Message From the President

Convention Time is here!

Your Convention Committee and Museum staff are looking forward to an exciting week when members will finally be returning to Newark after two long years of absence.

Emie Heisey and I agree that David Blair, Trudy Mock and Mary Olson deserve a “Heisey Holiday” for their countless hours in assisting us with every aspect of planning, organizing, and executing the 2022 Convention. Dealers from past National Heisey Glass Museum show and sales will be displaying fabulous glass for you to add to your collection. Seminars and the ID sessions will take place at the show site. Three “holiday” social activities are scheduled throughout convention for catching up with Heisey friends from across the country. Coming to Convention is like attending that once a year family reunion.

Spring maintenance has begun at the Heisey Museum. Landscaping, tree trimming, and spring cleanup of the grounds have been completed. With warmer weather, exterior painting has begun on the outside of the King House and the Gallery building. Shutters from the front of the King House have been removed for cleaning and painting. The courtyard and sidewalk restoration contracts have been signed and will begin later this summer. Working in partnership with The City of Newark, the uneven walkway along the parking lot will also be corrected. Parking lot maintenance at the warehouse facility has been accomplished. Thanks to Warehouse Chair Dick Smith by contacting another HCA member who graciously donated the funds for gravel that was desperately needed. Progress continues with updating the security/fire system in the Museum. The security company is still waiting delivery of the main panel needed to complete the system installation.

I would like to thank the Board of Directors (BOD) and the Executive Committee (EC) for all the support given to me during these past five months. Having served on the BOD before beginning my tenure on the EC, I now appreciate the preliminary “legwork” that the EC does to assist the BOD in making the best decisions for the Museum and the Heisey Collectors of America (HCA) membership. Whether it be research, phone calls, review of contracts and other documents compiled by the EC, this information is forwarded to the BOD for use in their discussions and decisions. HCA Bylaws clearly state that the EC can **only** recommend and that the twelve-member BOD acts upon those recommendations by voting for or against.

There seems to be considerable chatter and misinformation on social media on how the BOD, including the EC, is presently operating. I cannot speak for actions or operational strategies of past Boards of Directors and Executive Committees, but you can be assured that your present board members have had the opportunity to be actively engaged in all operational and business matters. Even though the BOD is scheduled to meet quarterly, two additional meetings were recently called to resolve unforeseen issues. Having that flexibility provides immediate solutions without having to wait for a regular meeting whether it be quarterly or monthly.

This month the HCA membership is tasked with voting on three proposed amendments to the Constitution and Bylaws. You are asked to give thoughtful consideration in deciding your vote for each of these proposals.

#1 *Vote by Mail*- In 1995, vote by mail was instituted for those members unable to attend the annual meeting. With the outbreak of Covid vote by mail became the only way to vote. There was such a positive response with greater member participation that the BOD discussed and approved to support an amendment for elections of HCA Board of Directors by mailed ballots.

#2 *Clarifying role of the Executive Committee and its relationship to the Board of Directors*- Reiterates that the EC does not have the authority to act independently without the express authorization of the full Board. The EC serves a legitimate role in vetting and streamlining issues saving individual board members the time it takes to process facts and information.

#3 *Eliminate the Executive Committee and require Board of Directors to meet monthly*. All responsibilities of the EC would be eliminated and become the responsibility of the BOD.

I would like to recognize Candy Freeman, Mary Olson, and Charlie Wade for their service to HCA this year as their term of office expires in June. Their commitment and time given are appreciated not only by the BOD but the total membership.

When at Convention take time to visit the Museum and meet our newest staff members Emma Gibson and Elizabeth Waddell.

Kudos to our whole staff who always make our visits special!

Words from Your Director-Curator

It is always such a very happy time when I restart the fountain in the courtyard of our Museum. The sound is so peaceful and the playing birds so joyful that you cannot help but smile. I am always thankful when the pump restarts after a long Ohio winter as well. While we are still talking about the fountain, we could sure use a no. 459 8 inch Heisey basket or two for the top of our fountain. These do not have to be perfect as they will have a hole drilled in the bottom to make them work. We have used all of the ones you have so generously donated in the past. The last one served for three years, and the topper is much missed. This year, despite no crown, there is even more jubilation in the bubbling waters than usual because of all the positive activities happening around here, including preparations for the return of Convention!

