Message from the President

by Caleb-Michael Files

As we head into fall, I want to thank you for your continued support and involvement in HCA and support of the Heisey Glass Museum. It's been an incredibly active and productive summer, and I'm proud to share a few key updates.

Website Redesign Update

Our website redesign project is progressing well and remains on budget. We are currently working toward a public launch shortly after New Year. This project represents an important investment in making our resources, collections, and programming more accessible to members, researchers, and new audiences alike. I want to thank everyone who has contributed feedback and energy to this effort.

"Name That Heisey" Honors

In August, two pieces received their official names through our *Name That Heisey* initiative:

No. 8042 Jelly Jar, now named "**Jean Will**", in honor of Jean Will. Thank you to Eric Tankesley-Clarke for this tribute.

No. 3947 Compote, now named "**Victoria**", in honor of Vicki Kraner, submitted by Beth and Jerry Carpenter.

If you would like to honor someone special by naming a Heisey piece, contact the Museum for the current list of available items.

Support Needed: Archives HVAC

We recently experienced an issue with the HVAC system in our Archives. While we have set aside funds to cover part of the repair or replacement, we may need to raise additional support depending on final costs. If you're in a position to contribute, please consider making a donation earmarked for HVAC repairs. This infrastructure is vital to preserving our glass and archival materials long-term.

Museum Cabinets: Four Remaining

We have just **four cabinets remaining** out of the 16 new museum display cabinets available for sponsorship. If your study club hasn't yet participated, this is a great opportunity to leave a lasting legacy. Club donations are welcome, and we're happy to recognize each sponsor.

Special Projects Selling Fast

This fall's Special Projects pieces—**Witches Balls**, **Fall Trios**, **Pumpkins**, and **Acorns**—are moving quickly. Contact the museum staff to reserve yours today before they sell out!

Looking Ahead: Convention Planning

We are forming the **2026 Convention Committee**, and we need volunteers! Whether you've helped in the past or are looking to get involved for the first time, we'd love to have your support. Planning begins soon, and many hands make light work. Support from Newark or around the country is welcome.

MEMBERSHIP MEETING!

*Please join us for our
fall membership meeting
(before the auction).*

**October 18, 2025, 11:30 a.m.
GMP Local #224 Union Hall,
Newark, Ohio**

As we enter the season of gratitude, I want to thank each of you for your continued membership. Your support—through dues, donations, volunteering, and participation—makes it possible for us to preserve the beauty and history of Heisey glass for future generations. I wish all our study clubs well as they gather this fall (congratulations Great Plains on your amazing September meeting and to Pat and Rex Lucke for opening your home up to your membership), and I hope the months ahead are filled with meaningful connection and shared enthusiasm for the glass we love.

Museum Restoration Project Progress

The ongoing restoration efforts at the museum are truly shaping a more inviting atmosphere for all visitors. Recently, the stairwell railings and walls received a fresh coat of crisp white paint, brightening the space and creating a cleaner look. The final hallway has also been repainted, seamlessly connecting the galleries and offering a more open feel. Rest assured, the blank walls will soon come alive with interactive displays designed to engage and educate guests as they explore.

Many may not be aware of the fascinating history behind the steps of the King House. Crafted from grinding stones sourced from the Heisey glass factory, these steps are a tangible link to our local heritage. They even served as a challenge question for the Licking County Historical Alliance's America 250 Passbook. To honor their unique story, a sign has been placed nearby to inform all visitors to Veterans Park of this interesting piece of history.

Stay with us as we continue working diligently behind the scenes to enhance every aspect of the museum experience. More exciting updates are on the way!

After many hours of work, visitors may now enjoy the freshened hallways and stairways.

Memorial Notice Guideline Revision

Family members or HCA members (with permission of the family) are invited to submit for publication in *Heisey News* brief memorial notices of current or former HCA members who have passed within the previous six months. In addition to the individual's name, city and state of residence, and date of death, all memorial notices **must** include information on the deceased person's involvement with Heisey glass. Notices are subject to editing and will be published as space allows. Include contact information with your submission and indicate your relationship to the deceased. Send notices to newsletter@heiseymuseum.org or Heisey Glass Museum, 169 W Church St, Newark, Ohio, 43055.

