyMuseum.org).

**Thank you!**

**HEISEY NEWS** is published and printed monthly by Heisey Collectors of America, Inc. (HCA). Subscription is limited to HCA members. First class mailing is available for an extra \$20, due with payment of membership. If you are having difficulty receiving your newsletter, please contact the HCA Administrative Office Thursday thru Sunday 12 Noon. to 4 p.m. (subject to change). Back issues are available from files for \$3 per issue plus shipping and handling.

**TO:**

**Come at your leisure to enjoy more than 6,000 pieces of glassware produced by A.H. Heisey and Company from 1896-1957. Hundreds of patterns are featured in all production colors. Rare and experimental items are included as well. Facilities are air-conditioned and handicapped accessible. The opinions expressed in articles in HEISEY NEWS are those of the authors and not necessarily those of the organization. The Editorial Staff reserves the right to edit, with or without the consent of the author, or to refuse any material submitted for publication.**