When I pull up to the King House in the morning, it looks very different these days without the black shutters. They have been removed for the exterior painting that is well underway. Not to worry, they will be reinstalled before Convention. The fresh white paint is looking clean and bright, and I know you will all be pleased with the improvements. Our tree trimmers have been hard at work as well in our courtyard and on the King House pine tree. The new haircuts will take some getting used to. However, the increased sunshine and openness are most welcome and having branches away from our buildings is a much healthier situation. Soon the landscapers will work their magic with hedge trimming and mulch. The planters will be planted for summer and will present a most heartfelt welcome to all who visit. The contract has been signed for the releveling of the brick pavers. That work will start later in the year. We are making progress and moving forward!

The stage is being set for “It’s a Heisey Holiday” and many fun educational activities have been planned. There will be many returning happenings, a few revived ones, and even a couple of new things to experience. We have all missed this Heisey Family Reunion for two years and I know the fellowship opportunities are good for us all as individuals and as an organization. If it is at all possible for you to attend, I invite you to be part of the excitement, amusement, and joy. There is always the possibility of acquiring that Heisey item or items that you have always wanted to add to your collection. We here at our/your Museum look very much forward to greeting you soon!

We have an important election coming up as part of our much-anticipated Convention 2022. I am in a somewhat unique position in that as part of my job I attend at least part of all of our Executive Committee and Board of Directors meetings and have for almost nine years now. I have always been impressed by the way that a group of very hard-working volunteers, quietly and with dignity utilize their significant educational, professional, and life experiences to keep things going and moving in a positive direction. Please think hard and look at the facts as we make important decisions regarding this organization that we all care so deeply for.

UPDATES FROM THE LATEST BOARD OF DIRECTORS MEETING:

Meeting minutes and other records open to members

The HCA Board of Directors approved a new policy in April that opens meeting minutes and other records to all HCA members. At this time, members may make appointments during regular business hours to review minutes at the museum.

A short-term goal is to develop a “members only” password-protected section on the museum website where minutes and other records will be posted so they are easily accessible.

Here is the full text of the new policy:

MEMBERS' ACCESS TO ORGANIZATION BOOKS AND RECORDS

Members of Heisey Collectors of America, Inc., or their agents or attorneys may examine the books and records of the organization, including but not limited to approved minutes of meetings of the Board of Directors and the Executive Committee. The books and records may be reviewed at the National Heisey Glass Museum by appointment during regular business hours. An appointment may be scheduled by contacting the Director-Curator.

The approved minutes of meetings of the Board of Directors and the Executive Committee and other books and records as directed by the Board of Directors shall be posted in a password protected “members only” section of the Museum’s website when that section is added to the website.

Treasurer's Report by Andy Baldus

First quarter 2022 Financial Report

The following page shows the financial report for the first quarter of 2022. Our financial position is good. The overall revenues and expenditures for the first quarter are tracking with the approved budget.

Revenues: Revenue for memberships is down mainly due to issues related to the postal service delivery of renewal notices. This has been addressed and memberships seem to be back on track in April. Revenue from sales and shipping/handling charges is well ahead of the budgeted estimate. Sales picked up during March with the addition of the bunnies and the bunny sales have had a positive effect on the sale of other items, including the 50th Anniversary Jadeite Sparkys and real Heisey.

Expenditures: Most of the monthly variances for expenditures are due to how the budget was broken out over the 12 months. Personnel costs are lower than budgeted mainly due to the reduced Museum hours during the winter months of January through March.

Museum's Information Technology Changes and Email verification

HCA has recently been accepted into the Microsoft for Nonprofits program. What this means is that we are qualified for significant discounts on Microsoft products which provides a framework for an online collaborative work environment.

It also allows for a new, more direct way to send email communications to members. You may have already seen some of those communications. They will be coming from the email exchange: "@heiseymuseum.onmicrosoft.com". For example, HCAeGram@heiseymuseum.onmicrosoft.com.

Be aware that some email providers might consider messages coming from addresses like this as spam. Please check the spam folders in your email and take whatever action needed to certify that emails coming with this exchange are legitimate.

As part of the efforts to provide better communications, we would like to verify email addresses for our active members. If you are receiving emails, then we have your correct email address. If you are not receiving emails (i.e., eGrams) or you have not provided your email address to HCA and would like to receive them, please do the following. **Send an Email to:**

Heisey Collectors of America National Convention

June 15th - 18th, 2022

Registration form is located on page 10

Isn't It Time You Had A Heisey Holiday?