In Fond Memory of David Eric Blair

David Blair

October 23, 1974-September 18, 2025

David Blair, a radiant soul, moved on, on September 18, 2025, in Zanesville, Ohio. Born on October 23, 1974, in Holmes County, he was a testament to the beauty of chasing dreams, igniting passion, and nurturing friendships, no matter where he traveled.

From the tender age of eight, David found his calling in the floral world, working in Ed Kiefer's floral shop. It was here that his love for design blossomed into a vibrant career. He ultimately stepped boldly into the limelight, owning and operating Dee's Flowers in Los Angeles, where he crafted exquisite designs that turned heads at star-studded events, television productions, and corporate gatherings. His work was not merely functional; it was an ode to creativity, an embodiment of artistry that enchanted all. Lavish parties hosted by him echoed with laughter and awe, as David poured his heart into every detail.

An outgoing, hardworking, and generous man, David was a beacon of kindness and enthusiasm in every organization he touched. No task was too small for him; he always extended a helping hand. As the past president of the Heisey Collectors of America at the Heisey Glass Museum he reflected his deep care and commitment to preserving memories of the past, enriching the museum and placing his own impression that will last forever.

A craftsman at heart, he loved to create and design throughout his childhood, transforming ordinary materials into works that sparked joy. Christmas was a particular passion, where he would design his own ornaments and throw spectacular gatherings that brought the cheer of the season to life, even down to the artificial snow he would import to warm Los Angeles winters.

David's adventurous spirit led him on journeys far and wide, earning him friendships in places most can only dream about. His home in the enchanting Putnam Historical district spoke volumes about his character; David was devoted to restoring the beauty of his 1825 historic house to its original splendor.

He cherished his family deeply. David is survived by his loving mother, Cheryl (Easter) Robison; father, James Blair; stepfather, Daniel Robison; sister, Jennifer Blair; stepsister, Sheridan Garbrandt; and cherished nephews, Brody Kalinen and Hunter Mowery. His friendships stretched far and wide, a testament to the warmth he radiated throughout his life.

David's journey through life was brightened by the love of his late husband of twenty years, Daniel Darwish, and their beloved fox terrier, Margie, whose companionship brought immeasurable joy and comfort to his days.

As we gather to celebrate the life of David Blair, we remember a man whose heart mirrored the vivid colors he so passionately designed. A memorial service will be held at Miller Funeral Home in Coshocton, Ohio, on October 25, 2025, where friends and family will come together from 1pm to 2pm in an hour of visitation. A memorial service will begin at 2pm where the event can also be viewed via livestream.

A donation can be made in David's honor to the Heisey Collectors of America.

Treasurer's Report by Andy Baldus

Andy Baldus

Financial Report

The following page shows the financial report through the end of July for 2025. Overall, our revenues are down from the expected amounts for this time of the year and our expenditures are slightly below expected levels.

Revenues: Membership numbers continue to fall. In July 2024 we had 958 members; this year our number dropped to 818 and loss in revenue is reflected in the table. Income from the Benefit Auction and Convention are below expected levels. Admissions are below budgeted amounts and expected not to bring in any significant amounts for the remainder of the year since we stopped charging for admission in May. Sales are slightly below budgeted levels but are expected to pick up with the sale of fall special project items.

Expenditures: Overall expenditures are down from the budgeted levels. Payroll expenses are down mainly due to the decision not to hire two positions included in the initial budget. More has been spent on lawn and grounds to clean up the diseased plants in the courtyard and will continue to increase this fall with the removal of the damaged and dying trees. Spending on computer and website is above budgeted amounts and will continue to increase for the balance of the year. In May, the Board approved spending \$73,600 to redo the website; \$39,000 to be billed in 2025 and the rest in 2026. This was not included in the 2025 budget. This added cost will be covered by savings in other budget lines and if needed by taking additional funds from the Endowment earnings.♦

by Donna Nyght

Dear Heisey collectors!

I know many of you are excited about the fall HHA and Dave Spahr FSA auctions.

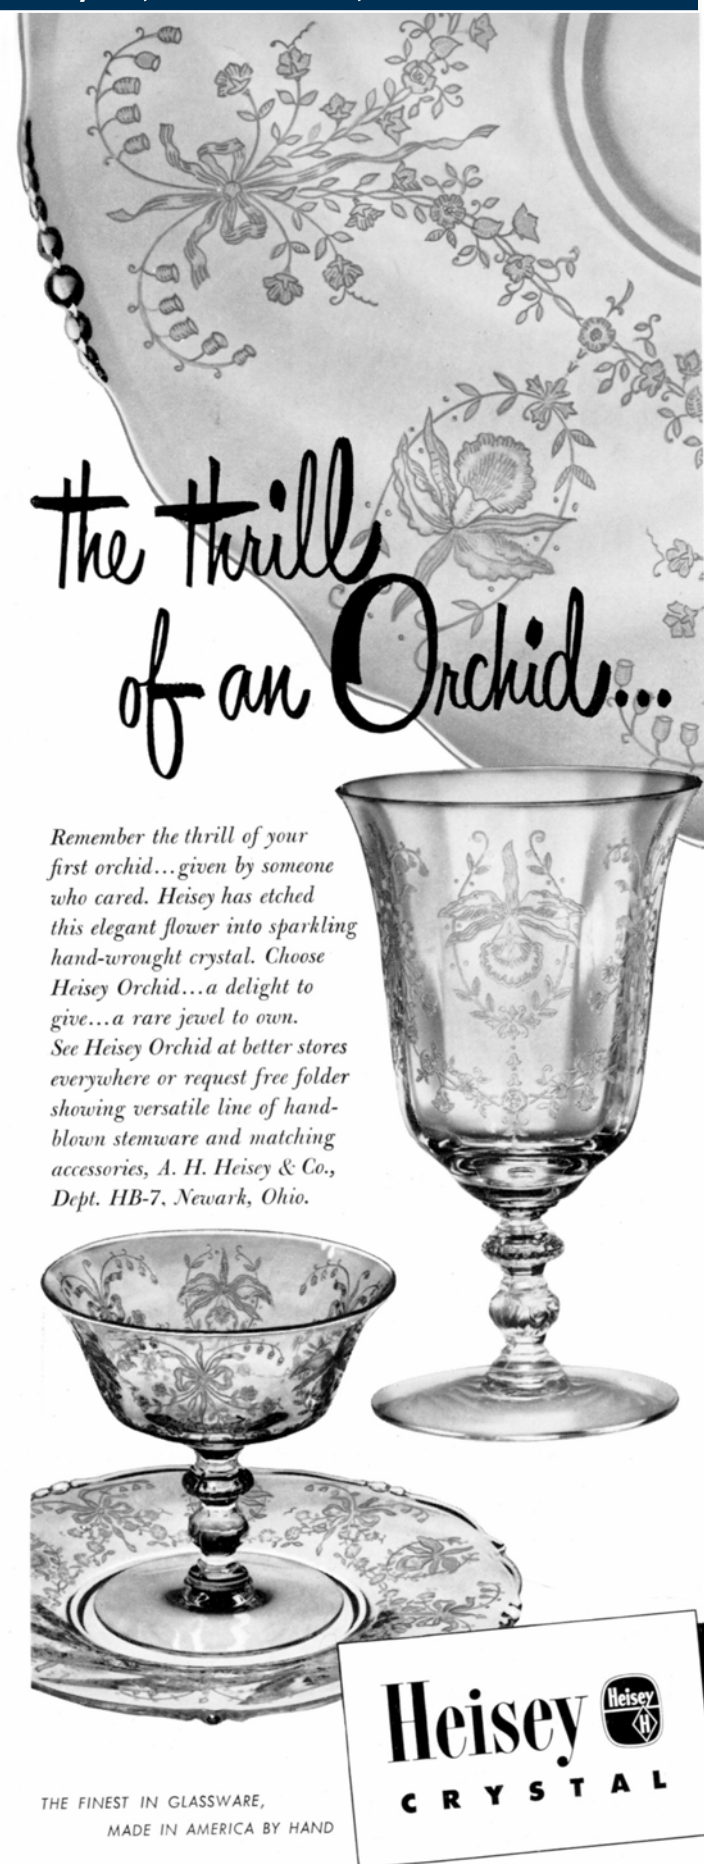

Catalogs have been mailed, and you can access the listings at HeiseyMuseum.HiBid.com. The bidding opened on September 12, so there is ample time to peruse the items, decide on your watchlist, and place your bids. Just a reminder: the HHA is online only with live bidding starting at noon ET on October 11. The Dave Spahr Fall Select Auction is both online and in-person starting at noon ET on October 18. The in-person auction on October 18 is part of the Percy and Vivian Moore weekend. We hope to see many of you in Newark for the festivities scheduled for October 16-18!