It's time to dress up to celebrate New Year's Eve in June!

If you missed celebrating holidays the last couple of years due to COVID, you can make up for it during the Convention this year. Each event of the Convention will capitalize on the theme, "It's a Heisey Holiday," by celebrating a different holiday or occasion.

The banquet gets the biggest, most festive holiday of the year – New Year's Eve. It will be an opportunity to dress up for fun.

Start searching your wardrobe now for something festive and fun or sleek and elegant. Dig out the silk and satin lurking at the back of your closet. Nothing exciting there? Do a web search on New Year's Eve attire for inspiration. It may give you ideas for ways to mix and match what you already have in new ways or find some great accessories to add glamour—think sparkles, beads, feathers, sequins, rhinestones and the lot.

A quick Google search found some fascinating suggestions for New Year's Eve attire. How about a red satin slip dress? Maybe 50 years ago, but not today. Camel Zebra boots with stiletto heels? Not for me. Black satin pajamas trimmed with feathers? Not that either. A blue taffeta skirt with a silvery lace blouse? Now that has possibilities.

Don't forget to keep the weather in mind. What you wear to celebrate New Year's Eve in June will doubtless be lighter than what you would choose for December. And don't forget comfort. After all, you want to have fun.

Guys, we are expecting tuxedos! But only if you really feel like it.

We have it on good authority that one of our members has already planned his attire – the New Year's Eve Baby look, complete with top hat, diaper and a sash. Now that is something to look forward to.

Gentlemen! Like Gus Heisey II, in this photo, a tuxedo would strike just the right note of elegance at our Heisey Convention New Year's Eve celebration.

Volunteer to have a Table Display at the 2022 Heisey Convention

The theme this year is “It’s a Heisey Holiday “ and I LOVE IT! Think of what wonderful table settings come to mind with that theme.....ENDLESS.

We have a lot of new ideas for the table setting display at Reese Ice Arena. Our goal this year is to showcase our Heisey glass in such a way that the table setting display is one of the biggest highlights of the convention.

Everyone loves a competition and fun fundraiser for our beautiful Heisey Museum. Attendees will have the chance to vote for their favorite display. Each dollar donated will be one vote. There will be two categories this year: one prize for the table best representing the Convention Theme and the second prize for original display.

Your creativity is only limited by table size! Our displays will be 48-inch round tables with white tablecloths or six and eight foot rectangle tables with blue tablecloths. Tablecloths will be provided or you can use your own.

HCA would love to see every Heisey Study Club represented as well as our talented individual collectors. Let’s show the public how we love and decorate with our wonderful Heisey pieces.

We need lots of people, commitments and ideas to make this a success. We encourage your participation.

Please contact me if you are interested in participating in this Convention activity.

HEISEY AUCTION NEWS

2022 ALL HEISEY SPRING BENEFIT AUCTION WRAP-UP

The 48th Annual All-Heisey Spring Benefit Auction was a wonderful event for HCA! We held the auction online and in person, a first for this auction. The in person portion of our two-day auction returned to the GMP Local #244 Union Hall on Friday-Saturday, April 22–23, 2022. Our auction was well attended with 73 in person registrants and 117 online registrants. We also had four absentee bidders. We had 1,000 lots of glass from 42 consignors. Online pre-bidding for the auction started on Friday, April 15th, with live bidding starting at 9:30 AM ET on April 22nd for lots 1–500 and again on April 23rd for lots 501–1000.

How did we do financially? We grossed \$68,238.50 (glass sales and buyer's premium) and after consignors and expenses are paid, we hope to make budget. We had a 2022 budgeted amount of \$16,500. Our average price per lot this year was \$66.74, compared to 2021's average of \$56.43. We had 20 lots of donated glass which brought \$895, while in 2021, we had 7 lots generating \$190 – resulting in \$705 more than last auction.

On behalf of the HCA Board of Directors and staff, I would like to thank all the volunteers who worked, starting in January 2022, unpacking, identifying, photographing, cataloging, and repacking the glass and then working three straight days until the auction was concluded. You make this event a success and HCA's largest fundraiser.

Special thanks to Walter Ludwig who graciously lent his time and Heisey expertise whenever asked; to Jack Burriss and the Museum staff, who helped coordinate events in Newark; to Mary Ann Spahr and Karen Taylo, whose work made the event possible; and to Caleb-Michael Files, Michael Maher and Doug Olson, who handled the online portion of the auction.