We continue to accept consignments for the 2026 Spring Benefit Auction: these items need to be delivered to the museum by December 19. There is a 40-lot limit for each HCA member. We are also accepting larger consignments that can start selling in spring but need to be delivered to the museum by November. If you are interested in consigning Heisey glass for the auctions, please contact us at: auktion@heiseymuseum.org or call the museum at 740-345-2932. Jennifer Miller, our Auction Firm Manager, will answer questions and share details regarding contracts and the process of selection for the Spring Benefit Auction.

Please contact me with any questions, ideas, or comments about the auctions. My email is dnyght@heiseymuseum.org.

Enjoy the upcoming fall auctions and have a wonderful time in Newark if you are attending the Percy and Vivian Moore weekend!

From the Archives...

David G. Malick

The Heisey Glass Museum Archives are divided into two categories. The bulk of the material is from and about A. H. Heisey & Co. and its products. However, there is a significant amount of material relating to Heisey Collectors of America, Inc. and its associated study clubs. As we work to digitize the materials in the Archives, precedence is naturally given to original Heisey company materials. However, there is a rich trove of research to be found in the newsletters and presentations produced by HCA and its study clubs. In order to encourage members and researchers to take advantage of this material, we have leveraged already digitized items from HCA and study clubs, some of which are no longer active. These materials reside in an HCA folder on the [Archives SharePoint site](#).

We started with the digital copies of *Heisey News* that are stored on the existing, soon to be replaced, HCA website. These documents represent fifty-three years (1972-2024) of publication. They have been renamed to be consistent and easy to identify and are all made searchable for easy research.

The next set of items are 21 back issues of *Pony Express*, the publication of the [Heisey Club of California](#). These are made available courtesy of Martha McGill, the current president. The issues of *Pony Express* are filled with interesting articles and excellent pictures.

The [Crystal Clear Virtual Heisey Study Club](#) meets online at 7 p.m. ET on the 2nd Wednesday of each month. They are diligent in exploring a Heisey pattern as part of their regular program. Interesting and meticulously researched presentations are created for each pattern, often leveraging material from the digital Heisey archives to ensure accuracy and provide new insights. Thirty presentations are made available courtesy of president Michael Maher and the club members who create these valuable documents.

The final group of items comes from the inactive National Capital Heisey Collectors Club. Sixty-eight issues of the *Heisey Herald* were saved and provided courtesy of Gregg and Mary Cameron. As study clubs are created and become inactive, it is important to plan on preserving the useful reusable materials and research they produce for present and future collectors. ♦

Recognizing Extraordinary Service

HCA Board of Directors

The HCA Service Recognition Policy that was approved earlier this year is designed to acknowledge the non-monetary contributions of members that are essential in maintaining and growing the Heisey Museum. HCA's Board of Directors is pleased to recognize Roy Eggert, Mary Ann Spahr, and Karen Taylo with the Significant designation in acknowledgement of their extraordinary services in successfully running HCA auctions for many years.

- Roy began volunteering with auctions in 2012. He became the Auction Firm Manager in 2018 when no one else would take on the role. He served in the role until May 2025.
- Mary Ann began volunteering with auctions in a significant capacity in 2004 and served on the Auction Committee until May 2025.
- Karen began volunteering with auctions in 2005 at the first Fall Select Auction and officially served on the Auction Committee until May 2025. At this time, she is continuing to support transition activities for the new auction team.

During 55 years of combined service, these dedicated HCA members, along with other committee members and volunteers, were instrumental in successfully delivering the Spring Benefit and Dave Spahr Fall Select auctions each year. These auctions are HCA's largest fundraisers and also serve as a benefit to HCA members that consign glass and Heisey glass collectors in general who purchase glass.

During the pandemic, to keep auctions going, this team developed and implemented the first online auction for the Spring Benefit auction, an auction that was previously only in-person. They went on to adapt both the Spring Benefit and the Dave Spahr Fall Select auctions into online and in-person auctions. They also established both spring and fall Heisey Heritage Auctions using the online only format, allowing HCA to accommodate large consignments.

Over the years they have been successful in recruiting volunteers in support of the auction efforts, many whom have gone on to support HCA in broader ways.

Roy Eggert

Mary Ann Spahr

Karen Taylo

Since 2013, HCA auctions have netted more than \$300,000 for the operation of the museum.

This team documented standard operating procedures for auctions in September 2024 and developed job aids to support the transition of their responsibilities to new members following their resignations in May 2025.

Roy, Mary Ann and Karen have significant records of dedication and service to HCA as members, board members and officers. Their contributions to HCA in auctions and other initiatives have left a lasting legacy.

- Roy Eggert became a member of HCA on August 9, 1985. He was elected to the board in July 2013. He was vice-president between July 2014 and June 2015, president between July 2015 and June 2018, immediate past president between July 2018 and June 2019, and a board member between July 2019 and June 2021.
- Mary Ann Spahr became a member of HCA on December 27, 1994. She became a board member in January 2011 and served as secretary between July 2011 and June 2020. Her term of service is the longest of any officer in HCA.
- Karen Taylo became a member of HCA on April 19, 1997. She was elected to the board in June 2005. She served as vice-president between July 2009 and June 2011, a board member between July 2011 and June 2013, and treasurer between July 2017 and June 2021.

Dick Marsh Memorial 2025 Auto Show Review

by Michael Maher & Linda Greenwood

With vintage cars from the 20s to the 50s up to today, cars represented over 100 years in time.

The annual Dick Marsh Memorial Car Show, hosted by the Buckeye Heisey Collectors Club, was a spectacular day of chrome, community, and charity. On Sunday, August 31, car enthusiasts and families descended upon the Heisey Glass Museum, bringing with them a stunning array of classic and custom vehicles that stretched far beyond the museum parking lot.

Turnout was tremendous as so many classic cars filled our parking lots that we spilled onto 6th street!

McKenna June Greenwood with her car show shirt supporting her Mim Linda Greenwood.

Not all the cool wheels had engines and exhausts.

Who ya gonna call?

We were initially concerned about the rescheduling of our event due to rain, but our worries were for nothing! The beautiful weather and overwhelming turnout proved that moving the date was absolutely the right decision. With a record-breaking 112 cars entering the show, we not only filled the museum grounds but also spilled out onto 6th Street and Church Street. The sheer number of entries showcases the passion of our participants and made this our largest car show to date!

The Columbus Ghostbusters were in attendance with the ECTO-1 and the Stay-Puff marshmallow man.

Awards, Ecto-1, and More!

The competition was fierce, with stunning vehicles lined up and vying for top honors. Congratulations to the Top 40 award winners who took home a well-deserved trophy for their prized possessions. The

A Breakdown of Our Grand Total

This event is our club's biggest fundraiser of the year, and thanks to the generosity of everyone involved, we netted an incredible \$2,532.50! We couldn't have done it without the enthusiastic support for all our fundraising efforts. Here's how we broke down the fundraising:

- **Car Registrations:** 112 cars entered the show, and at \$10 per entry, we raised a fantastic \$1,120.00.
- **Door Prizes and 50/50:** The excitement for our door prize raffle and the 50/50 drawing brought in a wonderful \$689.00.
- **Tee-Shirt Sales:** Our beautiful event T-shirts were a hot commodity, raising \$255.00 from sales.
- **Heisey Ice Cream:** A huge thank you to Velvet Ice Cream for their donation and to Dick and Marilyn Smith for donating the Heisey glass! We raised a sweet \$502.00 serving ice cream in real Heisey glass.
- **Food Truck Donations:** The generous donations from our food trucks contributed \$135.00 to the cause.
- **Trophy Sponsors:** Our wonderful trophy sponsors came through with \$870.00 in support, allowing us to provide top-notch awards to the winners.

quality and craftsmanship on display were truly exceptional, making the judges' decisions incredibly difficult.

A huge highlight of the day was the special appearance by the Columbus Ghostbusters! Their presence created a buzz, but what really stole the show was their full-sized Ectomobile. Kids and adults alike were thrilled to see the iconic vehicle up close, and the Ghostbusters themselves were a fantastic addition to the festive atmosphere.

We want to extend a massive thank you to all the car owners, volunteers, sponsors, and attendees who made this year's Dick Marsh Memorial Car Show an unforgettable success. Your participation and generosity not only made for a great event but also helped us exceed our fundraising goals. We can't wait to see you all again next year!