A big thank you goes to Craig Connelly, Auctioneer and his cohorts. They not only sell the glass; they keep us in stitches while doing so! And to GMP Local #244's own Jimmy Gill who worked to assure the hall was in tip-top shape all three days.

Thank you to all the consignors who consigned and donated glass to HCA and to all the auction attendees and absentee/online bidders who purchased that wonderful Heisey glass.

Hope to see all of you at the Dave Spahr Fall Select Auction in October.

2022 HEISEY HERITAGE AUCTION WRAP-UP

The inaugural Heisey Heritage Auction (HHA) was a success! We held the online only auction on Saturday, April 16, 2022. The auction was well attended with 97 online registrants. We had 300 lots of glass from four consignors. Online pre-bidding for the auction started on Saturday, April 9th with live bidding starting at 12 Noon ET on April 16th.

We grossed \$10,720.73 (glass sales and buyer's premium) and after consignors and expenses are paid, we hope to net approximately \$3000. Our average price per lot for this auction was \$34.25.

The cataloging of the HHA glass coincided with that of the Spring Benefit Auction. Many thanks to all the volunteers from the January sessions, and to the April volunteers who arrived in Newark early to help pack the winning bidders glass. You are the key to the success of our auctions!!

Thanks also to the consignors who consigned to the HHA and to all online bidders who helped make this inaugural event a successful fundraiser for HCA.

HEISEY STUDY CLUB NEWS - Great Plains

GREAT PLAINS Heisey Study Club News

Submitted by **Kathy Files, Secretary**

Do you like flowers? Do you like birds? Do you LOVE Kansas City BBQ? We had all these delights at the home of Chris and Lehi German in Kansas City, MO. Chris and Lehi were hosts for our May meeting and we thank them for the best of BBQ – Lehi is truly a master “smoker.” Chris provided the sides and Kathy Files filled the dessert course. None of our fifteen members (+1 guest) left hungry. The lovely garden tour with birds gathered at Lehi's unique trolley feeders provided great visual entertainment.

President John Mock convened the meeting at 1 pm. He noted several members are facing medical challenges and were unable to attend. Cards were signed with best wishes for all. We miss you. Minutes of our March meeting were approved and the treasurer's report given. Tom and Kathy gave a brief report on the Spring auctions and provided financial results. It was a treat for all to see that Bethel decanter with Sea Glade cutting in person – Lehi was the winning bidder to make it a special event gift for Chris.

Convention topics were discussed including table displays and our club vote for Board candidates and Constitution/Bylaws amendment proposals. Trudy Mock is in charge of the display area at the show arena. She explained the theme and requested volunteers to display and assist. We're anxious to see the display come to life as her planning will make it an important part of the “Heiseyland” visit. The tables will be like magazine layouts, only live!

Kelly Bragg handled our raffle sales for a drawing to win a box full of great Heisey donated by the Mocks. Our host Lehi was the winner!

Program director Eric Tankesley-Clarke was unable to attend but he prepared a wonderful handout to facilitate the topic of Heisey etchings and carvings. Tom presented the program explaining techniques used and displayed examples of the different types: needle, pantograph, plate, double plate, silhouette, and carvings. Great program with tag-team efforts by Eric and Tom. Thanks were given for helping us learn and understand this subject more completely.

HEISEY STUDY CLUB NEWS - Great Plains

Some of the program and show & tell items were merged at this meeting: Daisy 9" candlesticks/cut; Oakwood soda/Golf Scene etching; Empress 7" plate/Fisherman etching; two Larkin syrups/cut; Empress ice bucket/cut; Stanhope vase and celery/both with Maytime etching and red rods; Spencer decanter/Frontenac etching; Rooster head cocktail/Sultana stem; Carcassonne footed ice tea/Houston Post etching; National goblet/Fred Harvey etching; Star relish/Chevy Chase carving and Lehi's extensive collection of Fox Chase etched pieces to name some of the items displayed.

July's meeting will be held in association with the National Depression Glass convention in Wellington, KS with Ande and Greg Henne serving as hosts. They will present a seminar on Heisey history at about 1 pm on July 9 that will also serve as our meeting program. Come join us – there's always lots of Heisey for sale at this event's show.

We adjourned for dessert – I think the blueberry pie a la mode was the #1 choice. Thanks to Chris and Lehi for hosting another super Great Plains club meeting.