HEISEY STUDY CLUB NEWS

Great Plains Submitted by Mary Cameron

It was a warm, golden fall day when 22 dedicated members and six enthusiastic guests gathered in Omaha, Nebraska. Attendees represented a wide swath of the country, coming from eight different states to share in the camaraderie and appreciation of Heisey glass. The meeting kicked off with a delicious spread generously provided by Rex and Pat Lucke, setting a welcoming tone for the afternoon.

Before, during, and after the meeting, attendees were treated to a stunning array of Heisey glass. The display was nothing short of dazzling—pieces sparkled under the lights, and it was nearly impossible to take in every detail of the collection. The variety and quality of the glass on display made for a truly immersive experience.

President Donna Nyght led a brief but productive meeting, keeping things efficient as everyone was eager for the main program. Updates on the upcoming fall auction were shared by Donna, Bucky, and Eric, who also provided a helpful board update. Plans for next year's meeting dates and hosts were discussed, ensuring the group stays connected and organized. A heartfelt moment came when Eric made a special presentation to Jean Will, recognizing her contributions. (See related article for more details.)

Members enjoyed looking at glass and catching up with each other.

Eric then transitioned into the featured program, titled *Heisey's Blues and Yellows*. The presentation explored Heisey's ventures into these vibrant colors—some created for production, others as experimental pieces, and a few whose origins remain a mystery. Attendees were captivated by the journey through Heisey's flirtation with yellow tones and enchanted by the shimmering blues that left many wishing the company had explored them further. Rare and unusual pieces in both color families were showcased, including items that even seasoned collectors may never have seen outside of a museum display case—if at all. The program table was a showstopper, leaving everyone in awe of the beauty and rarity of the glass.

Following the program, the energy continued with a lively auction featuring 50/50 items

JEAN WILL HONORED AT GREAT PLAINS CLUB MEETING

Jean Will was honored by Eric Tankelsey-Clarke at the September 13th Great Plains Heisey Club Meeting. Jean, who has brought jams and jellies to club meetings, has raised almost \$4,000 for the club treasury.

Eric named the No. 8042 the Jean Will Jelly Jar with screw top.

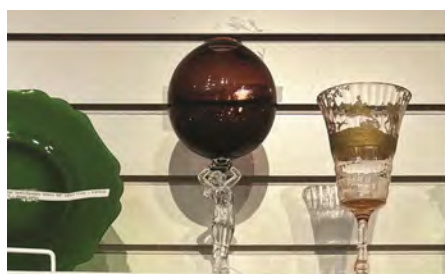

Congratulations Jean!

Great Heisey glass and fantastic food are always a must at a Great Plains Heisey Club meeting

brought by members. The bidding was spirited, and the items sparked plenty of interest and friendly competition.

The meeting concluded on a sweet note with a selection of fabulous desserts. As always, the highlight was the legendary Strawberry Wedding Cake, a treat that has become a tradition for those visiting the home of Rex and Pat. Guests eagerly lined up for a slice, savoring every bite. It was a truly memorable gathering—an epic meeting filled with friendship, learning, and the timeless elegance of Heisey glass. ♦

North Carolina Submitted by Robert Moreno

The North Carolina Heisey Study Club held its every other month meeting, Saturday, July 12, 2025, at Replacements, Ltd. in Greensboro, North Carolina. Fifteen members were in attendance.

Chris Gallagher gave a summary of the Heisey 2025 Annual Convention held in Newark, Ohio, on June 12-14, 2025. The proposal to approve the revised HCA Constitution and Bylaws failed to win the necessary two-thirds majority to gain approval. The minutes were approved by Derek Smith, seconded by Patricia Moreno. The Treasurer's report was given by Becky Gallagher. The North Carolina Heisey Study Club gave \$500.00 to the Operating Fund and \$500.00 to the Endowment Fund. Chris said that the Dick Marsh Memorial Car Show will be held in Newark, Ohio on July 27, 2025. Derek Smith gave an update on the Saucer Champagne project. Derek explained the process of taking pictures of the glassware for this project. The introduction has been written.

Bonnie and Rosie Carter brought the wonderful desserts for the July meeting. Thank you to the Carters for the delicious desserts.

Chris Gallagher commented on the President's Council. The program presented by Chris Gallagher was on cream and sugar Bowls. Sugar was quite expensive at the beginning. Sugar was kept under lock and key. Then
